INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Intellectt Inc. 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Intellectt Inc. 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Intellectt Inc. 401(K) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).
Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022 stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's

Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Intellectt Inc. 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Intellectt Inc. 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Intellectt Inc. 401(K) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Intellectt Inc. 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at end of year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information

prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Intellectt Inc. 401k Plan (the "Plan") provides only general information. Intellectt Inc. (the "Company") is the plan sponsor. All employees of the Company are eligible to participate in the Plan. Participants should refer to the Plan agreement and Summary Plan Description for a more complete description of the Plan's provisions.

1. General

On January 1, 2021, the Company established the Intellectt Inc. 401k Plan (hereinafter referred to as "Plan") to provide eligible employees with a means of deferring current compensation from income tax. Intellectt Inc 401k Plan is a profit sharing non-standardized Plan for all employees of the Company who are at least twenty-one years of age. The employees shall be eligible to participate following the completion of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In response to the COVID-19 pandemic ("COVID-19"), the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act effective April 3, 2020 that was signed into law on March 27, 2020. The CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to $100,000 from the Plan beginning on or after January 1, 2021 and before December 31, 2022.

2. Contributions

Within each calendar year, participants may voluntarily elect to contribute up to the annual dollar limit, as defined in the Plan ("Salary Deferral"). The Participant's Salary Deferral is subject to annual dollar limits published by the Internal Revenue Service of $20,500 and $19,500 for years ended 2022 and 2021, respectively. The catch-up contribution limit for participants age 50 or older is $6,500 and $6,500 for years ended 2022 and 2021. The Plan does not allow for the Company to make any matching contributions. The Plan does not permit the Company to make annual discretionary matching contributions designated as Qualified Matching Contribution. Participants are also permitted to make rollover contributions ("Rollover Account Balance") to the Plan of distributions from certain other tax-qualified retirement plans in which the Participant has participated. The plan accepts Roth Elective Deferrals as direct and indirect rollovers.

3. *Participant Accounts*

Separate accounts are maintained for each participant's contributions and earnings thereon. The participant may direct that the account be invested in one or more funds, as permitted by the Plan. Allocations are based on individual participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. *Vesting*

Upon termination of employment, a participant is entitled to 100% of the value of his / her Salary Deferral account balance and Rollover Account balance and qualifying rollover distribution.

5. *Forfeitures*

Forfeitures resulting from application of the vesting provisions, are maintained separately by the Plan. Effective for Plan Years beginning after the Plan Year in which this Plan document was adopted, forfeitures can be used to reduce employer contributions or pay Plan expenses. In the event of the Plan termination, any unused forfeiture balances will be allocated to participant accounts. During 2022 the forfeiture of non-vested accounts was $ Nil.

6. *Payment of Benefits*

Prior to the age of 59-1/2, distributions and withdrawal will be subject to 10% federal tax penalty, except where excluded pursuant to Internal Revenue Code. After attaining age 59-1/2, 100 percent of the participant's account may be withdrawn for any reason. Upon termination of employment for any reason, a participant's vested account balance will be distributed to the participant, or designated beneficiary, at his or her option or left in the plan.

7. *Loans to Participants*

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance, further reduced by any loan balance at any time during the prior twelve months. The loans are secured by the vested balance in the participant's account and bear interest at a rate determined by the Plan Administrator, based on prevailing commercial rates. Loan terms range from one to five years and are secured by the balance in the participant's account. However, if the loan is used to purchase a principal residence, the loan can be repaid over a period of not more than 10 years.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

1. ***Basis of Accounting***

   The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America as applied to profit sharing plans and in accordance with the terms of the trust agreement.

2. ***Use of Estimates in Financial Statements***

   The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions in determining the reported amounts of net assets and disclosure of contingent assets and liabilities, as of the date of the financial statements, and reported amounts of additions to the net assets and deductions from the net assets during the reporting period. Actual results may differ significantly from those estimates.

3. ***Investment Valuation and Income Recognition***

   The Plan adopted Financial Accounting Standards Board ASC 820, Fair Value Measurement ("FASB ASC 820"). FASB ASC 820 defines fair value. Establishes a framework for measuring fair value in accordance with generally accepted accounting principles and expands disclosure about fair value measurement. Refer to Note C- Fair Value Measurement for related disclosure.

   Participant loans are valued at cost, which approximates fair value.

   The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Participant loans are valued at their outstanding balances, which approximate fair value.

   Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date and interest income is accrued as earned.

4. ***Payment of Benefits***

   Benefits are recorded when paid.

5. ***Administrative Expenses***

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Investment management and recordkeeping service fees are borne by the Plan. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related fees are included in the net appreciation or depreciation of the fair market value of the investments.

6. Notes Receivable from Participants

Loans from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022.

7. Gains and Losses

The realized gain or loss on the sale of an investment is the difference between the proceeds received and the average cost of the investment sold. Unrealized appreciation or depreciation in the aggregate fair value of investments represents the changes in the difference between the fair value and cost of investment.

Realized gains and losses are computed on a current value basis for Form 5500. This difference may result in a differing classification between realized and unrealized gains and losses: total gain or loss will be unaffected.

8. Concentration of Credit Risk

Financial instruments that potentially subject the plan to concentrations of credit risk are part of the holdings in Plan's investments. Management believes that the Custodian maintains the Plan's investment with high credit quality institutions and attempts to limit the credit exposure of investments.

