Burns & McDonnell, Inc. Retirement Plan Committee of
Burns & McDonnell, Inc. 401(k) Savings Plan
Kansas City, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Burns & McDonnell, Inc. 401(k) Savings Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Burns & McDonnell, Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in *Note 6* to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the “Auditor’s Responsibilities for the Audit of the Financial Statements” section of our report. We are required to be independent of Burns & McDonnell, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Burns & McDonnell, Inc. 401(k) Savings Plan’s ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the “Scope and Nature of the ERISA Section 103(a)(3)(C) Audit” section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Burns & McDonnell, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Burns & McDonnell, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Burns & McDonnell, Inc. 401(k) Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 1: Description of the Plan

General

The following description of the Burns & McDonnell, Inc. 401(k) Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document and *Summary Plan Description* for more complete information, which are available from the Plan Administrator.

The Plan is a defined contribution plan covering substantially all employees of Burns & McDonnell, Inc. and certain of its subsidiaries (the “Company”) who have attained age 21. Delaware Charter Guarantee & Trust Company, d/b/a Principal Trust Company (Principal), is the trustee and custodian of the Plan. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Effective August 1, 2023, the Plan entered into a merger agreement whereby the Ref-Chem Retirement Plan was merged into the Burns & McDonnell, Inc. 401(k) Savings Plan. The total amount transferred from the Ref-Chem Retirement Plan was \$17,595,948 during the year ended December 31, 2023.

Contributions

Each year, participants may contribute up to 50% of their compensation per period, as defined in the Plan, on either a pretax basis or after-tax basis through Roth 401(k) contributions or a combination of both and subject to certain Internal Revenue Code (IRC) provisions. All employees who are eligible to make elective deferrals under this Plan and have attained age 50 shall be eligible to make catch-up contributions in accordance with the Plan Document. Effective January 1, 2022, the Plan was amended to remove special Plan-imposed limits on deferrals for highly compensated employees. Effective January 1, 2023, the Plan was amended whereby elective deferral contributions made by highly compensated employees (HCEs) were subject to special limitations. For HCEs who exceeded the maximum permitted compensation for purposes of the Plan in the prior year, the permitted deferral amount is the lesser of 6.5% of eligible compensation or the dollar amount equal to \$2,000 less than the maximum deferral dollar limit set by law for that plan year. For the year ended December 31, 2023, the maximum deferral amount was \$20,500.

Effective January 1, 2022, the Plan was amended so all participants may contribute up to 50% of their compensation per period, as defined in the Plan, on either a pretax basis or after-tax basis through Roth 401(k) contributions or a combination of both and subject to certain Internal Revenue Code (IRC) provisions. All employees who are eligible to make elective deferrals under this Plan and have attained age 50 shall be eligible to make catch-up contributions in accordance with the Plan Document.

Burns & McDonnell, Inc. 401(k) Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Company contributions are made at the discretion of the Company's board of directors. The Plan allows for matching contributions by the Company to be determined from time to time by the Company at its discretion. A Company matching contribution of 50% of the first 6.5% of the compensation deferred to the Plan was made for the 2023 and 2022 plan years. Additional amounts may be contributed at the discretion of the Company's board of directors. No such additional discretionary contributions were made for the years ended December 31, 2023 and 2022. The Plan also requires a 1,000 hours of service allocation condition with respect to nonelective contributions.

Participant Investment Account Options

Participants may direct the investment of their contributions and/or account balances and Company discretionary matching contributions into various investment options offered by the Plan and may change investments and transfer amounts between funds daily. The Plan offers mutual funds and collective trust funds.

Participants may continue to make transfers between any of the Plan's investment options at any time. Benefit payments to participants requesting distributions continue to be paid according to plan rules.

The Plan Document also includes an automatic deferral feature whereby a participant is treated as electing to defer 6.5% of eligible compensation unless the participant made an affirmative election otherwise.

Participant Accounts

Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contribution, the Company's discretionary matching contribution and allocations of Company discretionary contributions, if any, and plan earnings, and charged with withdrawals and an allocation of plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Burns & McDonnell, Inc. 401(k) Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Vesting

Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. A participant is 100% vested after six years of credited service as follows:

Years of Service	Vesting Percentage
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

Payment of Benefits

Upon termination of service due to death, disability, retirement or termination, a participant may elect to receive a lump-sum payment equal to the value of the participant's vested interest in his or her account. Participants and their beneficiaries may receive installment and partial distributions. If the participant's vested benefit in the Plan exceeds \$5,000 (excluding amounts attributable to rollovers), the participant must consent to the distribution before it may be made. If a participant's account is greater than \$1,000, but not greater than \$5,000, and the participant makes no election, then payment will be made to an individual retirement account. If a participant's vested account balance is less than \$1,000 and no election is made, distribution of the participant's vested account shall be made in a lump sum.

In-Service Withdrawals

Participants may withdraw all or a portion of their salary deferral account balance, Company discretionary matching contribution account balance, ESOP transfer account balance and earnings once they attain age 59½, all or a portion of their rollover contributions account, if any, at any time, or, in the case of financial hardship, a distribution may be made from their salary deferral account and Company discretionary matching contribution account balance. Financial hardship is defined as an immediate heavy financial need resulting from a qualified list of expenses defined by the Internal Revenue Service (IRS) Code Section 165.

