(2) EIN: **83-0414789**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒

Other schedules required by section 2520.103-10 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA have been omitted because they are not applicable.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the Berrodin Co. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Berrodin Co. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 (in liquidation), the related statement of changes in net assets available for benefits for the year ended December 31, 2023 (in liquidation), the statement of net assets available for benefits as of December 31, 2022 (ongoing), and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 (ongoing), and the related notes to the financial statements.

Plan management, having determined it is permissible in the circumstances, has elected to have the audits of the Berrodin Co. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Plan management has obtained certifications from qualified institutions as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that Plan management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Berrodin Co. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Plan Termination and Liquidation Basis of Accounting

As discussed in Notes 1, 2, 6, and 8 to the financial statements, Berrodin Co. terminated the Berrodin Co. 401(k) Plan effective November 22, 2023, and Plan management determined liquidation is imminent. As a result, the Berrodin Co. 401(k) Plan changed its basis of accounting from the going concern basis used in presenting the financial statements as of and for the year ended December 31, 2022, to the liquidation basis used in presenting

the financial statements as of and for the year ended December 31, 2023. Our opinion is not modified with respect to that matter.

Responsibilities of Plan Management for the Financial Statements

Plan management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Plan management's election of the ERISA Section 103(a)(3)(C) audit does not affect Plan management's responsibility for the financial statements.

Plan management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Berrodin Co. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by Plan management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of Plan management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that Plan management determined meet the requirements of ERISA Section 103(a)(3)(C).

Berrodin Co. 401(k) Plan
Notes to Financial Statements
As of and for the Years Ended December 31, 2023 (In Liquidation) and 2022 (Ongoing)

1. Description of Plan

The following description of the Berrodin Co. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan, established as of October 1, 2008, is sponsored by Berrodin Co. (the “Company”). The Plan is a defined contribution plan that covered certain employees of the Company who were at least twenty-one years old and had completed one year of service. Union, non-resident aliens, independent contractors, and leased employees who completed less than 1,000 hours in a twelve-month period were ineligible to participate in the Plan. For purposes of salary deferrals and safe harbor matching contributions, eligible participants could enter the Plan January 1st or July 1st. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective April 7, 2023, the Plan changed service providers from Newport Trust Company, LLC, former trustee of the Plan, to Empower Trust Company, LLC, trustee of the Plan. This change in service providers initiated a “Black Out” period beginning March 28, 2023 and continued through May 2, 2023. During this period, participants’ plan accounts were not available for investment fund exchanges and distribution requests. During the Black Out period, funds were transferred to the new service provider and were invested into investment options selected by the Plan administrator that had similar investment approaches and objectives to the options that were previously available.

During 2023, Berrodin Co. was acquired by Fisher Auto Parts with operations of the Company ceasing primarily as of September 30, 2023. As a result of the acquisition, the Plan was amended to terminate the Plan effective November 22, 2023, the “Plan termination date” (see Notes 2, 6, and 8). As part of the termination, all participants became fully vested in their account balances, and no further contributions to the Plan were made after October 2023. Participants with participant loans (notes receivable from participants) at the termination date had until March 14, 2024 to make arrangement to pay off the outstanding balance of their loan or have it transferred to the Fisher Auto Parts 401(k) Plan. Participants who had not withdrawn or rolled over their account balances had their account balances rolled out of the Plan into an individual retirement account. During March 2024, all assets of the Plan were distributed in accordance with the termination provisions of the Plan.

Contributions

Prior to the Plan termination date, participants could make before-tax contributions, as defined by the Plan. Effective April 7, 2023, participants could designate their deferral contributions as Roth contributions (see Note 8). Elective deferrals were limited to the maximum amount allowable under the Internal Revenue Code (“IRC”). In addition, participants who had attained age 50 before the close of the Plan year were eligible to make “catch-up” contributions, up to the amount allowable under the IRC. The Company made safe harbor matching contributions. For the years ended December 31, 2023 and 2022, the Company made a safe harbor matching contribution equal to 100% (dollar-for-dollar) on the first 3% of eligible participant salary deferrals and an additional 50% on the next 2% of eligible participant salary deferrals.

The Company could also make discretionary matching contributions as defined in the Plan document. No discretionary matching contributions were made for the years ended December 31, 2023 and 2022.

The Company, at its sole discretion, could also make profit sharing contributions. Participants had to be employed at the end of the Plan year to share in the allocation of profit sharing contributions. Generally, participants not employed at the end of the Plan year could also share in the allocation of profit sharing contributions if, during the Plan year, the participant retired, became permanently and totally disabled, or died. No profit sharing contributions were declared for the years ended December 31, 2023 and 2022.