NOTE C - FAIR VALUE MEASUREMENT

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. A fair value measurement reflects all of the assumptions that market participants would use in pricing the asset or liability, including assumptions about the risk inherent in a particular valuation technique, the effect of a restriction on

the sale or use of an asset and the risk of nonperformance. The Plan groups its assets measured at fair value into a three-level hierarchy for valuation techniques used to measure financial assets at fair value. This hierarchy is based on whether the valuation inputs are observable or unobservable. These levels are:

• Level 1 – Quoted prices in active markets for identical assets. Level 1 includes mutual funds and corporate stocks, which have amounts invested in mutual funds that are Level 1.

• Level 2 – Observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets. The Plan had no Level 2 investments during 2022.

• Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets. If the Plan were to change its valuation inputs for measuring financial assets at fair value, either due to changes in current market conditions or other factors, it may need to transfer those assets into or out of Level 3 of the hierarchy based on the new inputs used. During the year ended December 31, 2022 and December 31, 2021, there were no transfers of financial assets into or out of Level 3 of the hierarchy. The following section is a description of the valuation techniques and inputs used by the Plan to measure each major class of assets at fair value. During 2022 and 2021, there were no changes to the valuation techniques used by the Plan to measure fair value. There were no unfunded commitments related to these investments for the years ended December 31, 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. (Level 1 input)

Participant loans are valued at the outstanding loan balance.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and December 31, 2021.

December 31, 2022

	Total	**Level 1**	**Level 2**
Mutual Funds	$ 561,240	$ 561,240	$ -
Total	$ 561,240	$ 561,240	$ -

December 31, 2021

	Total	Level 1	Level 2
Mutual Funds	$ 136,940	$ 136,940	$ -
Total	$ 136,940	$ 136,940	$ -

For the year ended December 31, 2022, depreciation in fair value of investments was $56,382.

NOTE D – ROLLOVER CONTRIBUTIONS

There were a total amount of $109,556 rollover contributions during the year ended December 31, 2022.

NOTE E - RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Matrix Trust Company is the custodian of the Plan assets and therefore the transactions managed by Matrix Trust Company qualify as party–in-interest transactions.

The Plan issues loans to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

Fees paid by the Plan for the investment management services amounted to $1,543 for the year ended December 31, 2022.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would be 100 percent vested in their employer contributions.

NOTE G: TAX STATUS

The Plan has received a favorable tax opinion letter dated October 6, 2020, in which the Internal Revenue Service ('IRS") state that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ('IRC'). The Company and the Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the

Code and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America ("GAAP") require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H - INFORMATION CERTIFIED BY THE MATRIX TRUST COMPANY

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and regulations for Reporting and Discloser under ERISA, the Company has accepted the certifications of Matrix Trust Company, the custodian of the Plan as to the accuracy and completeness of the investment information included in the accompanying financial statements and schedule and instructed the Plan's independent accountants not to perform any auditing procedures with respect to such information. Accordingly, the following information was certified by Matrix Trust Company for the year ended December 31, 2022. This information was not subjected to any auditing procedures except for comparing such information with the related information contained in the accompanying financial statements and schedule.

- Market value and number of shares of investments at December 31, 2022 and 2021.
- Interest and dividend income for the year ended December 31, 2022.
- Net appreciation in fair value of investments for the year ended December 31, 2022.
- All information regarding assets held by the Plan at December 31, 2022 is included in the schedule of Assets (Held at End of year).

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE J – DELINQUENT CONTRIBUTIONS

As disclosed in the accompanying supplemental schedule, certain employee deferrals were not remitted to the Plan within the timeframe required by the Department of Labor. The Company remitted any related lost earnings to the affected participants into the Intellectt Inc. 401k Plan.

Interest of $1,186 has been accrued on the delayed deposit for the year ended December 31, 2022.

NOTE K- RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	December 31, 2022	December 31, 2021
Net assets available for benefits per the financial statements	$ 554,394	$ 118,352
Add: Corrective distributions	14,888	18,866
Less: Contribution receivable	6,549	240
Less: Interest accrued	1,224	38
Net assets available for benefits per Schedule H to the Form 5500	$ 561,509	$136,940

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2022, to Schedule H of Form 5500:

Benefits paid to participants per the financial statements	$ 70,126
Less: Corrective distributions allocated not yet paid at December 31, 2022	14,888
Add: Corrective distributions paid for 2021 during the year ended December 31, 2022	18,866
Benefits paid to participants per Schedule H of the Form 5500	$ 74,104

Amounts allocated to withdrawing participants are recorded on Schedule H of Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, 2022.

The following is a reconciliation of contributions for the year ended December 31, 2022:

Participant contributions as per financials	$ 443,922
Add: Contributions of 2021 received in 2022	240
Less: Contributions of 2022 received in 2023	6,549
Participant contributions as per Form 5500	$ 437,613

NOTE L – FIDELITY BOND

The Plan is adequately covered by a fidelity bond as required by ERISA.

NOTE M - EXCESS CONTRIBUTION

The Plan is subjected to nondiscrimination testing by the Plan Administrator. During the year, Plan failed tests for Excess Contribution. Authorization for corrective action was given by the Plan Sponsor and the Plan Administrator did the necessary correction for an amount of $14,888 for the year ended December 31, 2022.

NOTE N: SUBSEQUENT EVENTS

The Company has evaluated subsequent events through September 16, 2024, the date which the financial statements were available to be issued. The Plan is delinquent in filing Form 5500 for the year ended December 31, 2022.

No reportable subsequent events have occurred through September 16, 2024, which would have a significant effect on the financial statements as of December 31, 2022, except as otherwise disclosed.
