Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **ELLINGSON & ELLINGSON**

(2) EIN: **41-1399624**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?	☒		16487
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.		☒	

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Independent Auditor's Report

To the Participants and Administrator of the
Bluestem 401(K) Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Bluestem Brands 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Bluestem Brands 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bluestem Brands 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bluestem Brands 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bluestem Brands 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bluestem Brands 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. DESCRIPTION OF THE PLAN

The following description of the Bluestem 401(k) Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established on January 1, 2006, for eligible employees of BLST Operating Company, LLC and its subsidiaries and affiliates (the “Company” or “Plan Administrator”).

Eligibility

Employees covered by a collective bargaining agreement are not eligible for participation. An employee is eligible to participate in the Plan provided the employee is age 21 or older. Participants with an employee status of “regular” are able to participate immediately, participants with an employee status of “temporary” are eligible once they have completed more than 1,000 hours worked. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Recordkeeper and Custodian

The Plan assets are in the custody of Fidelity Management Trust Company (“Fidelity”). Fidelity is the recordkeeper, custodian and trustee of the Plan.

Participant Accounts

The Trustee maintains a separate account in the name of each participant in the Plan. Each participant’s account is credited with their contribution, the Company’s matching contribution, and the earnings and losses thereon.

Contributions

Each year, participants may contribute a percentage of eligible earnings, as defined by the Plan. Participants can contribute up to 75% of eligible earnings. The Plan allows for participant pretax and/or Roth contributions of up to the Internal Revenue Service (the “IRS”) contribution limit of \$22,500 for 2023 and \$20,500 for 2022. Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions of up to \$7,500 for 2023 and \$6,500 for 2022. Participants may also contribute amounts representing distributions from other qualified retirement plans.

The Company provides Safe Harbor matching contributions in an amount equal to 100% of the first three percent of an employee’s eligible compensation, and 50% of the next two percent of eligible compensation, contributed to the Plan as Deferral Contributions. The total maximum Company matching contributions were \$13,200 for 2023 and \$12,200 in 2022. The Company may make discretionary non-elective contributions in an amount to be determined by the Board of Directors.

Vesting

Effective January 1, 2012, participants are immediately vested in their contributions and earnings made after December 31, 2011.

Forfeitures

Forfeited non-vested accounts are used at the Plan Administrator’s election to pay administrative expenses of the Plan, reduce employer contributions, or make additional matching contributions to active participants’ accounts. Forfeited employer contributions are restored for participants who have left the Company and are rehired within five years of the participant termination date. The balance of forfeited non-vested accounts at December 31, 2023 and 2022 were \$115,554 and \$109,552, respectively. Forfeitures of non-vested amounts of \$21,792 and \$12,880 were used to pay Plan expenses during 2023 and 2022, respectively.

Revenue Credit Account

The Plan holds assets in a revenue credit account which receives deposits as a result of a revenue sharing agreement with Fidelity. During 2023 and 2022, deposits to the account totaled \$40,250 and \$3,425, respectively. Funds in the account are used to pay ERISA-qualified expenses and/or allocated to participant accounts. No funds from revenue credits were used to pay Plan expenses during 2023 and 2022, respectively. Unallocated assets were \$50,440 and \$7,545 at December 31, 2023 and 2022, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance and may have only one outstanding loan at any given time. Loan terms range from one to five years or up to 10 years for the purchase of a primary residence. All loans are secured by the balance in the participant’s account. Loans bear interest at a fixed rate commensurate with local prevailing rates as determined by the Company as of the loan origination date.

BLUESTEM 401(k)
Notes to Financial Statements

Principal and interest are paid ratably through bi-weekly payroll deductions. As of December 31, 2023, notes receivable from participants were due at various dates through 2033, with interest rates ranging from 4.25% to 10.50%.

Notes receivable from participants are valued at their outstanding balances. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Participants currently employed, who have attained the age of 59 ½, may request a partial or total withdrawal of their fully vested accounts by giving notice to the Plan Administrator. Participants may also make hardship withdrawals from their contributions account if they incur immediate and severe financial needs that cannot be met through other available sources in the Plan, including available loan provisions. The amount of the hardship withdrawal cannot exceed the amount of financial need.

