INDEPENDENT AUDITORS' REPORT

*To the Trustees,
Huahai US Inc. 401(K) P/S Plan
Somerset, New Jersey*

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Huahai US Inc. 401 (K) P/S Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Huahai US Inc. 401 (K) P/S Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Nationwide Trust Company, a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.*
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).*

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Huahai US Inc. 401 (K) P/S Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Huahai US Inc. 401 (K) P/S Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.*
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.*
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Huahai US Inc. 401 (K) P/S Plan's internal control. Accordingly, no such opinion is expressed.*
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.*
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Huahai US Inc. 401 (K) P/S Plan's ability to continue as a going concern for a reasonable period of time.*

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes as of December 31, 2023 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.*

the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HUAHAI US INC. 401(K) P/S PLAN
NOTES TO FINANCIAL STATEMENTS

Note A – Description of Plan:

The following description of the Huahai US Inc. 401(K) P/S Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established for the purpose of providing eligible employees of Huahai US Inc. (the Company) and their beneficiaries, funds for retirement. The trustees are responsible for the oversight of the Plan.

Eligibility

Full-Time employees of the Company who are at least 21 years of age may enter the Plan on the first date of the month after the employee has completed three months of employment.

Contributions

Each year, participants may contribute up to 100% of annual compensation, as defined by the Plan, subject to Internal Revenue Code limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Under the Plan, participants may make tax deferred contributions and Roth elective contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover) provided they are made within 60 days of receipt of such amounts by the employee. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company matches 100% of up to the first 4% that a participant contributes to the Plan. The matching Company contribution is invested as directed by the participant. Additional profit-sharing amounts may be contributed at the option of the Company's board of directors. No such contributions have been made in 2023.

Participant Accounts

Each participant's individual account is credited with the participant's contribution and the Company's matching contributions, any employer discretionary profit-sharing contribution and allocations of Plan earnings. Participant's accounts are charged with an allocation of administrative expenses. Allocations are based upon participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and safe-harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service.

Note A – Description of Plan (Continued):

Cares Act

On March 27, 2020, the “Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management implemented the following CARES Act provisions during 2020:

Special coronavirus distributions up to \$100,000

Increase the available loan amount as described in Note A below to the lesser of \$100,000 or 100% of the participant’s vested account balance

Extend the period for loan repayments, if applicable, up to one year

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance. Loans of up to \$100,000 were permitted in 2020 based upon provisions of the Cares Act. Loan terms range from 1-5 years and may be for a reasonable period in excess of five years if the loan is utilized for the purchase of a primary residence. The loans are secured by the balance in the participant’s account and bear interest at prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through semi-monthly and bi-weekly payroll deductions.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$8,792 and \$8,401, respectively. These accounts will be used to reduce future employer contributions. There were no reductions of employer contributions from forfeited non-vested accounts in 2023 and 2022.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum payment equal to the value of the participant’s vested interest in his or her account, a rollover, or continue his or her account until age 72. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. The Plan allows for hardship withdrawals under certain circumstances. The Plan also allows for in-service withdrawals at age 59 ½ for amounts rolled over into the Plan and for Military service.

Note B – Summary of Significant Accounting Policies:

Basis of Accounting

The accompanying financial statements have been prepared on the accrual method of accounting.

HUAHAI US INC. 401(K) P/S PLAN
NOTES TO FINANCIAL STATEMENTS

Note B – Summary of Significant Accounting Policies (Continued):

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued and unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through August 12, 2024, the date the financial statements were available to be issued.

