INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants, and Beneficiaries of the
Havis, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Havis, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HAVIS, INC. 401(k) PLAN

Notes to Financial Statements December 31, 2023 and 2022

NOTE A - DESCRIPTION OF THE PLAN

The following is a description of the Havis, Inc. (the "Company") 401(k) Plan (the "Plan"). It is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

[1] General:

The Plan was established on July 1, 1993. The Plan operates under Section 401(k) of the Internal Revenue Code. The Plan is a defined-contribution plan in which every employee of the Company is eligible to enter on the first day of the month coinciding with or next following 60 consecutive days of service and after having attained age 18. Newport Trust Company is the trustee, and Newport Group, Inc. is the record keeper of the Plan.

Effective December 31, 2022, the assets of Engineered Network Systems 401(k) Profit Sharing Plan and Trust ("ENS") were legally merged into the Plan. The participants' accounts from ENS, amounting to \$6,088,453 at December 31, 2022, were recorded as a receivable and a transfer from related plan in the accompanying financial statements. All amounts were transferred to the trust on January 10, 2023.

[2] Contributions:

Participants may contribute up to 100% of pre-tax annual compensation, as defined by the Plan, not to exceed certain dollar limits which are set by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan allows Roth deferral contributions. The Company made a Qualified Automatic Contribution Arrangement ("QACA") safe harbor match of 100% of the first 1% of compensation deferred and 50% for the compensation deferrals that exceed 1% but do not exceed 6%. Employees of the Company who have not met the eligibility requirements may contribute amounts representing distributions from other qualified plans.

The Company also may make a profit-sharing contribution at the discretion of management. Such additional contributions, if any, shall be allocated to each participant in proportion to his or her compensation for the Plan year. To receive a profit-sharing contribution, an employee must be an eligible participant on the last day of the Plan year or have completed at least 501 hours of service during the current Plan year, unless the employee dies during the Plan year, terminates employment due to becoming disabled, terminates employment after attainment of normal retirement age (65) in the current Plan year or any prior Plan year, or terminates employment after attainment of early retirement age (55) in the current Plan year or any prior Plan year. The Company has elected to not make a discretionary contribution for the Plan year ended December 31, 2023.

The Plan includes an auto-enrollment provision which is applied after eligibility requirements are satisfied. Employees that are automatically enrolled will have their contributions defaulted to the age-appropriate target-date fund in the Plan's current lineup. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation.

[3] Participant accounts:

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings (losses) and may be charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

HAVIS, INC. 401(k) PLAN

Notes to Financial Statements December 31, 2023 and 2022

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[4] Vesting:

Participants are immediately vested in their contributions, rollover contributions and actual earnings thereon. Vesting in the Company's matching and profit-sharing contributions portion of their accounts, plus actual earnings on such contributions, is based on years of continuous service. All Company contributions vested for participants who were terminated prior to January 1, 2023, were as follows:

<u>Years of Service</u>	<u>Percentage</u>
Fewer than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Upon restatement of the Plan, effective January 1, 2023, all participants still employed become fully vested in their Qualified Automatic Contribution Agreement contributions and Company's matching contributions after 2 years of service.

[5] Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balances, plus any accrued but unpaid interest. A participant may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 1%, as defined. Interest rates on outstanding loan balances range from 4.25% to 9.50% at December 31, 2023 and range from 4.25% to 8.00% at December 31, 2022. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as benefits paid to participants based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

[6] Forfeitures:

Forfeitures of terminated participants' nonvested accounts are used to pay Plan expenses or to reduce contributions of the Company. During the year ended December 31, 2023, forfeitures of approximately \$23,800 were used to pay Plan expenses. Forfeited nonvested accounts available at December 31, 2023 and 2022 were approximately \$20,100 and \$2,300, respectively.

[7] Payment of benefits:

On termination of employment, a participant or beneficiary with a vested account balance exceeding \$5,000 may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or monthly, quarterly, semi-annual or annual payments over a period not exceeding the life expectancy of the participant or his or her designated beneficiary. A participant with a balance less than \$5,000 may receive the value of the vested interest in his or her account as a lump-sum distribution.

HAVIS, INC. 401(k) PLAN

Notes to Financial Statements December 31, 2023 and 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of accounting:

The financial statements are prepared on the accrual method of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

[2] Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

[3] Investment valuation and income recognition:

The Plan's investments are reported at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

[4] Plan expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

[5] Payment of benefits:

Benefits are recorded when paid.

NOTE C - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Newport Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the statement of changes in net assets available for benefits for the year ended December 31, 2023, and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2023.

HAVIS, INC. 401(k) PLAN

Notes to Financial Statements December 31, 2023 and 2022

NOTE D - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 or 2022.

