INDEPENDENT AUDITOR'S REPORT

**To the Plan Administrator of
Picut Industries, Inc. 401(k) Savings Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of Picut Industries, Inc. 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report:

- The amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2023 Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from

the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 27, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

PICUT INDUSTRIES, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Picut Industries, Inc. 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, established January 1, 1989 and most recently restated effective April 4, 2022, is a 401(k) plan covering all eligible employees of Picut Industries, Inc. and its affiliates (collectively, "the Company"), except nonresident aliens and employees covered by a collective bargaining agreement.

Employees who have completed 6 months of service and attained 21 years of age are eligible to make elective deferrals into the Plan and receive Company safe harbor matching contributions, discretionary matching contributions, and non-elective contributions. Eligible employees must have completed 1,000 hours of service during the year and be employed on the last day of the year to be eligible to receive non-elective contributions. Employees can enter the Plan on the first day of each month of the Plan year upon satisfying the eligibility requirements. The Plan is a defined contribution plan subject to the provisions of the Employees Retirement Income Security Act of 1974 ("ERISA").

Contributions

The Plan allows for pre-tax elective deferrals. Effective November 3, 2023, the Plan permits Roth contributions. Participants may contribute up to 100% of annual compensation, as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Rollover contributions are subject to the terms of the Plan and are fully vested and non-forfeitable. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an automatic enrollment feature under which newly eligible employees are automatically enrolled to make pre-tax contributions into the Plan at a rate of 5% of compensation, and their accounts under the Plan are automatically invested in the Plan's Qualified Default Investment Alternative ("QDIA"), unless the employee elects otherwise. The Plan has elected Fidelity Advisor Freedom Fund series as its QDIA. The Plan also includes an automatic escalation feature whereby the deferral rate of automatically enrolled participants will increase annually on March 31st by 1% up to a maximum of 10%, unless the employee elects otherwise.

The Company makes safe harbor matching contributions to the Plan equal to 100% of the first 3% of the participant's compensation contributed to the Plan and 50% of the next 2% of the Participant's compensation contributed to the Plan, as defined. For the year ended

PICUT INDUSTRIES, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

December 31, 2023, the Company made \$823,646 of safe harbor contributions to the Plan. The Company may elect to make discretionary matching contributions and discretionary non-elective contributions. The Company did not make any discretionary employer matching contributions or non-elective contributions to the Plan during the year ended December 31, 2023. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and safe harbor matching contributions, as well as an allocation of the discretionary matching contributions and discretionary non-elective contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their participant contributions and safe harbor matching contributions plus actual earnings thereon. Vesting in the discretionary non-elective contribution and matching contributions portion of their accounts is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2	50%
3	75%
4 or more	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable from participants are secured by the balance in the participant's account. The interest rates on outstanding loans at December 31, 2023 range from 4.25% to 9.50% per annum. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, substantially equal installments or partial payments. Participants shall be entitled to receive in-service withdrawals upon attainment of age 59 ½ or as a hardship distribution, as defined in the Plan document.

PICUT INDUSTRIES, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Forfeitures

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$0 and \$519, respectively. Forfeitures, if any, can be used to reduce employer contributions or pay plan expenses. For the year ended December 31, 2023, the Plan used \$732 of forfeitures to pay administrative expenses.

Revenue Credit Program

The Plan's service agreement with Fidelity includes a Revenue Credit Program. The Plan receives a defined percentage of total Plan assets determined based upon average quarterly assets, multiplied by one-quarter, billed and payable quarterly, subject to certain offsets. These amounts may be used to pay administrative expenses of the Plan or allocated to participants in accordance with the service agreement. At December 31, 2023 and 2022, the revenue credit account balance was \$5,847 and \$25,663, respectively. During the year ended December 31, 2023, the Plan used \$21,273 from the revenue credit account to pay administrative expenses. For the year ended December 31, 2023, the Plan received \$118,461 in revenue credits that were allocated to participants and are included in other income on the statement of changes in net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the plan's gains and losses on investments

PICUT INDUSTRIES, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and employer contributions from the Company are recorded in the year in which the participant contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net change in fair value of investments.

3. CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments, at fair value, and notes receivable from participants held at December 31, 2023 and 2022, and net change in fair value of investments, interest and dividends, and interest income from notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan).

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds

Valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are deemed to be actively traded.

PICUT INDUSTRIES, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Collective Investment Trust

Collective Investment Trusts are not publicly quoted and are priced at net asset value ("NAV"). ASC 820 allows NAV per share to serve as a practical expedient to estimate fair value.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 30,876,860	\$ -	\$ -	\$ 30,876,860

Investments measured at NAV ^(a)				4,344,586
Investments at fair value				\$ 29,785,257

^(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Gains and losses included in the statement of changes in net assets available for benefits for the year ended December 31, 2023, are reported in net change in fair value of investments.

For the year ended December 31, 2023, there were no significant transfers between Level 1 and 2 and no transfers into or out of Level 3.

Resource Investment Advisors LLC is the investment advisor of the Plan, and therefore certain transactions qualify as exempt party-in-interest transactions. Advisor fees of approximately \$67,200 were paid to Resource Investment Advisor LLC during the year ended December 31, 2023.

Withum Smith & Brown, PC is the prior auditor of the Plan, and therefore certain transactions qualify as exempt party-in-interest transactions. Auditor fees of approximately \$15,300 were paid to Withum Smith & Brown, PC during the year ended December 31, 2023.

PICUT INDUSTRIES, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

7. TAX STATUS

The Plan has adopted a non-standardized pre-approved profit sharing plan with CODA ("pre-approved plan") and is relying on an opinion letter received from FMR LLC dated June 30, 2020 stating that the Internal Revenue Service ("IRS") has determined that the pre-approved plan adopted by the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