Note C – Concentration of Significant Investments:

The Plan's investment in the following funds accounted for over 10% of the Plan's total investments for the year ended December 31, 2023:

- | | |
|----------------------------|-------|
| • TIAA Cref Lifecycle 2030 | 12.9% |
| • Vanguard 500 Index | 10.5% |

HUAHAI US INC. 401(K) P/S PLAN
NOTES TO FINANCIAL STATEMENTS

Note D – Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3)

The three levels of the fair value hierarchy under US GAAP are described as follows:

- | | |
|----------------|---|
| <i>Level 1</i> | <i>Observable inputs that reflect quoted prices in active markets for identical assets or liabilities, such as stock quotes.</i> |
| <i>Level 2</i> | <i>Includes inputs other than Level 1 that are directly or indirectly observable in the marketplace, such as yield curves or other market data.</i> |
| <i>Level 3</i> | <i>Unobservable inputs which reflect the reporting entity's assessment of the assumptions that market participants would use in pricing the asset or liability including assumptions about risk, such as bid/ask spreads and liquidity discounts.</i> |

The Plan reports certain investments using net asset value per share as determined by investment managers under a practical expedient. The practical expedient allows net asset value per share to represent fair value for reporting purposes when the criteria for using this method are met.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for the Plan's assets measured at fair value. There have been no changes in the valuation methodology used at December 31, 2023. This method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Mutual Funds:

Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

HUAHAI US INC. 401(K) P/S PLAN
NOTES TO FINANCIAL STATEMENTS

Note D –Fair Value Measurements (Continued):

Stable Value Collective Trust Fund:

A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of the units of the bank collective trust. The net asset value is used as a practical expedient to estimate value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the stable value fund, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

<i>Assets at Fair Value as of December 31, 2023</i>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<i>Mutual funds</i>	\$ 13,118,504	\$ --	\$ --	\$ 13,118,504
<i>Investments measured at net asset value</i>	--	--	--	1,324,352
<i>Investments at fair value</i>	<u>\$</u>	<u>\$</u>	<u>\$</u>	<u>\$</u>
		--	--	14,442,856

<i>Assets at Fair Value as of December 31, 2022</i>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<i>Mutual funds</i>	\$ 11,569,940	\$ --	--	\$ 11,569,940
<i>Investments measured at net asset value</i>	--	--	--	1,065,563
<i>Investments at fair value</i>	<u>\$</u>	<u>\$</u>	<u>\$</u>	<u>\$</u>
	11,569,940	--	--	12,635,503

In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items present in the statements of net assets available for benefits.

HUAHAI US INC. 401(K) P/S PLAN
NOTES TO FINANCIAL STATEMENTS

Note D – Fair Value Measurements (Continued):

For the years ended December 31, 2023, and 2022, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3. There are no unfunded commitments on any mutual fund shares.

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using net asset value (NAV) per share or its equivalent as of December 31, 2023, and 2022 respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2023:</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Stable value collective trust fund	\$ 1,110,469	n/a	Daily	12 months
<u>December 31, 2022:</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Stable value collective trust fund	\$ 895,606	n/a	Daily	12 months

Note E – Certified Investment Information:

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Nationwide Financial Services, a qualified institution, have certified that the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023, and 2022.

Investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023

Investment information included in Schedule H, Line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2023, as shown in the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to the certified information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

HUAHAI US INC. 401(K) P/S PLAN
NOTES TO FINANCIAL STATEMENTS

Note F – Related Party and Party In Interest Transactions:

Certain Investments are shares of mutual funds managed by Nationwide Insurance Company. Nationwide Insurance Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions, as well as transactions with the Plan sponsor, the accountant involved in the Plan, the third-party administrator, investment managers and advisors. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan sponsor pays directly any other fees related to the Plan's operations.

Note G – Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer accounts.

Note H – Tax Status:

The IRS has determined and informed the company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. Management evaluated the Plan's tax positions and concluded that the Plan has maintained its tax-exempt status and has taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

Note I – Risks and Uncertainties:

The Plan provides participants with the option to invest in various investment securities. All investment securities are exposed to some type of risk, including but not limited to, exposure to changes in interest rates, market fluctuations, economic conditions and currency devaluation. Due to the level of risk associated with certain investment securities, it is possible that changes in the near term could materially affect certain participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

Users of these financial statements should be aware that the financial markets' volatility may significantly impact the subsequent valuation of the Plan's Investments. Accordingly, the valuation of Investments at December 31, 2023 may not necessarily be indicative of the amounts that could be realized in a current market exchange.
