INDEPENDENT AUDITOR'S REPORT

To the Management Committee
The Menne~~l~~ Milling Company
Savings and Investment Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Menne~~l~~ Milling Company Savings and Investment Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant

ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.
- Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SAVINGS AND INVESTMENT PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of The Mennel Milling Company Savings and Investment Plan and Trust (Plan) provides only general information. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan's provisions. The management committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investments offerings and monitors investment performance.

Eligibility - The Plan is a defined contribution plan, subject to the provisions of the Employee Retirement Income Security Act (ERISA), covering all employees of the Mennel Milling Company and Subsidiaries (Company). Substantially all employees of these companies are eligible and can become participants in the Plan if they have completed six months of service within a 12-month period. Employees are treated as participants upon entry into the Plan immediately following satisfaction of eligibility requirements.

Contributions - Each year the Plan provides that active participants may make voluntary contributions to the Plan between 1% and 60% of their eligible pre-tax, after-tax, or a combination thereof, annual compensation, up to the maximum allowed by the Internal Revenue Code (Code) (\$22,500 or \$30,000 including "catch-up contributions" for 2023, as defined by the Code). Employees are automatically enrolled with 3% pre-tax deferral elections, unless the participant opts out. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. The Company matching and other Company contributions are as follows:

- Match 40% of the first 5% of participant contributions made during the Plan year.
- Fixed percentage between 1% and 9% of eligible compensation based on salary, hourly, or union and length of service.
- Discretionary enhanced 401k percentage between 2% and 7% of eligible compensation based on salary, hourly, or union and age of participant for those hired or rehired prior to January 1, 2008.

The Company may contribute additional amounts if it so decides. Participants direct the investment of their contributions, as well as their portion of the Company's contributions, into various investment options offered by the Plan. Participants may change the level of their contributions each quarter.

Participant Accounts - Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution, Plan earnings and administrative expenses. Allocations are based on weighted average of account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their voluntary contributions plus the earnings thereon. Participants shall be fully vested with respect to Company contributions upon early or normal retirement age, death or disability. Otherwise, vesting is based on the elapsed time method, which uses whole years of service to compute vesting. A participant is 100% vested after five whole years of service.

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (CONTINUED)

Retirement Age - Early retirement age is 55 years of age and five years of service. Normal retirement age is 65 years of age.

Payment of Benefits - On termination of service due to death, disability, retirement, or other reasons, a participant with a balance greater than \$5,000 may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or periodic installments. Distributions to participants whose vested accounts do not exceed \$5,000 but are greater than \$1,000 shall be made upon termination of services in a lump-sum payment or a rollover to an Individual Retirement Account. For those accounts with a balance of \$1,000 or less, a distribution shall be made upon termination of services in a lump-sum payment.

Forfeitures - At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$16,292 and \$14,582, respectively. These amounts may be used to pay administrative expenses or to reduce future employer contributions. In 2023, employer contributions were reduced by \$97,876 from forfeited nonvested accounts.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance (reduced by the highest outstanding loan balance during the 12-month period), whichever is less, and may have a maximum of two loans outstanding at any given time. The loans are secured by the balance in the participant's account. The notes are secured by the balance in the participant's account and bear interest at a rate of Prime plus 1%. Principal and interest is paid ratably through payroll deductions over five years, unless the loan was to acquire a principal residence, in which case the repayment period may not exceed ten years.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates - The accompanying financial statements are prepared on the accrual basis of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect: (1) the reported amounts of assets and liabilities, (2) disclosures such as contingencies, and (3) the reported amounts of revenues and expenses included in such financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition - Investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors. The purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the

accrual basis. No allowance has been recorded as of December 31, 2023 and 2022 for these notes receivable. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Benefit Payments - Benefits are recorded when paid.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction in contributions. The Plan distributed the excess contribution to the applicable participants prior to March 15, 2024.

Administrative Expenses - Certain expenses of the Plan may be paid directly by the Company and are therefore excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Some investment related expenses may be included in net change in fair value of investments.

