**Part III Welfare Benefit Contract Information**

If more than one contract covers the same group of employees of the same employer(s) or members of the same employee organizations(s), the information may be combined for reporting purposes if such contracts are experience-rated as a unit. Where contracts cover individual employees, the entire group of such individual contracts with each carrier may be treated as a unit for purposes of this report.

Part I

Service Provider Information (see instructions)

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## Independent Auditors' Report

To the Plan Administrator, Board of Trustees and Participants  
of The St. Paul's Schools 403(b) Retirement Plan  
Brooklandville, Maryland

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of St. Paul's Schools 403(b) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section-

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Independent Auditors' Report (continued)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of St. Paul's School Retirement Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Prior Period Adjustment**

As discussed in Note 11 to the financial statements, the Lincoln investment contract was not included in the prior period, as permitted by the DOC Field Assistance Bulletin No. 2009-02. However, the Plan has elected to begin reporting this contract and to restate the prior period.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about St. Paul's Schools 403(b) Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that included our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Misstatements are considered material if there is a substantial likelihood, that individually or in the aggregate, they would influence the judgement made by a reasonable user base on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

## Independent Auditors' Report (continued)

### **Auditor's Responsibilities for the Audit of the Financial Statements (continued)**

- Identify and added the risk of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedure includes examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of St. Paul's School Retirement Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement there are conditions or events, considered in the aggregate, that raise substantial doubt about St. Paul's School Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United State of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures, in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditors' Report (continued)

**Other Matter - Supplemental Schedules Required by ERISA (continued)**

In our opinion –

- The form and content on the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of St. Paul's Schools 403(b) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section-

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Independent Auditors' Report (continued)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of St. Paul's School Retirement Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Prior Period Adjustment**

As discussed in Note 11 to the financial statements, the Lincoln investment contract was not included in the prior period, as permitted by the DOC Field Assistance Bulletin No. 2009-02. However, the Plan has elected to begin reporting this contract and to restate the prior period.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about St. Paul's Schools 403(b) Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that included our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Misstatements are considered material if there is a substantial likelihood, that individually or in the aggregate, they would influence the judgement made by a reasonable user base on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

## Independent Auditors' Report (continued)

### **Auditor's Responsibilities for the Audit of the Financial Statements (continued)**

- Identify and added the risk of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedure includes examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of St. Paul's School Retirement Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement there are conditions or events, considered in the aggregate, that raise substantial doubt about St. Paul's School Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures, in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditors' Report (continued)

**Other Matter - Supplemental Schedules Required by ERISA (continued)**

In our opinion –

- The form and content on the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## THE ST. PAUL'S SCHOOLS 403(B) RETIREMENT PLAN

Notes to Financial Statements  
December 31, 2023 and 2022

### 1. Description of the Plan

The following description of The St. Paul's Schools 403(b) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- A. General - The Plan is a defined contribution plan established on October 1, 1959 covering substantially all employees of The St. Paul's Schools (the School). Enrolled student employees, nonresident aliens, employees under a collective bargaining agreement and employees working less than 20 hours per week or 1,000 hours per calendar year are not eligible to participate in the Plan. Employees may enter the Plan the first day of the month following their hire date.
- B. Contributions - Each year, participants may elect to make pre-tax and after-tax Roth contributions up to the maximum allowable contribution amount under the Internal Revenue Code (IRC). Under the auto enrollment provision, a contribution of 5% of compensation will automatically be elected for new employees, unless otherwise directed by the employee. Participants who have worked at least fifteen years for the School may make special 403(b) catch-up contributions, as defined. Participants who have attained age 50 before the end of the plan year are also eligible to make catch-up contributions. Participants additionally may contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants may direct the investment of their contributions and the School's contributions into the TIAA Traditional Annuity (an insurance annuity contract), a pooled separate account, mutual funds, and various variable annuity contracts with TIAA and CREF offered by the Plan.

