Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **ADKF, P.C.**

(2) EIN: **74-2606559**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Board of Trustees
Los Leones 401(k) Retirement Plan
San Antonio, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Los Leones 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Fidelity Management Trust Company, the Trustee, as of and for the year ended December 31, 2023 and the period October 1, 2022 through December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements - (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LOS LEONES 401(k) RETIREMENT PLAN
Notes to Audited Financial Statements
December 31, 2023 and 2022

NOTE A – SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments, including realized gains and losses on sales during the year and current changes in unrealized appreciation (depreciation) in the market value is presented in the statement of changes in net assets available for benefits.

Benefit Payments: Benefits are recorded when paid.

Subsequent Events: Subsequent events have been evaluated by management through the date of the independent auditor's report. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

NOTE B – DESCRIPTION OF PLAN

The following description of the Los Leones 401(k) Retirement Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General: The Los Leones 401(k) Retirement Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and covers substantially all employees of Casa Rio, Inc. (Plan Sponsor) who have six months of service and are of age seventeen and a half or older.

Termination: Although it has not expressed intent to do so, the Plan Sponsor has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

SECURE 2.0 Act: The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022, and included mandatory and optional provisions with varying effective dates in 2024 and later. The Company is evaluating the provisions and has not amended the Plan as of the date of these financial statements.

NOTE B – DESCRIPTION OF PLAN (continued)

Contributions: Each year participants may elect to contribute up to 75% of pretax annual compensation as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute (rollover) amounts representing distributions from other qualified plans. The Plan Sponsor may elect to contribute a matching contribution and/or profit-sharing contribution, the amount of which is determined by the Plan Sponsor and allocated based on each participant's contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also direct the investment of any matching contribution received. The Plan sponsor provides a Safe Harbor match of 100% of participant contributions that are not in excess of 4% of participant compensation.

Participant Accounts: Investments are participant directed. Each participant account is credited with the contributions made by the participant and allocations of (a) the Plan Sponsor's contributions and (b) Plan earnings (loss), and is charged with an allocation of administrative expenses. Allocations are based on participant contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions and employer matching contributions plus actual earnings thereon. Vesting in the Plan Sponsor's profit sharing contributions and actual earnings thereon is based on years of service following the Department of Labor guidelines.

Payment of Benefits: On termination of service a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Written consent from the Plan is required before vested balances over \$5,000 can be distributed. Participants who have terminated and have vested balances less than \$1,000 can receive a distribution directly or have their balance rolled into another Plan or an Individual Retirement Account (IRA). Absent participant instructions, balances between \$1,000 and \$5,000 will be rolled into an IRA by the Plan Sponsor. In the event the Plan terminates and the participant fails to make an election for distribution, the Plan Administrator will automatically rollover the entire vested amount to an IRA. The Plan allows for in-service distributions upon reaching age 59 ½. Hardship withdrawals are available subject to certain limitations.

Forfeited Accounts: Participant forfeitures of non-vested balances may be used to reduce administrative expenses of the Plan or reduce future employer contributions. Forfeited non-vested accounts totaled \$31,349 at December 31, 2023 and \$12,350 at December 31, 2022. Unallocated forfeitures totaled \$31,452 at December 31, 2023 and \$103 at December 31, 2022.

Administrative Expenses: Administrative expenses may be paid by either the Plan Sponsor or the Plan, as provided in the Plan document. Expenses paid by the Plan are recorded in the accompanying statements of changes in net assets available for benefits. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Participant distribution fees are paid by the participant receiving the distribution. Fees paid by the Plan for administrative expenses totaled \$65,583 in 2023 and \$55,592 in 2022.

LOS LEONES 401(k) RETIREMENT PLAN
Notes to Audited Financial Statements

NOTE C – INVESTMENTS CERTIFIED BY THIRD PARTY (unaudited)

As permitted by Department of Labor CFR 2520.103-8, investments at December 31, 2023 and the related investment earnings totaling \$797,688 were certified and held by Fidelity Management Trust Company (“Fidelity”), the Trustee, and were not audited by the independent auditor. Prior year investments at December 31, 2022 and the related investment earnings from October 1, 2022 through December 31, 2022, totaling \$169,058, were certified and held by Fidelity Management Trust Company (“Fidelity”), the Trustee, and were not audited by the independent auditor.

NOTE D – INCOME TAX STATUS

The Plan is a volume submitter non-standardized pre-approved profit sharing 401(k) plan sponsored by FMR, LLC. The standardized 401(k) plan received a favorable opinion letter from the Internal Revenue Service on June 30, 2020. Although the Plan has since been amended, the administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and is qualified for tax-exempt status. The Plan Administrator is not aware of any tax positions that would have a significant impact on its financial position. Its federal tax returns for the last four years remain subject to examination.

