INDEPENDENT AUDITORS' REPORT

To the Trustees
CSWW, Inc. 401(k) Plan
Great Falls, Montana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the CSWW, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

(Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT

Supplementary Schedules Required by ERISA

The supplementary schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

The following description of the CSWW, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General The Plan is a defined contribution plan qualifying under Section 401(k) of the *Internal Revenue Code* (IRC) of 1986. It covers substantially all employees of CSWW, Inc. (the Company) except union employees, non-resident alien employees, leased employees, and reclassified employees. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended. The Plan is a single-employer plan. The original effective date of the Plan is January 1, 2002.

Eligibility Employees must attain age 21 and have one year of service (1,000 hours) to be eligible to participate in the Plan. Employees are notified 30 days prior to becoming eligible to participate and are automatically enrolled in the Plan quarterly when they become eligible. 3% of compensation is automatically deferred, unless the participant chooses to defer a different amount or opt-out of Plan participation within 90 days. Automatic escalation applies, with the increase based on a qualified automatic contribution arrangement (QACA) statutory schedule on the first day of the Plan year.

Contributions Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, subject to statutory annual limits. Roth deferrals are also allowed. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollovers).

Participants direct the investment of their contributions into various investment options offered by the Plan. Annual participant elective deferral limits prescribed by the Internal Revenue Service (IRS) for December 31, 2023 and 2022, were \$22,500 and \$20,500 for those participants who have not attained age 50 before the end of the Plan year; and \$30,000 and \$27,000 for those participants who have attained age 50 before the end of the Plan year, respectively.

The Plan administrator provides a QACA basic matching contribution to participants of the Plan. This amount is calculated as 100% of the participants' elective deferral amount, not to exceed 1% of compensation, plus 50% of participants' elective deferrals in excess of 1%, but not in excess of 6% of the participants' compensation. The Plan administrator may also make discretionary additional matching contributions. No discretionary additional matching contributions were made for the years ended December 31, 2023 and 2022.

Participant Accounts Each participant's account is credited with the participant's contributions, Plan earnings, and the Plan administrator matching contribution. Participant accounts are charged with an allocation of the administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

CSWW, Inc. 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Vesting Participants are immediately 100% vested in their elective deferrals and rollover contributions plus actual earnings thereon. Vesting in the Company's matching contribution is based on years of continuous service, with 1,000 hours equaling one year of service. Company matching, non-elective, and additional matching contributions vest on a six-year graded schedule, with a participant becoming 20% vested after two years and an additional 20% vested each year until their sixth year of service, at which time they become 100% vested. Company QACA safe-harbor contributions vest on a two-year cliff vesting schedule.

Notes Receivable from Participants Loans are not permitted by the Plan.

Payment of Benefits On termination of service for reasons other than death, such as retirement or disability, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or partial payments as requested from time-to-time by the participant. On termination of service due to death, a participant's beneficiary(ies) will receive a lump-sum payment equal to the value of the participant's vested interest in his or her account. Distributions will occur within an administratively reasonable time after termination of employment. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or partial payments as requested by the participant. Terminated participants with balances of less than \$5,000 will be paid out in a lump-sum payment within a reasonable time after the participant terminates employment.

Forfeitures When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan agreement, represents forfeitures. The nonvested portion will be used to pay Plan expenses, reduce contributions, or restore forfeitures and/or additional contributions. Previously, forfeitures were used only to reduce future Company contributions. The total amount of forfeitures for the years ended December 31, 2023 and 2022, were \$9,932 and \$15,209, respectively. Forfeitures used to pay plan expenses and reduce Company contributions for the years ended December 31, 2023 and 2022, amounted to \$8,838 and \$34,053, respectively. There were no amounts allocated to withdrawing participants that had not been paid at December 31, 2023 and 2022.

Plan Termination Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, partially terminated, or if there is a complete discontinuance of contributions by the Company, all amounts credited to the accounts of participants shall vest and become non-forfeitable.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting The Plan uses the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

CSWW, Inc. 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Investment Valuation and Income Recognition Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Fair Value Measurements The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Pooled Separate Accounts: The underlying assets of the pooled separate account consist of mutual funds known as sub-accounts. Each sub-account invests in shares of an underlying mutual fund. Sub-accounts are measured in terms of accumulation units. The sub-accounts are valued based on the quoted market prices of the mutual funds. There were no unfunded commitments at December 31, 2023 and 2022.

See note 4 for the classification of these assets within the fair value hierarchy.

CSWW, Inc. 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Payment of Benefits Benefits are recorded when paid.

Expenses Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Generally, those expenses include administration, audit, and record-keeping fees. Investment-related expenses are charged to the net appreciation (depreciation) of fair value of investments.

Evaluation of Subsequent Events The Plan administrator has evaluated subsequent events through September 24, 2024, the date the financial statements were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN OF THE PLAN'S INVESTMENT ASSETS

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such an election, the investments included in the statements of net assets available for benefits, and the investment income (loss) included in the statements of changes in net assets available for benefits as of and for the years ended December 31, 2023 and 2022, were not subject to auditing procedures and have been certified as complete and accurate by John Hancock Life Insurance Company (John Hancock). John Hancock is a qualified institution that prepared and certified the information in accordance with 29 CFR 2520.103-5.

4. FAIR VALUE MEASUREMENTS

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value.

December 31, 2023	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ 13,833,183	\$ -	\$ -	\$ 13,833,183

December 31, 2022	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ 10,433,993	\$ -	\$ -	\$ 10,433,993

There were no transfers into or out of level 3 investments for the years ended December 31, 2023 and 2022. The Plan's policy is to recognize transfers into and out of level 3 as of the actual date of the event or change in circumstances.

5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan trustees and the Plan administrator are employees of the Company. There are no transactions between these parties other than contributions to the Plan and normal benefit payments.

The Plan paid administrative fees of \$102,155 and \$80,752 to John Hancock, the custodian and record keeper of the Plan's investment assets, for the years ended December 31, 2023 and 2022, respectively. The Plan paid \$9,365 and \$13,708 to JCCS, PC, the Plan's third-party administrator, for the years ended December 31, 2023 and 2022, respectively. All other fees were paid by the Company and are not reimbursed by the Plan.

6. TAX STATUS

The non-standardized prototype plan adopted by the Plan for the years ended December 31, 2023 and 2022, obtained its latest determination letter (group opinion letter) dated June 30, 2020, in which the IRS stated that the prototype plan documents, as then designed, were in compliance with the applicable requirements of the IRC. The plan documents have been amended since receiving the determination letters. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The determination of tax-exempt status is considered to be a tax position. The Plan's policy is to evaluate the likelihood that its uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the IRC regulations, revenue rulings, court decisions, and other evidence. It is the opinion of the Plan administrator that the Plan has no uncertain tax positions.

7. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the investment balances and the amounts reported in the statements of net assets available for benefits.

8. PLAN AMENDMENTS

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included the Securing a Strong Retirement Act of 2022 (SECURE 2.0). SECURE 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE 2.0 provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 financial statements. Generally, plans have until December 31, 2026, to formally amend the plan document to address these provisions.
