REPORT OF INDEPENDENT AUDITORS

To the Participants and Administrator of the
Flowserve Corporation Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of Flowserve Corporation Retirement Savings Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (“2023 financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“GAAP”).
- The information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

We have audited the 2022 financial statements, and in our report dated July 25, 2023, we expressed an unmodified opinion on the 2022 financial statements.

FLOWSERVE CORPORATION RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of the Flowserve Corporation Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility

The Plan is a defined contribution plan. Full-time and part-time employees of Flowserve Corporation and its wholly-owned subsidiaries (collectively, the “Company”) who are located in the United States (“U.S.”) are eligible to participate in the Plan upon commencement of their employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Participant accounts

Each participant account is credited with the participant's contributions, the employer's contributions and an allocation of investment income from each fund that the participant is invested in as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Additionally, the Plan has certain expenses that are deducted from participant accounts.

Contributions

Participants contribute a percentage of their compensation on a pre-tax and/or after-tax basis, as defined in the Plan document. Participants may elect to have after-tax basis contributions designated as Roth contributions and the Plan allows for in-plan Roth conversions of vested amounts as well. Unless eligible participants elect otherwise, they automatically contribute 3% of eligible compensation to the Plan, which will automatically increase by 1% each year until contributions reach 10% of eligible compensation. Additionally, the maximum contribution rate for participants is generally 50% of eligible compensation, of which up to \$22,500 (the maximum annual salary deferral contribution limit as set forth by the Internal Revenue Code (the “Code”) for 2023) may be made pre-tax or Roth. All participants who were eligible to make elective deferrals under the Plan and who had attained age 50 before the close of the year were eligible to make additional catch-up contributions of up to \$7,500 during 2023. Participant contributions are invested based on each participant's election.

The Company matches 75% of participant contributions up to 6% of eligible compensation, except for union employees represented by the:

- United Steelworkers of America at the Vernon, California facility;
- United Steelworkers of America, AFL-CIO-CLC, District 30 Local Number 3320 at the Dayton, Ohio facility;

Each of the above exception groups receives Company matching contributions of 50% of participant contributions up to 6% of eligible compensation.

Company matching contributions are made in cash and allocated among a participant's account in the same percentage in which the participant directs his or her contributions.

RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Vesting

Participants are immediately vested in their contributions and associated earnings thereon. Participants become 20% vested in the Company's contributions and associated earnings after one year of service. Vesting increases by 20% for each additional year of service until a participant becomes fully vested after five years of service.

Forfeitures

Forfeitures are used to reduce the Company's contributions. During 2023, participants forfeited \$1,140,536 of non-vested account balances. In 2023, employer contributions were reduced by \$976,630 from previously forfeited balances, in accordance with the Plan document. Unutilized forfeitures at December 31, 2023 and 2022 were \$200,629 and \$36,723, respectively.

Payment of benefits

Terminated participants may be paid their vested balance in a lump sum or rollover as soon as administratively possible after their date of termination. Active participants who qualify for an in-service withdrawal may be paid their benefits in a single sum cash payment or rollover as soon as administratively possible after the approval of their withdrawal application.

A participant may receive a hardship distribution from salary reduction contributions if the distribution is:

- on account of uninsured medical expenses incurred by the participant, their spouse, or dependents,
- to purchase (excluding mortgage payments) a principal residence of the participant,
- for the payment of post-secondary tuition expenses,
- needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence,
- payments for burial or funeral expenses for the participant's parent, spouse, children or dependents, or
- expenses for the repair of damage to the participant's principal residence.

Administration

The Plan is administered by the Pension and Investment Committee (the "Plan Administrator"), which is appointed by the Board of Directors of the Company.

Participant loans

Subject to certain limitations set forth in the Plan document, participants may borrow from their vested account balances using their account balance as collateral. Participants may borrow an aggregate maximum of the lesser of:

- \$50,000, subject to certain adjustments as set forth in the Plan document, or
- One-half of the participant's vested account balance at the time the loan is made.

FLOWERVE CORPORATION

RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

General-purpose loans have a maximum term of five years, while primary residence loans have a maximum term of 15 years. Loan repayments are generally made via bi-weekly payroll deductions. Loans bear interest at rates that become fixed at loan inception, based on prevailing interest rates at loan inception. Loans outstanding at December 31, 2023 and 2022 had interest rates ranging from 4.25% to 9.50%.

