Independent Auditor's Report

Board of Trustees
Marymount Health Care Systems Affiliates 401(k) Plan
Garfield Heights, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Marymount Health Care Systems Affiliates 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 (in liquidation), and the related statement of changes in net assets available for benefits (in liquidation) for the year then ended, the statement of net assets available for benefits as of December 31, 2022 (ongoing), and the related statements of changes in net assets available for benefits (ongoing) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Marymount Health Care Systems Affiliates 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Qualified Opinion

In our opinion, except for the omission of the information described in the Basis for Qualified Opinion section of our report, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Qualified Opinion

For the year ended December 31, 2023, the Plan Administrator was unable to provide sufficient information regarding participant data, including contributions, and individual participant account balances. As a result, we were unable to obtain sufficient appropriate audit evidence regarding the completeness and accuracy of participant transactions, including participant contributions, and account balances, which are material to the Marymount Health Care Systems Affiliates 401(k) Plan's financial statements.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Marymount Health Care Systems Affiliates 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Basis of Accounting

As discussed in Note 2 to the financial statements, the governing body of Marymount Health Care Systems Affiliates 401(k) Plan approved a plan of liquidation on October 9, 2023, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Marymount Health Care Systems Affiliates 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Marymount Health Care Systems Affiliates 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Marymount Health Care Systems Affiliates 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule on page 13 as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

1. Description of Plan:

General:

The following brief description of Marymount Health Care Systems Affiliates 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all full-time employees of Marymount Health Care Systems (the "Company" and the "Plan Sponsor") who have completed two months of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Board of Trustees of the Plan Sponsor approved to terminate the Plan effective October 9, 2023 (Note 10).

Contributions:

The Plan provides for employee salary 401(k) contributions up to a maximum of 100% of annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

During 2023 and 2022, the Plan provided a discretionary employer matching contribution, which was 50% of the first 6% of compensation deferred by the participant. Additionally, the Company has the ability to make discretionary profit sharing contributions, as determined by the Company's Board of Trustees. No discretionary profit sharing contributions were made in 2023 or 2022.

Participant accounts:

Each participant's account is credited with employer and participant contributions. Plan earnings and losses are allocated based upon account balances.

Vesting:

Participants are 100% vested immediately with respect to their compensation deferrals. Participants vest in discretionary employer matching and discretionary profit sharing contributions in accordance with the following schedule:

Forfeitures of nonvested accounts are held by the Plan's custodian and may be used to pay for Plan expenses and reduce employer contributions. Forfeitures of \$4,878 in 2023 and \$5,437 in 2022 were used for plan expenses. At December 31, 2023 and 2022, there were \$7,774 and \$10,366, respectively, of forfeited amounts.

The Plan is administered by the custodian who is appointed by the Company.

Payment of benefits:

Participants may elect to withdraw all or a specified portion of their contributions prior to their termination of employment subject to certain restrictions under the Plan. If participants suffer serious financial hardship, as defined by the Plan, they may withdraw any portion of their vested account in order to meet their financial needs. Participants may withdraw from their account when reaching the normal retirement age of 65. All accounts are subject to distribution upon the participant's termination, retirement, total disability or death.

On termination of service, participants may elect to receive a lump sum amount equal to the vested value of their account.

Benefits are recorded when paid.

Investment options:

Upon enrollment in the Plan, a participant may direct employee contributions, including the employer's matching and discretionary contributions, into a number of investment options. Participants may change their investment elections daily.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2023 AND 2022

1. Description of Plan (continued):

Investment options (continued):

The Plan has a qualified default investment alternative (QDIA) if a participant does not provide investment directions. A participant can transfer funds out of the QDIA into other available investment alternatives at any time without restrictions, surrender charges, liquidation or exchange fees or similar expenses within the first 90 days after being invested in the QDIA. The Plan's QDIA is the target date fund series known as the State Street Retirement Right funds.

Participant notes:

Participants may borrow from their accounts. The minimum participant note is \$1,000 to a maximum equal to the lesser of \$50,000 or 50% of the participant balance. These transactions are treated as transfers between investment funds and the participant notes fund. Repayment of a participant note must be made over a period not to exceed five years, unless the participant note is used to purchase a principal residence, in which case the participant note is to be repaid over a reasonable period of time that may exceed five years. Participant notes are secured by the balance in the participant's account and bear interest at market rate. Principal and interest are paid through payroll deductions and interest is included in interest on participant notes on the statements of changes in net assets available for benefits in liquidation. Interest rates on these notes were between 5.25% and 10.00% at December 31, 2023 and between 5.25% and 7.25% at December 31, 2022.

Participant notes are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make note repayments and the plan administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

2. Summary of significant accounting policies:

Basis of accounting:

As a result of the Board of Trustees of the Plan Sponsor decision to terminate the Plan effective October 9, 2023, the liquidation basis of accounting was used in presenting the statement of net assets and the statement of changes in net assets as of and for the year ended December 31, 2023. The ongoing (accrual) basis of accounting was used as of and for the year ended December 31, 2022.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates and assumptions.

