## ***Independent Auditors' Report***

To the Plan Trustee  
Penn Community Bank Retirement Plan  
Perkasie, Pennsylvania

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed the audits of the financial statements of Penn Community Bank Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Penn Community Bank Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Trustee  
Penn Community Bank Retirement Plan  
Perkasie, Pennsylvania

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Penn Community Bank Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that arise substantial doubt about Penn Community Bank Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Trustee  
Penn Community Bank Retirement Plan  
Perkasie, Pennsylvania

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Penn Community Bank Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Penn Community Bank Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Plan Trustee  
Penn Community Bank Retirement Plan  
Perkasie, Pennsylvania

***Other Matters -- Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# PENN COMMUNITY BANK RETIREMENT PLAN

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

---

### NOTE A - GENERAL DESCRIPTION OF THE PLAN

The following description of the Penn Community Bank Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General** - The Plan is a defined contribution plan covering substantially all employees of Penn Community Bank (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions** - Eligible participants may defer up to 90% of their gross wages into the Plan on a pre-tax basis to a regular 401(k) account or on an after-tax basis into a Roth 401(k) account. Participant deferrals cannot exceed the maximum allowable dollar amount per year (\$22,500 for 2023). The Company matches 100% of participants elected deferral that do not exceed 6% of their compensation. Participants who reach age 50 or older and contribute the maximum permitted under the Plan may make an additional pre-tax contribution (a "catch-up contribution") of up to \$7,500. Participants may also contribute amounts representing distributions from other qualified benefit plans (via a rollover into the Plan).

Additional profit-sharing amounts may be contributed at the discretion of the Company not to exceed 4% of participant's compensation. There was no discretionary contribution during 2023.

**Participation** - An employee may become a participant of the Plan on the first of the month following two consecutive months of service as well as meeting the age requirement of 18.

**Participant Accounts** - Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings/(losses). Participants have access to their accounts 24 hours a day/7 days per week via a toll-free telephone number and a website. Fund transfers and investment election changes may be elected daily. A participant may stop, start, or change their 401(k) salary deferral rate on the first day of each month.

**Plan Loans** - Active employees may elect to take up to two loans from the Plan at any given time at a minimum loan of \$1,000. As required by law, a loan amount is limited to the lesser of \$50,000 or 50% of the participant's vested account and must be repaid within five years unless the loan is for the purchase of a primary residence. Loan repayments are processed via payroll deduction on an after-tax basis.

**Investment Options** - Upon enrollment in the Plan, participants may direct their contributions and Employer contributions in a variety of investment options.

For newly eligible participants who enter the plan on January 1, 2016 and after are fully vested in their employer discretionary non-elective (profit sharing) contributions and employer discretionary matching contributions after 3 years of service. For participants who were in the First Federal Savings and Loan Assn. of Bucks County 401(k) and First Savings Bank of Perkasie 401(k) Profit Sharing Plan prior to January 1, 2016, they are 100% vested in the employer discretionary non-elective (profit sharing) and vested in their employer discretionary match based on their years of service (Year 1 - 0%, Year 2 - 50%, Year 3 - 100%). Regardless of the vesting schedule, a participant will become fully vested upon death, disability, and at normal retirement age. Refer to the Plan document for vesting status for participants of the First Federal Savings and Loan Assn. of Bucks County 401(k) Plan and the First Savings Bank of Perkasie 401(k) Profit Sharing Plan prior to January 1, 2016.

**Payment of Benefits** - Upon termination of service, including instances due to death, disability, or retirement, a participant or their beneficiary may elect to receive an amount equal to the value of the participant’s account as a lump-sum distribution. In the event of a hardship, an active employee may elect a withdrawal from their elective deferral contributions.

**Plan Termination** - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become fully vested and the net assets of the Plan will be distributed to the participants in an order of priority determined in accordance with ERISA and its applicable regulations and the Plan document.

**Forfeited Accounts** - Forfeitures shall be used to supplement employer contributions and pay Plan expenses. The forfeiture nonvested account balance at December 31, 2023 and 2022 was \$61 and \$31,483, respectively. **Administration of the Plan** - The Plan is administered by a committee of seven members who are appointed and may be removed by the Company’s Board of Directors.

**Date of Management’s Review** - Management has evaluated subsequent events through August 13, 2024, the date which the financial statements were available to be issued.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

---

### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** - The financial statements of the Plan are prepared using the accrual method of accounting.

**Investments** - Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds with various investment strategies and a common collective trust.

**Valuation of Investments** - Plan investments in mutual funds (registered investment companies) are stated at fair value. Shares of mutual funds are valued at quoted market prices. The Plan's investments in the common collective trust are stated at net asset value per share as a practical expedient. Net appreciation or depreciation of investments is reported on the statement of changes in net assets available for benefits and consists of realized gains and losses and the unrealized appreciation or depreciation of these investments. All underlying investments options are valued daily. This daily price is considered the selling price for transfers and withdrawals and is calculated each day the principal market is open and available to any participant in the Plan.

