INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Griffin Dewatering Corporation Savings and Profit Sharing Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Griffin Dewatering Corporation Savings and Profit Sharing Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT, continued

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT, continued

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GRIFFIN DEWATERING CORPORATION
SAVINGS AND PROFIT SHARING RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of the Griffin Dewatering Corporation Savings and Profit Sharing Retirement Plan (the "Plan") provides general information only. Participants should refer to the summary plan description and Plan document for a more complete description of the Plan's provisions.

General

The Plan was established effective October 1, 1985, as a defined contribution plan to encourage and assist employees of Griffin Dewatering Corporation and its affiliates, including Griffing Dewatering New England, Inc., Griffin Dewatering Mid-Atlantic, LLC., Griffin Dewatering Midwest, LLC, Griffin Dewatering of Minnesota, LLC, Griffin Dewatering Southeast LLC, Griffin Dewatering South Florida LLC, Griffin Dewatering North Central LLC, Griffin Dewatering Southwest LLC, and Griffin Pump & Equipment, Inc. (collectively, the "Company") to adopt a regular savings program. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan has been amended from time to time, most recently effective June 1, 2022, to comply with the most recent statutory and regulatory changes applicable to plans maintained under Code Section 401(a) and 401(k) of the Internal Revenue Code ("IRC").

Administration

The Plan is administered by an administrator appointed by the Company. Reliance Trust Company (the "Trustee") serves as the Plan trustee. ADP Retirement Services (the "Recordkeeper") serves as the Plan recordkeeper.

Eligibility

As defined in the Plan document, almost all employees of the Company are eligible to participate in the Plan on the first day of the month following the completion of ninety days of service. Excluded employees are (i) union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, (ii) certain non-resident aliens who have no earned income from sources within the United States, (iii) leased employees, (iv) employees not scheduled to complete 1,000 hours of work per year, and (v) independent contractors.

Contributions

Each year, participants may contribute up to 90% (in whole percentages) of their eligible compensation on a pretax or after-tax basis as defined in the Plan, not to exceed the limitation set forth in Section 402(g) (\$22,500 and \$20,500 for the years ended December 31, 2023 and 2022) of the Internal Revenue Code ("IRC"). Participants may make catch-up contributions, which are pre-tax contributions that exceed the annual elective deferral limit, during any calendar year ending on or after the participant's 50th birthday. Participants' total catch-up contributions during both of the years ending December 31, 2023 and 2022 cannot exceed \$7,500 and \$6,500 respectively.

Participants may make ROTH contributions to the Plan in accordance with applicable tax laws and they may also make rollover contributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Highly compensated participants may be required to adjust the amount of their contributions in order to permit the Plan to satisfy the nondiscrimination requirements of Sections 401(k) and 401(m) of the IRC.

The Company adopted safe harbor contribution election and the employer safe harbor matching contribution is 100% of the employee deferrals that do not exceed 3% of the employee compensation plus 50% of the employee deferrals between 3% and 5% of the employee compensation. During the years ended December 31, 2023 and 2022, the Company made employer matching contributions of \$337,589 and \$281,701, respectively. The Plan also allows for the Company to make a discretionary profit-sharing contribution. No discretionary contributions were made in 2023 or 2022.

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of the Company's contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Contributions and allocations are invested in securities held in trust and may be directed at the participant's option to any of the investment alternatives offered through the Plan. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their account balance.

Note Receivable from Participants

Participants may borrow from their fund accounts at a minimum of \$500 up to a maximum amount equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Participants may have only one loan outstanding at any time. The loans are secured by the vested balance in the participant's account and bear interest at the Wall Street Journal monthly prime rate (8.50% and 7.50% at December 31, 2023 and December 31, 2022, respectively) plus one percent. Principal and interest payments are made by means of payroll withholdings according to the terms of the respective promissory note or may be paid in one lump sum. Participant loans outstanding as of December 31, 2023 and 2022 were \$183,940 and \$157,032, respectively, and bore interest at rates ranging from 4.25% to 9.50% and 4.25% to 9.00% during the years ended December 31, 2023 and 2022, respectively.

In-Service Withdrawals

Upon attainment of age of 59½, a participant may withdraw some or all of the vested amounts in his or her account.

Hardship and coronavirus withdrawals from all vested accounts, prior to reaching the age of 59½, are permitted in certain circumstances. A hardship and coronavirus withdrawal shall only be made in the event of a financial need constituting a hardship, as defined in the Plan document and is subject to a \$500 minimum.

Payment of Benefits

Upon termination of employment due to death, retirement, or attainment of age 59 ½, a participant (or his or her designated beneficiary in the event of death) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or to have the account balance distributed in installments.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$2,207 and \$2,132, respectively. These accounts will be used to reduce future employer contributions or plan expenses. Also, during the years ended December 31, 2023 and 2022, there were no forfeiture balances used.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of participant notes receivables and investments are charged directly to the participant accounts and are included in administrative expenses. Fees incurred by the Plan for the investment management or recordkeeping services are included in the net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits, changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Revenue Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Net appreciation (depreciation) in fair value of investments includes realized gains and losses on investments sold during the year, as well as unrealized appreciation (depreciation) of investments held at the end of the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recognized on the accrual basis. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Benefit Payments

Benefits are recorded when paid.

3. Fair Value Measurements

The Financial Account Standards Board ("FASB") Accounting Standards Codification Topic 820 ("ASC 820"), *Fair Value Measurements and Disclosures*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- | | |
|----------------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. |

SAVINGS AND PROFIT SHARING RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

3. Fair Value Measurements, continued

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement and reflect the reporting entity's estimates of the assumptions that market participants would use in pricing the asset or liability, including risk assumptions.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

In determining fair value, the Plan uses the market approach which uses prices and other relevant data based on market transactions involving identical or comparable assets and liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. (Market approach)

Common collective trusts: Valued at the NAV of units of a collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawals from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. (Market approach)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis as of December 31, 2023 and 2022:

	Investments at Fair Value as of December 31, 2023

The fair value amounts presented in this table, are intended to permit reconciliation of the fair value hierarchy to the Statements of Net Assets Available for Benefits.

4. Information Certified by the Trustee (Unaudited)

The Plan administrator has elected the method of annual reporting and compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividend income and interest income on notes receivable from participants for the years then ended was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Trustee of the Plan.

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

5. Tax Status

Under Section 401(a) of the IRC, the Plan is qualified as tax-exempt. The Plan is based on a non-standardized prototype plan. The prototype plan received an opinion letter from the Internal Revenue Service dated July 16, 2014, stating that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is being operated in compliance with applicable requirements of the IRC and accordingly, that the trust maintained in connection with the Plan is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or assets) if it has taken an uncertain position that more likely than not would not be sustained upon examination by IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Risk and Uncertainties

The Plan provides for investments in various investment securities. Investments, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect Participants' account balances and the amounts shown in the accompanying statements of net assets available for benefits and statements of changes in net assets available for benefits.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions and to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, the net assets of the Plan will be allocated among the participants and beneficiaries of the Plan in the order provided for by ERISA.

8. Party-in-Interest Transactions

Certain Plan investments are in accounts managed by the Trustee and the Plan issues notes receivable from participants. As described in Note 2, the Plan paid expenses related to the plan operations and investment activity to various service providers. These transactions qualify as party-in-interest transactions, as defined by ERISA. However, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

8. Subsequent Events

Plan management has evaluated all subsequent events through September 24, 2024 which is the date the financial statements were available to be issued, and noted no significant events to be reported.
