Hall Boys, Inc. 401(k) Profit Sharing Plan (formerly Pro Marketing, Inc. 401(k) Profit Sharing Plan)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Hall Boys, Inc. 401(k) Profit Sharing Plan, (formerly Pro Marketing, Inc. 401(k) Profit Sharing Plan), (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - *Supplemental Schedules Required by ERISA*

The supplemental schedules, Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

General

The following brief description of the Hall Boys, Inc. (the "Company") 401(k) Profit Sharing Plan (formerly Pro Marketing, Inc. 401(k) Profit Sharing Plan) (the "Plan") is provided for general informational purposes only. Participants should refer to the Plan document, summary Plan description and other materials distributed to Plan participants for a complete description of the Plan's provisions. In case of any discrepancy between the summary Plan document and the Plan document, the Plan document will govern.

The Plan was established effective January 1, 1993, restated January 1, 2022. The Plan is a defined contribution plan which is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan allows all employees of the Company, who have three consecutive months of service or one year of service, if earlier, and have attained age 18, to participate. Upon satisfaction of the eligibility requirements, employees may enter the Plan on the first date of the month coinciding with or next following eligibility. The Plan was amended effective September 30, 2022, to allow alternate forms of distributions. The Plan was amended effective December 1, 2023, to permit Roth elective deferrals to the Plan.

In addition to Hall Boys, Inc., the following related employers are included in the Plan: The Beam Team, Inc., Pro Marketing Sales, Inc., Pro Marketing, Inc., Beam Team Construction, Inc. and Hallway Plumbing, LLC. These related employers have elected to participate in the Plan as affiliated service group members. BTI, Inc. was previously included in the plan, but was dissolved in March of 2023. Effective January 1, 2024 Quality Equipment Management, and Advantage HVAC LLC are also related employers.

Contributions

The Plan provides for employee salary deferrals up to 100% of eligible compensation, as defined in the Plan, each year within statutory limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions.

The Company may make discretionary employer matching contributions. For the years ended December 31, 2023 and 2022, the Company matched 50% of a participant's elective deferrals, not to exceed 4% of the participant's total deferrable wages for the period. Additional discretionary profit-sharing amounts may be contributed by the Company's Board of Directors after year end to participants actively employed on the last day of the Plan year and with a minimum 3 months of service. There was no profit-sharing contribution for 2023 and 2022. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the Internal Revenue Service.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, Company contributions, net earnings or losses, distributions, and withdrawals. Company contributions are allocated based on participants' compensation as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs both separately, and distinctly, into which investment the participant contribution, employer match, and discretionary contribution are to be invested.

Vesting

Participants are immediately vested in their voluntary contributions, rollovers, and corresponding earnings. The Plan was amended effective July 1, 2014 in order to offer more timely vesting. The amendment is effective with respect to participants that terminate employment with the Company on or after the effective date of the amendment so that the rights to benefits from the Plan, if any, of participants who terminated employment before that date shall be determined according to the Plan as it was on the date they terminated employment. The following schedule will be used to determine vesting in the Company profit sharing and matching contributions and corresponding earnings, based on years of continuous service (minimum 1,000 hours) on or after July 1, 2014:

<u>Completed Years of Service</u>	<u>Vesting Percentages</u>
Less than 1	0%
1	50%
2 or more	100%

Notes Receivable from Participants

Participants may borrow from the Plan in any amount between \$1,000 and \$50,000, but not more than 50% of their vested account balance. Loans bear interest at an agreed-upon percentage based on prevailing market rates, subject to applicable usury limits. Loan terms are for a period not exceeding five years. A longer term may be approved by the Plan if proceeds are to be used for the purchase of a primary residence. Loans are secured by the balance in the participants' accounts. Principal and interest are typically paid ratably through payroll deductions.

Benefits Paid

Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants, or designated beneficiaries, may elect to receive their vested balance either in a lump-sum amount, or payments over a period of time in cash installments, or in a form agreeable to the Plan Administrator. If the participant's account balance is \$1,000 or less, the Plan Administrator may elect to automatically distribute the balance to the participant in a single-sum payment. Effective December 1, 2023, this amount was updated from \$1,000 to \$5,000. In addition, participants may receive distributions of all vested amounts for qualified financial hardships.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in investment options in increments of 1%. Participants may change their investment options at any time via phone or the Internet.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to reduce Plan expenses. During 2023, forfeitures used to pay Plan expenses were insignificant. As of December 31, 2023 and 2022, available forfeitures were insignificant.