Purchases and sales of mutual funds shares are recorded at end of day net asset value. Dividends are recorded as of the record date.

**Participant Loans Receivable** - All transactions are measured at their unpaid principal balance plus any accrued but unpaid interest. The Financial Accounting Standards Board believes that any individual credit risk related to participant loans is mitigated by the fact that these loans are secured by the participant's vested balance. If a participant were to default, the participant's account balance would be offset by the unpaid balance of the loan, and the participant would be subject to tax on the unpaid loan balance. As such, the participant is the only party affected in the event of a default.

**Investment Income Recognition and Method of Accounting** - All transactions are recorded on the accrual basis. Purchases and sales of investments are recorded based on the trade date. Interest and dividends are recorded when received. Capital gain distributions are included in dividend income. Realized gains or losses on security transactions are determined using the average cost of securities sold on the trade date. Expenses are recorded as incurred.

**Use of Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Payment of Benefits** - Benefit payments to participants are recorded upon distribution.

## **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2023 AND 2022**

### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING (Continued)**

**Plan Expenses** - Certain administrative expenses of the Plan are paid by the Company. Investment and recordkeeping expenses are paid by the Plan and/or the participants to the extent that such expenses are not paid by the Company. Any investment expenses associated with the Plan's investments are netted with earnings by Charles Schwab Bank, the Plan's custodian, and reported to the Plan as a net amount. Loan and distribution administration fees paid by participants, in combination with administrative fees totaling \$127,969 for the year ended December 31, 2023, are reflected on the Plan's statement of changes in net assets available for benefits.

### **NOTE C - TAX STATUS OF THE PLAN**

The Plan participates in a volume submitter plan. The volume submitter plan received a favorable opinion letter on June 30, 2020, from the Internal Revenue Service (IRS) indicating that the Plan is a qualified plan under Section 401(k) of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator analyzed the tax positions by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## **NOTES TO FINANCIAL STATEMENTS**

### **NOTE D - FAIR VALUE MEASUREMENTS**

FASB ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 inputs to the valuation methodology include:
  1. Quoted prices for similar assets or liabilities in active markets;
  2. Quoted prices for identical or similar assets or liabilities in inactive markets;
  3. Inputs other than quoted prices that are observable for the asset or liability;
  4. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

### NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The assets of the Plan for which fair values are determined on a recurring basis are summarized as follows:

| 2023                    |                      |             |             |                     |
|-------------------------|----------------------|-------------|-------------|---------------------|
|                         | Level 1              | Level 2     | Level 3     | Net Asset Value (a) |
| Mutual funds accounts   | \$ 32,511,425        | \$ -        | \$ -        | \$ -                |
| Common/collective trust | -                    | -           | -           | 2,864,155           |
|                         | <u>\$ 32,511,425</u> | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 2,864,155</u> |
| 2022                    |                      |             |             |                     |
|                         | Level 1              | Level 2     | Level 3     | Net Asset Value (a) |
| Mutual funds accounts   | \$ 28,673,107        | \$ -        | \$ -        | \$ -                |
| Common/collective trust | -                    | -           | -           | 3,976,796           |
|                         | <u>\$ 28,673,107</u> | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 3,976,796</u> |

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Mutual funds have quoted prices for identical assets in active markets; therefore, the investments are measured at fair value using these readily available Level 1 inputs. Common collective trusts are stated at net asset value per share as a practical expedient.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### NOTE E - PARTY IN INTEREST TRANSACTIONS

The Plan issues loans to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party in interest transactions allowable under ERISA guidelines.

### NOTE F - RELIANCE ON CUSTODIAN'S REPORT

The administrator of the Plan chose the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by the custodian of the Plan, Charles Schwab Bank, other than comparing such information to that contained in the financial statements and supplemental schedule.

The information certified by Charles Schwab Bank, which was relied upon in the preparation of these financial statements and supplemental schedule, includes:

|                                                      | <u>2023</u> | <u>2022</u> |

| Cash                                                 | \$ 1        | \$ 2        |

| Interest and dividend income                         | 1,255,994   | *           |
| Net appreciation in value of common/collective trust | 138,497     | *           |
| Net appreciation in fair value of investments        | 4,023,127   | *           |
| Net realized gain on sale of investments             | 244,523     | *           |

\*2022 investment income was not presented in the financial statements.

### NOTE G - RISKS AND UNCERTAINTIES

Investments of the Plan are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect investment assets reported in participant account balances and in the statements of net assets available for benefits.
