Board of Trustees
Plumbers & Steamfitters Local 434 and MCA Supplemental/401(k) Retirement Plan
Mosinee, Wisconsin

Opinion

We have audited the accompanying financial statements of Plumbers & Steamfitters Local 434 and MCA Supplemental/401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Plumbers & Steamfitters Local 434 and MCA Supplemental/401(k) Retirement Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Plumbers & Steamfitters Local 434 and MCA Supplemental/401(k) Retirement Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers & Steamfitters Local 434 and MCA Supplemental/401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plumbers & Steamfitters Local 434 and MCA Supplemental/401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers & Steamfitters Local 434 and MCA Supplemental/401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules listed in the table of contents together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements but is supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosures under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated in all material respects in relation to the financial statements as a whole, and their form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

AND MCA SUPPLEMENTAL / 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022**

Note 1 DESCRIPTION OF PLAN

The following description of the Plumbers & Steamfitters Local 434 and MCA Supplemental/401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the provisions of the Plan.

General

The Plan is a defined contribution plan entered into on September 30, 1998. The Plan is intended to comply with the requirements of the Employee Retirement Income Security Act of 1974 and the Internal Revenue Code of 1986, as amended.

Contributions

Participating employers contribute per hour worked to the Plan for each of its covered employees per the collective bargaining agreement. The hourly rate was \$4.55 starting June, 2023, and \$3.80 for the years ended December 31, 2023 and 2022, respectively. Each participant may elect to defer a portion of their compensation in increments of \$.50, which shall not be less than \$.50 per hour up to \$7.00 per hour, and in increments of \$1.00 per hour from \$7.00 per hour to \$20.00 per hour. The money paid into the Plan and earnings thereon are maintained for each participant until termination or payment of benefits. Upon enrollment in the Plan, a participant may direct employee and employer contributions in 1% increments in any of the various investment options.

Participant Accounts

The employer shall generally pay to the trustee its contribution to the Plan for each plan year within the time prescribed by law. Employee elective contributions accumulated through payroll deductions shall be paid to the trustee on or before the 15th day of the following month as determined by the collective bargaining agreement. The income of the trust fund shall be allocated to each participant’s elective account on each valuation date. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Each participant is charged a one-time entrance fee of \$25, which is used to defray start-up costs and subsequent administration expenses.

Vesting

Participants are immediately 100% vested in their voluntary and employer contributions plus actual earnings thereon.

Note 1 DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Upon retirement, a participant shall receive the value of their benefits in the form of a joint and survivor annuity unless an election is made to receive them in another form. On termination of employment, the terminated participant's account shall remain in a separate account and will share in allocations until the distribution is made. A participant's termination of employment shall occur after the participant has not worked in the area covered by the Collective Bargaining Agreement due to reasons other than retirement. Participants who terminate the Plan for a period of eighteen months and have account balances of \$5,000 or less may receive a lump sum payout. Effective January 1, 2024, this amount increased to \$7,000. A participant may, upon death, have their elective account paid to their spouse or designated beneficiary in the form of a lump sum payment. In the event of a participant's total and permanent disability prior to their retirement, they shall receive the balance in their Elective Account as though they had retired.

Note 2 SUMMARY OF ACCOUNTING POLICIES

Basis of Presentation

The accounting records of the Plan are maintained on the accrual basis.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

The Plan's investments are held by Broadridge Matrix Trust Company as of the end of the plan year.

Fair Value Measurements

The Financial Accounting Standards Board Accounting Standards Codification (FASB ASC), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

**PLUMBERS & STEAMFITTERS LOCAL 434
AND MCA SUPPLEMENTAL / 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022**

Note 2 SUMMARY OF ACCOUNTING POLICIES (Continued)

Fair Value Measurements (Continued)

The three levels of the fair value hierarchy under the FASB ASC are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**PLUMBERS & STEAMFITTERS LOCAL 434
AND MCA SUPPLEMENTAL / 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022**

Note 2 SUMMARY OF ACCOUNTING POLICIES (Continued)

Fair Value Measurements (Continued)

Collective Trust Funds (Stable Value): Valued at the NAV of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' accounts balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Administrative Expenses

Most administrative expenses are paid directly by the Plan.

Benefits are recorded when paid.

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through September 27, 2024, the date the financial statements were available to be issued.

Note 3 INVESTMENTS

The following tables set forth by level, within the fair value hierarchy described in Note 2, the Plan's assets measured at fair value on a recurring basis as of December 31, 2023 and 2022.

Note 3 INVESTMENTS (Continued)

In accordance with Subtopic 820-10, certain investments described below that were measured at net asset value per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022.

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Reliance Trust Stable Value Fund Class 0	\$ 31,406,917	n/a	daily	none
<u>December 31, 2022</u>				
Reliance Trust Stable Value Fund Class 0	\$ 28,681,573	n/a	daily	none

Note 4 CONCENTRATION OF CREDIT RISK

The Plan maintains cash balances at financial institutions, which, at times, may exceed federally insured limits. The Plan has not experienced any losses from these accounts. The Plan believes it is not exposed to any significant risk on such balances. Credit risk for contributions receivable is concentrated as well because the balances are from companies located within the same geographic region.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

Note 5 INCOME TAX STATUS

The Plan is qualified under Section 401(a) of the Internal Revenue Code and is exempt from federal income taxes. The most recent favorable determination letter is dated August 21, 2015. The Plan is also exempt from state income taxes. The Plan has been amended since receiving the determination letter; however, the Plan administrator believes that the Plan continues to qualify and operate as designated.

Note 6 PLAN TERMINATION

Although it has not expressed any intent to do so, in the event of Plan termination, the participants' balances, net of the expenses incurred at that date, will be returned to each participant with no part of the assets being forfeited to the employers or union. Upon full termination of the Plan, the Trustees shall direct the distribution of the assets of the Trust Fund to participants in a manner, which is consistent with the payment provisions in Note 1. Distributions to a participant shall be made in cash.
