Independent Auditor's Report

To the Trustee
Bavaria Restaurant Management Corporation Profit Sharing Plan
American Fork, Utah

Opinion on the 2023 Financial Statements

We have audited the financial statements of Bavaria Restaurant Management Corporation Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of August 31, 2023 (in liquidation), and the related statement of changes in net assets available for benefits for the eight months ended August 31, 2023 (in liquidation), and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Bavaria Restaurant Management Corporation Profit Sharing Plan as of August 31, 2023 (in liquidation), and the changes in its net assets available for benefits for the eight months ended August 31, 2023 (in liquidation), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Bavaria Restaurant Management Corporation Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, the Trustee of Bavaria Restaurant Management Corporation Profit Sharing Plan approved a plan of liquidation on April 15, 2022, and determined liquidation is imminent. As a result, Bavaria Restaurant Management Corporation Profit Sharing Plan has used the liquidation basis of accounting in presenting the 2023 and 2022 financial statements. As of August 31, 2023, the Plan's assets were distributed. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bavaria Restaurant Management Corporation Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Auditor's Report on the 2022 Financial Statements

We performed an audit of the 2022 financial statements of Bavaria Restaurant Management Corporation Profit Sharing Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103.-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the 2022 audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Our report dated April 28, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Our report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Bavaria Restaurant Management Corporation Profit Sharing Plan

Notes to Financial Statements

August 31, 2023 and December 31, 2022 (in Liquidation)

Note 1 - Description of Plan

The following brief description of the Bavaria Restaurant Management Corporation Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

As of September 30, 2021, all employees were terminated and on March 17, 2022, the Trustee terminated the Plan effective April 15, 2022. As of August 31, 2023, the remaining assets in the Plan were distributed to the participants based on their respective account balance.

General

The Plan is a defined contribution plan covering qualified employees of Bavaria Restaurant Management Corporation and CMK Enterprises, Inc, an affiliated company, who qualify as members of a controlled group (collectively referred to as the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Prior to September 30, 2021, employees were eligible to participate in the Plan if they had completed one year of service and were 21 years of age. A year of service for purposes of eligibility was a consecutive 12-month period during which the employee had 1,000 or more hours of service.

Entry Date

Prior to September 30, 2021, employees could enter the Plan on the first day of January or July coinciding with or following the date they satisfy the Plan's eligibility requirements.

Contributions

Prior to September 30, 2021, the Company could make a discretionary nonelective contribution allocated to participants based on their compensation. The contribution was determined annually by the Company's President. Participants were eligible to receive the contribution if they were employed on the last day of the Plan year. The discretionary nonelective contribution was funded annually.

Prior to September 30, 2021, participants could contribute amounts representing distributions from other qualified plans (rollover), excluding after tax employee contributions.

Participant Accounts

Each participant's account is credited with the Company's contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Effective September 30, 2021, participants are fully vested in their accounts.

Bavaria Restaurant Management Corporation Profit Sharing Plan

Notes to Financial Statements

August 31, 2023 and December 31, 2022 (in Liquidation)

Investment Options

The Plan's trustee maintains discretion over the investment options. Participants do not have the option to direct their allocable share of contributions and earnings to the Plan's investments.

Vesting

Effective September 30, 2021, participants are 100% vested in their portion of the Company's contributions. Prior to September 30, 2021, a participant became fully vested after six years of credited service, or if they were an employee upon retirement, disability or death.

Forfeitures

At August 31, 2023 and December 31, 2022, there were no forfeited non-vested account balances.

Notes Receivable from Participants

Participants may borrow from their vested account a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account. The interest rate is set at 2% above the prime rate. Principal and interest is paid ratably through payroll deductions over a period not to exceed five years, unless the proceeds of the note were used to acquire the participant's residence, in which case the note terms can range up to 10 years. Participants may only have one outstanding note at any one time. There were no notes receivable from participants as of August 31, 2023 and December 31, 2022.

Payment of Benefits

Participants may elect to receive either a lump-sum amount equal to the value of their vested interest or annual installments as defined in the Plan document upon retirement, termination of service, death or disability. A terminated participant with a balance of less than \$1,000 may be automatically paid out by the Plan upon termination. Any terminated participants with a balance between \$1,000 and \$5,000 can still be automatically paid out if their balance is rolled into a qualified Individual Retirement Account. Distributions may be made at the participant's election prior to termination upon attainment of age 59 ½ if the participant is 100% vested in their account.

