INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Employee Benefit Plan of Goodwill Industries of the Chesapeake, Inc.
Baltimore, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Goodwill Industries of the Chesapeake, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Reportable Transactions, Schedule of Assets (Held at End of Year) and Schedule of Assets (Acquired and Disposed of Within Year) as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS

Note 1. DESCRIPTION OF PLAN

The following description of the Employee Benefit Plan of Goodwill Industries of the Chesapeake, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 401(k)-profit sharing defined contribution plan covering all employees of Goodwill Industries of the Chesapeake, Inc. (the Plan Sponsor) with the exception of "Highly Compensated Employees" as defined in the Internal Revenue Code, employees under Federal Contract receiving the Health & Welfare Benefit, and those designated as Trainees with a "701" Classification. There is no minimum age or service requirement to make salary reduction contributions to the Plan. There is no minimum age requirement to receive employer base contributions, however employees must complete at least one year and 1,000 hours of service to receive employer base contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan uses a Group Annuity Contract with Mutual of America Life Insurance Company as its funding vehicle.

Contributions

Each year, participants may contribute up to the limits set by law, as defined in the Plan. The Plan offers interest and investment alternatives under a group annuity contract. Each plan year, the Board of Directors will determine the amount of the employer base contribution, if any, that will be made for all eligible participants who are actively employed on the last day of the plan year. For the years ended December 31, 2023 and 2022 the Board elected to contribute 4% and 4%, respectively, of eligible employees' annual compensation to the Plan. Contributions are subject to certain limitations.

Participant Investment Rollovers

Participants are allowed to transfer or rollover funds into the Plan from other qualified plans.

Participant Accounts

Participant accounts are held as separate and individual accounts. Participants direct the investment of their contributions into various investment options offered by the Plan and may change it anytime. Each participant's account is credited with the participant's contribution and allocations of the (a) Plan Sponsor's contribution and (b) Plan earnings or losses. Allocations of the Plan's earnings and losses are based on the participant account balances, as defined. The Plan currently offers bond and mutual funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. The vesting schedule is as follows:

1 year of service –	20%
2 years of service –	40%
3 years of service –	60%
4 years of service –	80%
5 years or more of service –	100%

Participants Notes Receivable

Participants may borrow from their fund accounts up to a maximum of 50% of their vested account balance. Per IRS regulations, the loans cannot exceed \$50,000 per employee. The loans are secured by the balance in the participant's account. The loans bear an interest rate that ranges from 4.25% - 9.50%. The Trustee loan interest rate is equal to the Prime Rate plus 1%. The rate is a fixed rate for the life of the loan. Principal and interest are paid ratably through payroll deductions.

NOTES TO THE FINANCIAL STATEMENTS

Note 1. DESCRIPTION OF PLAN (continued)

Participants Notes Receivable (continued)

In the event of default, participant loans are reportable to plan participants as taxable income but remain outstanding and continue to accrue interest until repaid by the participant or the participant becomes eligible to receive a distribution under the terms of the Plan. As of December 31, 2023, and 2022, there was \$151,662 and \$141,367 of outstanding participant loans, respectively.

Payment of Benefits

Payment of benefits is made in accordance with the Plan documents. In addition to normal retirement benefits distributions, there are provisions in the Plan documents for hardship distributions, disability distributions and death benefits. Hardship withdrawals are permitted from employee contributions only. In-service withdrawals are also permitted from elective deferrals only for participants who have reached age 59½.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$21,659 and \$17,569, respectively. These accounts will be used to reduce future employer contributions and certain Plan expenses. Forfeitures are presented in the financial statements as additions to administrative and other expenses.

Fund Policy

Employer base contributions are at the discretion of the Board of Directors and are funded after determination of all eligible employees' compensation for the year. Employer base contributions are made during the first quarter of the following year.

Administrative and Other Expenses

The Plan bears all significant costs of operating the Plan. Administrative and other expenses for the years ended December 31, 2023 and 2022 were \$4,120 and \$34,925, respectively.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

For tax purposes, the Plan maintains its records and prepares Form 5500 on the cash basis. Financial statements are prepared on the accrual basis with additions and related assets being recognized when earned, and deductions and related liabilities being recognized when obligations are incurred. (See Note 5 for reconciliation of amounts per the financial statements to amounts per Form 5500).

