REPORT OF INDEPENDENT AUDITORS

To the Administrative Committee and Participants of
First American Bank Corporation Profit Sharing Plan

Opinion

We have audited the financial statements of First American Bank Corporation Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of First American Bank Corporation Profit Sharing Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

FIRST AMERICAN BANK CORPORATION PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of First American Bank Corporation Profit Sharing Plan (the Plan) is provided for general information purposes only. The Plan was adopted January 1, 1986, and restated effective January 1, 2015. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a contributory defined contribution retirement plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation. The sponsor of the Plan is First American Bank Corporation (the Company).

Eligibility and Participation - Employees are eligible to begin making elective deferrals beginning on the first day of the quarter after they have completed one month of service. Employees who do not decline participation upon eligibility are automatically enrolled in the Plan at a deferral rate of 3% of eligible compensation, as defined by the Plan. Full-time employees are eligible for employer match and profit sharing contributions after completing one year of employment, with at least 1,000 hours of service. Employees must be at least 21 years of age to participate in the Plan.

Contributions - Each year, participants may contribute a portion of eligible pre-tax and post-tax annual compensation, as defined by the Plan and subject to Internal Revenue Service limits. For the years ended December 31, 2023 and 2022, the Company contributed a safe harbor matching contribution for each participant equal to 100% of each participant's elective deferrals, up to 3% of the participant's compensation, plus 50% of each participant's elective deferrals in excess of 3% but not in excess of 6% of the participant's compensation. For the years ended December 31, 2023 and 2022, the Company elected to fund the employer matching contribution of \$3,147,713 and \$2,867,646 respectively, through a contribution to the First American Bank Corporation Employee Stock Ownership Plan. The Company may also contribute a discretionary profit sharing amount annually, as determined by the Board of Directors. For the years ended December 31, 2023 and 2022, the Company contributed \$1,948,778 and \$1,731,425 respectively, in discretionary profit sharing contributions.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Investments - Participants may direct contributions into various investment options offered by the Plan. Automatically enrolled participants have contributions invested in a designated investment fund until changed by the participant. Participants must evaluate their own investment goals and objectives. Poor investment performance may cause participants' balances to be lower than the amounts contributed to the Plan on their behalf.

Participant Accounts - Each participant's account is credited with the participant's contributions, allocations of any Company profit sharing and matching contributions made to the Plan, as well as allocations of investment earnings or losses and administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Company profit sharing contributions are allocated in accordance with the permitted disparity regulations (Social Security integration).

Vesting - Participants are immediately vested in rollovers, trustee-to-trustee transfers, their elective deferrals and safe harbor matching contributions, plus actual earnings thereon. Vesting in the profit sharing portion of a participant's account is based on years of credited service. Participants have no vested interest in their accrued benefit until completing two years of vesting service, at which point the account will vest ratably through six years of service, until 100% vested. A participant becomes 100% vested upon retirement, death or disability.

Payment of Benefits - Upon termination, death or disability, benefit payments may be made in lump-sum amounts, partial withdrawals, or periodic installments. No hardship withdrawals are provided under the Plan.

Participant Loans - Except for participant loans transferred as part of prior plan mergers, the Plan does not otherwise offer participant loans. The loans are secured by the balance in the participant's account. Loan interest rates ranged from 5.75% to 6.25% during the years ended December 31, 2023 and 2022. Principal and interest are repaid ratably through biweekly payroll deductions.

Forfeitures - Nonvested amounts forfeited by participants may be used as additional non-elective or matching contributions, to reduce non-elective or matching contributions, or to pay the Plan's administrative expenses. During the years ended December 31, 2023 and 2022, nonvested amounts of \$19,100 and \$48,285 respectively, were forfeited. Forfeitures used in accordance with Plan provisions totaled \$48,404 and \$4,882 for the years ended December 31, 2023 and 2022, respectively. The balance of forfeited accounts was \$19,700 and \$48,285 at December 31, 2023 and 2022, respectively.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting.

New Accounting Pronouncement - In June 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-13, *Financial Instruments - Credit Losses* (Topic 326), which is effective for the year ended December 31, 2023. This new standard provides financial statement users with more decision-useful information about the expected credit losses on financial instruments and other commitments to extend credit held by a reporting entity at each reporting date. The standard replaced the incurred loss impairment model with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates. The standard had no material impact on the Plan's financial statements.

Investments - Investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of either December 31, 2023 or 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits - Benefit payments to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan but were not yet paid at either December 31, 2023 or 2022.

Expenses - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through September 18, 2024, which is the date the financial statements were available to be issued.

NOTE 3. PRIORITIES UPON TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4. TAX STATUS

The Plan has adopted a non-standardized form of a prototype plan. The prototype plan has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

Basis of Fair Value Measurement (continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

		Fair Value Measurements at 12/31/23 Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	<u>Total</u>			
Mutual funds	\$ 102,792,996	<u>\$102,792,996</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value:				
Collective investment funds	<u>67,520,821</u>			
Total	<u>\$ 170,313,817</u>			

		Fair Value Measurements at 12/31/22 Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	<u>Total</u>			
Mutual funds	\$ 82,749,982	<u>\$ 82,749,982</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value:				
Collective investment funds	<u>61,461,241</u>			
Total	<u>\$ 144,211,223</u>			

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value as of the last business day of each period presented.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

Measurements Using Net Asset Value as a Practical Expedient

The collective investment funds are valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liability. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The collective investment funds are considered direct filing entities (DFEs) and file a Form 5500 annual report with the U.S. Department of Labor. The Plan is not required to disclose the investment strategies of DFE investments. There are no significant liquidity or withdrawal restrictions on these funds.

NOTE 6. PARTY-IN-INTEREST TRANSACTIONS

First American Bank Corporation (the Company) is the Trustee as defined by the Plan. Trust department fees incurred by the Plan for services amounted to \$7,536 and \$10,930 for the years ended December 31, 2023 and 2022, respectively. In addition, participants may invest in various collective investment funds that are sponsored by the Company.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, including credit, interest rate, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

SUPPLEMENTAL SCHEDULE

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

To the Administrative Committee and Participants of
First American Bank Corporation
Profit Sharing Plan

We have audited the financial statements of First American Bank Corporation Profit Sharing Plan (the Plan) as of and for the years ended December 31, 2023 and 2022, and our report thereon dated September 18, 2024, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Supplemental Schedule of Assets (Held at End of Year) is presented for purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
