December 31, 2023 and 2022

WIPFLI

Independent Auditor's Report

To the Plan Administrator
Central Plumbing & Heating, Inc. 401(k) Profit Sharing Plan
Great Falls, Montana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Central Plumbing & Heating, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Central Plumbing & Heating, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Central Plumbing & Heating, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Plumbing & Heating, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Central Plumbing & Heating, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Plumbing & Heating, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Central Plumbing & Heating, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Central Plumbing & Heating, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering certain employees designated by Central Plumbing & Heating, Inc. (the "Sponsor" and "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Eligibility

All employees are eligible to participate in the Plan upon obtaining employment with the Company. To qualify for profit sharing contributions the employee must be at least 19 years of age, have completed 1,000 hours and twelve consecutive months of service as well as be employed by the Company on the last day of the plan year. There are no eligibility requirements for the Sponsor's prevailing wage contributions, if the employee performs work on prevailing wage contracts.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make prevailing wage and discretionary profit sharing contributions to the Plan.

Effective November 1, 2010, the Sponsor suspended the safe-harbor employer matching contributions to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations. During the year ended December 31, 2023, the Company made prevailing wage contributions and discretionary profit sharing contributions of \$408,661 and \$887,764, respectively.

Investment Options

Participants direct how their and the Sponsor's contributions are invested among several options that cover a wide range of fund objectives, risks and returns. All investments are participant directed.

Central Plumbing & Heating, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, Plan prevailing wage contributions, Plan discretionary profit sharing contributions, and allocations of (a) the Plan's profit sharing contribution and (b) plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans to participants are treated as a separate investment of the participant and all principal and interest payments on loan balances are credited to the participant account from which the loan was made. The loans are secured by the vested balance in the participant's account and bear interest at a fixed rate determined by the plan administrator based on prevailing market conditions. Interest rates on existing loans range from 4.25% to 9.25%. Participants may only have one loan outstanding at any particular time. Principal and interest is paid ratably through weekly payroll deductions.

Vesting

Participants are vested immediately in their contributions plus actual earnings (losses) thereon as well as prevailing wage contributions from the Sponsor. Vesting in the Sponsor's profit sharing contribution portion of a participant's account is based on the number of years of service.

Sponsor contributions vest according to the following schedule:

<i>Years of Service</i>	<i>Vesting %</i>
Less than 1 year	0%
1 year	25%
2 years	50%
3 years	75%
4 years or more	100%

Upon a participant's death, total disability, or attainment of normal retirement age of 65, a participant's accrued benefit is 100% vested.

Forfeitures

Employees who terminate employment before they are 100% vested, forfeit all or a portion of their Sponsor contributions depending on their years of service. Unallocated forfeitures totaled \$10,876 and \$16,211 as of December 31, 2023 and 2022. During the year ended December 31, 2023, the Company contributions were reduced by \$16,210 from forfeited nonvested accounts.

Central Plumbing & Heating, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant or beneficiary may receive a lump-sum amount equal to the value of their vested interest in their account. A participant who is required to receive lifetime required minimum distributions may receive installments payable in monthly, quarterly, or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or defer the distribution to retirement if the account balance is greater than \$5,000. The Plan provides for normal retirement benefits upon reaching age 62. Participants may also take in-service distributions if they experience a qualifying financial hardship.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts ("FBRICs")). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

FBRICs are reported at contract value, which is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the contract.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant notes are reclassified as distributions based upon the terms of the plan document. No allowance for uncollectible notes has been recorded or deemed necessary.

Central Plumbing & Heating, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses are paid by the Plan through an allocation to participant accounts. Per-use fees are charged directly to the participant accounts. The Sponsor pays certain professional fees and other plan expenses, which are excluded from the accompanying financial statements. Investment related expenses are allocated proportionately to plan participants based on their respective account balances and are included in investment income/loss.

Subsequent Events

The Plan has evaluated subsequent events through September 11, 2024, which is the date the financial statements were available to be issued.

Note 3: Information Prepared and Certified by Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the custodians of the Plan.

Note 4: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2023 and 2022.

Central Plumbing & Heating, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 4: Fair Value Measurements (Continued)

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust funds: Valued at NAV provided by the administrator of the fund using NAV as a practical expedient to estimate fair value. This practical expedient would not be used if it were determined to be probable that the fund would sell the underlying investments for an amount different than the reported NAV. These funds are stable funds and their NAVs are based on the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily, and there are no restrictions as to the redemption of these funds or unfunded commitments at December 31, 2023 and 2022.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,116,535	\$ -	\$ -	\$ 3,116,535
Total investment assets in the fair value hierarchy	3,116,535	-	-	3,116,535
Investments at NAV (a)	-	-	-	12,056,965
Total investment assets in the fair value hierarchy	\$ 3,116,535	\$ -	\$ -	\$ 15,173,500

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,761,109	\$ -	\$ -	\$ 11,761,109
Total investment assets in the fair value hierarchy	11,761,109	-	-	11,761,109
Total investment assets in the fair value hierarchy	\$ 11,761,109	\$ -	\$ -	\$ 11,761,109

The following table summarized investments measured at fair value based on NAV per share as of December 31, 2023 and 2022, respectively.

Central Plumbing & Heating, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 4: Fair Value Measurements (Continued)

	December 31, 2023	December 31, 2022	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common Collective Trust Funds	\$ 12,056,965	\$ -	N/A	Daily	30 days

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Transfers Between Level

For the years ended December 31, 2023 and 2022, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

Note 5: Fully Benefit-Responsive Investment Contracts (FBRICs)

The Plan has guaranteed investment contracts which provide a guarantee of principal and interest which is guaranteed by the general account assets of Empower Annuity Insurance Company of America ("Empower"). Contract value represents contributions made under the contracts, plus earnings (losses), less withdrawals and administrative expenses. Subject to plan or IRC limitations, participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of Empower or otherwise. The contract value as of December 31, 2023 and 2022 was \$787,544 and \$753,017.

Certain events limit the Plan's ability to transact at contract value with Empower including Plan termination and other events as specified in the GIC. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants or the issuer are probable of occurring. The GIC does not permit Empower to terminate the agreement prior to the scheduled maturity date.

Central Plumbing & Heating, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 5: Fully Benefit-Responsive Investment Contracts (FBRICs) (Continued)

The average yield earned by the Plan and the average interest rate credited to the participants' accounts for the year December 31, 2023 was 1.23%.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions.

Note 7: Tax Status

The Company adopted a nonstandard prototype document with an IRS notification letter which states the prototype plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter; however, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9: Party-in-Interest Transactions

Certain plan services are provided by JCCS, PC. JCCS, PC is a service provider, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees for the services provided during the plan year ended December 31, 2023, were offset against earnings. Specific detail for these fees is not available from the service provider.

Certain plan services are provided by Empower Annuity Insurance Company of America and Empower Trust Company, LLC. Empower Annuity Insurance Company of America and Empower Trust Company, LLC are service providers, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees for the services provided during the plan year ended December 31, 2023, were offset against earnings. Specific detail for these fees is not available from the service provider.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.
