REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator
Wounded Warrior Project 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed an audit of the financial statements of Wounded Warrior Project 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures

responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

Supplemental schedules required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2023 and schedule of assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in

conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2022 financial statements

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated July 17, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of Plan

The following description of the Wounded Warrior Project 401(k) Plan (the “Plan”) provides general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering certain U.S. employees (“participant” or “participants”) of Wounded Warrior Project, Inc. (the “Company”). Employees of the Company are eligible to participate immediately upon hire date. The Employee Benefits Committee of the Company controls and manages the operation and administration of the Plan (the “Plan Administrator”). Empower Trust Company, LLC (“Empower” or the “Trustee”) served as the trustee from January 1, 2023 through December 31, 2023. The Plan Administrator does not receive compensation for the services rendered. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Each year, participants may contribute up to 80% of eligible compensation, as defined in the Plan document, subject to certain Internal Revenue Code (“IRC”) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company provides a matching contribution of 100% of the first 3% and 50% of the next 2% of eligible compensation that a participant contributes to the Plan, subject to certain limitations.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, recorded as rollovers in the Statement of Changes in Net Assets.

Investment options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and collective trust funds as investment options for participants.

Participant accounts

Each participant’s account is credited with the participant’s contributions, the Company’s matching contributions and investment earnings, and charged with benefit payments, transaction fees, investment losses, investment fees and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions as well as the Company’s matching contributions, plus actual earnings thereon.

Notes receivable from participants

Participants may borrow from their fund account balance a minimum of \$1,000 up to a maximum of the lesser of one-half of the participant’s vested account balance or \$50,000. A participant can use up to 50% of their vested account balance as collateral for the amount borrowed against their vested account balance. All loans bear interest at the prime

Wounded Warrior Project 401(k) Plan

Notes to Financial Statements

rate in effect upon loan origination. At December 31, 2023, outstanding loans bore interest at rates ranging from 3.25% to 8.50%. Principal and interest are paid ratably through payroll deductions.

Benefits paid to participants

A participant may elect to receive an amount equal to the value of his or her account in a lump-sum amount as provided by the Plan in the event of death, disability, retirement, or termination of employment. Amounts contributed on a before-tax basis may be withdrawn upon demonstration of financial hardship, disability, or after the participant reaches the age of 59.5 years.

2. Summary of Significant Accounting Policies

Basis of presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("US GAAP").

Use of estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets at the date of the financial statements and the additions and deductions during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are carried at fair value (see Note 3 for fair value measurements). Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Trustee.

Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of investment securities are recorded on a trade-date basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses have been recorded as of December 31, 2023 and 2022.

Benefits paid to participants

Benefits are recorded upon distribution.

Administrative expenses

Plan administration fees incurred to cover the day-to-day expenses of the Plan for recordkeeping and trustee services, as well as additional services required by the Plan, are shown as Administrative expenses on the Statement of Changes in Net Assets Available for Benefits. Other expenses that are paid by the Company are excluded from these financial statements.

3. Fair Value Measurement

Fair value is defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Authoritative guidance provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The three levels of the fair value hierarchy are described as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: quoted prices for similar assets in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observable for the asset; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset. These investments include positions that are not traded in active markets and/or are subject to transfer restrictions. Valuations may be adjusted to reflect illiquidity and/or non-transferability, which are generally based on available market information. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The determination of what constitutes "observable" requires significant judgment by the Plan. There have been no changes in the valuation methodologies used by the Plan at December 31, 2023 as compared to prior years. The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual funds: Valued using the net asset value calculation method with the market value reflected on an active market, once, at the end of the trading day.

Collective trust funds: These funds are valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

Wounded Warrior Project 401(k) Plan
Notes to Financial Statements

The following tables set forth Plan assets by level within the fair value hierarchy, accounted for at fair value on a recurring basis as of December 31, 2023 and 2022, respectively:

Assets at Fair Value as of December 31, 2023					
	Level 1	Level 2	Level 3	NAV	Total
Mutual funds	\$ 19,703,109	\$ -	\$ -	\$ -	\$ 19,703,109
Collective trust funds				32,628,900	32,628,900
Investments at fair value	\$ 19,703,109	\$ -	\$ -	\$ 32,628,900	\$ 52,332,009

Assets at Fair Value as of December 31, 2022					
	Level 1	Level 2	Level 3	NAV	Total
Mutual funds	\$ 14,068,799	\$ -	\$ -	\$ -	\$ 14,068,799
Collective trust funds		-	-	25,674,932	25,674,932
Investments at fair value	\$ 14,068,799	\$ -	\$ -	\$ 25,674,932	\$ 39,743,731

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value at December 31, 2023	Fair Value at December 31, 2022	Unfunded Commitments	Other Redemption Restrictions	Redemption Notice Period
<u>Collective trust funds</u>					
T. Rowe Price Target Retirement Funds	\$ 32,092,714	\$ 25,274,820	None	Daily	30 days
Fidelity MIP Class II	536,186	400,112	None	Daily	N/A
	<u>\$ 32,628,900</u>	<u>\$ 25,674,932</u>			

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments at fair value and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower (the trustee of the Plan).

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

6. Tax Status

The Plan has adopted a Prototype Plan, sponsored by Empower. The Plan's prototype plan document preparer has obtained an opinion letter dated November 14, 2022 from the IRS stating that the Plan is designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the letter. However, the Plan Administrator believes that the Plan is currently designed and being operated, in all material respects, in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan is qualified, and the related trust is tax-exempt.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Party-in-Interest and Related Party Transactions

Certain Plan investments were managed by Empower, the Custodian as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the Statements of Net Assets Available for Benefits. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

8. Risks and Uncertainties

The Plan invests in various investment securities. In general, investment securities are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term. Such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the accompanying 2023 and 2022 financial statements to Schedule H of Form 5500 as of December 31:

	2023	2022
Net assets available for benefits per the financial statements	\$ 53,325,213	\$ 40,763,792
Balance of deemed distributed loans	(109,464)	(109,988)
Net assets available for benefits per the Form 5500	<u>\$ 53,215,749</u>	<u>\$ 40,653,804</u>

Wounded Warrior Project 401(k) Plan
Notes to Financial Statements

The following is a reconciliation of increase per the financial statements for the year ended December 31, 2023 to Schedule H of Form 5500.

	<u>2023</u>
Change in net assets per the financial statements	\$ 12,561,421
Net change in balance of deemed distributed loans	<u>524</u>
Net income per Form 5500	<u><u>\$ 12,561,945</u></u>

10. Subsequent Events

The Plan has evaluated subsequent events through September 19, 2024, the date the financial statements were available to be issued. The Company is not aware of any material events that require recognition or disclosure in the accompanying financial statements.