Basis of Presentation

The financial statements of the Plan have been prepared on the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board ("FASB"). The FASB sets accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates and Assumptions

The accompanying financial statements are prepared in conformity with GAAP and require the Plan's management to make estimates and assumptions that affect the reported amounts of assets available for benefits at the dates of the financial statements, and the reported amounts of additions and deductions during the reporting period. Significant judgment is required in making these estimates and assumptions and is based on the best available information. Actual results could be materially different from those estimates and assumptions.

Investment Valuation and Income (Loss) Recognition

Investments, with the exception of the fully benefit-responsive investment contract, are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Fully benefit-responsive investment contracts are valued at contract value, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

(FORMERLY PRO MARKETING INC. 401(k) PROFIT SHARING PLAN)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023, AND 2022**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation. Employer discretionary profit-sharing contributions are recorded when such contributions are authorized by the Company's board of directors.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant's loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefit payments made to participants are recorded when paid.

Administrative Expenses

The Company pays certain administrative expenses of the Plan, and the Plan participants will bear the responsibility of the remaining expenses. Investment related expenses are included in net appreciation in fair value of investments. Fees for specific transactions, such as a loan withdrawal, are paid by the individual participant.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

At December 31, 2023 and 2022, three investments held by the Plan comprised approximately 39% and 36% of the Plan's total investments at fair value, respectively.

NOTE 3 - INVESTMENTS (Unaudited)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Standard Insurance Company, the certifying entity of the Plan, has provided certification that the financial information included in the financial statements and Schedule of Assets (Held at End of Year) as of December 31, 2023 and 2022, and for the year ended December 31, 2023, provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedules as of December 31, 2023 and 2022 and for the year ended December 31, 2023, is covered by such certifications and has not been audited by independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Pooled Separate Accounts

Investments in The Standard pooled separate accounts are stated at fair value as determined in accordance with the policies and procedures reviewed by the investment committee of The Standard. The value of units held in pooled separate accounts are calculated using the net asset value per share of the underlying investments.

The Standard pooled separate accounts provide participants with a liquidity guarantee enabling the account to have funds available to meet participant redemption, transfers, or cash withdrawals. The Standard guarantees that participants can redeem their accumulated unit value determined after their transfer or cash withdrawal request is received in good order.

The pooled separate accounts classified as Level 2 within the fair value hierarchy totaled \$12,971,860 and \$11,743,191 at December 31, 2023 and 2022, respectively.

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

Standard Insurance Company assets placed in the Stable Asset Fund II accrue interest daily at a fixed interest rate, and both principal and interest are backed by the general account of Standard Insurance Company. The stable value fund is included in the statements of net assets available for benefits as a group annuity contract at its contract value.

Certain events, such as premature termination of the contract by the Plan, or the termination of the Plan, would limit the Plan's ability to transact at contract value with Standard Insurance Company. The Plan Administrator believes the occurrence of such events, which would also limit the Plan's ability to transact at contract value with Plan participants, is not probable.

NOTE 6 - REFUND OF EXCESS CONTRIBUTIONS

For the years 2023 and 2022, corrective distributions of \$54,072 and \$44,545, respectively, were required to return excess participant contributions to satisfy the non-discrimination testing requirements of the Plan. As these amounts were paid before March 15, 2024 and 2023, respectively, the distributions were included in the financial statements as accounts payable.

NOTE 7 - RELATED PARTY TRANSACTIONS

Certain Plan assets are invested with Standard Insurance Company and therefore qualify as party-in-interest transactions. Notes receivable from participants are also defined by ERISA as party-in-interest transactions.

The Company provides certain accounting, recordkeeping, and administrative services to the Plan, for which it receives no compensation.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023, AND 2022**

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants will become 100% vested in the employer portion of contributions.

NOTE 9 - TAX STATUS

The Plan adopted a Volume Submitter 401(k) Profit Sharing Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 10 - DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2022, employee withholdings of \$935 were not remitted by the Company. The Company remitted these employee contributions plus lost earnings during 2023. These transactions constituted prohibited transactions as defined by ERISA. The Company elected not to remit through the Voluntary Fiduciary Correction Program ("VFCP") given the immaterial amount.

There were no delinquent participant contributions in 2023.

NOTE 12 - PARTIAL PLAN TERMINATION

The BTI, Inc. division of the Company was sold, and the employees terminated during 2023. In aggregate, the termination represented a partial termination of the Plan. As a result of the partial termination, all accumulated benefits of affected employees were fully vested.

NOTE 13 - SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 financial statements.

NOTE 14 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 3, 2024, the date the financial statements were available to be issued.
