Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Associated Restaurants Servicing, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Associated Restaurants Servicing, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Associated Restaurants Servicing, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Associated Restaurants Servicing, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Associated Restaurants Servicing, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Associated Restaurants Servicing, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2023 and 2022

A. Description of Plan

The following description of Associated Restaurants Servicing, Inc. 401(k) Retirement Plan (#333) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan established by Associated Restaurants Servicing, Inc. (Plan Sponsor) on January 1, 1994, with a restatement effective date of January 15, 2022, and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended. Participation in the Plan is entirely voluntary. Employees of the following related employers are eligible to participate in the Plan: Ehrhardt Perryville, LLC, Ehrhardt Hospitality, LLC, Ehrhardt Macon, LLC, Capital Hospitality, LLC, EEW, LLC, Ehrhardt Jefferson City, LLC, Hannibal Sandy, Inc., and Legacy Hospitality Group, LLC ("Employer"). On January 17, 2023, Ehrhardt Perryville, LLC, was sold and on August 24, 2023, Capital Hospitality, LLC, was also sold thus ceasing participation in the Plan.

An employee is eligible to participate in the Plan provided they are eligible for employment, attained age 21 and completed one year of service. The Plan has entry dates of January 1 and July 1.

On December 23, 2022, Congress passed the Consolidated Appropriation Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's financial statements.

2. Excluded Employees

There are certain employees of Associated Restaurants Servicing, Inc., who will not be eligible to participate in the Plan. Those employees are:

- (a) Collectively bargained employees.
- (b) Non-resident aliens who receive no compensation from the employer which constitutes U.S. source income.
- (c) Leased employees.

3. Contributions to the Plan

Contributions to the Plan consist of the following:

Participants:

- Salary deferrals – The Plan allows salary deferrals in an amount up to the limit set by the Internal Revenue Service on an annual basis and at all times have a 100% vested interest. The maximum salary deferral for the 2023 and 2022 calendar years are \$22,500 and \$20,500, respectively, and \$7,500 and \$6,500 catch up maximum. Catch-up contributions are available to participants 50 years or older and are not counted toward any other limits imposed on other Plan contributions. Roth contributions are permitted under the Plan. Elective contributions were \$276,541 and \$285,916 for the years ended December 31, 2023 and 2022, respectively.

A. Description of Plan (Continued)

3. Contributions to the Plan (Concluded)

- Rollover contributions – Qualified distributions from certain other kinds of retirement plans or accounts may be rolled over into this Plan and at all times have a 100% vested interest. There were no rollovers for 2023 or 2022.

Employer:

- Matching contributions – The employer may make a discretionary matching contribution allocated as a uniform percentage of eligible contributions. This discretionary matching contribution will not exceed 4% of Plan compensation for the Plan Year under ACP safe harbor match limitation. Each year, the employer will determine the amount of the discretionary percentage, however, any salary deferrals that are “catch-up contributions” will not be matched. There were no matching contributions for the years ended December 31, 2023 or 2022.
- Safe harbor contributions – The employer will make a traditional safe harbor matching contribution to the individual account of each eligible employee. The contribution is equal to 100% of salary deferrals up to 4% of Plan compensation and is completed each payroll period. The safe harbor contribution will be allocated to all participants who are eligible to make salary deferrals under the Plan. The total safe harbor contributions were \$218,485 and \$211,560 for the years ended December 31, 2023 and 2022.

4. Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the employer's contribution, Plan earnings, and charged with an allocation of investment gains or losses, withdrawals, and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

5. Investments

Upon enrollment in the Plan, participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan.

6. Vesting

Participants are immediately 100% vested in their contributions plus actual earnings thereon. Vesting in the employer's contribution portion of participant accounts is based on years of continuous service. Employees vest 20 percent per year after completing two years of service until becoming 100 percent vested after six years of credited service in accordance with the Plan document, or immediately if employment is terminated due to death, disability, or retirement upon attainment of the age of 65.

7. Notes Receivable from Participants

The Plan does not permit notes receivable from participants.