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan's Management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices that represent the net asset value of shares held by the Plan at year-end.

Cash and Cash Equivalents

The Plan considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents as well as money market accounts where the market value approximates cost. With respect to Mutual of America's General Account (i.e., the Interest Accumulation Account), management concluded that the General Account was comparable to a cash equivalent and therefore is not subject to the leveling requirements of ASU 820-10 for the following reasons:

NOTES TO THE FINANCIAL STATEMENTS

Note 2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Cash and Cash Equivalents (continued)

- There are no front- or back-end charges, so investments in the General Account are completely liquid;
- The interest rate credit to investments in the General Account is a current rate, and is not dependent upon the length of time the assets are invested with Mutual of America;
- Requests for withdrawal can be made at any time and are processed on the day that they are received; they are not dependent on the Company having to liquidate securities in order to generate a payment; and
- The value shown on the pension fund report is the redeemable value of the fund; there are no deferred sales charges, load assessments or interest rate adjustments that would affect the value as a result of a withdrawal request.

Subsequent Events

Plan Management has evaluated events and transactions for potential recognition or disclosure through September 16, 2024, the date the financial statements were available to be issued.

Note 3. **PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In event of Plan termination, participants will become 100% vested in their accounts.

Note 4. **INVESTMENTS**

The Plan has adopted the Financial Accounting Standards Board's (FASB) standards in its Accounting Standards Codification for Fair Value Measurements and Disclosure for certain financial assets that are recognized or disclosed at fair value in the financial statements on a recurring basis. These standards define fair value, establish a framework for measuring fair value, and expand financial statement disclosures about fair value measurements.

These standards define fair value as the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date and in the principal or most advantageous market for that asset or liability. The fair value should be calculated based on assumptions that market participants would use in pricing the asset or liability, not on assumptions specific to the entity.

In addition to defining fair value, these standards expand the disclosure requirements around fair value and establish a fair value hierarchy for valuation inputs. The hierarchy prioritizes the inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Each fair value measurement is reported in one of the three levels, which is determined by the lowest level input that is significant to the fair value measurement in its entirety. These levels are:

- Level 1 – inputs are based upon unadjusted quoted prices for identical instruments traded in active markets.
- Level 2 – inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 – inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. The fair values are therefore determined using model-based techniques that include option pricing models, discounted cash flow models, and similar techniques.

NOTES TO THE FINANCIAL STATEMENTS

Note 4. **INVESTMENTS (continued)**

Separate Account Funds: Investments consist solely of investments in mutual funds registered with the Securities and Exchange Commission.

The Plan uses quoted prices in active markets for identical assets or liabilities to determine fair value. This pricing methodology applies to all Level 1 investments.

All investment information disclosed in the accompanying financial statements and schedules, including investments held and accrued investment income at December 31, 2023 and 2022, net realized and unrealized appreciation in fair value of investments, and interest and dividends for the years ended December 31, 2023 and 2022, were obtained or derived from information supplied to the Plan Sponsor and certified as complete and accurate by the custodian.

Assets measured at fair value on a recurring basis at December 31, 2023 are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Note 6. **TAX STATUS**

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter that the Plan and related Trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

The FASB issued guidance on accounting for uncertainty in income taxes (ASC 740-10). The Plan adopted this guidance, as required. Plan Management evaluated the Plan's tax positions and concluded that the Plan has maintained its tax-exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan Sponsor is no longer subject to income tax examination by the U.S. federal, state or local authorities for years beginning before January 1, 2020.

Note 7. **RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. For years ended December 31, 2023 and 2022, the Plan's investments were held with Mutual of America. As such this is considered to be a concentration of credit risk.

NOTES TO THE FINANCIAL STATEMENTS

Note 8. RELATED PARTY TRANSACTIONS

Some Plan assets are invested in funds sponsored by Mutual of America. Transactions involving these investments are considered to be party-in-interest transactions for which statutory exemption exists under the United States Department of Labor's rules and Regulations.

Certain employees of the Plan Sponsor provide administrative services for the Plan. These employees are paid by the Plan Sponsor, not the Plan, for these services.
