EFGI U.S. Companies 401K Plan  
Miami, Florida

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the accompanying financial statements of EFGI U.S. Companies 401K Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of EFGI U.S. Companies 401K Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of EFGI U.S. Companies 401K Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

*Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about EFGI U.S. Companies 401K Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

*Auditor's Responsibilities for the Audit of the Financial Statements*

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of EFGI U.S. Companies 401K Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about EFGI U.S. Companies 401K Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

*Supplemental Schedules Required by ERISA*

The supplemental schedules of delinquent participant contributions and assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **EFGI U.S. COMPANIES 401K PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

---

---

#### **NOTE 1. DESCRIPTION OF THE PLAN**

---

The following description of the EFGI U.S. Companies 401K Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### ***General***

The Plan is a defined contribution plan covering full-time employees of EFG Capital International Corp., EFG Asset Management (Americas) Corp., and EFG Asset Management (North America) Corp. (collectively the "Company", "Employer", or "Sponsor"). Until November 28, 2023, all employees, other than excluded employees as defined by the Plan, were eligible to participate in the Plan on the first day of the month following their hire dates. Part-time, temporary or seasonal employees were eligible to participate in the Plan once they were at least twenty-one years old and had completed at least 1,000 hours of service during an eligibility computation period, as defined in the Plan. Effective November 29, 2023, all employees, other than excluded employees as defined by the Plan, are eligible to participate in the Plan on the first day of the month after completing one month of service and are at least eighteen years old. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

##### ***Contributions***

Each year, participants may contribute a percentage of their pretax and/or after-tax annual compensation, as defined in the Plan, up to the statutory maximum. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company will match the participant contributions at a rate determined each Plan year. For 2023, the matching contributions were 75% of a participant's contribution up to 6% of eligible compensation. The Company may also make a discretionary profit-sharing contribution in an amount to be determined annually. No discretionary profit sharing contributions were made by the Company for the year ended December 31, 2023.

##### ***Participant Accounts***

Each participant's account is credited with the participant's contribution, allocations of the Company's contribution and earnings from participant directed investments, net of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### ***Vesting***

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution is based on years of continuous service. A participant is fully vested after three years of continuous service.

---

**NOTE 1. DESCRIPTION OF THE PLAN (Continued)**

---

***Forfeitures***

Forfeitures can be applied to reduce future employer contributions and administrative expenses. During the 2023 plan year, forfeitures amounting to \$61,916 were used to reduce employer contributions. The forfeiture account balance at December 31, 2023 and 2022 amounted to \$21,762 and \$25,493, respectively.

***Investment Options***

Upon enrollment in the Plan, a participant may direct the investment of their contributions to various investment options offered by the Plan, including self-directed brokerage accounts. The Plan allows participants to change their investment options daily.

***Notes Receivable from Participants***

A participant may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of 50% of a participant's vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at a rate based on the current market rate, as determined by the Plan administrator, at the time of the loan application. Principal and interest is paid ratably through payroll deductions.

***Plan Administration***

The Plan is administered by the Company. The Plan assets are maintained by its trustee, Fidelity Management Trust Company (the "Trustee").

***Payment of Benefits***

Upon termination of service for any reason, a participant (or their beneficiaries) may receive the value of the vested interest in his or her account as a lump-sum distribution.

***Plan Termination***

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their allocation of employer contributions.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

---

***Basis of Accounting***

The financial statements of the Plan are prepared using the accrual method of accounting.

***Investment Valuation and Income Recognition***

All of the Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices at year end. The self-directed brokerage accounts are recorded at the quoted market prices of the individual investments held in the brokerage accounts. Security transactions are recorded on a trade date basis, which is the date the order to buy or sell is executed. Interest income is accrued on a daily basis. Dividend income is recorded on the ex-dividend date.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

***Benefit Payments***

Benefits are recorded when paid.

***Plan Expenses***

Certain administrative functions are performed by employees of the Company. No such employees receive compensation from the Plan. Certain administrative expenses, such as professional fees, are paid directly by the Company. Plan expenses are recorded when incurred.

***Party-In-Interest Transactions***

Certain Plan investments are shares of mutual funds managed by affiliates of the Trustee, and therefore, these transactions qualify as party-in-interest transactions. The Plan also has notes receivable from participants that qualify as party-in-interest transactions.

***Risks and Uncertainties***

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

***Concentrations***

All of the Plan's assets are held by the Trustee, located in Boston, Massachusetts.

---

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

---

***Use of Estimates in the Preparation of Financial Statements***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

---

**NOTE 3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)**

---

The following information included in the accompanying financial statements and supplemental information was obtained from data that has been prepared by and certified to as complete and accurate by the Plan's Trustee.

|                                    | 2023                 | 2022                 |
|------------------------------------|----------------------|----------------------|
| Investments                        | \$ 37,277,491        | \$ 29,500,976        |
| Notes receivable from participants | 458,829              | 501,414              |
|                                    | <u>\$ 37,736,320</u> | <u>\$ 30,002,390</u> |

For the year ended December 31, 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$5,432,108. In addition, interest and dividends relating to the Plan's investments and interest on notes receivable from participants amounted to \$1,052,661 and \$31,569, respectively. At December 31, 2023, the interest rates on loans ranged from 4.25% to 9.50%. At December 31, 2022, the interest rates on loans ranged from 4.25% to 8.00%.

