### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Guideposts Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matters — Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# GUIDEPOSTS RETIREMENT SAVINGS PLAN

---

## NOTES TO FINANCIAL STATEMENTS

### 1. Plan Description:

The following description of the Guideposts Retirement Savings Plan (the "Plan") is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the plan's provisions.

#### General

The Plan is a defined contribution plan covering substantially all employees of Guideposts, a Church Corporation, (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions.

#### Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, not to exceed the Internal Revenue Service ("IRS") limits, as defined in the Plan agreement. Newly hired employees are automatically enrolled within a reasonable period after date of hire with a deduction of 6% of gross compensation. Participants have the right to elect a different contribution rate or to opt out. The Plan allows for a discretionary matching contribution ("Match Formula 1"). During 2023 and 2022, the Company did not make a Match Formula 1 discretionary matching contribution. The Plan also allows for an additional discretionary matching contribution ("Match Formula 2") for participants immediately following attainment of age 21. During 2023 and 2022, the Company made a Match Formula 2 discretionary matching contribution equal to 50% of the first 6% of deferrals, for a maximum match of 3%. The Plan also allows for a discretionary nonelective contribution for participants employed on the last day of the Plan year. During 2023 and 2022, the Company did not make a discretionary nonelective contribution.

#### Participant Accounts

Participant accounts are credited with the participant's contributions and an allocation of the Company's contributions and Plan earnings/(losses). Allocations are based on each participant's earnings or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

#### Notes Receivable from Participants

Participants may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or fifty percent of their vested account balance. Loan terms range from one to five years, with the exception of loans for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at prime plus one percent per annum. Principal and interest are paid ratably through payroll deductions.

#### Vesting

Participants are immediately vested in their contributions, employer Match Formula 1 and employer nonelective contributions plus actual earnings thereon. Vesting in employer Match Formula 2 contributions is based on periods of service. A participant is 100% vested after 3 or more periods of service. A period of service for vesting purposes is measured in 12-month periods starting with the date of hire (or reemployment date) and ending with the severance date.

#### Distributions

Upon retirement, disability, death or other separation from service, a participant receives either a lump-sum amount, annuity or installments equal to the value of his or her account. A participant may also withdraw his account balance upon termination. However, any non-vested portion of the account balance is forfeited. A participant may also request a withdrawal upon attainment of age 59 1/2 or hardship.

### 1. Plan Description (continued):

#### **Forfeitures**

Upon termination of employment, participants forfeit their non-vested balances. Forfeited non-vested amounts are used to restore participant accounts, reduce employer contributions or offset Plan expenses. During 2023 and 2022, the Plan utilized forfeitures of \$12,118 and \$22,369, respectively. Unallocated balances as of December 31, 2023 and 2022 were \$11,506 and \$11,670, respectively.

#### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their account balances.

#### **Administration**

The Plan is administered by Guideposts, a Church Corporation. Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("Principal"), is the custodian of the Plan.

### 2. Summary of Significant Accounting Policies:

#### **Basis of Accounting**

The Plan uses the accrual method of accounting which recognizes income when it is earned and expenses as they are incurred.

#### **Pervasiveness of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results may differ from those estimates.

#### **Fair Value of Financial Instruments**

The carrying amounts of financial instruments, including receivables arising in the ordinary course of business, approximate fair value due to the short maturity of these instruments.

#### **Investment Valuation and Income Recognition**

The Plan's investments, other than fully benefit-responsive investment contracts, are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value.

Fully benefit-responsive investment contracts are stated at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation/(depreciation) includes the Plan's gains and losses on those investments bought and sold during the year as well as held at year-end.

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance. Any accrued but unpaid interest is included in the balance. Delinquent loans are treated as distributions based upon the terms of the Plan document.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Administrative Expenses**

All expenses of maintaining the Plan, to the extent that the Company does not pay such expenses, are paid by the Plan. Participant loan setup fees and distribution fees are deducted from the proceeds paid to the initiating participants.

## GUIDEPOSTS RETIREMENT SAVINGS PLAN

### 2. Summary of Significant Accounting Policies (continued):

#### Risks and Uncertainties

The Plan utilizes various investment instruments which are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements. The Plan's investments are not insured or protected by the Plan's custodian. Accordingly, the Plan is subject to the normal investment risks associated with money market funds, mutual funds, stocks, bonds and other similar types of investments.

#### Income Taxes

The Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform with the sample language provided by the IRS in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under Section 403(b). Effective March 31, 2017, there is a new Principal Financial Group Prototype Plan Document. The prototype plans have received opinion letters from the IRS as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with applicable provisions of the IRS.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan and concluded that, as of December 31, 2023, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

#### Subsequent Events

The date to which events occurring after December 31, 2023, the date of the most recent statement of net assets available for benefits, have been evaluated for possible adjustment to the financial statements or disclosure is September 16, 2024, which is the date on which the financial statements were available to be issued.

