Independent Auditors' Report

Plan Administrator
Hoffmann Brothers Heating & Air Conditioning
401(k) Profit Sharing Plan and Trust
St. Louis, Missouri

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hoffmann Brothers Heating & Air Conditioning 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required By ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HOFFMANN BROTHERS HEATING & AIR CONDITIONING 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS December 31, 2023 And 2022

1. Description Of The Plan

The following description of Hoffmann Brothers Heating & Air Conditioning 401(k) Profit Sharing Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Hoffmann Brothers Heating & Air Conditioning and affiliates (the Company). Charles Schwab Trust Bank (Charles Schwab) serves as the trustee and the record keeper is EPIC Retirement Plan Services (EPIC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Employees are eligible to participate in the Plan upon reaching the age of 18 and who are not defined as part-time, temporary or seasonal employees. Part-time, temporary and seasonal employees are defined as employees whose regularly scheduled service is less than 1,000 hours of service in the relevant eligibility computation period. However, if any such excluded employee actually completes a year of service, then such employee will no longer be part of this excluded class. Participants become eligible on the first day of the quarter following the date the eligibility requirements are met.

Contributions

Employees are eligible to start making contributions immediately upon satisfying the eligibility requirement. Each year, participants may contribute up to 100% of their annual compensation, as defined in the Plan Document, not to exceed certain Internal Revenue Service (IRS) limitations. Salary deferral contributions can be made as pre-tax, Roth, or after-tax contributions or any combination thereof. Participants over the age of 50 are eligible for catch up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover).

The Plan provides for a safe-harbor matching contribution. The Company contributes an amount equal to 100% of employee deferrals (including any catch-up deferrals) up to 4% of compensation. The Company can also make non-safe harbor matching contributions during the year. The Company's safe-harbor matching contribution to the Plan was \$927,899 and \$805,303 for the years ended December 31, 2023 and 2022, respectively.

HOFFMANN BROTHERS HEATING & AIR CONDITIONING 401(k) PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements (*Continued*)

The Plan also provides for discretionary profit sharing contributions. Discretionary profit sharing contributions are determined annually by the Company and are allocated to certain classifications of eligible participants as defined in the Plan Document. Discretionary profit sharing contributions are allocated using a fixed percentage of eligible compensation. There is no service requirement, however eligible participants must be employed as of the last day of the Plan year. Discretionary profit sharing contributions were \$619,506 and \$587,811 for the years ended December 31, 2023 and 2022, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's safe-harbor matching contributions and an allocation of Company discretionary profit sharing contributions and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their contributions, Company safe-harbor contributions, and rollover contributions. Vesting in the Company's discretionary profit sharing contributions portion of their account is based on years of service. A participant vests 20% each year after the second year of service and is fully vested after six years of service. Participants also fully vest upon reaching normal retirement age (age 65), death, or total and permanent disability.

Forfeitures

Forfeitures of nonvested benefits are used to pay administrative expenses related to the operation of the Plan. Remaining forfeitures, if any, are used to reduce any Company contributions. Forfeitures used to fund Company profit sharing contributions amounted to \$48,245 and \$12,515 for the years ended December 31, 2023 and 2022, respectively. Forfeitures used to pay administrative expenses amounted to \$3,528 and \$1,900 for the years ended December 31, 2023 and 2022, respectively. At December 31, 2023 and 2022, available forfeited nonvested accounts totaled \$44,726 and \$180, respectively.

Payment Of Benefits

Upon termination of employment, retirement or death, a participant's vested balance may be distributed in a lump sum, installment payments, or partial payments.

Notes To Financial Statements (*Continued*)

In-Service And Hardship Withdrawals

Participants age 59 ½ or older can take an in-service withdrawal. A participant may also make take an in-service withdrawal in the event of undue financial hardship.

Administrative Expenses

Plan administration, custody, and advisory fees are paid by the Plan. All other fees are paid by the Company.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Estimates And Assumptions

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. The net change in fair value of investments represents the difference between the aggregate fair value of investments at year end and the values at the beginning of the year, and includes any realized gains and losses in securities that were bought and sold during the year.

HOFFMANN BROTHERS HEATING & AIR CONDITIONING 401(k) PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements (*Continued*)

Contributions Receivable And Credit Loss Policy

As of January 1, 2023, the Plan adopted Accounting Standards Codification Topic 326, *Financial Instruments - Credit Losses*, using a modified-retrospective approach. The standard replaces the previous incurred loss model and requires entities to record an estimate of expected losses on financial assets for the remaining estimated life of the asset. This estimate must include consideration of historical experience, current conditions and reasonable and supportable forecasts. The standard applies to the Plan's Company contributions receivable. The adoption did not have a material impact on these financial statements.

The Company has concluded that no allowance for current expected credit losses was necessary at December 31, 2023 and no allowance for doubtful accounts was necessary at December 31, 2022.

Payment Of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates subsequent events through the date the financial statements are available for issue, which is the date of the Independent Auditors' Report.

3. Certified Investment Information

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information certified by Charles Schwab, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Charles Schwab that the information provided to the Plan Administrator related to the following information is complete and accurate.

HOFFMANN BROTHERS HEATING & AIR CONDITIONING

401(k) PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements (*Continued*)

Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	<u>2023</u>	<u>2022</u>
Collective trust funds	\$ 14,070,070	\$ 10,312,267
Mutual funds	6,701,139	5,171,984

Charles Schwab also certified to the completeness and accuracy related the following investment income (loss) for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Interest and dividends	\$ 224,274	\$ 286,285
Net change in fair value of investments	2,795,266	(3,001,427)

4. Fair Value Measurements

The Plan utilizes an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the standards are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets; |

HOFFMANN BROTHERS HEATING & AIR CONDITIONING 401(k) PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements (*Continued*)

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Collective Trust Funds

Valued at the net asset value (NAV) of units of bank collective trusts. The NAV, as provided by trustees of the funds, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

HOFFMANN BROTHERS HEATING & AIR CONDITIONING

401(k) PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements *(Continued)*

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,701,139	\$ —	\$ —	\$ 6,701,139
Investments measured at net asset value (a)				14,070,070
Total investments at fair value				\$ 20,771,209

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,171,984	\$ —	\$ —	\$ 5,171,984
Investments measured at net asset value (a)				10,312,267
Total investments at fair value				\$ 15,484,251

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Fair Value Of Investments In Entities That Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022:

Investment Type	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice
	2023	2022			
Collective trust funds	\$ 14,070,070	\$ 10,312,267	None	Daily	None

HOFFMANN BROTHERS HEATING & AIR CONDITIONING

401(k) PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements *(Continued)*

There have been no changes in the valuation methodologies used at December 31, 2023 or 2022.

5. Party In Interest Transactions

The Plan pays EPIC and Moneta for various administrative services. These transactions qualify as party in interest transactions allowable under ERISA.

6. Risks And Uncertainties

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. Income Tax Status

The Plan uses a pre-approved plan document sponsored by EPIC. EPIC received an opinion letter from the IRS dated June 30, 2020, which states that the pre-approved document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code (IRC). Therefore, no provision for income tax has been included in the Plan's financial statements.

**HOFFMANN BROTHERS HEATING & AIR CONDITIONING
401(k) PROFIT SHARING PLAN AND TRUST**

Notes To Financial Statements *(Continued)*

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