Contributions were subject to certain limitations prescribed by the IRC. Participants, with the consent of the Plan administrator, could also make rollover contributions to the Plan.

Notes to Financial Statements
As of and for the Years Ended December 31, 2023 (In Liquidation) and 2022 (Ongoing)

Participant Accounts

Each participant's account was credited with the participant's contributions, safe harbor matching contributions, discretionary matching contributions, if any, and allocations of profit sharing contributions, if any, and Plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings or account balances, or specific participant transactions (such as loan administration fees), as defined in the Plan document. The benefit to which a participant is entitled was the benefit that was provided from the participant's vested account.

Vesting

Participants were immediately vested in their salary deferrals, rollover contributions and safe harbor matching contributions plus actual earnings thereon.

The Company, effective November 22, 2023, terminated the Plan (see notes 2, 6, and 8). As a result of the termination, all participants who were not already fully vested became fully vested in any balances which they were not previously vested.

Prior to Plan termination, participants were vested in discretionary matching and profit sharing contributions based on their years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	100%

A year of service for vesting purposes was 1,000 hours of service. A participant was also 100% vested in their discretionary matching or profit sharing contribution if, during the Plan year, the participant retired, became permanently and totally disabled, or died.

Forfeited Accounts

The forfeited, nonvested portion of the employer discretionary matching or profit sharing contributions may be allocated to participants or used to reinstate any previously forfeited balances of participants. Forfeitures may also be used to pay administrative expenses of the Plan. The remaining forfeitures shall then be used to reduce future Company contributions. There were \$2 and \$332 of forfeited nonvested accounts as of December 31, 2023 and 2022, respectively. During the years ended December 31, 2023 and 2022, \$2,019 and \$0 were used to pay administrative expenses, respectively.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant could elect to receive the value of the vested interest in his or her account as a lump sum distribution, partial withdrawals, or installments, but only with respect to minimum required distributions, as defined in the Plan document. In circumstances when a terminated participant had a vested account balance less than \$5,000, the participant's vested account balance was to be distributed in a lump sum. In the event of a mandatory distribution greater than \$1, if the participant did not elect to have such distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly, then the Plan administrator was to pay the distribution in a direct rollover to an individual retirement account designated by the Plan administrator. In-service and hardship distributions were also permitted from participant accounts, based on the terms of the Plan document.

Notes Receivable from Participants

Prior to the Plan termination, participants were able to borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Except for loans to acquire a principal residence, the term of the loan could not exceed five years. Payments of principal and interest were

Berrodin Co. 401(k) Plan
Notes to Financial Statements
As of and for the Years Ended December 31, 2023 (In Liquidation) and 2022 (Ongoing)

required on at least a quarterly basis and were generally made through payroll deductions. The loans were collateralized by the balance in the participant's account and bear interest at the prime rate plus 2% on the date of the loan. Prior to April 7, 2023, participants could have up to two loans outstanding. Effective April 7, 2023, participants could have only one loan outstanding (see Note 8).

Life Insurance Contracts

Participants had the right to request that a portion of their account be used to pay the premium of a life insurance contract on his/her life. The premiums on these contracts are charged to the respective participant's account and the value of the life insurance contracts is excluded from the Plan's assets as they are considered allocated contracts for financial reporting purposes. While no new life insurance policies may be purchased by participants, existing life insurance policies previously purchased may continue in the Plan with the respective participant's account being reduced by the amount of any premiums. During the years ended December 31, 2023, and 2022, \$0 and \$78,188 was deposited into the Plan, respectively, from the life insurance policies related to certain plan participants electing to obtain the cash surrender value of their respective life insurance policy. As of December 31, 2023, the cash surrender value of life insurance associated with the existing life insurance contracts was approximately \$377,000.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Accounting

Effective November 22, 2023, the Company elected to terminate the Plan (see Notes 1, 6, and 8), and the Plan administrator determined liquidation was imminent. Accordingly, the accompanying statement of net assets available for benefits as of December 31, 2023, and the statement of changes in net assets available for benefits for the year ended December 31, 2023, are prepared on the liquidation basis of accounting and the statement of net assets available for benefits as of December 31, 2022, and the statement of changes in net assets available for benefits for the year ended December 31, 2022, are prepared on the accrual basis of accounting.