Upon termination, retirement or incurring total disability, participants may receive distribution of their account in a lump sum payment or partial withdrawals, with the exception that account balances less than \$1,000 are distributed in a lump sum payment.

Plan Expenses

The Plan allows for recordkeeping fees, legal fees, trustee's fees, and other reasonable costs of administering the Plan to be paid out of Plan assets.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRC are recorded as a liability with a corresponding reduction to participant and employer contributions. The Plan had \$3,827 of excess contributions as of December 31, 2023 and no excess contributions as of December 31, 2022.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, which is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3, *Fair Value Measurements*, for further information.

Purchases and sales of securities are recorded on a trade-date basis, interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefit payments are recorded upon distribution.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of change in net assets available for benefits during the reporting period. Predicting future events is inherently an imprecise activity and as such requires the use of judgment. Future results could be materially affected if actual results differ from these estimates and assumptions.

Risk and Uncertainties

The Plan provides for investment, at the participant's option, in any combination of mutual funds available under the Plan. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk and uncertainty, it is reasonably possible that changes in the values of the investments will occur in the near term, and such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Subsequent Events

Events that have occurred, subsequent, to December 31, 2023 have been evaluated through September 26, 2024, the date these financial statements were issued.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board's ("FASB") guidance for fair value measurements establishes the authoritative definition of fair value, sets out a framework for measuring fair value and outlines the required disclosures regarding fair value measurements. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The Plan uses a three-tier fair value hierarchy based upon observable and non-observable inputs as follows:

Level 1 - observable inputs such as quoted prices in active markets.

Level 2 - inputs, other than the quoted prices in active markets that are observable either directly or indirectly, including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets in non-active markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by other observable market data; and

Level 3 - unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

Within the fair value hierarchy, the Plan's participant-directed investments in mutual funds, using Level 1 Fair Value Measurement, as of December 31, 2023 and 2022, were \$199.7 million and \$193.9 million, respectively.

The fair value of mutual funds was determined based on the net asset value of shares held by the plan on the last business day of the Plan year. There have been no changes in the methodologies used at December 31, 2023 compared with the prior year.

The valuation methods described could result in fair values that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no transfers of assets between Level 1 and Level 2 or into or out of Level 3 during the fiscal periods ended December 31, 2023 and December 31, 2022.

Realized and unrealized gains and losses included in the changes in net assets available for benefits for the years ended December 31, 2023 and December 31, 2022 are reported as the net appreciation in fair value of investments.

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

5. PARTY-IN-INTEREST TRANSACTIONS

Transactions resulting in plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption applies. Fidelity, as custodian of the Plan, and the Company are defined as parties-in-interest with respect to the Plan. The Plan invests in certain mutual funds managed by Fidelity. These transactions are exempt under Section 408(b) of ERISA and are not considered prohibited transactions.

BLUESTEM 401(k)
Notes to Financial Statements

6. FEDERAL INCOME TAX STATUS

As of September 15, 2009, the Plan adopted Fidelity's plan prototype as its plan agreement. Fidelity received a favorable determination letter from the IRS dated June 30, 2020 indicating that the plan prototype meets the requirements of Section 401 of the Internal Revenue Code and is, therefore, exempt from income taxes. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provisions for income taxes have been made.

U.S. GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the Internal Revenue Service.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. INFORMATION CERTIFIED BY THE TRUSTEE

The Trustees have certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

Net assets available for benefits as of December 31, 2023 and 2022, as they relate to investments held by the Trustee.

Changes in net assets available for benefits for the year ended December 31, 2023, as they relate to investments held by the Trustee.

Assets held for investment purposes as of December 31, 2023.

In accordance with 29 CFR 2520-103-8 of the Department of Labor Rules and Regulations, the plan administrator has elected to instruct the Plan's independent public accountants to exclude such information certified by the Trustees from the scope of the audit.