Participating employees who have attained age 21, are full-time, and are contributing at least 5% of qualifying compensation are eligible for the School's contribution. Camp counselors and faculty substitutes are not eligible for the School's contribution. The School matches a percentage of a participant's qualifying compensation based on prior years of similar experience (see below) as determined on their hire date.

| <u>Years of Service</u>                           | <u>Matching %</u> |
|---------------------------------------------------|-------------------|
| Greater than 0, but less than or equal to 5 years | 5%                |
| Greater than 5                                    | 7.5%              |

For the 2023 plan year, the School's matching contribution totaled \$1,575,882.

Current St. Paul's School For Girls employees who will be employed less than five years as of July 1, 2019 will receive a 6.5% employer contribution, current St. Paul's School employees who currently receive 10% will continue to receive a 10% employer contribution, and current St. Paul's School employees who will begin their 6th year of employment on July 1, 2019, will receive a 10% employer contribution once they are employed with the Schools for 10 years. Current St. Paul's school employees who are receiving prior experience credit and who have not reached 5 years of service at the institute will continue to receive a 7.5% employer contribution.

The School may also make discretionary employer contributions and Qualified Nonelective Contributions (QNECs), as defined in the Plan.

## THE ST. PAUL'S SCHOOLS 403(B) RETIREMENT PLAN

Notes to Financial Statements  
December 31, 2023 and 2022

### 1. Description of the Plan (continued)

- C. Participant Accounts - Each participant's account is credited with the participant's contributions and the school's matching contributions as well as Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. Vesting - Participant and employer contributions are vested immediately as well as actual earnings thereon. Contributions are non-forfeitable.
- E. Notes Receivable from Participants - Participants may borrow from their fund accounts based on their account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates commensurate with the prevailing market rates. See Note 8 for additional notes held by TIAA and CREF outside of the Plan.
- F. Payment of Benefits - Benefit payments may be in the form of lump sums, partial or full installment payments, or an annuity contract. Distributions of all participant and School contributions are payable upon termination of employment, disability or attainment of normal retirement age, or age 59 1/2. Hardship withdrawals of pre-tax participant contributions are also permitted, subject to provisions defined in the plan document. The annuity contracts with TIAA contain additional limits as described in Note 5.
- G. Transfers from TIAA accounts - Participants are permitted to transfer funds between their College Retirement Equities Fund (CREF) accounts and into their Teachers Insurance and Annuity Association (TIAA) Traditional Annuity accounts at any time. However, transfers out of the non-benefit responsive TIAA Traditional Annuity Accumulation into any other account by an active participant can only be made through a Transfer Payout Annuity (TPA), which provides for the transfer of funds in monthly payments over an 84-month period.

### 2. Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Audit Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor, TIAA and CREF, and Lincoln National Life Insurance Company (Lincoln). See Note 4 for a discussion of fair value measurements.

## THE ST. PAUL'S SCHOOLS 403(B) RETIREMENT PLAN

Notes to Financial Statements  
December 31, 2023 and 2022

### 2. Significant Accounting Policies (continued)

The Plan has funds invested in the TIAA Traditional Annuity accounts and Lincoln National Life Insurance Company fixed accounts which are invested in investment contracts. Fully benefit-responsive investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the School and are excluded from these financial statements. Fees related to specific participant transactions (i.e. distribution fees) are charged directly to the participant's account. Investment related expenses are included in net appreciation in fair value of investments.

### 3. Information Prepared and Certified by Teachers Insurance and Annuity Association ("TIAA") and College Retirement Equities Fund ("CREF"), as issuer for certain investments and as agent for TIAA, FSB, the custodian of certain other investments, and by Lincoln National Life Insurance Company ("Lincoln"), the custodian for certain other investments.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by TIAA and CREF for the year ended December 31, 2023, and 2022.

#### 4. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits, except for the fully benefit-responsive investment contract, which is reported at contract value. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023, and 2022:

| Fair Value Measurements at December 31, 2023 |                                                                                |                                                               |                                                           |                      |

## THE ST. PAUL'S SCHOOLS 403(B) RETIREMENT PLAN

Notes to Financial Statements  
December 31, 2023 and 2022

### 4. Fair Value Measurements (continued)

In accordance with the Plan's adopting of FASB ASU 2015-07, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

**Insurance Annuity Contracts:** Valued at fair value by Plan management by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer. Fully benefit-responsive TIAA Traditional Annuity contracts are reported at contract value. The contract value of the TIAA Traditional Annuity contracts equals the accumulated cash contributions and interest credited to the Plan's contracts and transfers (if any), less any withdrawals and transfers (if any).

