Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Legal Services Corporation 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Legal Services Corporation 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Legal Services Corporation 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Legal Services Corporation 403(b) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Legal Services Corporation's 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Legal Services Corporation's 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions and schedule of assets (held at end of year) as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LEGAL SERVICES CORPORATION 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN

General

Legal Services Corporation (the Company or LSC) sponsors the 403(b) Plan (the Plan), a deferred contribution plan available to nearly all LSC employees, subject to the eligibility criteria. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Investment Committee oversees the operation and administration of the Plan. The Committee also evaluates the Plan's investment offerings and monitors performance. The Plan allows eligible LSC employees to voluntarily defer both pre-tax and/or after-tax compensation, providing additional retirement income in accordance with the Internal Revenue Code (IRC) Section 403(b). The Plan has been amended over time to stay current with tax legislation, with the most recent amendment taking effect on October 2, 2023.

Eligibility and Contributions

Employees are eligible to contribute to the Plan on the commencement date of employment and can also receive Company matching and nonelective contributions from that date. Employees participating in the Civil Service Retirement System are ineligible for Company matching and nonelective contributions. Employees who are nonresident aliens, independent contractors, and employees who work less than 20 hours per week and do not complete 1,000 hours of service during the Plan year are excluded from participation. Employees working less than 20 hours per week can become eligible if they complete 1,000 hours of service during the Plan year.

Participants may allocate their contributions between pre-tax and Roth accounts. Participants who attain the age of 50 before the end of the Plan year are eligible to make catch-up contributions. The Company matches pre-tax and Roth contributions at 100% of the first 3.51% of participant salary deferrals contributed and provides nonelective contributions equal to 6% of a participant's eligible compensation.

Participants can also roll over distributions from other qualified defined benefit or defined contribution into the Plan. All contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Individual accounts are maintained for each Plan participant, and these accounts are credited with the participant's contributions, Company nonelective and matching contributions, and any Plan earnings or losses. Each account is also charged with a share of the Plan's administrative expenses, which are allocated based on participant earnings, account balances, or participant transactions, as defined. The benefit a participant is entitled to is the amount available from their vested account.

LEGAL SERVICES CORPORATION 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Investments

Participants can direct their contributions into either fixed accounts or various investment options offered through separate accounts managed by American United Life Insurance Company (AUL) and Mutual of America Life Insurance Company (MOA).

Vesting

Participants are immediately vested in their voluntary contributions, and any earnings on those contributions. LSC's nonelective and matching contributions are subject to a three-year cliff vesting schedule. Participants become fully vested upon reaching normal retirement age, death, or permanent disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts an amount ranging from a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. These loans are secured by the balance in the participant's account and accrue interest at a rate commensurate with local prevailing rates, as determined by the Investment Committee. Repayments, which include both principal and interest, are made through payroll deductions. Loans must have a minimum of 12 months and can be repaid over a period up to five years. If the loan is used to acquire a personal residence, the repayment period can extend from one year up to 30 years.

Plan Loans

Participants may borrow from MOA amounts ranging from a minimum of \$1,000 and up to the lesser of \$50,000 or 50% of the vested account balance. These loans are direct agreements between the participant and MOA and are not considered transfers from the investment funds to a note receivable or as plan assets. However, 120% of the outstanding loan balance is collateralized by the participant's account. This collateral is transferred at the time of the loan and maintained in the Mutual of America Interest Accumulation Fund within the participant's account. Loans must be repaid to MOA according to the terms of the agreement. In the event of default, foreclosure on the participant's account balance will not occur until a distributable event occurs in the Plan.

Outstanding loans between Plan participants and MOA totaled \$16,217 and \$33,835 as of December 31, 2023 and 2022, respectively. These loans were collateralized by approximately \$19,461 and \$40,602 in investments reported in the statements of net assets available for benefits as of December 31, 2023 and 2022, respectively.

In-Service Withdrawals

In-Service withdrawals are limited to participants who are age 59 ½ or older. Active participants may also request withdrawals for severe financial hardship, provided they meet certain hardship criteria. Participants are permitted to request a withdrawal for the severe financial hardship affecting a beneficiary.

LEGAL SERVICES CORPORATION 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant may elect to receive the value of their vested account in the form of a lump sum distribution, installments, or a partial withdrawal. If the account balance is \$5,000 or less, the Plan administrator will authorize the benefit payment without the participant's consent. For account balances between \$1,000 and \$5,000, the Plan Sponsor may authorize that the benefit payment be rolled over into an individual retirement account in the participant's name.

Forfeitures

Forfeited nonvested accounts are initially used to reduce administrative expenses and subsequently to reduce future Company contributions. As of December 31, 2023 and 2022, the balance of these accounts was \$-0- for both years. For the years ending December 31, 2023 and 2022, \$-0- and \$100 in forfeitures were used to reduce administrative expenses, respectively. There were \$69,930 and \$46,963 of forfeitures used to reduce Company contributions for the years ended December 31, 2023 and 2022, respectively.