Independent Auditor's Report

To the Participants and Administrator of the
Bluestem 401(K) Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Bluestem Brands 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Bluestem Brands 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bluestem Brands 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bluestem Brands 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bluestem Brands 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bluestem Brands 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. DESCRIPTION OF THE PLAN

The following description of the Bluestem 401(k) Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established on January 1, 2006, for eligible employees of BLST Operating Company, LLC and its subsidiaries and affiliates (the “Company” or “Plan Administrator”).

Eligibility

Employees covered by a collective bargaining agreement are not eligible for participation. An employee is eligible to participate in the Plan provided the employee is age 21 or older. Participants with an employee status of “regular” are able to participate immediately, participants with an employee status of “temporary” are eligible once they have completed more than 1,000 hours worked. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Recordkeeper and Custodian

The Plan assets are in the custody of Fidelity Management Trust Company (“Fidelity”). Fidelity is the recordkeeper, custodian and trustee of the Plan.

Participant Accounts

The Trustee maintains a separate account in the name of each participant in the Plan. Each participant’s account is credited with their contribution, the Company’s matching contribution, and the earnings and losses thereon.

Contributions

Each year, participants may contribute a percentage of eligible earnings, as defined by the Plan. Participants can contribute up to 75% of eligible earnings. The Plan allows for participant pretax and/or Roth contributions of up to the Internal Revenue Service (the “IRS”) contribution limit of \$22,500 for 2023 and \$20,500 for 2022. Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions of up to \$7,500 for 2023 and \$6,500 for 2022. Participants may also contribute amounts representing distributions from other qualified retirement plans.

The Company provides Safe Harbor matching contributions in an amount equal to 100% of the first three percent of an employee’s eligible compensation, and 50% of the next two percent of eligible compensation, contributed to the Plan as Deferral Contributions. The total maximum Company matching contributions were \$13,200 for 2023 and \$12,200 in 2022. The Company may make discretionary non-elective contributions in an amount to be determined by the Board of Directors.

Vesting

Effective January 1, 2012, participants are immediately vested in their contributions and earnings made after December 31, 2011.

Forfeitures

Forfeited non-vested accounts are used at the Plan Administrator’s election to pay administrative expenses of the Plan, reduce employer contributions, or make additional matching contributions to active participants’ accounts. Forfeited employer contributions are restored for participants who have left the Company and are rehired within five years of the participant termination date. The balance of forfeited non-vested accounts at December 31, 2023 and 2022 were \$115,554 and \$109,552, respectively. Forfeitures of non-vested amounts of \$21,792 and \$12,880 were used to pay Plan expenses during 2023 and 2022, respectively.

Revenue Credit Account

The Plan holds assets in a revenue credit account which receives deposits as a result of a revenue sharing agreement with Fidelity. During 2023 and 2022, deposits to the account totaled \$40,250 and \$3,425, respectively. Funds in the account are used to pay ERISA-qualified expenses and/or allocated to participant accounts. No funds from revenue credits were used to pay Plan expenses during 2023 and 2022, respectively. Unallocated assets were \$50,440 and \$7,545 at December 31, 2023 and 2022, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance and may have only one outstanding loan at any given time. Loan terms range from one to five years or up to 10 years for the purchase of a primary residence. All loans are secured by the balance in the participant’s account. Loans bear interest at a fixed rate commensurate with local prevailing rates as determined by the Company as of the loan origination date.

BLUESTEM 401(k)
Notes to Financial Statements

Principal and interest are paid ratably through bi-weekly payroll deductions. As of December 31, 2023, notes receivable from participants were due at various dates through 2033, with interest rates ranging from 4.25% to 10.50%.

Notes receivable from participants are valued at their outstanding balances. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Participants currently employed, who have attained the age of 59 ½, may request a partial or total withdrawal of their fully vested accounts by giving notice to the Plan Administrator. Participants may also make hardship withdrawals from their contributions account if they incur immediate and severe financial needs that cannot be met through other available sources in the Plan, including available loan provisions. The amount of the hardship withdrawal cannot exceed the amount of financial need.

