INDEPENDENT AUDITOR'S REPORT

September 24, 2024

To the Plan Administrator of
Psychotherapeutic 401(k) Profit Sharing Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Psychotherapeutic 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Psychotherapeutic 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023, and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Psychotherapeutic 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Psychotherapeutic 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

PSYCHOTHERAPEUTIC 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. THE PLAN

The following description of the Psychotherapeutic 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan established for employees of Psychotherapeutic Evaluation Programs, Inc., (the Company or Plan Sponsor). The Plan is administered by management of the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All employees, except employees covered by a collective bargaining agreement, leased employees, or merger and acquisition employees, who are at least age 21 and who have completed 1 year of service are eligible to begin salary deferrals and receive employer discretionary contributions on the first day of each calendar quarter following completion of the eligibility requirements.

Contributions

Participants may elect to defer a percentage of their eligible pay every pay period through traditional 401(k) elections (pre-tax), Roth 401(k) elections (after tax), or a combination of both. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 1% of eligible compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Contributions are automatically invested in a designated balanced fund until changed by the participant.

At its discretion, the Company may contribute employer profit sharing contributions to the Plan for each employee that meets the eligibility requirements. A participant is eligible for this contribution if they worked 1,000 hours during the Plan year and were employed on the last day of the year. If the Company decides to make a contribution, it will be allocated to the employees at the end of each Plan year. Employer contributions for the years ended December 31, 2023 and 2022 amounted to \$1,250,000 and \$1,000,000, respectively. The Plan Sponsor has elected to have \$250,000 of the forfeiture balance available at December 31, 2023 to offset the employer contribution for the year ended December 31, 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions along with an allocation of (a) the Company's contribution, (b) Plan earnings and losses, and (c) administrative expenses. Contributions allocated to an employee's account are invested according to the employee's discretion. The entitled benefit is the participant's account balance subject to vesting.

Investment Options

The Plan currently offers investment options through a regulated investment company, including mutual funds and a fully benefit responsive guaranteed investment contract. Participants may change their investment options daily.

1. THE PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their account up to a maximum amount that is equal to the lesser of \$50,000 or 50 percent of the nonforfeitable amount of their account balance. No loans less than \$1,000 will be made. The loans are secured by the balance in the participant's account and bear interest at the Wall Street Journal Prime rate plus 1 point. Principal and interest is paid in substantially equal payments over the life of the loan through payroll deductions. The loan in its entirety must be repaid within 5 years of the date the loan proceeds are received, unless used to acquire the principal residence.

Payment of Benefits

If an employee is terminated, the participant's vested benefit can be received in a single lump sum payment or have the payment paid as a "direct rollover" to an individual retirement account or individual retirement annuity or to another employer's qualified tax plan. If the value of the employee's vested account balance is \$5,000 or less on the applicable Valuation Date as provided under the Plan, the Company can cash the employee's entire vested account balance out of the Plan. Otherwise, payments can be made in installments.

On termination of service due to death and disability prior to age 65, before distribution of the employee's benefits has begun, the employee becomes 100% vested and the vested account balance will be payable in a single lump sum to the participant's beneficiary.

While employed, a participant may also withdraw his or her vested account balance on account of financial hardship, as defined in the Plan Document. All hardship withdrawals must comply with the rules relating to hardships which are uniformly applicable to all participants and be used to pay qualifying expenses of certain immediate and heavy financial need.

Vesting

A participant is vested immediately in their contributions plus actual earnings and losses thereon. Vesting of Company profit sharing contributions is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeitures

Forfeitures may be used to pay administration expenses of the Plan, and reduce the employer discretionary contribution. Participants who terminate employment before they vest will forfeit their interest in employer contribution accounts. These accounts will be held in the Plan to meet any obligations to pay plan expenses if the employer elects not to pay such expenses directly. The forfeiture balance approximated \$258,000 and \$203,000 at December 31, 2023 and 2022, respectively. During 2023 and 2022, approximately \$14,000 and \$11,000 of forfeitures were used to pay plan expenses, respectively. As mentioned above, the Plan Sponsor has elected to have \$250,000 of the forfeiture balance available at December 31, 2023 to offset the employer contribution receivable as of December 31, 2023.

Administrative Expenses

The Plan permits the payment of Plan expenses to be paid by the Company or from the Plan, or both. Any expenses paid by the Plan are paid by Plan participants as a reduction of investment income.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate risk, financial market risk, and credit risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts of net assets available for Plan benefits.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023, and 2022, no allowance for credit losses has been recorded. Delinquent notes receivable from participants are reclassified as deemed distributions based upon the terms of the plan document.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Instruments Measured at Fair Value

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement).

The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets that are accessible at the measurement date for assets or liabilities. The Plan's investments in mutual funds are valued based upon quoted prices in active markets.
- Level 2 inputs are observable prices that are based on inputs not quoted in active markets but corroborated by market data. The Plan does not have any Level 2 investments as of December 31, 2023 and 2022.
- Level 3 inputs are unobservable inputs that are used when little or no market data is available. The Plan does not have any Level 3 investments as of December 31, 2023 and 2022.

The availability of observable inputs can vary and is affected by a wide variety of factors. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised by the Plan in determining fair value is greatest for instruments categorized in Level 3. The fair value measurement level within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement in its entirety.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds - Value based on quoted price in active markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Company believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used in the prior year.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2023 and 2022, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3. A description of where the Plan's investments fall within the ASC 820 hierarchy is provided in Note 4.

Payment of Benefits

Payment of benefits to participants are recorded when paid.

3. CERTIFIED INVESTMENT INFORMATION

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information was certified as complete and accurate by Empower Life & Annuity Insurance Company of New York and Empower Trust Company, LLC as of and for the years ended December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Investments, at fair value	<u>\$ 6,894,766</u>	<u>\$ 5,037,149</u>

Schedule H, Line 4i - Schedule of Assets (Held at End of Year)

4. FAIR VALUE MEASUREMENTS

At December 31, 2023, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual funds	<u>\$6,894,766</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$6,894,766</u>

At December 31, 2022, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual funds	<u>\$5,037,149</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$5,037,149</u>

There have been no changes in valuation techniques during 2023 and 2022.

5. GUARANTEED INVESTMENT CONTRACT

The Plan holds a fixed annuity contract with the Empower Life & Annuity Insurance Company of New York, which is reported as fully benefit-responsive. The contract is a group unallocated contract, which means the deposits and earnings on those deposits are credited to the group as a whole, rather than individual participants.

Certain events may limit the Plan's ability to transact at contract value with the Plan's custodian. Such events may include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that may limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Interest crediting rates are determined based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rates are reset quarterly. During the years ended December 31, 2023 and 2022, the average rates were 1.59% and 1.18%, respectively.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

7. TAX STATUS

The Plan is a Prototype Standardized Sharing Plan with CODA issued through Document Agility, Inc. The Internal Revenue Service has determined by letter dated June 30, 2020 that the Plan and related trust were designed, at that time, in accordance with applicable sections of the Internal Revenue Code (IRC) and, therefore, were exempt from federal income taxes. The Plan has been amended since that date. The plan administrator and the Plan's tax counsel believe the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

8. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Transactions between Empower Retirement, LLC, Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York and the Plan qualify as party-in-interest transactions since these organizations provided custodial and recordkeeping services to the Plan during the reporting period.

The Plan also allows current employees who are participants to receive loans under specific circumstances. As such, loan transactions between participants and the Plan qualify as party-in-interest transactions.

9. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the years ended December 31, 2023 and 2022.

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 24, 2024, which is the date the financial statements were available to be issued.