8. Payment of Benefits

On termination of service due to death, disability, or retirement, a participant can elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or various forms of annuities, as provided in the Plan document. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

9. Forfeitures

During the years ended December 31, 2023 and 2022, forfeited non-vested accounts totaled \$5,567 and \$4,634, respectively. Forfeitures can be used to reduce future employer contributions to the Plan, pay Plan expenses, or can be allocated among the accounts of participants eligible to share for a Plan year. Forfeitures of \$766 were used to reduce the employer contributions to the Plan for the year ended December 31, 2023. None of the forfeiture accounts were used for the year ended December 31, 2022.

B. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, except that benefits paid to Plan participants are recorded on a cash basis.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains or losses on the investments bought and sold as well as held during the year.

Contributions

Contributions from employees are recorded as they are withheld from the participant's wages.

B. Summary of Accounting Policies (Concluded)

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Administrative expenses of the Plan are paid by the Plan, as provided in the Plan document. Expenses that are paid by the employer are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

C. Information Prepared and Certified by Custodian (Unaudited)

The Plan's management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following investment information was certified by Equitable Life Insurance Company, the custodian of the plan, and furnished to the Plan's management. The Plan's management has obtained certifications from the custodian that the information is complete and accurate as of and for the years ended December 31, 2023 and 2022.

- Total investments as shown in the accompanying statements of net assets available for benefits of \$6,224,795 and \$5,380,672 as of December 31, 2023 and 2022.
- Interest income reported by the custodian totaled \$14,365 and \$12,142 for the years ending December 31, 2023 and 2022.
- During 2023 and 2022, the Plan's investments (including investments bought, sold, and held during the year), as reported by the custodian, appreciated (depreciated) in current value by \$856,411 and (\$1,162,572).
- All investment-related information in the accompanying supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is as of December 31, 2023.

D. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Plan #333

Plan Sponsor EIN 43-1634914

Hannibal, Missouri

Notes to Financial Statements

December 31, 2023 and 2022

D. Fair Value Measurements (Concluded)**Level 2**

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets,
- quoted prices for identical or similar assets or liabilities in inactive markets,
- inputs other than quoted prices that are observable for the asset or liability,
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2023.

Pooled separate accounts with underlying mutual fund investments are valued based on the observable net asset value (NAV) of the underlying investment. There are no restrictions on the redemption of these investments. There are no unfunded commitments. Redemption may be daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2023 and 2022:

Fair Value Measurements at

E. Investment Contract with Insurance Company

The Plan has an annuity contract with Equitable Life Insurance Company. There are several interest rates in effect simultaneously: 1) lifetime minimum guaranteed interest rate; 2) annual minimum guaranteed interest rate for the calendar year; and 3) current guaranteed interest rate. There are two components of the current guaranteed interest rate – new money interest rate and pooled interest rate. Contributions invested in the guaranteed interest option (GIO) for the first time receive a new money interest rate determined monthly. Contributions invested longer than 13 months, then earn a pooled interest rate, determined monthly, for as long as the amount remains in the GIO. Contributions to the GIO become part of Equitable's general account. The general account supports all of Equitable's policy and contract guarantees, including those that apply to the GIO. Guarantees are based on the claims-paying ability of Equitable. The GIO is not a variable investment option but is subject to fluctuation in value and market risk, including loss of principal.

The GIO value equals the contributions and any transfers into the option plus interest, less transfers or withdrawals out of the option, withdrawal charges, and annual administrative charge. Withdrawals are subject to normal income tax treatment. Withdrawals may be subject to a withdrawal charge of up to 6%.

F. Party-In-Interest Transactions

Certain Plan investments are managed by Equitable Life Insurance Company, the custodian of the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. Certain administrative fees related to the administration of the Plan were paid by the Plan or by the employer. These transactions qualify as party-in-interest transactions.

G. Plan Termination

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their accounts.

H. Tax Status and Uncertain Tax Positions

The employer has adopted a non-standardized plan pre-approved by the Internal Revenue Service (IRS). The IRS issued an opinion letter dated June 30, 2020, that the non-standardized plan is acceptable with the applicable section of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Employer and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and the Plan and related trust continue to be tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions. Currently, there are no audits for any tax periods in progress.

I. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