**Registered Investment Companies:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Pooled Separate Accounts:** Pooled separate accounts with Lincoln are valued at net asset value (NAV). The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The TIAA Real Estate pooled separate account generally invests in real estate, and the fair value of the underlying commercial real estate properties is determined by obtaining annual appraisals which are then updated daily based on changes in factors such as occupancy levels, lease rates, overall market conditions, and capital improvements. Determination of estimated fair value involves subjective judgment because the actual fair value of real estate can be determined only by negotiation between the parties in a sales transaction. The values of real estate investments have been prepared giving consideration to the income, cost, and sales comparison approaches of estimating property value. The fair value of properties undergoing development includes the timely recognition of estimated profit after such consideration.

**Variable Annuities:** Valued at NAV per unit based on quoted market prices of underlying investments using market quotations or prices obtained from independent pricing sources that may employ various pricing methods to value the investments including matrix pricing. CREF Money Market account holdings are generally valued at amortized cost.

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2023, are reported in net appreciation in fair value of investments.

### 4. Fair Value Measurements (continued)

The Plan's policy is to recognize transfers between Level 1 and Level 2 and into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2023, and 2022 there were no significant transfers between Level 1 and Level 2 and into or out of Level 3.

(a) This category invests primarily in real property and real estate related investments, and on occasion hold securities. Shares are available for transactions at the closing NAV per share on any day the New York Stock Exchange (NYSE) is open for business. Transfers out are limited to one per calendar quarter. Although the underlying assets cannot be quickly sold and converted to liquid assets, the TIAA General Account provides the TIAA Real Estate Account with a liquidity guarantee. TIAA ensures that the TIAA Real Estate Account has funds available to meet participant redemption, transfer, or cash withdrawal requests.

(b) This category invests in equity securities, fixed income instruments and short-term investments in accordance with each portfolio's investment objectives. Shares are available for transactions at the closing net asset value per share on any day the NYSE is open for business. In an effort to reduce market timing and excessive trading, shareholders will be locked out of an account for 90 days if a purchase, sale and repurchase within that account is made within a 60-day period. The CREF Money Market Account, however, is not subject to a lockout restriction.

(c) The pooled separate accounts invest primarily in equity or fixed income securities based upon the stated objective of each individual investment option.

The table below sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the year ended December 31, 2023:

In estimating fair value of the investments in Level 3, Plan management may use third-party pricing sources or appraisers. In substantiating the reasonableness of the pricing data provided by third parties, Plan management evaluates a variety of factors, including review of methods and assumptions used by external sources, recently executed transactions, existing contracts, economic conditions, industry and market developments, and overall credit ratings.

The following table represents the Plan's Level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments, and the significant unobservable inputs and the ranges of values for those inputs.

### 5. Guaranteed Investment Contracts

#### TIAA and CREF:

The Plan has guaranteed investment contracts with TIAA and CREF. Under these contracts are sub-contracts, some of which are fully benefit-responsive while others are not. TIAA and CREF maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Each premium allocated to the guaranteed investment contract buys a guaranteed minimum amount of lifetime income based on the rate schedule in effect at the time the premium is credited. The balances in these contracts as of December 31, 2023 and 2022, are as follows:

|                                                                    | 2023                 | 2022                 |

### 5. Guaranteed Investment Contract (continued)

For the investment contracts that are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. These contracts are included in the financial statements at contract value, as reported to the Plan by TIAA and CREF. Contract value represents the accumulated cash contributions and credited interest, less charges for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it will generally not be less than 3%. Such interest rates are reviewed on a quarterly basis for resetting. The contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. The average interest rate credited for 2023 was 6.25% for the RA contract and 5.50% for the GSRA contract.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan); (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