NOTE E – FAIR VALUE MEASUREMENTS

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets
 - quoted prices for identical or similar assets or liabilities in inactive markets
 - inputs other than quoted prices that are observable for the asset or liability
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means
 - if the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE E – FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, investments measured at fair value:

	Fair Value Measurements Using			
	Level 1	Level 2	Level 3	Total
<i>December 31, 2023:</i>				
Money market	\$ 194	\$ -	\$ -	\$ 194
Mutual funds	322	-	-	322
Investments in fair value hierarchy	<u>\$ 516</u>	<u>\$ -</u>	<u>\$ -</u>	516
Investments measured at NAV*				5,711,768
Total investments measured at fair value				<u>\$ 5,712,284</u>
<i>December 31, 2022:</i>				
Money market	\$ -	\$ -	\$ -	\$ -
Mutual funds	-	-	-	-
Investments in fair value hierarchy	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	-
Investments measured at NAV*				5,510,236
Total investments measured at fair value				<u>\$ 5,510,236</u>

** In accordance with Subtopic 820-10, certain investments measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statement of net assets available for benefits.*

There have been no changes in the methodologies used to measure fair value, nor transfers between levels. The following is a description of the valuation methodology used for assets measured:

Money market: Valued at face value of the currency (U.S. Dollar).

Mutual funds: Valued at the daily closing price reported on the active market the individual funds are traded.

Investments measured at NAV: Investments held in collective trusts are valued at the net asset value (NAV) of units of the collective trust fund. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Audited Financial Statements

NOTE E – FAIR VALUE MEASUREMENTS (continued)

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient:

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
<u>December 31, 2023</u>				
Collective trust	\$ 5,711,768	N/A	Daily	1 day for benefit payments and participant transfers to noncompeting options; one year for all other withdrawals
<u>December 31, 2022</u>				
Collective trust	\$ 5,510,236	N/A	Daily	1 day for benefit payments and participant transfers to noncompeting options; one year for all other withdrawals

NOTE F – TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest are defined under DOL regulations as any employees of the Plan, fiduciaries of the Plan, service providers to the Plan, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third-party administrator (TPA), investment managers, investment advisors, legal counsel, and Plan auditor.

The Plan made direct payments in 2023 and 2022 to parties-in-interest for administration and investment advisory fees, as allowed by ERISA. The Plan Sponsor pays directly any other fees related to the operation of the Plan. Fees incurred by the Plan for the investment management services are included in the net appreciation in fair value of the related investment, as they are paid using investment earnings rather than a direct payment.

NOTE G – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The audited financial statements are prepared on the accrual basis of accounting, whereas the Form 5500 is prepared on the cash basis. The following is a reconciliation of net assets available for benefits as of December 31:

Reconciliation of net assets available for benefits:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per financial statements	\$ 5,836,629	\$ 5,697,137
Less profit-sharing contributions receivable	<u>(124,345)</u>	<u>(185,753)</u>
Net assets available for benefits per Form 5500	<u>\$ 5,712,284</u>	<u>\$ 5,511,384</u>

The following is a reconciliation of the change in net assets for the year ended December 31:

	<u>2023</u>	<u>2022</u>
Change in net assets per financial statements	\$ 139,492	\$ (954,652)
Add prior year profit-sharing contribution receivable	185,753	-
Less current year profit-sharing contribution receivable	<u>(124,345)</u>	<u>(185,753)</u>
Change in net assets per Form 5500	<u>\$ 200,900</u>	<u>\$ (1,140,405)</u>

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is, at least, reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

REPORT TO GOVERNANCE –

To the Board of Trustees and Management
Los Leones 401(k) Retirement Plan
San Antonio, Texas

This letter is intended to inform you about significant matters related to the conduct of the annual audit for the year ended December 31, 2023 so you may appropriately discharge your oversight responsibility, and that we comply with our professional responsibilities. This letter provides comments concerning the internal control conditions we noted during our audit, as well as other communication required by our professional standards. We have also provided a detail of *Hot Buttons of the D.O.L.* as well as *Best Practice Recommendations for Organizations and Their Benefit Plans*.

This report is intended solely for the information and use of the Directors and Management, and is not intended to be used by anyone other than the specified parties. We will be pleased to respond to any questions you have about this report.

We would like to take this opportunity to express our appreciation for the courtesy and assistance extended to us by your personnel throughout our audit.