Subsequent Events - These financial statements considered subsequent events through September 27, 2024, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY FIDELITY MANAGEMENT TRUST COMPANY (UNAUDITED)

The following is a summary of the information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Fidelity Management Trust Company (Fidelity), a qualified institution, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Fidelity that information provided to the Plan Administrator by Fidelity related to the following is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information below, the fair values in Note 4, and the values in the supplemental schedule related to the following assets:

	<u>2023</u>	<u>2022</u>
Investments at fair value:		
Mutual funds	\$ 48,252,327	\$ 39,876,634
Common collective trust	<u>1,290,518</u>	<u>1,171,108</u>
	<u>\$ 49,542,845</u>	<u>\$ 41,047,742</u>
Notes receivable from participants	<u>\$ 1,156,313</u>	<u>\$ 1,024,561</u>

**3. INFORMATION CERTIFIED BY FIDELITY MANAGEMENT TRUST COMPANY (UNAUDITED)
(CONTINUED)**

Fidelity also certified to the completeness and accuracy of \$6,711,845 of net change in fair value of investments and dividends and interest income of \$1,311,620 related to the aforementioned Plan assets for the year ended December 31, 2023.

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The following describes three levels of inputs that may be used to measure fair value:

Level 1 - Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 - Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds - These investments are public investment vehicles valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market.

Common Collective Trust - This investment is valued at the NAV. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly manner.

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

The fair value at December 31, 2023 and 2022, of the Plan's financial instruments that are valued on a recurring basis in accordance with the above fair value hierarchy, as provided by Fidelity, is as follows (there are no level 2 or level 3 investments):

	Fair Value as of December 31, 2023		Fair Value (Unaudited)
	Level 1	Not Classified	
Investments:			
Mutual funds	\$ 48,252,327	\$ --	\$ 48,252,327
Common collective trust ^(a)	--	1,290,518	1,290,518
	<u>\$ 48,252,327</u>	<u>\$ 1,290,518</u>	<u>\$ 49,542,845</u>
	Fair Value as of December 31, 2022		Fair Value (Unaudited)
	Level 1	Not Classified	
Investments:			
Mutual funds	\$ 39,876,634	\$ --	\$ 39,876,634
Common collective trust ^(a)	--	1,171,108	1,171,108
	<u>\$ 39,876,634</u>	<u>\$ 1,171,108</u>	<u>\$ 41,047,742</u>

(a) Certain investments that are measured at NAV (or its equivalent) have not been classified in the fair value hierarchy, as allowed by U.S. accounting policies. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV as of December 31, 2023 and 2022, respectively.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets are managed by Fidelity (party-in-interest); therefore, these transactions qualify as party-in-interest transactions. The various funds' operating expense ratios ranged from .01 to .69%, as of December 31, 2023. The Plan paid \$101,768 for administrative expenses for the year ended December 31, 2023.

6. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Reconciliation of the difference between the financial statements and the financial information required on Form 5500 as of December 31, 2023 and 2022, is as follows:

	2023	2022
Net assets available for benefits per the financial statements	\$ 50,699,158	\$ 42,060,251
Contract value to fair value adjustment	(73,467)	(79,056)
Excess contributions payable	--	12,052
Net assets available for benefits per Form 5500	<u>\$ 50,625,691</u>	<u>\$ 41,993,247</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2023:

Change in net assets available for benefits per the financial statements	\$ 8,638,907
Add: Change in contract value to fair value adjustment	5,589
Less: Excess contributions payable at December 31, 2023	<u>(12,052)</u>
Change in net assets available for benefits per Form 5500	<u>\$ 8,632,444</u>

7. PLAN TERMINATION

Although it has not expressed an intention to do so, the Company reserves the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of termination of the Plan, the interests of the participants in the Plan shall be fully vested at the time of termination, and Fidelity shall liquidate all assets of the Plan and continue to administer the Plan in accordance with its provisions until all obligations have been satisfied.

8. TAX STATUS

The Plan adopted a non-standardized pre-approved profit sharing plan designed to qualify under Section 401 of the Internal Revenue Code (IRC). The Plan has obtained a copy of a favorable opinion letter for the non-standardized profit sharing plan dated June 30, 2020, that the non-standardized profit sharing plan is designed in accordance with applicable sections of the IRC. The non-standardized profit sharing plan opinion letter has been relied upon by this Plan. Although

8. TAX STATUS (CONTINUED)

the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRS and, therefore, believe that the Plan is qualified and is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management evaluated the Plan's tax positions and concluded that it had taken no uncertain tax positions that require recognition or disclosure in the financial statements. No provision or liability for income taxes has been included in the financial statements.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
