Independent Auditors' Report

The Plan Administrator Lumetra 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Lumetra 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Lumetra 401(k) Plan

Notes to Financial Statements
December 31, 2023 and 2022

1. Description of Plan

The following brief description of the Lumetra 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete description of the Plan's provisions.

General

Lumetra Healthcare Solutions ("Lumetra") is a California not-for-profit corporation organized to act as a Quality Improvement Organization for the state of California as defined in the Peer Review Improvement Act of 1982. Lumetra has been affiliated with Island Peer Review Organization, Inc. ("IPRO") since January 2011, at which time IPRO became the sole member of Lumetra and obtained the authority to elect the entire governing board of Lumetra.

The Plan was originally established by Lumetra in 1999. The Plan was amended and restated effective as of January 1, 2021 and is intended to qualify under section 401(k) of the Internal Revenue Code (the "Code"). As such, the Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Employees of Lumetra, except for excluded employees, are eligible to participate in the Plan immediately for salary deferral and employer safe harbor contributions and for employer profit sharing and matching contributions after one year of service. Non-resident aliens, leased employees, independent contractors and union employees whose employment is governed by a collective bargaining agreement, under which retirement benefits were the subject of a good faith bargaining agreement that does not provide coverage under this Plan, are not eligible to participate in the Plan.

Lumetra is the Plan Administrator. Vanguard Fiduciary Trust Company ("Vanguard") is the trustee of the Plan.

Eligibility

Employees, except for excluded employees as defined by the Plan, are eligible to participate in the Plan immediately upon hire by making pre-tax salary and post-tax ("Roth") salary deferral contributions. Employees, except for excluded employees as defined by the Plan, are also eligible upon hire to receive safe-harbor contributions. Employees must complete one year of service to be eligible for the discretionary employer profit sharing and matching contributions.

Each year, participants may contribute to the Plan pre-tax or Roth contributions from eligible compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants also may contribute amounts from other eligible retirement plans, as defined in the Plan document. Contributions are subject to certain annual limitations as imposed by the Code.

Lumetra 401(k) Plan

Notes to Financial Statements
December 31, 2023 and 2022

1. Description of Plan (*continued*)

Eligibility (continued)

Lumetra will make safe-harbor contributions to the Plan. The safe-harbor contributions will be equal to 3% of employee's compensation.

Lumetra may decide to make discretionary employer profit sharing contributions to the Plan. The amount of the discretionary employer profit sharing contributions, if any, are determined each year by Lumetra. For the years ended December 31, 2023 and 2022, there were no discretionary employer profit sharing contributions made to the Plan.

Lumetra may decide to make qualified matching contributions to the Plan to satisfy special non-discrimination rules that apply to the Plan. For the years ended December 31, 2023 and 2022 there were no qualified matching contributions made to the Plan.

Vesting

Participants are vested immediately in their pre-tax, Roth and catch-up contributions, and employer safe-harbor contributions and qualified matching contributions plus actual earnings thereon. Vesting in the discretionary employer profit sharing contributions portion of their account is as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	0%
2	20%
3	60%
4	80%
5	100%

Notes Receivable from Participants

Loans of up to 50% of a participant's account balance, a minimum amount of \$1,000 but not more than \$50,000, are permitted. Loans bear interest based on the Prime rate as received by Vanguard from Reuters plus 1%. All loan repayments are made through payroll deductions. Loans are required to be repaid within a five-year period. Loans to acquire a principal residence may be repaid within 10 years. Participants may have no more than one loan outstanding at a time.

Forfeitures

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$84,631 and \$24,344. These accounts will be used to reduce future employer contributions and recordkeeping expenses to the third party administrator. During 2023 and 2022, \$2,636 and \$0 of forfeitures were used to reduce employer contributions.

Lumetra 401(k) Plan

Notes to Financial Statements
December 31, 2023 and 2022

1. Description of Plan (*continued*)

Payment of Benefits

Participants are eligible to receive distributions from their accounts at the normal retirement age (age of 65), disability, death or termination of employment. Participants receive the value of their vested account balance in the form of a single-sum payment or installments. Additionally, participants are entitled to apply for hardship withdrawals and, after attaining age 59 ½, may receive in-service distributions.

Participant Accounts

Each participant's account is credited with the participant's pre-tax, Roth and catch-up contributions, safe-harbor contributions and allocations of (a) discretionary employer profit sharing contributions or qualified matching contributions, if any and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from a participant's vested account.

Administrative Expenses

Vanguard serves as the directed trustee of Plan's assets, and a Vanguard affiliate serves as a third-party administrator who maintains the records of participant data. Investment fund management fees and operating expenses are charged directly to the Plan investments and thereby factored into each investment of the Plan as a reduction of investment return. Fees related to the recordkeeping are paid by the Plan. Certain expenses of maintaining the Plan are paid by Lumetra and are excluded from these financial statements.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Lumetra 401(k) Plan

Notes to Financial Statements
December 31, 2023 and 2022

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurements (continued)

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the net asset value ("NAV") per share as a practical expedient are not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Mutual funds are valued at the daily closing price as reported by the funds. The funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds are deemed to be actively traded. The common/collective trust is valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is September 26, 2024.

5. Common/Collective Trust

The Vanguard Retirement Savings Trust III (the "Trust") is a common/collective trust that provides for the collective investment of assets of tax-exempt retirement plans. The Trust invests solely in the Vanguard Retirement Savings Trust Master Trust ("VRST Master Trust"). The underlying investments of VRST Master Trust are primarily a pool of investment contracts that are issued by insurance companies and commercial banks and in contracts that are backed by bond funds and trusts.

The Trust pays Vanguard, the trustee of the Trust, a fee calculated at an annual percentage rate of the Trust's proportionate share of the total investments of the VRST Master Trust. During the years ended December 31, 2023 and 2022, the annualized rate charged to the Trust was 0.28%. The fee is determined by the trustee and may be adjusted periodically.

5. Common/Collective Trust (*continued*)

Distributions of net investment income to unit-holders are declared daily and reinvested on the first business day of the following month. Distributions received from the VRST Master Trust are accrued daily.

Withdrawals may be made for the primary purpose of funding an authorized distribution withdrawal, or loan disbursement by a participating plan to an employee or beneficiary covered thereunder, or for the purpose of the participating plan making an employee directed transfer to another investment election of the employee's interest in the Plan. Certain plan directed withdrawals may be subject to market value adjustments calculated in accordance with the provisions of the investment contracts.

6. Party-in-Interest Transactions

All investments of the Plan are managed by Vanguard. Vanguard is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Certain administrative functions are performed by officers or employees of Lumetra. No such officer or employee receives compensation from the Plan.

7. Plan Termination

Although it has not expressed any intent to do so, Lumetra has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

8. Tax Status

On June 30, 2020, the IRS stated that the prototype plan document adopted by the employer, qualifies under the Code Section 401(a). The Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions for periods since 2020; however, there are currently no examinations for any tax periods in progress.

9. Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Risks and Uncertainties (*continued*)

Global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2023 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
