Independent Auditors' Report

Trustee and Plan Administrator of the Western Carriers, Inc. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Western Carriers, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Western Carriers, Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Western Carriers, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Western Carriers, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Trustee and Plan Administrator
Western Carriers, Inc. Profit Sharing Plan
Page 3

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Western Carriers, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Western Carriers, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Western Carriers, Inc. Profit Sharing Plan

Notes to Financial Statements
December 31, 2023

1. Description of Plan

The following brief description of the Western Carriers, Inc. Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan qualified under Section 401(a) of the Internal Revenue Code ("IRC"), covering all employees of Western Carriers, Inc., Western Wine Services, Inc. and Western Logistics, Inc. (the "Companies" or "Plan Sponsor") who meet the eligibility requirements of the Plan. The Plan became effective on January 1, 1977, for the purpose of providing benefits to participants upon retirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and contains a cash or deferred arrangement under Section 401(k) of the IRC.

Eligibility

Employees who have attained 21 years of age, completed twelve months of service and have worked more than 1,000 hours during that twelve-month period, as defined by the Plan, are eligible to participate in the Plan on the day that they meet the eligibility requirements.

Contributions

Participants may elect to contribute a percentage of their annual pre-tax compensation to the Plan subject to certain limitations as allowable under Section 401(k) of the IRC. These contributions, and earnings thereon, are not subject to federal income taxes until withdrawn from the Plan. Participants may roll over amounts representing distributions from other qualified defined benefit or contribution plans. The Plan provides for discretionary matching contributions from the Companies, not to exceed three percent of eligible compensation. The Plan also provides for a discretionary profit-sharing contribution and/or a qualified nonelective contribution ("QNEC"). There were no such profit-sharing contributions or QNECs made during the plan year ended December 31, 2023. All contributions to a participant's account are allocated among the various investments based on each participant's elections.

Participant Accounts

Each participant's account is credited with the participant's contributions, the corresponding employer match and profit sharing and/or qualified nonelective contributions, if any, an allocation of Plan earnings (losses) and charged with an allocated portion of administrative expenses. Allocations are based upon participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Notes to Financial Statements

December 31, 2023

1. Description of Plan (*continued*)

Vesting

Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. Vesting for employer contributions and associated earnings is based on years of continuous service. A participant's accounts attributable to the matching and profit-sharing contributions, if any, become vested in 20% increments starting after two years of credited service and becoming 100% vested after six years, or upon termination of employment by reason of death or disability, as defined by the Plan.

Payment of Benefits

Upon reaching normal retirement age, as defined under the Plan, or upon termination of service due to retirement, disability or death, a participant or beneficiary may elect to receive either a lump sum distribution equal to the value of the participant's vested account balance, or in annual installments over a certain period, in accordance with the provisions of the Plan. For termination of service due to other reasons, a participant may receive the value of his or her vested account balance as a lump sum distribution. In the event of death, benefits are payable to the participant's surviving spouse or designated beneficiary.

Forfeitures

Any balance in the employer contribution account of a participant who has separated from service, to which he or she is not entitled, shall be used to reduce the employer's matching contribution. Forfeitures of \$11,260 were applied to reduce the employer's contribution for the Plan year ended December 31, 2023. At December 31, 2023 and 2022, the forfeiture balance totaled \$18,115 and \$6,434.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the net asset value ("NAV") per share as a practical expedient is not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily NAV and to transact at that price. The common/collective trust is valued at the NAV of units held by the Plan, as provided by the trustees. The common/collective trust NAV is used as a practical expedient to fair value based on the fund's underlying investments. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of the Plan are paid by the Companies and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events Evaluation by Management

Management of the Plan Sponsor has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is September 23, 2024.

3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank, the trustee of the Plan.

4. Investments

The following are the major categories of investments measured at fair value on a recurring basis at December 31, grouped by the fair value hierarchy:

	2023		
		Other Investments Measured at	
	Level 1	NAV *	Total
Mutual funds	\$ 31,281,176	\$ -	\$ 31,281,176
Common/collective trust	-	4,091,543	4,091,543
	<u>\$ 31,281,176</u>	<u>\$ 4,091,543</u>	<u>\$ 35,372,719</u>
	2022		
		Other Investments Measured at	
	Level 1	NAV *	Total
Mutual funds	\$ 26,424,807	\$ -	\$ 26,424,807
Common/collective trust	-	4,904,053	4,904,053
	<u>\$ 26,424,807</u>	<u>\$ 4,904,053</u>	<u>\$ 31,328,860</u>

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

5. Common/Collective Trust

The Reliance Trust Stable Value Fund (the “Fund”), a common/collective trust, held by the Plan as of December 31, 2023 and 2022 has an objective to provide preservation of principal, as well as to provide a competitive level of income over time consistent with the preservation of capital. To achieve this objective, the Fund invests in fixed-income securities and bond funds and may include derivative instruments such as futures contracts and swap agreements, enters into wrap contracts issued by third parties, and invests in cash equivalents represented by shares in money market funds.

The Fund is designed to pay all permitted unitholder-initiated transactions at NAV. Permitted unitholder-initiated transactions are those transactions allowed by the underlying defined contribution plans (typically this would include withdrawals for benefits or transfers to non-competing portfolios within the Plan) excluding certain withdrawals that are deemed to be caused by the actions of the Plan Sponsor. The wrap contracts limit the ability of the Fund to transact at NAV upon the occurrence of such Plan Sponsor events. These events include: the Plan’s failure to qualify under Section 401(a) or Section 401(k) of the IRC; the establishment of a defined contribution plan that competes with the Plan for employee contributions; any substantive modification of the Fund or the administration of the Fund that is not consented to by the wrap issuer; any change in law, regulation or administrative ruling applicable to the Plan that could have a material adverse effect on the Fund’s cash flow; any communication given to unitholders by the Plan Sponsor, any other plan fiduciary or Reliance that is designed to induce or influence unitholders not to invest in the portfolio or to transfer assets out of the portfolio; any transfer of assets from the portfolio directly to a competing investment option.

NAV per unit is determined each business day. Issues and redemptions of units are recorded, upon receipt of unitholder’s instructions in good order, based on the next determined NAV per unit, normally each day. In unusual market conditions, the trustee may impose restrictions on issues and redemptions of units.

6. Excess Participant Contributions Payable

At December 31, 2023 and 2022, liabilities for amounts refundable by the Plan to participants for contributions made in excess of amounts allowed by the Internal Revenue Service (“IRS”) totaled \$57,027 and \$25,245. The excess participant contributions payable at December 31, 2023 were distributed to the related participants on February 29, 2024.

7. Plan Termination

Although they have not expressed any intention to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

8. Tax Status

The IRS has determined and informed the prototype plan document preparer by a letter dated September 21, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The plan administrator believes the Plan is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

9. Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Reconciliation of Financial Statements to Form 5500