Internal Control and Other Related Matters (Management Letter Items)

In planning and performing our audit of the Benefit Plan in accordance with U. S. generally accepted auditing standards, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing our auditing procedures that are appropriate in the circumstances, for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the internal control. Accordingly, we do not express an opinion on the effectiveness of internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be *deficiencies*, *significant deficiencies*, or *material weaknesses*. A deficiency in internal control exists when the design or operation of a control does not allow Management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal controls, that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *control deficiency* is a deficiency in internal control which exists when the design or operation of a control does not allow Management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A control deficiency does not rise to the level of being considered either a material weakness or a significant deficiency. We noted the following control deficiency during the audit process which we believe should be brought to your attention.

Segregation of Duties: Small organizations generally have difficulty in achieving *maximum* segregation of duties, within both the Organization and Benefit Plan, without hiring additional staff, and this option generally cannot be cost justified. Management and the Board (those charged with governance) should be aware that operating with a smaller accounting staff dictates that some duties are not able to be segregated as would occur in an office with a large accounting department.

A *reportable finding* is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention.

Our Responsibility Under U. S. Generally Accepted Auditing Standards

Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information to you in our engagement letter. Professional standards also require that we communicate to you the following information related to your audit.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable assurance, rather than absolute assurance about whether the financial statements are free of material misstatement.

We audited your financial statements of an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(c) [ERISA Section 103 (a)(3)(c) audit]. As permitted by ERISA Section 103(a)(3)(c), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by the trustee/custodian, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic Examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The audit of the financial statements does not relieve management or those charged with governance of their responsibilities.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Planned Scope and Timing

We conducted our audit consistent with the planned scope and timing we previously communicated with you.

Significant Risks

Audit risks that required special consideration include improper revenue recognition, definition of plan compensation, incorrect payroll deductions, and management override of controls.

Our Responsibility Under U. S. Generally Accepted Auditing Standards - continued

Accounting Principles

Management is responsible for the selection and use of appropriate accounting principles as described in the audited financial statements and made all required disclosures in a clear and complete manner within the financial statements, as required following U. S. Generally Accepted Accounting Principles (GAAP). The accounting principles under which the Organization prepares its financial statements are reasonable, conservative and consistent, thereby enabling such statements to be of the highest quality.

We noted no transactions which we are required to communicate to the Board and Management. And we did not note any transactions for which there is a lack of authoritative guidance or consensus.

Significant Accounting Policies and Accounting Estimates

Accounting estimates, based upon Management's judgments, are an integral part of the financial statements. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from Management's current judgments. Such estimates may include allowances for bad debt, depreciation and fair value measurements, among others. We evaluate the key factors and assumptions used to develop the accounting estimates in determining that it is reasonable in relation to the financial statements taken as a whole. A description of the key factors and assumptions used are included in the notes to the financial statements.

Significant Unusual Transactions

During our audit, we did not identify any significant unusual transaction that we have not discussed with you.

Significant Difficulties Encountered During the Audit

There were no difficulties encountered during audit. Management and employees have been most helpful and cooperative. We were given full access to accounting records, supporting documents and other information that we requested.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with Management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter which could be significant to the financial statements or the audit report. We are pleased to report that no such disagreements arose during the course of our audit.

Matters Resulting in Consultation outside the Engagement Team

There were no consultations with other professionals outside the engagement team and other members of our Firm.

Circumstances that Affect the Form and Content of the Auditor's Report

For the purpose of this letter, professional standards require that we communicate any circumstances that affect the form and content of the auditor's report. The report issued on the financial statements was unmodified.

Our Responsibility Under U. S. Generally Accepted Auditing Standards - continued

Other Significant Auditing Findings or Issues

We discussed a variety of matters with Management, including the application of accounting principles and auditing standards. These discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention as your independent auditors.

Corrected and Uncorrected Misstatements (Audit Adjustments)

For purposes of this communication, professional standards also require us to accumulate all known and likely adjustments identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of Management. Adjustments, if any, recommended by us during the course of our audit were made by Management and are considered normal in the audit process. A detail of adjustments, if any, have previously been provided.

Further, professional standards require us to also communicate the effect of uncorrected adjustments related to prior periods on the relevant classes of transactions, account balances or disclosures and the financial statements as a whole. Uncorrected adjustments or matters underlying those uncorrected adjustments could potentially cause future-period financial statements to be materially misstated, even though the uncorrected adjustments are immaterial to the financial statements currently under audit. The schedule of uncorrected adjustments, if any, identified whose effect in the current and prior periods, as determined by management, are immaterial, both individually and in the aggregate, to the financial statements as a whole.