Adjustment to the Liquidation Basis

The Plan adopted the liquidation basis of accounting for the financial statements as of and for the year ended December 31, 2023 and thereafter. Under the liquidation basis of accounting, an entity accrues costs and income that it expects to incur or earn through the end of its liquidation if and when it has a reasonable basis for the estimation. Adjustment to the liquidation basis can include estimated payments to participants upon liquidation, fees that will be incurred, interest expected to be earned on interest-bearing investments held as of the statement of net assets date as a result of the Plan's termination, as well as estimated legal and audit fees. As of December 31, 2023, the Plan did not believe it has a reasonable basis to accrue costs, income or estimated payments to participants upon liquidation and no such adjustments were recorded in connection with the Plan's adoption of the liquidation basis of accounting during the year ended December 31, 2023.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The trustee of the Plan determines the Plan's valuation policies utilizing information provided by custodians and investment advisors. See Note 4 for discussion of fair value measurements.

Berrodin Co. 401(k) Plan
Notes to Financial Statements
As of and for the Years Ended December 31, 2023 (In Liquidation) and 2022 (Ongoing)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants (participant loans for Form 5500 reporting purposes) are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Contributions

Contributions from Plan participants and the related safe harbor matching contributions and discretionary matching contributions, if any, from the Company are recorded in the year in which the employee contributions are withheld from compensation. Profit sharing contributions from the Company, if any, are recorded in the year earned.

Investment Fees

Certain investment returns reflect certain fees paid by the funds to their affiliated investment advisors, transfer agents, and others as further described in each fund prospectus or other published source. These fees are deducted prior to allocation of the Plans' investment earnings activity and thus not separately identifiable as an expense.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

All reasonable administrative expenses, including trustee and third-party administration fees necessary to operate and administer the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses of maintaining the Plan that are paid directly by the Company are excluded from these financial statements. A participant's account may be charged for expenses associated with a specific optional feature elected by that participant including loan, distribution and other administrative fees, and are included in administrative expenses. Certain investment related expenses are included in the net appreciation (depreciation) in fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities in general are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

3. Information Certified by Qualified Institutions

The Plan administrator having determined that it is permissible in the circumstances elected to have the audits of the Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information included in the accompanying financial statements and ERISA-required supplemental schedule of assets (held at end of year) was obtained or derived from information obtained by the Plan administrator and certified as complete and accurate by Empower Trust Company, LLC, Empower Annuity Insurance Company of America, and Newport Trust Company, LLC, qualified institutions, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Empower Trust Company, LLC, the trustee of the Plan, and Empower Annuity Insurance Company of America, an insurance company, held the Plan's investment assets and executed investment transactions as of December 31, 2023 and for the period from April 11, 2023 to December 31, 2023. - Investment activity, including net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023 (in liquidation), as follows:

Net appreciation (depreciation) in fair value of investments	\$	700,695
Interest and dividends		32,682
Interest income on notes receivable from participants		2,156
- Investment activity, including net appreciation (depreciation) in fair value of investments, interest and dividends, other income, and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022 (ongoing).

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Berrodin Co. 401(k) Plan
Notes to Financial Statements
As of and for the Years Ended December 31, 2023 (In Liquidation) and 2022 (Ongoing)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2023 or 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trust: Valued at the net asset value or equivalent based on units of the collective investment trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the collective investment trust less its liabilities. This practical expedient is not used when it is determined to be probable that the collective investment trust will sell the investment for an amount different than the reported NAV.

Pooled separate account: Valued at the net asset value or equivalent based on units of the pooled separate account. The NAV, as provided by the insurance company, is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV.

The methods described previously may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31, 2023:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments, at fair value:				
Mutual funds	\$ 7,921,197	\$ 7,921,197	\$ -	\$ -

Berrodin Co. 401(k) Plan

As of and for the Years Ended December 31, 2023 (In Liquidation) and 2022 (Ongoing)

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31, 2022:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments, at fair value:				
Mutual funds	\$ 13,606,477	\$ 13,606,477	\$ -	\$ -
Collective investment trust (*)	2,851,344	-	-	-
Total	<u>\$ 16,457,821</u>	<u>\$ 13,606,477</u>	<u>\$ -</u>	<u>\$ -</u>

*In accordance with fair value measurement guidance, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented as investments in the statements of net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2023 and 2022, there were no transfers between levels 1, 2, or 3.

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share (or its equivalent) as of December 31, 2023 and 2022.

<u>Investment Type</u>	<u>Fair Value</u> <u>December</u> <u>31, 2023</u>	<u>Fair Value</u> <u>December</u> <u>31, 2022</u>	<u>Unfunded</u> <u>Commitments</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice Period</u>
Collective investment trust	\$ 214,481	\$ 2,851,344	\$ -	Daily	Daily
Pooled separate account	993,729	-	-	Daily	Daily

The Plan is applying the practical expedient as of December 31, 2023 and 2022 to its collective investment trust (Great Gray Collective Investment Trust III for MetLife Group Annuity Contract No. 25554, formerly known as Wilmington Trust Retirement and Institutional Services Company Collective Investment Trust III for MetLife Group Annuity Contract No. 25554), which is composed primarily of fully benefit-responsive investment contracts. Participants' ownership of the collective investment trust is represented in units. Participant transactions (purchases and sales) may occur daily.

