INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Medlink Georgia, Inc. 403(b) Plan
Colbert, GA 30628

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Medlink Georgia, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Medlink Georgia, Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and for the years ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Medlink Georgia, Inc. 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Medlink Georgia, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Medlink Georgia, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Medlink Georgia, Inc. 403(b) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Note 1: Description of the Plan

The following description of Medlink Georgia, Inc. (the “Company” and “Plan”) provides only general information. Participants should refer to the Plan Document, Adoption Agreement, and Summary Plan Description for a more complete description of the Plan’s provisions, which are available from the plan administrator.

General

The Plan is a defined contribution 403(b) Plan covering all permanent, full-time employees of the Company. Employees are eligible to participate upon their date of hire. The Plan provides deferred compensation benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan includes an “Automatic Deferral” rate schedule starting with an automatic deferral rate of 4% for a new participant (unless the participant elects out of it). As of the beginning of a Plan year, unless the participant opts-out, the Company will withhold from a participant’s compensation each payroll period, the Automatic Deferral percentage that corresponds to the number of Plan year(s) (or partial plan years) to which the participant has been subject to the Automatic Deferral arrangement, including the current Plan year.

The Plan excludes those who become Company employees as a result of an asset or stock acquisition, merger, or other similar transaction. These employees will be excluded during the period beginning on the date of the transaction and ending on the last day of the first Plan Year beginning after the date of the transaction. Employees whose contribution would be \$200 or less are also excluded from the Deferral portion of the Plan.

The Plan’s trustee and custodian is Empower Retirement Services. The Plan’s record keeper and third-party administrator is ERISA Services, Inc.

Contributions

Each year, participants may elect to defer up to 100% of their annual compensation or the amount allowed and adjusted annually by the Secretary of the Treasury, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified plans. The Company will make matching contributions during the year equal to 50% of the first 8% of deferral contributions (excluding catch-up contributions). Participants are eligible to receive company matching contributions after completing 90 days of service. The maximum amount of company matching contributions for each participant will not exceed \$3,600 during the Plan year.

Participant Investment Account Options

Investment account options include various types of investment securities offered by the Plan. Each participant has the option of directing his or her contributions into any of these investment securities and may change their allocations daily.

Participant Accounts

Each participant’s account is credited with the participant’s deferral contribution and allocations of the Company’s matching contribution, the Plan’s investment earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Note 1: Description of the Plan (continued)

Vesting

Participants are immediately 100% vested in their salary deferral contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. The non-vested balance is forfeited upon termination of service. A participant is vested in the Company's matching contributions as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	25%
2	50%
3	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. No loan in an amount less than \$1,000 will be granted to any participant. Loans can be made for a period not to exceed five years unless for the purpose of purchasing a primary residence. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Loan fund. Loans from this Plan may be used for any purpose. A participant can have only one outstanding loan at a time. The loan shall bear a commercially reasonable rate of interest commensurate with the prevailing interest rate charged on similar loans under like circumstances by persons in the business of lending money. The interest rate shall remain fixed or variable throughout the duration of the loan based on the type of loan applied for by the participant. Participants will be deemed to have defaulted on their loans if they fail to remit payments in a timely manner as required under the Promissory Note, breach any of their obligations or duties under the Promissory Note, or terminate employment. Principal and interest is paid through payroll deductions.

Payment of Benefits

Hardship withdrawals may be requested for medical expenses, purchase of a principal residence, prevention of eviction from or foreclosure on a principal residence, pay for post-secondary education, payments for burial or funeral expenses, pay expenses for the repair or damage to a principal residence, or any other immediate and heavy financial need as determined based on Internal Revenue Service regulations.

Starting in the calendar year in which a participant reaches the age of 72, an election may be made to receive distributions calculated in the same manner as Minimum Required Distributions.

There are withdrawals available for those serving in the Military who have or been called to active service in the Military Reserves as listed in the Summary Plan Description.

Upon termination of service due to death, disability, or retirement, a participant is entitled to 100% of his account balance. Benefits will be paid either in one lump-sum or installment payments. For termination of service due to other reasons, a participant is entitled to the value of his vested account balance.

Note 1: Description of the Plan (continued)

Forfeited Accounts

Forfeitures consist of unvested Company contributions in participants' accounts at the conclusion of their participation in the Plan. Forfeitures are held in the Plan and are used to reduce future Company matching contributions. At December 31, 2023 and 2022, there were \$0 and \$83 in forfeited non-vested accounts, respectively. During 2023 and 2022, Company matching contributions were reduced by \$25,861 and \$2,365, respectively, from forfeited non-vested accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investments Valuation and Income Recognition

Investments are reported at fair value. Quoted market prices, if available, are used to value investments. Shares of mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefit payments to participants are recorded when paid.

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Empower Trust Company.

	<u>2023</u>	<u>2022</u>
Investments, at fair value:		
Mutual Funds	\$ 10,942,209	\$ 7,389,219
Fixed Annuity	<u>410,202</u>	<u>579,578</u>
Total Investments, at fair value	11,352,411	7,968,797
Participant Loans	<u>230,482</u>	<u>188,148</u>
	<u>\$ 11,582,893</u>	<u>\$ 8,156,945</u>

Note 4: Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets

Medlink Georgia, Inc. 403(b) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Note 4: Fair Value of Plan Assets (continued)

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets

Level 3 Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 10,942,209	\$ -0-	\$ -0-	\$ 10,942,209
Fixed Annuities	-0-	410,202	-0-	410,202
Total	\$ 10,942,209	\$ 410,202	\$ -0-	\$ 11,352,411

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 7,389,219	\$ -0-	\$ -0-	\$ 7,389,219
Fixed Annuities	-0-	579,578	-0-	579,578
Total	\$ 7,389,219	\$ 579,578	\$ -0-	\$ 7,968,797

In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amount presented in this table is intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for plan benefits.:

The Plan's investments (including gains and losses on investments purchased and sold, as well as held during the year) appreciated (depreciated) in value by \$1,286,954 and \$(2,144,457) during the years ended December 31, 2023 and 2022, respectively.

The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Medlink Georgia, Inc. 403(b) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Note 4: Fair Value of Plan Assets (continued)

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases, where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Note 5: Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Participant loans are loans made to employees/participants of the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Direct expenses paid to service providers during the years ended December 31, 2023 and 2022 were \$69,405 and \$83,555, respectively. Indirect expenses paid to service providers during the years ended December 31, 2023 and 2022 were approximately \$35,498 and \$28,300 respectively.

The Plan parties-in-interest included ERISA Servies who acted as the third-party administrator and Empower Retirement, who acted as plan record keeper and who provided investment advisory services during the years ended December 31, 2023 and 2022.

The Company provides certain administrative services at no cost to the Plan.

Note 6: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for plan benefits.

Note 7: Tax Status

The Plan operates under a 403(b) Volume Submitter Prototype Plan sponsored by ERISA Services, Inc. The Plan is designed to qualify under Section 403(b) of the Internal Revenue Code. The terms of the plan have been prepared to conform with the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). The Plan was amended and restated effective January 1, 2021 whereas the Plan is utilizing the IRS determination letter dated May 1, 2018 presented to Ascensus, LLC for their Volume Submitter Prototype