Management Representation

Management has provided us with a representation letter which outlines their responsibilities for the financial statements and information provided to us during the audit.

Independence

We are not aware of any relationships between our firm and you that, in our professional judgment, may reasonably be thought to bear on our independence since our last communication.

Consideration of Fraud in the Financial Statements

During the course of our audit we may become aware of deficiencies while obtaining our understanding of internal control, and in assessing the risk of material misstatement of the financial statements due to error or fraud. We perform audit procedures in response to assessed risk, and communicate with Management or others (for example, internal auditors or governmental authorities). We are not aware of any errors or material misstatement which would require communication to the Board or Management. Our audit selected a sample of transactions for testing; accordingly, errors and fraudulent transactions may exist and were not detected.

Illegal Acts by Client

We are not aware of any illegal acts which would require communication to the Board.

Management Consultations with Other Accountants

Management has advised it did not consult with other accountants regarding auditing and accounting matters.

DOL Hot Buttons

We are aware of the following *hot buttons* of The Department of Labor (D.O.L). These areas will be reviewed should they perform either a desk review or field audit of your benefit plan:

Cybersecurity: Benefit plans can hold millions of dollars in assets and maintain personal data on participants, which can make the Plans tempting targets for cyber-criminals. The Plan sponsor needs to ensure proper mitigation of cybersecurity risks by evaluating the recordkeepers and other service providers responsible for plan-related IT systems and data. Service providers should have a formal cybersecurity program that identifies and assesses internal and external cybersecurity risks that may threaten the confidentiality, integrity, or availability of stored nonpublic information. Annually these service providers should have an independent auditor assess their internal controls over financial reporting, which includes security controls, called a Service Organization Controls (SOC) Report. Ask for a copy of the report, review it and ask questions if you have any concerns regarding the testing findings identified by the SOC auditor. Also inquire if the service provider has any insurance policies that would cover losses caused by cybersecurity and identity theft breaches.

More importantly, make sure the plan administrator and anyone with administrative rights in the IT system of the plan's service provider are following best practices in regards to cybersecurity. The plan sponsor should establish a formal IT security policy with the consideration of enforcing strong and unique passwords, utilizing multi-factor authentication, allowing only password-protected Wi-Fi networks, keeping all software, including antivirus software, up to date with the latest patches and upgrades, and procedures in reporting phishing attacks and other cybersecurity incidents.

Reliance on Third Party Administrator: The Plan sponsor relies heavily on the Third Party Administrator (TPA) to perform reconciliations and other administrative duties. However, the ultimate responsibility for administration, reconciliations and record keeping rests with the Plan sponsor, Plan administrator and any others who exercise authority or control over the Plan or its assets. The sponsor, administrator and other personnel with significant roles in the Plan are considered fiduciaries. We are aware that Management reviews the reports generated by the TPA and reconciles back to the Sponsor's books and records.

Timely Remittances: Department of Labor (DOL) regulations require employee contributions and participant loan repayments withheld from the employees' wages by the employer be remitted to the Plan at the earliest date that the assets can be reasonably segregated from the employer assets. Failure to timely remit employee contributions and loan repayments violates the fiduciary responsibilities imposed by ERISA. The DOL does not have a bright line number of days; however, they have consistently taken the position the employee contribution and loan repayments should be remitted similar to the time that the employer pays the payroll taxes each month. Accordingly, *our strong recommendation is such remittances to the Plan are made on the same day the Company's payroll taxes are remitted*. We consider any departures from this timing as a control deficiency.

DOL Hot Buttons

DOL Audits: The DOL is continuing to audit a large number of employee benefit plans. Although the DOL may audit any area of the Plan for compliance, their current focus appears to be centered on these areas:

- Timely remittances of deposits, as discussed above.
- Fee analysis: What fees are being paid by the Plan, in particular, the fees paid by each individual investment (i.e., by each mutual fund, etc.) held by the Plan, whether such fee is paid directly by the fund or netted against the fund earnings.
- Participant education: Are the Plan administrators and trustees providing periodic education to the participants so knowledgeable decisions may be made by the participants? Making education available to all participants on at least an annual basis is expected by the DOL.
- Annual meeting of Plan trustees and administrators: At least annually, the Plan trustees and administrators should meet to discuss various aspects of the benefit plan, including a discussion of administrative and investment fees; education for its participants; investment policy and decisions regarding changes to investments offered by the Plan; changes in laws and regulations; and the general environment surrounding the Plan sponsor and the Plan itself. This meeting should be documented in formal minutes maintained in the permanent files of the Plan.