Upon termination, retirement or incurring total disability, participants may receive distribution of their account in a lump sum payment or partial withdrawals, with the exception that account balances less than \$1,000 are distributed in a lump sum payment.

Plan Expenses

The Plan allows for recordkeeping fees, legal fees, trustee's fees, and other reasonable costs of administering the Plan to be paid out of Plan assets.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRC are recorded as a liability with a corresponding reduction to participant and employer contributions. The Plan had \$3,827 of excess contributions as of December 31, 2023 and no excess contributions as of December 31, 2022.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, which is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3, *Fair Value Measurements*, for further information.

Purchases and sales of securities are recorded on a trade-date basis, interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefit payments are recorded upon distribution.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of change in net assets available for benefits during the reporting period. Predicting future events is inherently an imprecise activity and as such requires the use of judgment. Future results could be materially affected if actual results differ from these estimates and assumptions.

Risk and Uncertainties

The Plan provides for investment, at the participant's option, in any combination of mutual funds available under the Plan. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk and uncertainty, it is reasonably possible that changes in the values of the investments will occur in the near term, and such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Subsequent Events

Events that have occurred, subsequent, to December 31, 2023 have been evaluated through September 26, 2024, the date these financial statements were issued.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board's ("FASB") guidance for fair value measurements establishes the authoritative definition of fair value, sets out a framework for measuring fair value and outlines the required disclosures regarding fair value measurements. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The Plan uses a three-tier fair value hierarchy based upon observable and non-observable inputs as follows:

Level 1 - observable inputs such as quoted prices in active markets.

Level 2 - inputs, other than the quoted prices in active markets that are observable either directly or indirectly, including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets in non-active markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by other observable market data; and

Level 3 - unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

Within the fair value hierarchy, the Plan's participant-directed investments in mutual funds, using Level 1 Fair Value Measurement, as of December 31, 2023 and 2022, were \$199.7 million and \$193.9 million, respectively.

The fair value of mutual funds was determined based on the net asset value of shares held by the plan on the last business day of the Plan year. There have been no changes in the methodologies used at December 31, 2023 compared with the prior year.

The valuation methods described could result in fair values that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no transfers of assets between Level 1 and Level 2 or into or out of Level 3 during the fiscal periods ended December 31, 2023 and December 31, 2022.

Realized and unrealized gains and losses included in the changes in net assets available for benefits for the years ended December 31, 2023 and December 31, 2022 are reported as the net appreciation in fair value of investments.

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

5. PARTY-IN-INTEREST TRANSACTIONS

Transactions resulting in plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption applies. Fidelity, as custodian of the Plan, and the Company are defined as parties-in-interest with respect to the Plan. The Plan invests in certain mutual funds managed by Fidelity. These transactions are exempt under Section 408(b) of ERISA and are not considered prohibited transactions.

BLUESTEM 401(k)
Notes to Financial Statements

6. FEDERAL INCOME TAX STATUS

As of September 15, 2009, the Plan adopted Fidelity's plan prototype as its plan agreement. Fidelity received a favorable determination letter from the IRS dated June 30, 2020 indicating that the plan prototype meets the requirements of Section 401 of the Internal Revenue Code and is, therefore, exempt from income taxes. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provisions for income taxes have been made.

U.S. GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the Internal Revenue Service.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. INFORMATION CERTIFIED BY THE TRUSTEE

The Trustees have certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

Net assets available for benefits as of December 31, 2023 and 2022, as they relate to investments held by the Trustee.

Changes in net assets available for benefits for the year ended December 31, 2023, as they relate to investments held by the Trustee.

Assets held for investment purposes as of December 31, 2023.

In accordance with 29 CFR 2520-103-8 of the Department of Labor Rules and Regulations, the plan administrator has elected to instruct the Plan's independent public accountants to exclude such information certified by the Trustees from the scope of the audit.