MARYMOUNT HEALTH CARE SYSTEMS AFFILIATES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2023 AND 2022

2. Summary of significant accounting policies (continued):

Investment valuation and income/loss recognition:

At December 31, 2023 and 2022, the Plan maintained investments with United of Omaha Life Insurance Company dba Mutual of Omaha for the guaranteed interest accounts and the pooled separate accounts. The guaranteed interest accounts are the insurance company's guarantee backed by the underwriting insurance company's general asset account. The pooled separate accounts are an insurance company's separate account maintained by the insurance company that invests in the underlying mutual funds.

The pooled separate accounts are recorded at fair value, which is determined by quoted market prices, as provided by Mutual of Omaha at December 31, 2023 and 2022. The guaranteed interest accounts are recorded at contract value. The contract value is determined by Mutual of Omaha which is the value of the fund as of the last business day in the plan year plus any accrued interest through the last day of the plan year.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. These amounts were provided by Mutual of Omaha for the years ended December 31, 2023 and 2022.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements (Note 6). Investment related expenses are included in net increase (decrease) in value of investments.

3. Investments:

The following table represents the value of investments at December 31, 2023 and 2022. All investments are participant directed at December 31, 2023 and 2022.

	<u>2023</u>	<u>2022</u>
Investments as provided by Mutual of Omaha:		
Pooled separate accounts (at fair value)	\$ 4,411,490	\$ 3,999,659
Guaranteed interest accounts (at contract value)	<u>56,173</u>	<u>74,308</u>
Total investments	<u>\$ 4,467,663</u>	<u>\$ 4,073,967</u>

4. Fair value:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

MARYMOUNT HEALTH CARE SYSTEMS AFFILIATES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2023 AND 2022

4. Fair value (continued):

Level 2 – Inputs to the methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Assets measured at fair value on a recurring basis at December 31, 2023 and 2022, were as follows:

	Fair Value at December 31,			
	2023		2022	
	(Level 2)	Total	(Level 2)	Total
Pooled separate accounts	<u>\$ 4,411,490</u>	<u>\$ 4,411,490</u>	<u>\$ 3,999,659</u>	<u>\$ 3,999,659</u>

Mutual of Omaha calculates unit value for each separate account investment based on the underlying assets, which include a mix of mutual funds, collective trusts and managed accounts. All underlying investment options are valued daily. This daily price is considered the selling price for transfers and withdrawals and is calculated each day the principal market is open. The investment options are available for trading each day the principal market is open, and are available to any participant in the plan, unless restricted by the plan administrator.

5. Investment contracts with insurance company:

The Plan participates in fully benefit-responsive investment contracts with Mutual of Omaha. Mutual of Omaha maintains the contributions in a separate account. The accounts are credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. Contract value, as reported to the Plan by Mutual of Omaha, represents contributions made under contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contracts issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed interest accounts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits in liquidation attributable to the guaranteed interest accounts contracts.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2023 AND 2022

5. Investment contracts with insurance company (continued):

Certain events limit the Plan's ability to transact at contract value with Mutual of Omaha. Such events include the following (a) amendments to the plan documents (including complete or partial termination or merger with another plan), (b) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with plan participants, is probable.

The guaranteed interest accounts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The weighted average interest rates for the guaranteed investment contract were 5.2706% in 2023 and 5.0356% in 2022, and for the lifetime guaranteed income account were 5.5737% in 2023 and 4.8729% in 2022.

6. Administrative expenses:

Certain administrative expenses of the Plan were paid by the Company. Certain administrative functions are performed by employees of the Company. Neither any such employee, nor the Company, receives compensation from the Plan for these functions.

7. Party-in-interest transactions:

The Plan investments are managed by affiliates of Mutual of Omaha. Mutual of Omaha is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Certain fees related to the administration of the Plan were paid by the Plan or the Plan Sponsor, which qualify as party-in-interest transactions. The Plan issues notes to participants, which are secured by the vested balance in the participant's account and certain fees related to the administration of the Plan were paid by the Plan or the Plan Sponsor, which also qualify as party-in-interest.

8. Information certified by custodian:

Certain information related to investments and participant notes disclosed in the accompanying financial statements and supplemental schedule, including investments and participants notes held at December 31, 2023 and 2022, and net increase (decrease) in value of investments and interest and dividends for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mutual of Omaha (custodian of the Plan).

9. Income tax status:

The Internal Revenue Service (IRS) on June 27, 2014 has determined that the prototype plan under which Marymount Health Care Systems Affiliates 401(k) Plan is organized is designed in accordance with applicable sections of the IRC. The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is exempt from taxation.

MARYMOUNT HEALTH CARE SYSTEMS AFFILIATES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2023 AND 2022

9. Income tax status (continued):

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and the DOL. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. Plan termination:

The Company had the right at any time within its sole discretion to reduce, suspend or discontinue contributions to the Plan or to terminate the Plan subject to the provisions of ERISA. The Board of Trustees of the Plan Sponsor elected to terminate the Plan effective October 9, 2023. Final distributions were determined on all participants being 100% vested. The plan distributed \$4,537,768 and the final distribution was made on March 7, 2024. In accordance with U.S. GAAP, the Plan changed its basis of accounting from the ongoing plan basis to the liquidation basis in 2023.

11. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect participant account balances and the amounts reported in the statements of net assets available for benefits in liquidation.

12. Subsequent events:

In preparing these financial statements, the Plan's management has evaluated events and transactions for potential recognition or disclosure through September 26, 2024, the date the Plan's financial statements were available to be issued.