---

**NOTE 4. FAIR VALUE MEASUREMENTS**

---

Generally accepted accounting principles require the Plan to report its investments at estimated fair value on a recurring basis. Fair value is measured by a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1      Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

---

**NOTE 4. FAIR VALUE MEASUREMENTS (Continued)**

---

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A description of the valuation methodologies the Plan uses for assets measured at fair value is included in Note 2. There have been no changes in the methodologies used at December 31, 2023 and 2022.

The methodologies may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents information about the Plan's assets measured at fair value as of December 31, 2023 and 2022:

**NOTE 5. REPORTABLE TRANSACTIONS**

---

Sponsors of defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer. Failure to remit employee contributions into the Plan on a timely basis is considered a nonexempt prohibited transaction with a party-in-interest.

During the 2023 Plan year, contributions and loan payments aggregating \$123,303 were not remitted timely. Lost earnings related to these 2023 remittances is not significant to these financials. These late remittances are reported in Form 5500 as nonexempt prohibited transactions.

---

**NOTE 6. INCOME TAX STATUS**

---

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan assesses its tax positions in accordance with "*Accounting for Uncertainties in Income Taxes*" as prescribed by the Accounting Standards Codification, which provides guidance for financial statement recognition and measurement of uncertain tax positions taken or expected to be taken in a tax return for open tax years (generally a period of three years from the later of each return's due date or the date filed) that remain subject to examination by the Plan's major tax jurisdictions.

---

**NOTE 6. INCOME TAX STATUS (Continued)**

---

The Plan assesses its tax positions and determines whether it has any material unrecognized liabilities for uncertain tax positions. The Plan records these liabilities to the extent it deems them more likely than not to be incurred. Interest and penalties related to uncertain tax positions, if any, would be reclassified as a component of income tax expense.

The Plan believes that it does not have any significant uncertain tax positions requiring recognition or measurement in the accompanying financial statements.

---

**NOTE 7. SUBSEQUENT EVENTS**

---

The Plan has evaluated subsequent events through September 20, 2024, which is the date the accompanying financial statements were available to be issued.

The Fiduciary Committee of the  
EFGI U.S. Companies 401K Plan  
701 Brickell Avenue, 9th Floor  
Miami, FL 33131

We have audited the financial statements of EFGI U.S. Companies 401K Plan an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2023 and we issued our report thereon dated September 20, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated August 13, 2024. Professional standards also require that we communicate to you the following information related to our audit.

### **Significant Audit Matters**

#### ***Qualitative Aspects of Accounting Practices***

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by EFGI U.S. Companies 401K Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing accounting policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

***Financial Statement Disclosures***

The financial statement disclosures are neutral, consistent and clear.

***Form 5500 Procedures***

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

***Difficulties Encountered During the Audit***

We encountered no significant difficulties in dealing with management in performing and completing our audit.

***Corrected and Uncorrected Misstatements***

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of our audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

***Reportable Findings***

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable findings:

- 1) ***Automatic Enrollment:*** It was noted that one part-time employee that became eligible during 2023 was not properly enrolled in the Plan based on the recently amended Plan adoption agreement. The Plan sponsor corrected this situation in 2024. To maintain the Plan's compliance with its adoption agreement, the Plan sponsor should have controls and procedures in place to ensure all changes to the adoption agreement are properly administered.
- 2) ***Deferral Elections:*** During 2023, it was noted that several employees were being deducted double the amount of their deferral elections. The Plan sponsor is in the process of making the excess contribution payable in 2024 to correct the error. To maintain the Plan's compliance with its adoption agreement, the Plan sponsor should have controls and procedures in place to ensure all deferral elections are processed correctly and updated timely.

- 3) ***Employer Match:*** It was noted that several contributing employees did not receive any employer match during 2023. The Plan sponsor has funded the missed employer match during 2024. To maintain the Plan's compliance with its adoption agreement, the Plan sponsor should have controls and procedures in place to ensure to that contributing employees are appropriately matched.
- 4) ***Untimely Remittances:*** It was noted that there were several instances of untimely remittances during 2023. The Plan sponsor should have controls and procedures in place to ensure all contributions are funded to the trustee as soon as they can be reasonably segregated from the employer's general assets.

### ***Disagreements with Management***

For purposes of this letter, a disagreement with management is a disagreement concerning a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

### ***Other Audit Findings or Issues***

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention as the Plan's auditors.

### ***Other Matters***

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the information and use of Fiduciary Committee and management of EFGI U.S. Companies 401K Plan and is not intended to be, and should not be used by anyone other than these specified parties.

Very truly yours,