Plan Termination

The Company had the right to terminate the Plan subject to the provisions set forth by ERISA. On March 17, 2022, the Trustee resolved to terminate the Plan effective April 15, 2022. The Company terminated all employees in September 2021, at which time all participants became fully vested in their employer contributions. As of August 31, 2023, the remaining assets of the Plan were distributed to the participants. Due to Plan termination the financial statements for the eight months ended August 31, 2023 and year ended 2022 December 31, 2022 are presented on a liquidation basis.

Note 2 - Significant Accounting Policies

Basis of Accounting

As described in Note 1, the Plan was terminated on April 15, 2022. As such, the financial statements have been prepared using the liquidation basis of accounting.

Use of Estimates

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

The classification of investment earnings reported in the statement of changes in net assets available for benefits may differ from the classification of earnings on the Form 5500 due to different reporting requirements on Form 5500.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payments of Benefits

Benefit payments to participants are recorded upon distribution.

Bavaria Restaurant Management Corporation Profit Sharing Plan

Notes to Financial Statements

August 31, 2023 and December 31, 2022 (in Liquidation)

Expenses

The Plan's expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation in fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Subsequent Events

The Plan Sponsor has evaluated subsequent events through September 25, 2024, the date which the financial statements were available to be issued.

Note 3 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Notes to Financial Statements

August 31, 2023 and December 31, 2022 (in Liquidation)

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market deposit funds - Valued at the carrying amount, which approximates fair value. Based on the amount of net contributions plus any investment earnings allocated to the account.

Exchange traded funds – Valued at the closing price reported by the fund. Exchange traded funds (ETF) held by the Plan are open-ended management investment companies that are registered with the Securities and Exchange Commission. The shares are traded through-out the day at the market price.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,533,224	\$ -	\$ -	\$ 1,533,224

Exchange traded funds	168,208	-	-	168,208
Investments at fair value	<u>\$ 1,945,629</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,945,629</u>

Note 4 - Certified Information

Certain information related to investments disclosed in the accompanying financial statements, including investments held at December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by BMO Harris Bank N.A., (the custodian of the Plan).

Note 5 - Tax Status

The Plan uses a pre-approved plan document sponsored by Ascensus LLC, which received an opinion letter from the Internal Revenue Service (IRS), dated August 31, 2020, stating that the pre-approved document satisfies the applicable provisions of the IRC. The Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Independent Auditor's Report

To the Trustee
Bavaria Restaurant Management Corporation Profit Sharing Plan

Opinion on the 2023 Financial Statements

We have audited the financial statements of Bavaria Restaurant Management Corporation Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of August 31, 2023 (in liquidation), and the related statement of changes in net assets available for benefits for the eight months ended August 31, 2023 (in liquidation), and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Bavaria Restaurant Management Corporation Profit Sharing Plan as of August 31, 2023 (in liquidation), and the changes in its net assets available for benefits for the eight months ended August 31, 2023 (in liquidation), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Bavaria Restaurant Management Corporation Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, the Trustee of Bavaria Restaurant Management Corporation Profit Sharing Plan approved a plan of liquidation on April 15, 2022, and determined liquidation is imminent. As a result, Bavaria Restaurant Management Corporation Profit Sharing Plan has used the liquidation basis of accounting in presenting the 2023 and 2022 financial statements. As of August 31, 2023, the Plan's assets were distributed. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bavaria Restaurant Management Corporation Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Auditor's Report on the 2022 Financial Statements

We performed an audit of the 2022 financial statements of Bavaria Restaurant Management Corporation Profit Sharing Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103.-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the 2022 audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Our report dated April 28, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Our report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Bavaria Restaurant Management Corporation Profit Sharing Plan

Notes to Financial Statements

August 31, 2023 and December 31, 2022 (in Liquidation)

Note 1 - Description of Plan

The following brief description of the Bavaria Restaurant Management Corporation Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

As of September 30, 2021, all employees were terminated and on March 17, 2022, the Trustee terminated the Plan effective April 15, 2022. As of August 31, 2023, the remaining assets in the Plan were distributed to the participants based on their respective account balance.

General

The Plan is a defined contribution plan covering qualified employees of Bavaria Restaurant Management Corporation and CMK Enterprises, Inc, an affiliated company, who qualify as members of a controlled group (collectively referred to as the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Prior to September 30, 2021, employees were eligible to participate in the Plan if they had completed one year of service and were 21 years of age. A year of service for purposes of eligibility was a consecutive 12-month period during which the employee had 1,000 or more hours of service.

