INDEPENDENT AUDITORS' REPORT

To The Trustees of
Hose Master, LLC
Profit Sharing and Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hose Master, LLC Profit Sharing and Retirement Savings Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hose Master, LLC Profit Sharing and Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hose Master, LLC Profit Sharing and Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free

from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hose Master, LLC Profit Sharing and Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hose Master, LLC Profit Sharing and Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hose Master, LLC Profit Sharing and Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes at End of Year as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are

supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HOSE MASTER, LLC
PROFIT SHARING AND RETIREMENT SAVINGS PLAN
DECEMBER 31, 2023 AND 2022
NOTES TO FINANCIAL STATEMENTS

NOTE A – Plan Description

The following description of the Hose Master's Profit Sharing and Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a Trustee Profit Sharing 401(k) salary deferred plan covering employees who have six months of service and are age eighteen or older. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Discretionary contributions may be made by Hose Master, LLC to the Plan based on the pay formula, the amount of the contribution determined by multiplication of the ratio of each active member's annual pay to the total annual pay of all active members. Additional amounts may also be contributed without regard to current or accumulated net profits. Active participants may contribute up to 50 percent of their annual wages up to a maximum contribution of \$22,500 (\$30,000 for employees age 50 or older) for the year ended December 31, 2023 and \$20,500 (\$27,000 for the year ended December 31, 2022).

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution and Plan earnings.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after six years of credited service. The vesting schedule for employer contributions is as follows: less than two years of service - 0%, 2 years - 20%, 3 years - 40%, 4 years - 60%, 5 years 80%, 6 or more - 100%.

Participant Loans

Participants may borrow from their investment accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balances in the participants' account and bear interest at comparable commercial interest rates typically 10%. For the years ended December 31, 2023 and 2022, interest income of \$49,665 and \$42,470 was received on participant loans.

Payment of Benefits & Financial Hardships

At normal retirement age of 65, the member's account shall become nonforfeitable if he is an active employee. Additionally, a member may withdraw any part of his vested account which does not result from voluntary contributions, qualified matching contributions or qualified non-elective contributions in the event of undue financial hardship.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited accounts totaled \$27,937 and \$8,077 respectively. The forfeiture account will be used to pay administrative expenses or reduce future employer contributions.

NOTE B – Summary of Significant Accounting Policies

Accounting Method

The accounts of the plan are maintained, and the accompanying financial statements have been prepared, on the accrual basis of accounting.

HOSE MASTER, LLC
PROFIT SHARING AND RETIREMENT SAVINGS PLAN
DECEMBER 31, 2023 AND 2022
NOTES TO FINANCIAL STATEMENTS

NOTE B – Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Participant Loans

Loans to participants are measured at their unpaid principal balance plus any accrued interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Investments' Valuation and Income Recognition

The Plan's investments are stated at fair value including its investment contract with Principal Financial Group (Note C). If available, quoted market prices are used to value investments.

Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses are calculated based on participant average costs. Dividend income is recorded on the ex-dividend date. Interest income is recorded on an accrual basis.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Operating Expenses:

Expenses for the audit preparation are paid by the Company.

NOTE C – Fair Value Measurements

The Plan's investments are recorded at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future current values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs are significant observables other than quoted prices in active markets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements– The fair value of cash equivalents and mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

The guaranteed investment contract accounts have been determined to be stated at the contract value at December 31, 2023 and 2022.

Investments held by the Plan consist of mutual funds, insurance contracts, pooled separate accounts, and common collective trusts. Following is a description of the valuation methodology used for assets measured at fair value on the recurring basis.

HOSE MASTER, LLC
PROFIT SHARING AND RETIREMENT SAVINGS PLAN
DECEMBER 31, 2023 AND 2022
NOTES TO FINANCIAL STATEMENTS

NOTE C – Fair Value Measurements (continued)

The following is a summary of the inputs used to value the Plan's investments as of December 31, 2023:

Description	December 31, 2023	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual Funds	\$9,987,092	\$9,987,092		
Total	\$ 9,987,092	\$9,987,092	\$0	\$0

The following is a summary of the inputs used to value the Plan's investments as of December 31, 2022:

Description	December 31, 2022	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual Funds	\$8,571,262	\$8,571,262		
Total	\$8,571,262	\$8,571,262	\$0	\$ 0

Pooled separate accounts and Common Collective Trusts: Stated at fair value as determined by the issuer of the pooled separate accounts based on the net asset value (NAV) of the underlying investments. The NAV as provided by Principal, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less its liabilities. This practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled separate accounts, the investment adviser reserves the right to temporarily delay withdrawal from the funds in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no restrictions on redemptions from the pooled separate accounts, and there are no unfunded commitments as of December 31, 2023 and 2022.

Total investments measured at NAV as of December 31, 2023 and 2022, are \$18,389,576 and \$14,906,542, respectively. For these investments, there are no participant restrictions, they allow for daily redemptions and contributions, and the redemption notice period is applicable only to the Plan.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

HOSE MASTER, LLC
PROFIT SHARING AND RETIREMENT SAVINGS PLAN
DECEMBER 31, 2023 AND 2022
NOTES TO FINANCIAL STATEMENTS

NOTE D – Investments in Fully Benefit-Responsive Investment Contracts

The Plan has an investment contract with Principal Financial Group (“Principal”). Principal maintains the contributions in a pooled account. The Plan’s investment in the fixed income account, fully benefit-responsive investment contract, are valued at contract value as reported to the Plan by the trustee. Contract value represents contributions made to the contract, plus earnings, less participant withdrawals and administrative expenses. Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for the guaranteed investment contract. The Investments’ objectives are to maintain stability of principal through underlying assets which maintain an average S&P credit quality. Participant transactions (purchases and sales) may occur daily. All other withdrawals of assets may be delayed for up to twelve months at the sole discretion of the trustee. The guaranteed investment contract issuer is contractually obligated to repay the principal and interest based on a specified interest rate that is guaranteed to the Plan. As of December 31, 2023 and 2022, the contract value of the fully benefit-responsive investment contract was \$-0- and \$14,729, respectively.

NOTE E – Information Certified by the Trustee and Parties-in-Interest

The financial information included in the Plan financial statements, except for loans receivable, contributions, loan interest, deductions for benefits, distributions and expenses, has been derived from information certified as complete and accurate by the Trustee, in accordance with Section 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Parties-in-Interest

Transactions that qualify as parties-in-interest consist of purchases and sales of pooled separate accounts, common collective trusts, and fixed investment accounts of Principal, the trustee of the Plan, for the years ended December 31, 2023 and 2022. Loans to participants are also considered party-in-interest transactions as such participants are employed by the Company. These party-in-interest transactions are exempt for the prohibited rules under ERISA.

The Plan was under contract with Principal for the years ended December 31, 2023 and 2022 to provide various administrative services. Fees paid by the Plan for those services for the years ended December 31, 2023 and 2022 were \$24,107 and \$20,947, respectively.

NOTE F – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to member accounts and distributed in such a manner as the Company may determine.

NOTE G – Tax Status

The Internal Revenue Service has determined and informed the Company by letter dated October 26, 1992, that the Plan, with its current amendments, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator and Trustees believe that the Plan currently is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, the Plan is tax-exempt as of December 31, 2023. Therefore, no provision for income taxes has been included in the Plan’s financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan believes it is no longer subject to income tax examinations for years prior to 2020.