#### Lincoln:

The Plan entered into a fully benefit-responsive guaranteed investment contract with Lincoln National, which maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charges for participant withdrawals and administrative expenses. The guaranteed investment contract issue is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan. The investment balances are tracked in the Lincoln National Life Insurance Company Fixed Account.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at fair value which is equivalent to contract value. Contract value, as reported to the Plan by Lincoln National, represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the Lincoln National Life Insurance Company Fixed Account at December 31, 2023 was \$980,953 and \$1,028,910, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

### 5. Guaranteed Investment Contract (continued)

Certain events limit the ability of the Plan to transact at contract value with Lincoln National. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provision, (c) bankruptcy of the Sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the schedules maturity date.

### 6. Tax Status

The Plan is qualified under Section 403(b) of the Internal Revenue Code (IRC). The Plan Administrator and the Plan Sponsor believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### 7. Related-Party and Parties-In-Interest Transactions

The plan investments have included an Insurance Annuity Contract with TIAA and Lincoln, a pooled separate accounts with TIAA and Lincoln, and various variable annuity contracts and mutual funds with TIAA and CREF; therefore, these transactions qualify as party-in-interest transactions. The plan sponsor pays directly certain fees related to the Plan's operations. The Plan has a number of service providers. Such providers are parties-in-interest under ERISA. All of these party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

### 8. Plan Loans with TIAA and CREF and Lincoln

Prior to a plan merger, certain participants could borrow from TIAA and CREF using a portion of their plan account as security for the loan. When the School allows for loans from the TIAA and CREF RA contract, the participant also accepts the Retirement Loan (RL) contract. This allows a participant to take a loan based on their RA accumulations. Under the RL contract, all of a participant's IRC Section 403(b) and 401(a) plans shall be treated as one plan. Loans are also allowed from the TIAA GSRA contract and are not available from the Real Estate account.

Participants with loans administered by TIAA and CREF may borrow from their fund accumulations a minimum of \$1,000 up to a maximum equal to the lesser of 45% of the participants' combined TIAA and CREF accumulation or \$50,000, reduced to the extent that the participant's highest balance for plan loans outstanding during the preceding 12 months exceeds the current balance for plan loans. A participant may have no more than three loans outstanding at any time. Repayment must be completed within five years, or within ten years if the loan is used to purchase a principal residence. Interest is at a variable rate, indexed to the Moody's corporate bond yield average and can be adjusted no more than once every three months if the Moody's rate increases or decreases by one half of one percent or more. The loan has to be repaid in substantially level installments that include principal and interest, no less often than quarterly.

## 8. Plan Loans with TIAA and CREF and Lincoln (continued)

At least 110% of the loan must be kept as collateral in the TIAA Traditional Annuity account. The balances as of December 31, 2023 and 2022, are \$60,117 and \$121,394, respectively. In the event of default, such loans are reportable to plan participants as taxable income but remain outstanding and continue to accrue interest until repaid by the plan participant or the participant becomes eligible to receive a distribution under the terms of the Plan. As of December 31, 2023, and 2022, loans in default amounted to \$41,960 and \$40,030 respectively.

In addition, one participant holds a loan directly with Lincoln with a balance of \$19,486 and \$24,936 at December 31, 2023 and 2022. The collateral for this loan is held by the Plan in the Lincoln Fixed Account.

These plan loans are not reported on Form 5500 and are not included in the financial statements.

## 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, and the level of uncertainty related to changes in the values of such investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### 11. Prior Period Adjustment

On January 1, 2023, the Plan began to report a previously excluded contract with Lincoln National Life Insurance Company and restated the Statement of Net Assets at December 31, 2022 to retroactively include the contract in the prior period financial statements as well. This account has previously been excluded as permitted by the DOL Field Assistance Bulletin No. 2009-02. The value of this Lincoln contract, as reported by Lincoln, was \$2,623,743 as of December 31, 2022. Therefore, the net assets available for benefit at December 31, 2022 have been increased by \$2,623,743 as a result of this restatement.

### 12. Subsequent Events

The Plan has evaluated subsequent events through August 27, 2024, the date the financial statements were available to be issued.