Best Practice Recommendations for Organizations and Their Benefit Plans

As part of our services to all our audit engagements, we have provided below some *best practices* that are beneficial to many Organizations. Not all of these *best practices* may fit your Organization due to cost constraints or other limiting parameters.

We encourage Management to address each *best practice* and discuss openly with the Finance Committee / Board of Directors.

- Company” credit cards generally run a higher risk for abuse. Accordingly, we recommend that all organizations review their policies and procedures for use of such cards and adopt or update a formal written credit card policy. The policy should inform employees of appropriate use of cards, explain they are for business use only, require employees to submit itemized and original receipts for all purchases, require a description of the purpose be described on the receipt or otherwise documented, and require preapproval for purchases over a pre-determined dollar threshold. The policy should state who reviews the monthly charges and state how often a representative of the board of directors review management credit card expenses. This policy should include all credit cards types, including various store branded cards. Each cardholder should be required to sign the policy.
- All organizations need to ensure proper mitigation of cybersecurity risks by evaluating their IT systems and service providers. It is recommended to establish a formal IT security policy with the consideration of enforcing strong and unique passwords, utilizing multi-factor authentication, allowing only password-protected Wi-Fi networks, keeping all software, including antivirus software, up to date with the latest patches and upgrades, and procedures in reporting phishing attacks and other cybersecurity incidents. Service providers may have an independent auditor assess their internal controls over financial reporting, which includes security controls, called a Service Organization Controls (SOC) Report. Ask for a copy of the report, review it and ask questions if you have any concerns regarding the testing findings identified by the SOC auditor. Also inquire if the service provider has any insurance policies that would cover losses caused by cybersecurity and identity theft breaches.
- Require a background check before hiring any office and accounting candidate. Red flags include personal bankruptcy within the last 5 years; lawsuits filed to prevent foreclosure of assets (by the candidate) or suits filed to demand payment (against the candidate); felony or serious misdemeanor convictions (including items such as check fraud). Background checks are simple to obtain and the cost is fairly nominal, especially in relation to the consequences.
- On an annual basis, review the Organization’s insurance policies. Specifically inquire of a crime and dishonestly policy. These policies may cover losses related to employee theft.
- When using a temporary placement agency, inquire of their process for selecting qualified candidates and if they completed a background check. Not all background checks are the same, and the conversation should include what the background check covered, as well as the findings.
- Management review of disbursements and bank reconciliations: most Organizations have policies in place requiring a management review of both disbursements and bank reconciliations. Most benefit plans remit deferrals, loan payments and employer matching contributions electronically to the custodian or trustee. Management should review the amount withheld, reconcile to the amount remitted, and initial or sign approving the remittance. Be certain the review procedures are actually being performed, and that a *sign-off* is not just occurring. Challenge the process! And if any remittances are subsequently returned in the mail, they should be investigated promptly.

Best Practice Recommendations for Organizations and Their Benefit Plans – continued

- Review general ledger account coding for deferrals, loan payments, employer matching contributions and disbursements. Ask questions if the account credited or charged isn't the general ledger account where you think it belongs.
- Require vacations: And this doesn't mean just time off. It means those job functions of the person on vacation, to the extent possible, should be completed by another staff member. Questions get asked when someone subs in, and not just because new staff may not understand how to do something. As staffing allows, cross train staff to take over job functions during vacations.
- Discuss "positive pay" for disbursements with your financial institution. This tool is offered by most financial institutions, and is a good way to eliminate check fraud. We have found the service to be inexpensive, as financial institutions understand that check fraud costs money to both you, and many times, the financial institution (if they are found to have been negligent).
- Communicate directly with your engagement partner. Don't allow all conversations regarding the audit to be funneled through your accounting personnel, or through only the staff personnel of the firm. If something is on your mind, don't hesitate to contact your engagement partner. An audit isn't a cookie cutter. Your Organization is unique so you can expect to have unique circumstances and questions. And some of these questions may carry through to the audit process.
- If accounts are overbudget, don't just change the budget or change where disbursements are coded to make things appear to balance out nicely. Figure out *why* something is over budget. Dig around and see what is going on. A business that always makes the budget, for both revenues and expenses, may be changing the budget to match actual revenues and expenses, possibly without Board approval. Is your household budget always in line with expectations? Probably not, as budgets aren't that precise. When variances occur between budget and actual, ask questions, investigate and understand *why*.
- And please don't forget about revenues/receipts. Organizations focus on safeguarding disbursements, but revenues and receipts can also "disappear". Have someone outside the accounting / bookkeeping department open the mail and prepare the detail of all receipts for each day to be entered into the general ledger. And if any cash ever comes through the door, ensure a two person system to acknowledge and receipt such collections.