### 3. Information Certified by Custodian:

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the years then ended, included throughout the Plan's financial statements and the supplemental schedule, that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and the supplemental schedule.

The following table presents the fair value of the assets in the Plan certified by the custodian.

| As of December 31                                              | 2023          | 2022          |
|----------------------------------------------------------------|---------------|---------------|
| Mutual Funds                                                   | \$ 33,251,053 | \$ 28,056,026 |
| Fully Benefit-Responsive Investment Contract at Contract Value | 3,180,211     | 4,233,792     |
| Total Certified Plan Investments                               | 36,431,264    | 32,289,818    |
| Notes Receivable from Participants                             | 140,147       | 179,559       |
| Total Certified Plan Assets                                    | \$ 36,571,411 | \$ 32,469,377 |

The custodian also certified to the completeness and accuracy of \$5,335,545 and \$(7,619,736) of net appreciation/(depreciation) in fair value of investments and \$593,966 and \$491,151 of interest and dividends related to the aforementioned Plan Assets for the years ended December 31, 2023 and 2022, respectively.

## GUIDEPOSTS RETIREMENT SAVINGS PLAN

### 4. Fair Value Measurements:

Accounting principles generally accepted in the United States of America provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Mutual Funds:* Valued at a daily calculated net asset value ("NAV") and traded at a quoted price through the National Securities Clearing Corporation.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of the future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

| December 31, 2023 |               |               |         |         |
|-------------------|---------------|---------------|---------|---------|
|                   | Total         | Level 1       | Level 2 | Level 3 |
| Mutual Funds      | \$ 33,251,053 | \$ 33,251,053 | -       | \$ -    |

  

| December 31, 2022 |               |               |         |         |
|-------------------|---------------|---------------|---------|---------|
|                   | Total         | Level 1       | Level 2 | Level 3 |
| Mutual Funds      | \$ 28,056,026 | \$ 28,056,026 | -       | \$ -    |

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

### 5. Investment Contract:

As of December 31, 2023 and 2022, the Plan has a fully benefit-responsive group annuity contract with Principal, the custodian. The custodian maintains the contributions in a fixed income contract. The contract guarantees principal and provides a stated rate of return backed by the custodian.

The investment contract is fully benefit-responsive and contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fixed income contract. Contract value, as reported to the Plan by the custodian, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

## GUIDEPOSTS RETIREMENT SAVINGS PLAN

---

### 5. Investment Contract (continued):

The methodology for calculating the interest crediting rate is defined in Article I, Section 2 of the contract under the term “Composite Crediting Rate.” Under the terms of the contract, the Composite Crediting Rate is reset on a semiannual basis and will never be less than the Guaranteed Minimum Interest Rate. This interest rate is prior to any plan-level recordkeeping expenses being deducted. Any difference between this interest rate and the actual earned crediting rate for each plan participant would be due to the Rate Level Service Fee.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) premature terminations of the contracts by the Plan, (2) plant closings, (3) layoffs, (4) plan terminations, (5) bankruptcies, (6) mergers and (7) early retirement incentives. No events are probable of occurring that might limit the ability of the Plan to transact at contract value and also limit the ability of the Plan to transact at contract value with participants. The Plan itself must allow participants reasonable access to their funds.

In addition, certain events and circumstances allow the issuer to terminate the fully benefit-responsive investment contracts with the Plan and settle at an amount different from contract value. Such events include the following: (1) if the Plan Sponsor wishes to terminate the Plan's interest, the amount paid out will be the value of the Plan's interest or (2) termination will occur on the date when both (I) no current deposit arrangements have been made between participant and issuer and (II) there are no Guaranteed Interest Funds with a value greater than zero.

### 6. Related Party Transactions:

Certain Plan investments are managed by Principal. Therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for the investment management services and recordkeeping services amounted to \$81,761 and \$82,405 for the years ended December 31, 2023 and 2022, respectively.

### 7. Reconciliation to the Form 5500:

A reconciliation of net assets available for Plan benefits per the financial statements to the Form 5500 is as follows:

| As of December 31                                              | 2023          | 2022          |
|----------------------------------------------------------------|---------------|---------------|
| Net Assets Available for Benefits per the Financial Statements | \$ 36,598,114 | \$ 32,497,391 |
| Adjustments:                                                   |               |               |
| Company Contributions Receivable                               | (5,962)       | (6,458)       |
