INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Frank G. Love Envelopes Employee 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Frank G. Love Envelopes Employee 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Frank G. Love Envelopes Employee 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Frank G. Love Envelopes Employee 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Frank G. Love Envelopes Employee 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Frank G. Love Envelopes Employee 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Frank G. Love Envelopes Employee 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FRANK G. LOVE ENVELOPES EMPLOYEE 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the *Summary Plan Description* for a more complete description of the Plan's provisions, which is available from the plan administrator.

General - The Plan is a defined contribution plan in which eligible employees of Frank G. Love Envelopes, Inc. (the "Company") may participate. To participate, the employees must be 21 years of age and have worked for 1 year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, the Company contributes discretionary matching funds, currently 50% of the participating employees' contributions, not to exceed \$500 of employee deferrals per year, approved by the Board of Directors of Frank G. Love Envelopes, Inc. Participants can elect to contribute up to 90% of their compensation or \$22,500 for 2023. Participants direct the investment of their contributions as well as the Company's contributions in various investment options offered by the Plan. The Plan currently offers several mutual funds as investment options for participants.

The Plan also allows the Company to make additional discretionary contributions out of current or accumulated profits as determined annually by the Board of Directors. Additional contributions of \$0 and \$0 were made by the Company for the years ended December 31, 2023 and 2022, respectively.

Participant Accounts - Each participant's account is credited with the participant's contribution, the Company's contribution and Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Employees are always 100% vested in their rollover contributions and deferral contributions plus the earnings thereon. Employer matching contributions and profit-sharing contributions are on a six year graded vesting schedule.

Notes Receivable from Participants - All participants are eligible to borrow funds from the Plan, and all applications are subject to the review and approval of the Plan administrator. Participants are limited to two notes outstanding at any time. Notes may be made for a minimum of \$1,000 and a maximum of the lesser of \$50,000 or 50% of the vested interest in the participant's account. The notes bear interest at the Prime rate plus 2.00% (8.5% at December 31, 2023), mature no later than five years from the origination date (unless for the purchase of participant's principal residence) and are fully secured by the participant's irrevocable pledge of up to 50% of his or her account balance in the Plan. Principal and interest are paid ratably through payroll deductions.

Plan Termination - Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Adoption of New Accounting Standards - On January 1, 2023, the Plan adopted A SU 2016-13 Financial Instruments — Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments ('ASC 326'). This standard replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss ("CECL") methodology. CECL revises the accounting requirements related to the measurement of credit losses and requires organizations to measure all expected credit losses for financial assets based on historical experience, current conditions, and reasonable and supportable forecasts about collectability. Assets must be presented in the financial statements at the net amount expected to be collected.

FRANK G. LOVE ENVELOPES EMPLOYEE 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN (continued)

The Plan adopted ASC 326 and all related subsequent amendments thereto effective January 1, 2023 using the modified retrospective approach. Results for reporting periods beginning after January 1, 2023 are presented under CECL while prior period amounts continue to be reported in accordance with previously applicable accounting standards ("Incurred Loss").

Notes receivable from participants are specifically excluded from ASU 20 16-13 Financial Instruments — Credit Losses (Topic 326). Measurement of credit Losses on Financial Instruments ("ASC 326"). Participant and employer contributions are also not considered financial instruments under this methodology. The Plan does not expect ASC 326 to have a significant impact on its financial condition or results of operations on an ongoing basis.

Reclassifications - Certain reclassifications have been made to the 2022 financial statement presentation to correspond to the current year's format. Total net assets available for benefits and changes in net assets available for benefits are unchanged due to these reclassifications.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Payment of Benefits - The Plan administrator may elect to make a lump sum distribution to a participant with an account valued at more than \$1,000 but less than \$5,000, upon termination of service. For accounts exceeding \$5,000 the participant may elect to receive the distribution. When determining the value of the account, rollover contributions will not be included. Benefit payments to participants are recorded upon distribution.

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting. Employee contributions are recognized in the period the contributions are withheld. The employer's matching contributions are recognized in the same period that the related employee contributions are withheld.

Investment Valuation and Income Recognition - Investments are stated at fair value. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the Plan year. For securities for which no sale was reported on that day, the administrative committee has established a fair value based upon current trading information.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Plan Tax Status - On November 1, 2017, the Plan adopted a prototype plan document which obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan files information returns in the United States.

FRANK G. LOVE ENVELOPES EMPLOYEE 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Risks and Uncertainties – Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the risks associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the statement of net assets available for plan benefits.

Forfeited Accounts – At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$0. These accounts will be used to either reduce employer contributions or pay plan expenses. In 2023, plan expenses of \$0 were paid from forfeited nonvested accounts.

Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

3. INFORMATION CERTIFIED BY JOHN HANCOCK LIFE INSURANCE COMPANY

The Company has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by John Hancock Life Insurance Company, the custodian and a party-in-interest as defined by ERISA, as of December 31, 2023, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule. This information consists of the following:

	2023	2022
Cash	\$ -	\$ 52
Pooled separate accounts, at fair value	\$ 5,599,217	\$ 6,032,549
Notes receivable from participants	\$ 118,282	\$ 51,005
Interest on notes receivables from participants	\$ 5,173	
Net appreciation in the fair value of investments	\$ 920,123	

The Plan's independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

4. RELATED PARTY TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

The plan is in certain funds of the Plan's custodian, John Hancock Life Insurance Company at December 31, 2023. The Company provides certain administrative services at no cost to the Plan.

FRANK G. LOVE ENVELOPES EMPLOYEE 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

4. RELATED PARTY TRANSACTIONS (continued)

Notes receivable from participants and the Company's payment of a portion of the Plan's expenses are considered party-in-interest transactions and are exempt from the prohibited transaction rule.

5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled separate accounts: Valued at the NAV of shares held by the Plan at year end, as determined by John Hancock Life Insurance Company. The NAV, as provided by John Hancock Life Insurance Company, is used to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawals from the trust in order to ensure the securities liquidations will be carried out in an orderly business manner. There were no unfunded commitments on these accounts at December 31, 2023.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FRANK G. LOVE ENVELOPES EMPLOYEE 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

5. FAIR VALUE MEASUREMENTS (continued)

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

	Fair Value Measurements as of:			
	Fair Value	(Level 1)	(Level 2)	(Level 3)
<u>December 31, 2023</u>				
Investments measured at net asset value*	\$ 5,599,217	\$ -	\$ -	\$ -
Total	\$ 5,599,217	\$ -	\$ -	\$ -
<u>December 31, 2022</u>				
Investments measured at net asset value*	\$ 6,032,549	\$ -	\$ -	\$ -
Total	\$ 6,032,549	\$ -	\$ -	\$ -

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

6. INVESTMENTS MEASURED USING NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following table summarized investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022, respectively. There are no participant redemption restriction for these investments; the redemption notice period is only applicable to the Plan.

Investment	Fair Value as of December 31, 2023	Fair Value as of December 31, 2022	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled separate accounts	\$ 5,599,217	\$ 6,032,549	n/a	Daily	Daily

7. SUBSEQUENT EVENTS

In accordance with FASB ASC 855, "Subsequent Events," the Company has evaluated events or transactions occurring after December 31, 2023, the Statements of Net Assets Available for Benefits date, through September 13, 2024, the date the financial statements were available to be issued, and determined there were no events or transactions, that would impact our financial statements for the year ended December 31, 2023.
