INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator,
Louisiana Endowment for the Humanities
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Louisiana Endowment for the Humanities 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) Audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 and the schedule of delinquent participant contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS**Louisiana Endowment for the Humanities 401(k) Profit Sharing Plan**

December 31, 2023 and 2022

Note 1 - PLAN DESCRIPTION

The following description of Louisiana Endowment for the Humanities 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

a. General

The Plan is a defined contribution plan covering all eligible employees of the Louisiana Endowment for the Humanities and Prime Time Family Reading (the “Employer”) who are twenty-one years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b. Contributions

Each year, participants may contribute, by salary reduction pursuant to Section 401(k) of the Internal Revenue Code (the “Code”), a percentage of their pretax annual compensation, as defined in the plan document, not to exceed statutory limits or 90% of eligible compensation. Participants may also contribute amounts representing eligible rollover distributions from other qualified pension plans. The Plan also allows for Roth elective deferrals.

Each year, the Employer matches 100% of each participant’s elective deferrals of up to 4% of the participant’s eligible compensation. This percentage is limited to the amount deductible under applicable provisions of the Code. For the year ended December 31, 2023, the Employer contributed \$122,419 to the Plan.

Each year, the Employer may make a nonelective contribution to the Plan, though the Employer is not required to do so. The Plan did not make a nonelective contribution for the year ended December 31, 2023.

Note 1 - PLAN DESCRIPTION (Continued)

c. Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Employer's contributions and plan earnings and charged with allocations of plan losses and administrative expenses. Allocations are based on participant compensation, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are immediately vested in their 401(k) deferral and rollover contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts plus earnings thereon is as follows:

<u>Participant's Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	40%
3	60%
4	80%
5 or more	100%

e. Investment Options

The Plan provides a participant-directed investment program whereby participants select the investments for their accounts. The Plan currently offers a variety of mutual funds which allow participants to make individual selections of investments. The funds represent several different alternatives to investing with different risk and return characteristics. Participants may change their investment options daily.

f. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$500 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Participants may have a maximum of two notes outstanding. Notes receivable terms shall be no greater than five years unless the notes receivable is used to purchase a participant's principal residence, in which case the notes receivable term can be no greater than thirty years. The note receivable is secured by the balance in the participant's account and bears interest at the prime rate as published in The Wall Street Journal on the 14th of each month, plus two percentage points. The interest rate on notes receivable from participants ranged from 5.25% to 10.50% and 5.25% to 9.50% as of December 31, 2023 and 2022, respectively. Principal and interest is paid ratably through payroll deductions.

Note 1 - PLAN DESCRIPTION (Continued)

g. Payment of Benefits

On termination of service, a participant whose vested account balance equals or exceeds \$5,000 will be automatically rolled over to an individual retirement account. Participants with vested balances of less than \$5,000 receive a lump sum equal to the fair value of the participant's vested interest in his or her account. Participants who are age 59½ may elect in-service distributions. Participants may also request distributions in accordance with the hardship provisions of the Plan.

Effective January 1, 2023, the SECURE 2.0 Act of 2022 ("SECURE 2.0 Act") increased the required minimum distribution (RMD) age from 72 to 73. Terminated participants may elect to have the Plan's trustee hold their accounts for distribution to them at a date not later than April 1 of the calendar year after which they attain the RMD age. In this event, terminated participants continue to share in the income, expenses, gains, and losses of the Plan until their accounts are distributed. Effective January 1, 2033, the SECURE 2.0 Act increases the RMD age from 73 to 75. The SECURE 2.0 Act is discussed further on a following page under "*SECURE 2.0 Act of 2022*".

h. Forfeited Accounts

Forfeitures of nonvested profit sharing and matching accounts may be used to reduce the Employer's contributions or to pay plan expenses. Nonvested accounts had a balance of \$32,785 and \$4,324 as of December 31, 2023 and 2022, respectively. Forfeited nonvested accounts of \$44,596 were used to reduce the Employer's contributions for the year ended December 31, 2023.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

a. Basis of Accounting

The accompanying financial statements are prepared using the accrual method of accounting.

b. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized gains (losses) on sales of investments and unrealized appreciation (depreciation) in fair value of investments are reported as net appreciation (depreciation) in fair value of investments in the Statement of Changes in Net Assets Available for Benefits.

d. Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make repayments on the note receivable and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

e. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to the contributions. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024.

f. Payment of Benefits

Benefits are recorded when paid.

g. Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other withdrawals are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

h. SECURE 2.0 Act of 2022

On December 29, 2022, the SECURE 2.0 Act was enacted to help improve retirement savings. The SECURE 2.0 Act made wide-ranging changes, both mandatory and elective, to qualified plans and its provisions have various effective dates.

Significant provisions were as follows:

- The RMD age was increased from 72 to 73, effective January 1, 2023, and to age 75, effective January 1, 2033;
- The excise tax for failure to take RMDs was reduced from 50 percent to 25 percent of the RMD amount that was not taken, beginning January 1, 2023; and
- All catch-up contributions for participants with compensation of more than \$145,000 (indexed for inflation) are required to be designated as Roth 401(k) contributions beginning after December 31, 2023. However, in August 2023, the Internal Revenue Service (IRS) announced an administrative transition period that delays this requirement until taxable years beginning after December 31, 2025.

The Plan will incorporate changes in its plan document and administration to the extent required by the SECURE 2.0 Act.

i. Subsequent Events

Management evaluates events subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through September 24, 2024, which is the date the financial statements were available to be issued.

Note 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Note 3 - FAIR VALUE MEASUREMENTS (Continued)

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2023 and 2022.

- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methodology described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3 - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 2,254,208</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,254,208</u>

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 1,925,958</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,925,958</u>

Note 4 - RISK AND UNCERTAINTIES

The Plan provides for investments in mutual funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 5 - INFORMATION PREPARED AND CERTIFIED BY RELIANCE TRUST COMPANY

As of December 31, 2023 and 2022, and for the year ended December 31, 2023, the Plan's investments were held by Reliance Trust Company, the Plan's trustee. The following information summarizes the Plan's investment information that is included in the financial statements based on information certified by Reliance Trust Company in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

	2023	2022
Investments	\$2,254,208	\$1,925,958
Notes receivable from participants	\$24,463	\$38,644
Net appreciation in fair value of investments	\$306,620	
Dividends	\$72,559	
Interest on notes receivable from participants	\$2,265	

Note 6 - PLAN TERMINATION

Although they have not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 7 - TAX STATUS

The underlying non-standardized pre-approved plan received an opinion letter dated October 6, 2020, in which the Internal Revenue Service stated that the pre-approved plan was in compliance with applicable requirements of the Code. In addition, the opinion letter stated that an employer who adopts this pre-approved plan may rely on the pre-approved plan opinion letter with respect to the qualification of its plan under the Code. The plan sponsor has not requested a determination letter specific to the Plan itself; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and ERISA. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.
