REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The Plan Administrator
IV Media LLC 401(k) Retirement Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of IV Media LLC 401(k) retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023 stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter – supplemental schedules required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2023 and of delinquent participant contributions for the year ended of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

IV Media LLC 401(k) Retirement Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A - DESCRIPTION OF THE PLAN

The following description of the IV Media LLC 401(k) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete information.

General

The Plan, which was established on October 1, 1994, is a defined contribution plan by iMedia Brands, Inc. and its subsidiaries (the Employer or Company) to provide benefits to eligible employees who have completed one month of service. Eligible employees become a participant in the Plan on the first day of the payroll period on or next following the date in which the eligibility requirement is met. The subsidiaries that have elected to participate in the Plan include ValueVision Interactive, Inc., VVI Fulfillment Center, Inc., ValueVision Retail, Inc. and ValueVision Media Acquisitions, Inc. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (the Code), as amended, and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective July 31, 2021, the Plan was amended to recognize prior service with Synacor, Inc. Portal Business Segment for purposes of eligibility and vesting.

Effective January 1, 2022, the Plan was amended to exclude bonuses and reimbursements or other expense allowances, fringe benefits, moving expenses and welfare benefits from eligible compensation.

Effective September 1, 2022, the Plan was amended to exclude nonresident aliens with no U.S. source income, interns, and independent contractors from eligibility and participation.

Effective August 16, 2023, the Company was acquired by IV Media, LLC. iMedia Brands, Inc. was the Plan Sponsor through August 15, 2023. Effective August 16, 2023, IV Media LLC became the Plan Sponsor and the Plan was renamed the IV Media LLC 401(k) Retirement Plan. All existing plan provisions remained the same.

Plan Administration

The Company has appointed a Retirement Plan Committee (the Committee) to manage the operation and administration of the Plan. The Company has contracted with Transamerica Retirement Solutions (Transamerica) to process and maintain the records of participant data, and with State Street Bank and Trust Company and Transamerica Trust Company to act as the trustee and custodian, respectively, (collectively referred to as the trustees).

Investments

Participants direct the investment of their contributions and the Plan Sponsor's contributions into various investment options offered by the Plan. Participants may change their investment options daily. The Plan currently offers mutual funds, an interest-bearing cash fund, a collective trust fund, and a personal choice retirement account, as investment options for participants. Automatically enrolled participants were defaulted into a Fidelity Target Date fund based on the year the participant will reach 65 years of age, unless otherwise elected by the participant.

Participant Contributions

Participants may elect to have the Company contribute their eligible pretax compensation to the Plan in the form of pretax and Roth deferrals up to the maximum amount allowable under the Plan document and current income tax regulations, including catch-up deferrals for eligible participants who are age 50 or older. The Plan also provides for the automatic enrollment of eligible employees in the Plan with a contribution of 6% of eligible compensation unless the employee affirmatively elects otherwise.

IV Media LLC 401(k) Retirement Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

Participants who elect to contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation. Contributions withheld are invested in accordance with the participant's direction.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

Employer Contributions

The Company may make discretionary matching contributions to the Plan. Participants are eligible to receive discretionary matching contributions after completing six months of service. For the period of January 1, 2023 through March 9, 2023, the Company made matching contributions each payroll period equal to 50% of the first 6% of base compensation that a participant contributed to the Plan. Effective, March 10, 2023, the Company made matching contributions each payroll period equal to 50% of the first 3% of base compensation that a participant contributed to the Plan. The discretionary match is subject to annual true-up.

The Company may also make a discretionary nonelective contribution to the Plan each year, not to exceed 85% of the taxable wage base. Employees who are eligible for the discretionary nonelective contribution must complete one year of service and are eligible to receive an allocation of the discretionary nonelective contribution beginning on the first day of the calendar quarter on or next following the date in which the eligibility requirement is met. No discretionary nonelective contribution was approved or made for the years ended December 31, 2023 and 2022.

Participant Accounts

Each participant's account is credited or charged with the participant's contributions, employer contributions, if any, and an allocation of Plan earnings or losses and administrative expenses that are paid from the Plan. Allocations are based on participant account earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus the actual earnings thereon. Vesting in the Company's contribution portion of participants' accounts, plus the actual earnings thereon, is based on years of credited service. Upon normal retirement or death, all contributions become fully vested. Participants vest in the Company's contribution portion and earnings thereon according to the following schedule:

<u>Vesting Service</u>	<u>Vesting Rights</u>
Less than one year of service	0%
One year of service	34%
Two years of service	67%
Three or more years of service	100%

Notes Receivable from Participants

The Plan allows participants to borrow not less than \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the participant's vested balance and bear interest at the

prime rate plus 1%. The note must be repaid to the Plan within a five-year period, unless the note is used for the purchase of a principal residence, in which case the repayment period may not exceed 15 years. The specific terms and conditions of such notes are established by the Committee. Principal and interest are paid ratably through after-tax payroll deductions over the term of the notes.