Registered investment companies (mutual funds) - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

T. Rowe Price Stable Value Fund - Valued at the NAV of units of a collective trust fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan sponsor were to initiate a full redemption of the fund, the fund reserves the right to delay the withdrawal for up to 12 months and requires a notification period of 30 days. There were no unfunded commitments as of December 31, 2023. The fund seeks to maximize current income and maintain principal stability by investing in a diversified portfolio of guaranteed investment contracts, bank investment contracts and synthetic investment contracts.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements December 31, 2023 and 2022

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth, by level, within the hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022:

Investment Assets at Fair Value as of December 31, 2023

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total investment assets at fair value	<u>\$ 28,371,928</u>	<u>\$ -</u>	<u>\$ -</u>	<u>28,371,928</u>
Investments measured at NAV (A):				
Common/collective trusts				<u>1,739,595</u>
Investments at fair value				<u>\$ 30,111,523</u>

Investment Assets at Fair Value as of December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments:				
Mutual funds	<u>\$ 16,985,704</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,985,704</u>
Total investment assets at fair value	<u>\$ 16,985,704</u>	<u>\$ -</u>	<u>\$ -</u>	<u>16,985,704</u>
Investments measured at NAV (A):				
Common/collective trusts				<u>1,812,053</u>
Investments at fair value				<u>\$ 18,797,757</u>

- (A) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

HAVIS, INC. 401(k) PLAN

Notes to Financial Statements December 31, 2023 and 2022

NOTE E - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a benefit-responsive guaranteed investment contract with Reliance Trust offered as a Stable Value Fund MetLife option under the Plan. Reliance Trust maintained the contributions in a general account. The contract was reported at contract value. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan.

Because the guaranteed investment contract was fully benefit-responsive, contract value was the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Reliance Trust, represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may have ordinarily directed the withdrawal or transfer of all or a portion of their investment at contract value.

The traditional investment contract held by the Plan was a guaranteed investment contract. The contract issuer was contractually obligated to repay the principal and interest at a specified interest rate that was guaranteed to the Plan. The crediting rate was based on a formula established by the contract issuer but may not have been less than 1 percent. The crediting rate was reviewed on a quarterly basis for resetting. The contract cannot have been terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts was dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may have been affected by future economic and regulatory developments.

Certain events might have limited the ability of the Plan to transact at contract value with the contract issuer. These events may have been different under each contract. Examples of such events included the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code;
2. Premature termination of the contracts;
3. Plan termination or merger;
4. Changes to the Plan's prohibition on competing investment options; or
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affected the Plan's normal operations.

In addition, certain events allowed the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may have been different under each contract. Examples of such events included the following:

1. An uncured violation of the Plan's investment guidelines;
2. A breach of material obligation under the contract;
3. A material misrepresentation; or
4. A material amendment to the agreements without the consent of the issuer.

HAVIS, INC. 401(k) PLAN

Notes to Financial Statements December 31, 2023 and 2022

NOTE F - TAX STATUS

The Plan has adopted a Non-standardized Defined Contribution Pre-approved Plan sponsored by CBIZ Retirement Plan Services. On June 30, 2020, the Internal Revenue Service ("IRS") stated in an opinion letter that the Non-standardized Defined Contribution Pre-approved Plan adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("IRC") and, therefore, the related trust was exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE G - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan paid expenses related to Plan operations and investment fees to service providers. These transactions are party-in-interest transactions under ERISA. Fees paid by the Plan were \$111,836 for the year ended December 31, 2023.

The trustee provides certain administrative services to the Plan and receives revenue from mutual fund providers for services the trustee provides to the funds. This revenue is used to offset certain amounts owed to the trustee for its administrative services to the Plan. If the revenue received by the trustee from such mutual fund service providers exceeds the amounts owed, the trustee remits the excess to the Plan pursuant to the service agreement. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants, depending on the Plan's provisions. During 2023, approximately \$2,200 was received from the trustee and is reflected in net realized/unrealized appreciation in fair value of investments in the statement of changes in net assets available for benefits. The account balance as of December 31, 2023 and 2022 was approximately \$-0- and \$5,100, respectively.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments as of December 31, 2023 may not necessarily be indicative of amounts that could be realized in a current market exchange.

HAVIS, INC. 401(k) PLAN

Notes to Financial Statements December 31, 2023 and 2022

NOTE I - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

NOTE J - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 11, 2024, which is the date the financial statements were available to be issued.

Effective May 1, 2024, the Plan was amended. For purposes of calculating the safe harbor matching contribution, participant's compensation and deferrals will be determined on an annual basis.