NOTE 2 PLAN TERMINATION

Although it has not expressed any intent to do so, LSC reserves the right under the Plan to discontinue future contributions at any time or to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their accounts.

NOTE 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported of assets and liabilities and changes therein and accompanying notes. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information from the investment advisers and insurance companies. See Note 5 for fair value measurements.

LEGAL SERVICES CORPORATION 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on both investments bought and sold and those held during the year.

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable is recorded when earned. Related fees are recognized as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent notes receivable from participants are treated as distributions according to the terms of the Plan document.

Payment of Benefits

Payment of benefits is recorded when paid.

Contributions

Participant and Company contributions are recorded in the year in which the employee contributions are withheld from compensation.

Administrative Expenses

The Plan's expenses are covered by the Plan, participants, or the Company, as specified in the Plan document. Expenses directly paid by the Company are excluded from these financial statements. Administrative expenses related to benefit payments and notes receivable from participants, which are paid by the Plan, are recorded as administrative expenses in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation (depreciation) of the fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Risks and Uncertainties

Investment securities are generally subject to certain risks, including interest rate risk, credit risk, and overall market volatility. Given these risks, it is reasonably possible that the values of investment securities could change in the near term, which could materially affect the amounts reported in the financial statements.

Subsequent Events

Management has evaluated all events and transactions that occurred after December 31, 2023 through September 20, 2024, the date the financial statements were available to be issued.

LEGAL SERVICES CORPORATION 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 CERTIFICATION OF INVESTMENT INFORMATION

AUL and MOA, the insurance companies of the Plan, have provided the Plan administrator with certifications attesting to the completeness and accuracy of all investment information and notes receivable from participants. These certifications pertain to the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2023.

NOTE 5 FAIR VALUE OF INVESTMENTS

The Plan values certain assets and liabilities at fair value. The hierarchy below categorizes three levels of fair value based upon on the extent to which inputs used in measuring fair value are observable in the market. Each fair value measurement is categorized into one of these levels based upon the lowest level input that is significant to the overall measurement. The three levels of the fair value hierarchy are as follows:

Level 1 –Unadjusted quoted prices available in active markets for identical investments as of the reporting date.

Level 2 – Observable inputs, other than Level 1 inputs, that are either directly or indirectly observable as of the reporting date. Fair value can be determined through models or other valuation methodologies.

Level 3 – Unobservable inputs where there is little or no market activity for the asset or liability. The reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the valuation methodology used as of December 31, 2023 and 2022.

Pooled Separate Accounts: Valued at the net asset value (NAV) of units as determined by the insurance companies. NAV is a readily determinable fair value and is the basis for current transactions.

NOTE 6 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan has entered into fully benefit-responsive guaranteed investment contracts with AUL and MOA (insurance companies). Contributions are maintained in a general account by AUL and MOA, which credits earnings on the underlying investments and charge for participant withdrawals and administrative expenses. The issuers are contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan. The crediting rate, established by AUL and MOA, may not be less than 0% and 3%, respectively. Effective January 20, 2023, the guaranteed crediting rate with AUL is reviewed annually for resetting and may not be less than 0%. The MOA crediting rate is also reviewed annually for resetting. The guaranteed investment contracts prohibit the insurance companies from terminating the agreement before the scheduled maturity date.

These contracts meet the fully benefit-responsive investment contract criteria and, therefore, are reported at contract value. Contract value is relevant for these contracts as it represents the amount participants would receive if they initiated permitted transactions under the Plan terms. Contract value, as reported to the Plan by AUL and MOA, includes contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants can generally withdrawal or transfer their investments at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its obligations may be affected by future economic and regulatory developments.

NOTE 6 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Certain events might limit the Plan's ability to transact at contract value with the issuer. These events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) causing significant withdrawals from the Plan, (4) the failure of the trust to qualify for federal income tax exemption or required prohibited transaction exemptions under ERISA, or (5) premature contract termination. No events are likely to occur that would limit the ability of the Plan to transact at contract value with issuers or participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. These events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

NOTE 7 INCOME TAX STATUS

The Company adopted a pre-approved Volume Submitter 403(b) Plan which received a favorable opinion letter from the IRS on November 22, 2017, which stated that the Plan is designed in accordance with applicable sections of the IRC. The Plan has been amended since relying on the pre-approved opinion letter. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by AUL and MOA. AUL and MOA are the insurance companies as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. Participant loans are also considered party-in-interest transactions. Fees paid by the Plan for the investment management services were included in net appreciation (depreciation) in fair value of the investments. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The AUL and MOA pooled separate accounts, as classified in the financial statements included herein did not file a Form 5500 for the direct filing entity, therefore, the underlying assets have been reported on Form 5500, Schedule H.

NOTE 10 NONEXEMPT TRANSACTIONS

For certain payroll periods during the year ended December 31, 2022, an error occurred that caused employee 403(b) deferral contributions to not be remitted within the timeframe prescribed by the Department of Labor. The company corrected the error by depositing lost earnings during the year ended December 31, 2023. The error is considered a prohibited transaction under ERISA and the IRC.