Burns & McDonnell, Inc. 401(k) Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$3,462,939 and \$1,896,593, respectively. These accounts will be used to reduce Company contributions and pay plan expenses. Forfeitures will be allocated no later than the last day of the plan year following the plan year in which the forfeitures occur. During the year ended December 31, 2023, forfeitures of \$2,079,490 were used to reduce Company contributions paid in 2023. During the year ended December 31, 2022, forfeitures of \$1,842,664 were used to reduce Company contributions paid in 2022.

Transfers from the Burns & McDonnell, Inc. Employee Stock Ownership Plan (ESOP)

The Plan accepts direct transfers of cash from the Burns & McDonnell, Inc. ESOP, representing all or a portion of a participant's account under the ESOP in accordance with the Plan Document. As a result, \$1,403,613 and \$860,889 were transferred to the Plan during 2023 and 2022, respectively.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. Shares of mutual funds are valued at quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year end.

Investments in collective trusts are valued based upon the redemption price of the units held by the Plan, which is based on the current fair value of the underlying assets held by the collective trust. Unit values are determined by the financial institution sponsoring the collective trust by dividing the fund's net assets at fair value by its units outstanding at the valuation dates.

Burns & McDonnell, Inc. 401(k) Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds and the collective trusts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Unit Values

Participants do not have beneficial ownership in specific underlying securities or other assets in the collective trusts, but have an interest therein represented by units valued as of the last business day of the period. The funds' earnings are automatically reinvested in additional units. Generally, contributions to and withdrawal payments from each fund are converted to units by dividing the amounts of such transactions by the unit value as last determined and the participants' accounts are charged or credited with the number of units properly attributable to each participant.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses of the Plan are paid by the Plan or the Company as provided in the Plan Document.

Note 3: Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

Notes to Financial Statements

December 31, 2023 and 2022

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2023 and 2022:

		Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Fair Value			
<u>December 31, 2023</u>

Collective trusts	1,398,573,978	-	1,398,573,978	-
	<u>\$ 1,695,138,980</u>	<u>\$ 296,565,002</u>	<u>\$ 1,398,573,978</u>	<u>\$ -</u>
<u>December 31, 2022</u>				
Mutual funds	\$ 244,235,882	\$ 244,235,882	\$ -	\$ -
Collective trusts	1,057,947,799	-	1,057,947,799	-
	<u>\$ 1,302,183,681</u>	<u>\$ 244,235,882</u>	<u>\$ 1,057,947,799</u>	<u>\$ -</u>

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2023 and 2022. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Burns & McDonnell, Inc. 401(k) Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 4: Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their Company contributions account.

Note 5: Federal Income Tax Status

The Plan operates under a nonstandardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by Polsinelli PC. This prototype plan document has been filed with the appropriate agency. The Plan obtained a determination letter dated October 19, 2022. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Note 6: Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Delaware Charter Guarantee & Trust Company, d/b/a Principal Trust Company, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules are complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income (loss) as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.
- Investment information included in the accompanying schedule of assets (held at end of year) as of December 31, 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

Burns & McDonnell, Inc. 401(k) Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 7: Related Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

The Plan paid \$636,363 and \$544,999 of recordkeeping fees to Principal Trust Company during 2023 and 2022, respectively. The Company provides certain administrative services at no cost to the Plan.

Note 8: Plan Amendments

Effective January 1, 2022, the Plan was amended and restated to remove the special Plan-imposed limit on deferrals for highly compensated employees.

Effective January 1, 2023, the Plan was amended to include the special Plan-imposed limit on deferrals for highly compensated employees, for forfeitures to be used to reinstate previously forfeited amounts related to balances transferred to this Plan, and to clarify language for direct ESOP transfers and rollovers, including those of forfeitures.

Effective August 1, 2023, the Plan was amended to merge Ref-Chem Retirement Plan into the Plan as a participating employer.

Note 9: Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and any such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Note 10: Nonexempt Transactions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employee's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer. While all contributions were remitted to the Plan, contributions of \$1,667 were not remitted within the required time period for the year ended December 31, 2022. During the years ended December 31, 2023 and 2022, \$1,596 and \$71, respectively, were corrected.

Notes to Financial Statements

December 31, 2023 and 2022

Note 11: Subsequent Events

Subsequent events have been evaluated through September 19, 2024, which is the date the financial statements were available to be issued.

Effective January 1, 2024, the Plan executed an “Intent to Amend” in accordance with the SECURE 2.0 Act of 2022 to increase the small account threshold for distributions from \$5,000 to \$7,000. If the value of the participants vested benefit exceeds \$7,000, the participant must consent to the distribution before it may be made. If the participant’s account is between \$1,000 and \$7,000, where the participant does not elect a benefit, the amount is rolled into an individual retirement account. If a participant’s vested account balance is less than \$1,000 and no election is made, distribution of the participant’s vested account shall be made in a lump sum.
