INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
the Torwest, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Torwest, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Torwest, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Torwest, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Torwest, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Torwest, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Torwest, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TORWEST, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

Torwest, Inc. (the Company) established the Torwest, Inc. 401(k) Plan (the Plan), effective January 1, 1995, pursuant to Section 401(k) of the Internal Revenue Code (the Code). The Plan is a defined contribution plan subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA).

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all full-time employees of the Company who have six months of service and are at least age twenty-one. The Plan is subject to the provisions of the Employee Retirement Security Act (ERISA).

Contributions - Each year, participants have the right to elect to defer a portion of their compensation that will then be contributed to the plan. Those employees eligible to participate in the Plan who have neither elected to defer a portion of compensation nor affirmatively declined to defer a portion of compensation will be automatically enrolled to defer, on a pre-tax basis, three percent of compensation. Participants also have a Roth contribution option that can be selected to contribute to with after-tax dollars. Participants direct the investment of their contributions into various options offered by the Plan. Participants may change their participation at any time. The Plan provides for Company matching contributions at fifty percent on the first five percent of the participant's compensation, which is deferred as an elective deferral. The Plan allows for non-elective contributions at the option of the Company.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Directed Investments - The assets of the Plan are allocated to the various funds at the direction of the participant. If the participant does not direct the allocation of the investment, the account will be invested in accordance with the default investment alternatives established under the Plan.

Forfeited Accounts - If a participant terminates employment before becoming 100% vested, the non-vested portion will be forfeited. Forfeitures are utilized to reduce the company matching contributions for the plan year. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$14,463 and \$17,039, respectively. In 2023, employer contributions were reduced by \$14,463 from forfeited nonvested accounts.

Payment of Benefits - On termination of service due to death, disability, retirement or other reasons, a participant will be entitled to the full vested value of their account.

Hardship Distributions - The Plan provides for hardship distributions from fully vested accounts with no minimum hardship distribution requirement.

TORWEST, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

In-Service Distributions - The Plan provides for in-service distributions from fully vested accounts for participants that have attained the age of 59 1/2.

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate as published in The Wall Street Journal on the 14th day of each month, plus two percentage points. The interest rate for the loan will be the rate in effect the month the loan is effective. Principal and interest is paid ratably through payroll deductions for a period not to exceed five years. A loan may be repaid over a time period greater than five years if the loan is used to acquire a primary residence and the loan is repaid within a period of no more than thirty years. Participants may have one loan at any given time.

Vesting - Participants' contributions are fully vested at all times. The matching contributions to participant accounts are subjected to vesting requirements. The matching contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
At least 1 year, but less than 2	20%
At least 2 years, but less than 3	40%
At least 3 years, but less than 4	60%
At least 4 years, but less than 5	80%
5 Years or more	100%

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Subsequent Event - Subsequent events were evaluated through September 27, 2024, which is the date the financial statements were available to be issued. No significant events have been identified that would require adjustment or disclosure in the accompanying financial statements.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Basis of Accounting - The financial statements of the plan are prepared on the accrual basis of accounting.

Investment Valuation - Reliance Trust Company maintains the Plan's investments, primarily in mutual fund accounts. All investments are stated at current value.

Payment of Benefits - Benefits are recorded when paid.

TORWEST, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Expenses - Certain expenses to maintain the plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Administrative expenses of the plan are allocated to participant accounts unless paid by the Company.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid balances plus any accrued interest. Interest income is recorded on the accrual basis and is credited to the participants account. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. For the year ended December 31, 2023, the plan earned \$7,626 in interest on participant loans.

Excess Contributions Payable - There were no excess contributions for the year ended December 31, 2023.

Recently Adopted Accounting Standard - In June 2016, the FASB issued ASU 2016-13, Financial Instruments - Credit Losses (Topic 326) - Measurement of Credit Losses on Financial Instruments, which will change how entities will measure credit losses for most financial assets and certain other instruments that are not measured at fair value through net income. For trade receivables, loans, and other instruments, entities will be required to use a new forward-looking "expected loss" model that will generally result in earlier recognition of allowance for losses. Effective January 1, 2023, the Plan adopted ASU 2016-13. The adoption of this standard had no effect on the financial statements.

NOTE 3 - PLAN AMENDMENT

Effective 2022, the plan was amended for compliance with the Bipartisan Budget Act of 2018 (the BBA). The plan had adopted the provisions of the BBA as they became effective between 2018 and 2020.

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The trustee holds the Plan's investments and executes investment transactions. The following is a summary of the Plan's financial information that is included in the accompanying financial statements, accompanying notes and supplemental Schedule of Assets (Held at End of Year), based on information certified by the trustee as complete and accurate in accordance with section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As directed by the plan administrator, this information is unaudited. The value of investments certified at December 31, 2023 was \$7,786,810.

Participant loan interest	7,626
Other income	16,965
	<u>\$ 1,083,754</u>

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Notes receivable from participants per Schedule H to the Form 5500	<u>\$ 127,460</u>	<u>\$ 47,490</u>

NOTE 7 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used when Level 1 inputs are not available. The Plan did not use Level 2 or 3 inputs.

Level 1 Fair Value Measurements

Level 1 inputs include fair value of mutual funds based on quoted net assets values of the shares held by the Plan at year-end. The fair values of common stocks, certain corporate bonds, and U.S. government securities are based on the closing price reported in the active market where the individual securities are traded, when available.

TORWEST, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 7 - FAIR VALUE MEASUREMENTS(Continued)

Level 2 Fair Value Measurements

Level 2 inputs include quoted prices for similar assets and liabilities in active markets, and inputs other than quoted prices that are observable for the asset or liability, such as interest rates and yield curves that are observable at commonly quoted intervals. Assets and liabilities measured at fair value on a recurring basis and classified as Level 2 generally include certain government securities, most investment-grade and high-yield corporate bonds, certain asset backed securities, certain listed equities, state, municipal and provincial obligations, hybrid securities, mutual fund and derivative contracts.

Level 3 Fair Value Measurements

Level 3 inputs to the valuation methodology are unobservable and insignificant to the fair value measurement.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023, and 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

TORWEST, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 8 - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The plan has been amended since receiving its determination letter. However, the Plan administrator believes that the Plan is currently designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believes that the Plan is qualified, and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2023, there were no uncertain tax positions that are potentially material. The plan administrator believes the Plan is no longer subject to income tax examinations for tax years prior to 2020.

NOTE 9 - RELATED PARTY TRANSACTIONS

There were no material related party transactions in fiscal year 2023.

NOTE 10 - PENDING WITHDRAWALS

There were no participants with unpaid elected withdrawals as of December 31, 2023.

NOTE 11 - EXCESS CONTRIBUTIONS

There were no excess contributions as of December 31, 2023.