Payment of Benefits

Upon termination for any reason, the participants or their beneficiaries may elect to leave their account balances in the Plan, roll balances over to another plan or individual retirement account, or receive their total benefits in a lump-sum amount equal to the value of the participant's vested interest in their account. The Plan allows for the automatic distribution of participant-vested account balances that do not exceed \$1,000 upon termination. The Plan also allows for mandatory distributions of participant-vested account balances over \$1,000 but not more than \$5,000. A mandatory distribution will automatically roll to a traditional individual retirement account serviced by Transamerica unless the participant elects a lump-sum distribution. Hardship distributions, as defined, and in-service distributions for participants age 59½ and older are also permitted by the Plan. Generally, participants must begin receiving period benefit payments by April 1st of the calendar year following the calendar year in which they attain age 73 (age 70½ if born before July 1, 1949), or such later age as may be allowed by law under the terms of the Plan.

Forfeited Accounts

Forfeited nonvested accounts at December 31, 2023 and 2022, totaled \$138,807 and \$114,691, respectively, and may be used to pay Plan administrative expenses or fund future employer contributions. During 2023, the Company used \$39,211 of forfeitures to reduce Company contributions and did not use any forfeitures to pay administrative expenses.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America on an accrual basis (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from these estimates.

Noninterest-Bearing Cash

The Plan holds noninterest-bearing cash, which is acquired with an original maturity of three months or less and is valued at cost, which approximates fair value.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought or sold, as well as held, during the year.

IV Media LLC 401(k) Retirement Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

The Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustees. See Note C for the fair value methods used.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023, or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant's loan to be in default, the participant's loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefit payments are recorded upon distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

NOTE C - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. Financial Accounting Standards Board Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. That hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 - Inputs consist of unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term.
- Level 3 - Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

IV Media LLC 401(k) Retirement Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

The fair value measurement level of an asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2023 and 2022.

Mutual Funds

Shares are valued at net asset value (NAV) by the Plan at year end based on published quoted market prices.

Collective Trust Fund

The collective trust fund is valued at the NAV of units held by the Plan at year end, which is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Irrespective of the underlying investments that comprise the collective trust fund, the fund itself lacks a formal listed market or publicly available quote. The Plan's collective trust fund may be redeemed on a daily basis and has no unfunded commitments.

Charles Schwab Personal Choice Retirement Accounts (PCRAs)

PCRAs consist of mutual funds, stocks, and money market funds. The mutual funds are valued at the NAV of shares held by the Plan at year end at the closing prices in the active markets in which the securities are traded. The stocks are valued daily based on the quoted closing prices in the active markets in which the securities are traded. Money market funds are valued at cost plus accrued income, which approximates fair value measured by similar assets in active markets.

Money Market Fund

The money market fund is valued at cost plus accrued income, which approximates fair value measured by similar assets in active markets.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

NOTE D - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the trustees and Transamerica, its affiliate. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Notes receivable from participants also qualify as party-in-interest transactions.

NOTE E - PLAN TERMINATION OR MODIFICATION

The Company intends to continue the Plan indefinitely for the benefit of its participants; however, it reserves the right to terminate or modify the Plan at any time by resolution of the Company's Board of Directors and subject to the provisions of ERISA. In the event the Plan is terminated in the future, participants would become fully vested in their accounts.

NOTE F - INCOME TAX STATUS

The Plan has adopted a volume submitter plan that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020. The Plan has been amended subsequent to the version of the volume submitter plan that received the opinion letter. The Company believes that the Plan is operated in accordance with, and qualifies under, the applicable requirements of the Code and related state statutes, and that the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan Sponsor has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - INFORMATION CERTIFIED OR PROVIDED BY THE PLAN TRUSTEES

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustees have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2023.

NOTE H - DELINQUENT CONTRIBUTIONS

During 2020, the Plan Sponsor inadvertently failed to deposit \$125 of participant contributions within the required time frame specified by the Department of Labor (DOL). The DOL considers late deposits to be

nonexempt or prohibited transactions. For the 2020 late deposit, the Plan will deposit lost earnings and also file Form 5330 and pay applicable excise taxes to correct this failure. The excise tax payments will be made from the Company's assets and not from assets of the Plan.

NOTE I - SUBSEQUENT EVENTS

The Plan has analyzed its activity subsequent to December 31, 2023 through September 26, 2024, the date the financial statements were available to be issued.