The investment objective is interest income and the preservation of capital. This investment option provides guaranteed interest rates, which are adjusted quarterly. MetLife guarantees the principal plus accrued interest, based on credited interest rates, for participant-initiated withdrawals as long as the contract remains active. Interest is credited to the contract at interest rates that reflect the performance of the underlying portfolio. MetLife resets the crediting interest rate by amortizing the difference between the market value of the portfolio and the guaranteed value over the weighted average duration of the underlying investments.

Participants will receive the principal and accrued earnings credited to their accounts on withdrawal for allowed events. These events include transfers to other investment options of the Plan, and payments because of retirement, termination of employment, death, disability and in-service withdrawals to the extent allowable by the Plan. The redemption rights in the Great Gray Collective Investment Trust III for MetLife Group Annuity Contract No. 25554 may be restricted and/or subject to a market value adjustment by MetLife in accordance with underlying agreements, including a full redemption of the collective investment trust.

Berrodin Co. 401(k) Plan
Notes to Financial Statements
As of and for the Years Ended December 31, 2023 (In Liquidation) and 2022 (Ongoing)

Subsequent to December 31, 2023, participants invested in the Great Gray Collective Investment Trust III for MetLife Group Annuity Contract No. 25554 who did not make an election to roll their money out of the Plan were subject to a market value adjustment.

The Plan's pooled separate account is invested in a fund designed to mirror the investment strategies of similar registered investment companies (mutual funds), for equity style funds, specifically, large cap growth. Participant transactions (purchases and sales) may occur daily.

5. Tax Status

Effective April 7, 2023 (see Note 8), through the adoption of a Great-West Defined Contribution Pre-Approved Plan, the Plan was amended and restated. The Internal Revenue Service ("IRS") issued an opinion letter dated June 30, 2020, stating that the pre-approved defined contribution plan document was designed in accordance with applicable IRC requirements as of that date. Prior to the April 7, 2023 amendment and restatement of the Plan, the Plan had adopted a Newport Group, Inc. Non-Standardized Defined Contribution Pre-Approved Plan. The IRS issued an opinion letter, dated June 30, 2020, stating that the pre-approved defined contribution plan document as then designed was in accordance with applicable IRC requirements as of that date. Although the Plan has been amended since receiving the opinion letters, management of the Plan believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan, as amended, is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

6. Plan Termination

The Company had the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100 percent vested in their discretionary matching and profit sharing contributions. The Plan sponsor, effective November 22, 2023, terminated the Plan (see Notes 1, 2, and 8). As a result of the termination, all participants became fully vested in any balances which they were not previously vested.

7. Related-Party and Party-In-Interest Transactions

The Plan could issue loans to participants, which were secured by the balances in the participants' accounts. All other transactions which may be considered parties-in-interest transactions relate to normal Plan management and administrative service, and the related payment of fees. Certain fees of the Plan were also paid by Plan participants. These related transactions qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules of ERISA.

8. Plan Amendments

Effective January 1, 2022, the Plan was amended and restated by adopting a non-standardized defined contribution pre-approved plan in order to make general administrative changes, including incorporating past amendments and adopting required amendments pursuant to statutory changes.

Berrodin Co. 401(k) Plan
Notes to Financial Statements
As of and for the Years Ended December 31, 2023 (In Liquidation) and 2022 (Ongoing)

Effective April 7, 2023, the Plan was amended and restated by adopting a Great-West Trust Company defined contribution pre-approved plan. Changes to the Plan include:

- Changing the trustee and custodian of the Plan from Newport Trust Company, LLC, to Empower Trust Company, LLC;
- Permitting participants to designate their deferral contributions as Roth contributions; and
- Reducing the total number of loans participants can have outstanding from two loans to one loan.

During 2023, the Plan was amended to terminate the Plan (see Notes 1 and 6). In conjunction with the Plan termination, all contributions to the Plan ceased and no new employees were eligible to participate in the Plan as of the Plan termination date. Additionally, provisions were included to facilitate the distribution of all remaining assets of the Plan. Other changes to the Plan included required regulatory updates associated with the SECURE Act 2.0.

9. Subsequent Events

During March 2024, all assets of the Plan were distributed in accordance with the termination provisions of the Plan.

The Plan has evaluated subsequent events through September 25, 2024, the date the financial statements were available to be issued.