Plan termination

Although it has not expressed any intent to do so, the Company may terminate the Plan at any time in accordance with ERISA requirements. In the event of termination of the Plan, distribution would be made to participants in the amounts of their respective account balances. In the event of Plan termination, all components of a participant's balance become 100% vested.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the U.S. ("U.S. GAAP").

Investment valuation and income recognition

The Plan's investments in shares of registered investment companies are stated at fair value based on quoted market prices. The Plan's investments in common and collective trusts are valued based on the net asset value ("NAV"), or equivalent, as a practical expedient for fair value. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The Plan's investments in Flowserve Corporation common stock are stated at fair value as quoted on a recognized securities exchange and are valued at the last reported sales price on the last business day of the year.

The Plan accounts for its investments in accordance with Financial Accounting Standards Board Accounting Standards Codification ("ASC") 962, "Plan Accounting - Defined Contribution Pension Plans." As required by ASC 962, the accompanying statements of net assets available for benefits present the fair value of the Plan's investments.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date.

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with the Plan's investments, it is at least reasonably possible that changes in the values of such investments could occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the accompanying financial statements.

Determination of unrealized appreciation

The Plan presents in the statement of changes in net assets available for benefits the net appreciation in the fair value of its investments, which consists of realized gains or losses on investments sold during the year and the unrealized appreciation (depreciation) on those investments held at the end of the year.

FLOWERVE CORPORATION

RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan's administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

Notes receivable from participants

Participant loans are valued at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when earned.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of changes in net assets available for benefits during the reporting period. Actual results may differ from these estimates.

Benefits

Benefits are recorded when paid.

3. COMMON AND COLLECTIVE TRUST FUNDS

The Plan's investments in common and collective trusts include the T. Rowe Price Retirement Dated Trusts Series ("Dated Trusts"), Wellington CIF Small Cap Opp. Portfolio ("Wellington Trust") and T. Rowe Price Stable Value Common Trust Fund ("Value Trust"), which hold fully benefit-responsive investment contracts. The Plan uses NAV (or equivalent) as a practical expedient to determine the fair value of the common and collective trust funds.

The objective of the Dated Trusts is to provide the highest total return over time through both capital growth and income consistent with an emphasis on capital growth based on the participant's anticipated retirement age. The NAV for the Dated Trusts is based on the fair value of the underlying investments held by the fund less their liabilities. The beneficial interest of each participant is represented by units. Redemption directed by the participant for the Dated Trusts is permitted daily with no other restrictions and there are no unfunded commitments.

The objective of the Wellington Trust is to provide long-term total return in excess of Russell 2000 index. The NAV for the Wellington Trust is based on the fair value of the underlying investments held by the fund less their

FLOWERVE CORPORATION

RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

liabilities. The beneficial interest of each participant is represented by units. Redemption for the Wellington Trust is permitted daily and there are no notice periods or unfunded commitments.

The objective of the Value Trust is to maximize current income and maintain principal stability by investing primarily in a diversified portfolio of guaranteed investment contracts, bank investment contracts and separate account contracts. The beneficial interest of each participant is represented by units. Units are issued and redeemed daily at the Value Trust's constant NAV of \$1 per unit. Distribution to the Value Trust unit holders is declared daily from the net investment income and automatically reinvested in the fund on a monthly basis, when paid. It is the policy of the fund to use its best efforts to maintain a stable value of \$1 per unit and there are no unfunded commitments.

Under the terms of the fund's declaration of trust for both the Dated Trusts and the Value Trust, the Plan would be required to provide an advance written notice prior to redeeming the trust units of 90-days and 12 to 30 months, respectively. The notice period for both the Dated Trusts and the Value Trust funds may be shortened or waived by the trustee's discretion.

4. RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such aforementioned persons.

Certain investments are shares of funds managed by affiliates of T. Rowe Price Trust Company which is the trustee as defined by the Plan and, therefore, transactions with these registered investment companies and common and collective trusts qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Additionally, the Plan holds investments in the Company's common stock and notes receivable from participants. Transactions in the Company's common stock qualify as both party-in-interest and related-party transactions, and transactions in the Plan's notes receivable from participants qualify as party-in-interest transactions. Transactions in both the Company's common stock and the Plan's notes receivable from participants are exempt from the prohibited transaction rules. The Plan paid certain expenses related to plan operations and investment activities to various service providers. These transactions are also party-in-interest transactions under ERISA.

5. INCOME TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service dated December 22, 2016, stating that the Plan, as then designed and operated, qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the determination letter.

The Plan Administrator believes the Plan has been operated in compliance with the applicable requirements of the Code throughout 2023 and 2022; therefore, the Plan and the related trust are exempt from taxation. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examination for years prior to 2019.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

6. FAIR VALUE OF INVESTMENTS

The Plan's investments, shown below, are presented at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Where available, fair value is based on observable market prices or parameters or derived from such prices or parameters. Where observable prices or inputs are not available, valuation models may be applied. For further discussions on how the fair values of the Plan's investments are calculated, see Note 3 to the financial statements included in this report.

Investments are recorded at fair value in the statements of net assets available for benefits and categorized based upon the level of judgment associated with the lowest level of significant inputs used to measure their fair values. Hierarchical levels, as defined by ASC 820, "Fair Value Measurements," are directly related to the amount of subjectivity associated with the inputs to fair valuation of these assets, and are as follows:

Level I - Inputs are unadjusted, quoted prices in active markets for identical assets at the measurement date.

Level II - Inputs (other than quoted prices included in Level I) are either directly or indirectly observable for the asset through correlation with market data at the measurement date and for the duration of the instrument's anticipated life. As of December 31, 2023 and 2022 the Plan held no investments in Level II assets.

Level III - Inputs reflect the best estimate of what market participants would use in pricing the asset at the measurement date. Consideration is given to the risk inherent in the valuation technique and the risk inherent in the inputs to the model. As of December 31, 2023 and 2022 the Plan held no investments in Level III assets.

The fair values of the Plan's investments were:

	December 31, 2023	
	Level I	Total
Registered investment companies	\$ 377,242,529	\$ 377,242,529
Common and collective trusts(a)(b)	—	697,626,158
Flowserve Corporation common stock	17,273,039	17,273,039
Total investments	<u>\$ 394,515,568</u>	<u>\$ 1,092,141,726</u>

	December 31, 2022	
	Level I	Total
Registered investment companies	\$ 326,172,222	\$ 326,172,222
Common and collective trusts(a)(b)	—	630,951,587

Total investments	<u>\$ 340,972,182</u>	<u>\$ 971,923,769</u>

- (a) The fair values of the investments have been estimated using the NAV (or an equivalent) expedient.
(b) Common and collective trusts, further outlined in Note 3.

7. CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agrees to or derived from information certified as complete and accurate by T. Rowe Price Trust Company (the trustee of the Plan).

8. FORM 5500 RECONCILIATION

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to the Form 5500 at December 31, 2023 and 2022:

	December 31,	
	2023	2022
Net assets available for benefits per the financial statements	\$1,112,161,840	\$ 988,810,760
Amounts deemed distributions of participant loans as reflected in the Form 5500 for the current year	(85,227)	(2,310)
Amounts deemed distributions of participant loans as reflected in the Form 5500 from prior years	(318,197)	(300,181)
Net assets available for benefits per Form 5500	<u>\$1,111,758,416</u>	<u>\$ 988,508,269</u>

The following is a reconciliation of the total increase in net assets available for benefits per the accompanying financial statement for the year ended December 31, 2023 to net income per Form 5500:

Decrease in net assets available for benefits per the financial statements	\$ 123,351,080
Amounts deemed distributions of participant loans as reflected in the Form 5500 for the current year	(82,917)
Distributions from prior year amounts deemed distributed	(18,016)
Total net income per Form 5500	<u>\$ 123,250,147</u>

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared with the Plan's financial statements. Government reporting rules were used in preparing the Form 5500, whereas the Plan's financial statements have been prepared on the accrual basis of accounting as required by U.S. GAAP. The Code requires participant loans that are in default to be recorded as deemed distributions on the Form 5500, although the Plan still holds the participant loans as note receivables.