Entry Date

Prior to September 30, 2021, employees could enter the Plan on the first day of January or July coinciding with or following the date they satisfy the Plan's eligibility requirements.

Contributions

Prior to September 30, 2021, the Company could make a discretionary nonelective contribution allocated to participants based on their compensation. The contribution was determined annually by the Company's President. Participants were eligible to receive the contribution if they were employed on the last day of the Plan year. The discretionary nonelective contribution was funded annually.

Prior to September 30, 2021, participants could contribute amounts representing distributions from other qualified plans (rollover), excluding after tax employee contributions.

Participant Accounts

Each participant's account is credited with the Company's contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Effective September 30, 2021, participants are fully vested in their accounts.

Bavaria Restaurant Management Corporation Profit Sharing Plan

Notes to Financial Statements

August 31, 2023 and December 31, 2022 (in Liquidation)

Investment Options

The Plan's trustee maintains discretion over the investment options. Participants do not have the option to direct their allocable share of contributions and earnings to the Plan's investments.

Vesting

Effective September 30, 2021, participants are 100% vested in their portion of the Company's contributions. Prior to September 30, 2021, a participant became fully vested after six years of credited service, or if they were an employee upon retirement, disability or death.

Forfeitures

At August 31, 2023 and December 31, 2022, there were no forfeited non-vested account balances.

Notes Receivable from Participants

Participants may borrow from their vested account a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account. The interest rate is set at 2% above the prime rate. Principal and interest is paid ratably through payroll deductions over a period not to exceed five years, unless the proceeds of the note were used to acquire the participant's residence, in which case the note terms can range up to 10 years. Participants may only have one outstanding note at any one time. There were no notes receivable from participants as of August 31, 2023 and December 31, 2022.

Payment of Benefits

Participants may elect to receive either a lump-sum amount equal to the value of their vested interest or annual installments as defined in the Plan document upon retirement, termination of service, death or disability. A terminated participant with a balance of less than \$1,000 may be automatically paid out by the Plan upon termination. Any terminated participants with a balance between \$1,000 and \$5,000 can still be automatically paid out if their balance is rolled into a qualified Individual Retirement Account. Distributions may be made at the participant's election prior to termination upon attainment of age 59 ½ if the participant is 100% vested in their account.

Plan Termination

The Company had the right to terminate the Plan subject to the provisions set forth by ERISA. On March 17, 2022, the Trustee resolved to terminate the Plan effective April 15, 2022. The Company terminated all employees in September 2021, at which time all participants became fully vested in their employer contributions. As of August 31, 2023, the remaining assets of the Plan were distributed to the participants. Due to Plan termination the financial statements for the eight months ended August 31, 2023 and year ended 2022 December 31, 2022 are presented on a liquidation basis.

Note 2 - Significant Accounting Policies

Basis of Accounting

As described in Note 1, the Plan was terminated on April 15, 2022. As such, the financial statements have been prepared using the liquidation basis of accounting.

Use of Estimates

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

The classification of investment earnings reported in the statement of changes in net assets available for benefits may differ from the classification of earnings on the Form 5500 due to different reporting requirements on Form 5500.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payments of Benefits

Benefit payments to participants are recorded upon distribution.

Notes to Financial Statements

August 31, 2023 and December 31, 2022 (in Liquidation)

Expenses

The Plan's expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation in fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Subsequent Events

The Plan Sponsor has evaluated subsequent events through September 25, 2024, the date which the financial statements were available to be issued.

Note 3 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Notes to Financial Statements

August 31, 2023 and December 31, 2022 (in Liquidation)

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market deposit funds - Valued at the carrying amount, which approximates fair value. Based on the amount of net contributions plus any investment earnings allocated to the account.

Exchange traded funds – Valued at the closing price reported by the fund. Exchange traded funds (ETF) held by the Plan are open-ended management investment companies that are registered with the Securities and Exchange Commission. The shares are traded through-out the day at the market price.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	2022

Note 4 - Certified Information

Certain information related to investments disclosed in the accompanying financial statements, including investments held at December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by BMO Harris Bank N.A., (the custodian of the Plan).

Note 5 - Tax Status

The Plan uses a pre-approved plan document sponsored by Ascensus LLC, which received an opinion letter from the Internal Revenue Service (IRS), dated August 31, 2020, stating that the pre-approved document satisfies the applicable provisions of the IRC. The Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
