## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrative Committee  
Invoca, Inc. 401(k) Profit Sharing Plan & Trust  
Santa Barbara, California

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements**

We have performed an audit of the accompanying financial statements of Invoca, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements of information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year then ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2023 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section—

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2023 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2023 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - 2023 Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Other Matter - Auditor's Report on the 2022 Financial Statements**

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 13, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

### **NOTE 1. DESCRIPTION OF PLAN**

The following description of the Invoca, Inc. 401(k) Profit Sharing Plan & Trust (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### ***General:***

The Plan is a defined contribution plan. Invoca, Inc. (the Company) is the administrator and sponsor of the Plan. The Plan was established on January 1, 2011, and uses Fidelity Management Trust Company as the plan trustee (custodian). The Plan was most recently restated March 11, 2022. The participants are responsible for the direction of their account balances into specific investment options. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### ***Eligibility:***

Employees of the Company who are not covered by a collective bargaining agreement, non-resident aliens who do not receive earned income from the Employer representing United States source income, and who have obtained 21 years of age are eligible to participate in the Plan. Eligible employees are entered into and can begin participating in the Plan immediately upon meeting the eligibility requirements.

#### ***Contributions:***

Eligible plan participants may elect to make pre-tax or Roth contributions to the Plan up to 92% of their eligible compensation upon entry to the Plan. The plan adopted a safe harbor match whereby the Company makes matching contributions of 100% of each eligible participants contribution up to the first 3% of Plan compensation, plus 50% of the participant's contribution between 3% and 5% of eligible Plan compensation. The Plan also allows for additional discretionary non-elective contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from certain other qualified plans (rollovers). Contributions are subject to certain IRS limitations.

#### ***Participant accounts:***

Each participant's account is credited with the participant's elective contributions, employer contributions and allocation of Plan earnings, and charged with an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances as defined by the Plan. Participant accounts are valued daily. The benefit the participant is entitled to is the benefit that can be provided from the participant's account.

#### ***Notes receivable from participants:***

The Plan permits participants to borrow up to 50% of their respective vested account balances, not to exceed \$50,000, subject to a minimum loan of \$1,000. The notes are secured with at least 50% of the present value of a participant's vested interest in the participant's account and bear interest at a reasonable rate. The period of the loan will be described in the promissory note evidencing the loan. Principal and interest are generally paid through payroll deductions. Outstanding participant loans as of December 31, 2023, bear interest at annual rates of between 3.25% and 8.50%.

### **NOTE 1. (CONTINUED)**

#### ***Vesting:***

Participants are vested immediately in their contributions and employer safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's elective profit sharing contribution portion of their account is based on years of continuous service. A participant is 100% vested after six years of service. Participant accounts become 100% vested if the participant becomes disabled or dies, or if the participant reached normal retirement age as defined by the Plan, regardless of years of vested service.

#### ***Benefits paid to participants:***

Distributions to terminated or retired participants are made in a single lump-sum payment to the participant (or in the case of death, the participant's beneficiary) or periodic installments over a period specified by the plan. If terminated/retired participants do not voluntarily elect to move their funds out of the plan, vested account balances between \$1,000 and \$4,999 are rolled into an IRA on the employee's behalf. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator can authorize the benefit payment without the Participant's consent.

Active (not terminated/retired) participants experiencing financial hardship may withdraw a portion of their account balance as defined in the Plan and withdrawals are limited pursuant to the Plan's provisions.

#### ***Forfeitures:***

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$2 and \$3,684, respectively. These accounts will be used to reduce future employer contributions or pay plan administrative expenses. During the year ended December 31, 2023, \$13,932 was used to reduce employer contributions.

### **NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### ***Basis of accounting:***

The financial statements of the Plan are prepared on the accrual basis of accounting.

#### ***Use of estimates:***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

#### ***Investment valuation and income recognition:***

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and asset custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### ***Payment of benefits:***

Benefits are recorded when paid.

### **NOTE 2. (CONTINUED)**

#### ***Notes receivable from participants:***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded based on the terms of the Plan document.

#### ***Expenses:***

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable and distributions from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation (depreciation) of fair value of investments.

#### ***Subsequent events:***

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through September 5, 2024, the date the financial statements were available to be issued.

### **NOTE 3. CERTIFICATION OF INVESTMENT INFORMATION**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Fidelity Management Trust Company, the trustee and asset custodian of the Plan, has certified as to the completeness and accuracy of all investment information reflected in the accompanying statement of net assets available for benefits as of December 31, 2023, the statement of changes in net assets available for benefits for the year ending December 31, 2023, and the supplemental schedule of assets (held at end of year) as of December 31, 2023.

### **NOTE 4. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets.
- quoted prices for identical or similar assets and liabilities in inactive markets.
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

**INVOCA, INC. 401(K) PROFIT SHARING PLAN & TRUST**

**NOTES TO FINANCIAL STATEMENTS**

**NOTE 4. (CONTINUED)**

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

**Mutual funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the plan's asset at fair value as of December 31, 2023 and 2022:

**Assets at Fair Value as of December 31, 2023**

**NOTE 5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Fidelity Management Trust Company is the trustee as defined by the Plan and Fidelity Workplace Services, LLC is the record-keeper and therefore, transactions with these entities qualify as exempt party-in-interest transactions under the prohibited transaction rules of ERISA. There are no known prohibited transactions with related party and party-in-interest during the plan year 2023.

**NOTE 6. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

**NOTES TO FINANCIAL STATEMENTS**

**NOTE 7. PLAN TAX STATUS**

The Plan is placing reliance on an opinion letter dated June 30, 2020, that the Plan's governing documents are designed in accordance with applicable sections of the Internal Revenue Code and therefore not subject to current income tax law. The Plan has been amended since receiving the letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS and, therefore, believes the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

**NOTE 8. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 9. SECURE ACT 2.0**

In December 2022, Securing a Strong Retirement Act (SECURE 2.0) was passed into law. The provisions of SECURE 2.0 continue the themes and reforms that began with the 2019 CARES Act. The effective date of the provisions of SECURE 2.0 vary from becoming effective immediately through 2028. Those provisions include both required and optional elements. Management has evaluated those provisions and determined there is no current impact on the Plan. Plan management will determine the optional provisions to elect in the future.
