To Plan Administrator and Management
Colormasters, LLC 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Colormasters, LLC 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Colormasters, LLC 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Nationwide Trust Company, FSB, as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Plan Administrator and Management

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Colormasters, LLC 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Colormasters, LLC 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of

Colormasters, LLC 401(k) Retirement Plan
Plan Administrator and Management

assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Colormasters, LLC 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Colormasters, LLC 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at End of Year (Unaudited) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and

COLORMASTERS, LLC 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Colormasters, LLC 401(k) Retirement Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan, a 401(k) defined contribution plan, was originally adopted in 2008 and is intended to provide participants with future retirement benefits for those who meet the eligibility requirements as defined by the Plan. The Plan covers substantially all employees of Colormasters, L.L.C., Master Extrusion, L.L.C., Colormasters, Inc. and Extrusionmasters, Inc., (collectively, the "Companies") who are at least twenty-one years of age and have one year of service. Upon meeting the eligibility requirements, participants must work 1,000 hours to be credited with a year of service. Participation ceases upon termination of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

CONTRIBUTIONS

Participants in the Plan may contribute a portion of annual compensation, as defined in the Plan, up to an established Internal Revenue Service maximum of \$22,500 and \$20,500 for years 2023 and 2022, respectively. Participants are also allowed to contribute amounts representing distributions from other qualified plans (rollover contributions). Additionally, participants in the Plan who have attained age 50 by the end of the Plan year may defer additional amounts. The additional amount of these contributions is limited to \$7,500 and \$6,500 for the years 2023 and 2022, respectively.

The employer, at its discretion may make matching contributions of participant deferrals, or a profit-sharing contribution to be allocated to all eligible participants. For the year ended December 31, 2023, the Companies made matching contributions of \$37,162. There were no discretionary profit-sharing contributions for the year. All employer contributions to the Plan were in cash.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, Company contributions, and Plan earnings. Participant accounts may be charged with an allocation of administrative expenses that are paid by the Plan. Participant accounts are charged with administrative expenses related to specific participant transactions. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

VESTING

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the employer contribution portions of their accounts, plus actual earnings thereon, is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vested Interest</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

The Plan provides that a participant's account becomes 100% vested upon the participant's death, total disability, or attainment of normal retirement age prior to termination of employment.

INVESTMENT OPTIONS

Participants may direct contributions, including employer contributions, into any investment option provided by the Plan. Participants may change their investment options daily. The Plan provides for registered investment companies (e.g., mutual funds) and a guaranteed interest contract.

FORFEITURES

As of December 31, 2023 and 2022, forfeitures held by the Plan were \$7,322 and \$2,019, respectively. The forfeiture amounts may be used to restore forfeitures, pay plan expenses, or reduce the employer contribution.

PAYMENT OF BENEFITS

The Plan provides retirement benefits for participants who have reached age sixty-five. For terminated employees, participants may elect to receive a lump sum payment equal to the value of the participant's vested interest in his/her account. In-service distributions are allowed for a participant who has not separated from services and has attained age 59.5. Upon total disability or death, the Plan provides for a lump sum distribution of the participant's account balance to the participant or beneficiary.

The amount of a participant's benefit is limited to the individual's account balance, which is composed of the participant's contributions to the Plan, employer contributions, and allocated income of the Plan.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

HARDSHIP WITHDRAWALS

Withdrawal of a portion of a participant's account will be permitted due to an immediate and heavy financial need, if it meets Internal Revenue Service requirements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accounting records of the Plan are maintained on the accrual basis for financial reporting purposes except for payment of benefits which are recorded when paid.

ACCOUNTING PERIOD

The Plan Administrator has elected a calendar year ending December 31.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes dividends, interest, and both realized and unrealized gains and losses on investments during the year.

EXEMPT PARTY-IN-INTEREST TRANSACTIONS

All of the Plan's investments are managed and valued by Nationwide Trust Company, FSB. Thus, all investment transactions qualify as party-in-interest transactions under ERISA.

DATE OF MANAGEMENT'S REVIEW OF SUBSEQUENT EVENTS

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for, and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through September 26, 2024, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

PAYMENT OF BENEFITS

Benefits are recorded as deductions from net assets available for benefits when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of administering the Plan are paid by the plan sponsor and therefore, are not included in the Plan expenses. For the year ended December 31, 2023, fees totaling \$25,136 were paid by the plan sponsor.

NOTE 3 – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Valuation based on quoted prices for identical assets and liabilities in active markets.

Level 2 – Valuation based on observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 2,657,676	\$ -	\$ -	\$ 2,657,676
Money Market Accounts	3,080	-	-	3,080
Investment at Fair Value	<u>\$ 2,660,756</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,660,756</u>
	2022			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 2,131,358	\$ -	\$ -	\$ 2,131,358
Money Market Accounts	1,690	-	-	1,690
Investment at Fair Value	<u>\$ 2,133,048</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,133,048</u>

NOTE 4 – GUARANTEED INVESTMENT CONTRACT

The Plan has a fully benefit-responsive guaranteed investment contract with Nationwide Trust Company, FSB. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuers were contractually obligated to repay the principal and a specified interest rate that is guaranteed to the plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Nationwide Trust Company, FSB represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

(Continued)

COLORMASTERS, LLC 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 4 – GUARANTEED INVESTMENT CONTRACT(Continued)

The crediting rate is reset quarterly and ranged between 1.42% and 1.52% for the year ending December 31, 2023. The rates ranged between 0.98% and 1.32% for the year ending December 31, 2022.

Certain events limit the Plan's ability to transact at contract value with each individual contract. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 5 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, Nationwide Trust Company, FSB, determined to be a qualified institution by the plan administrator, has certified to the completeness and accuracy of the following data as of December 31, 2023 and 2022, and for the year ended December 31, 2023.

	<u>2023</u>	<u>2022</u>
Value of Investments:		
Mutual Funds (at Fair Value)	\$ 2,657,676	\$ 2,131,358
Money Market Accounts (at Fair Value)	3,080	1,690
Guaranteed Investment Contract (at Contract Value)	<u>56,181</u>	<u>33,886</u>
	<u>\$ 2,716,937</u>	<u>\$ 2,166,934</u>

In addition, the schedule of assets held at December 31, 2023, has been prepared from information certified by the trustee.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 5 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

(Continued)

Accordingly, as requested by the plan administrator, the Plan's auditor performed no procedures on the certified information other than to agree the certified information to the related information included in the financial statements and schedule of assets held at end of year (unaudited).

NOTE 6 – INCOME TAX STATUS

The Plan has adopted the Benefit Professionals, Inc. Pre-Approved Profit Sharing Plan. The Internal Revenue Service informed Benefit Professionals, Inc. by letter dated June 30, 2020, that its plan is designed in accordance with the applicable sections of the IRC and is appropriate for use by employers for the benefit of their employees. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 - RISKS AND UNCERTANTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
