INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the
A&E Television Networks, LLC 401(k) Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the A&E Television Networks, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A&E TELEVISION NETWORKS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the A&E Television Networks, LLC 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan covering substantially all employees of A&E Television Networks, LLC (the “Company”), who have completed at least one month of service in an eligibility computation period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan is administered by the A&E Retirement Plans Subcommittee (“Committee”), which has responsibility for oversight of the administration of the Plan and compliance reporting to governmental agencies for the Plan. Empower Trust Company, LLC (“Empower”) served as the trustee of the Plan at December 31, 2023 and 2022, respectively.

Contributions: Contributions to the Plan include (i) pre-tax and post-tax salary reduction contributions authorized by participants, (ii) matching contributions made by the Company, (iii) discretionary contributions made by the Company, and (iv) participant rollovers from other qualified plans.

Participants may elect to contribute a percentage of their compensation on a pre-tax or post-tax basis to the Plan each year, subject to the limitations, as defined in the Plan document. Pre-tax contributions are excluded from the participant’s taxable income for federal income tax purposes until received as a withdrawal or distribution from the Plan. In addition, under the Plan’s existing automatic deferral feature, the Company automatically withholds a portion of an eligible employee’s compensation and contributes that amount to the Plan on behalf of the employee as a pre-tax contribution. The amount withheld by the Company is equal to 6% of the employee’s compensation (increasing 1% each Plan year until it reaches 10%), unless the employee has elected to contribute a different percentage or to opt out. Employee contributions are limited to the lower of the maximum allowed under the Internal Revenue Code (“IRC”), which is \$22,500 in 2023. In addition, participants who are age 50 or older by the end of calendar year 2023 are permitted to make catch-up contributions of up to \$7,500, which are not eligible for a Company-matching contribution.

The Company makes matching contributions equal to 50% of a participant’s annual contribution, limited to 6% of an employee’s eligible compensation. Participants may also contribute amounts representing distributions (“Rollovers”) from other qualified plans.

Participant Accounts: Individual accounts are maintained for each Plan participant. Each participant’s account is credited with the participant’s contributions, rollover contributions, the Company’s matching, discretionary, and non-elective contributions, and allocations of Plan earnings, and is charged with withdrawals and an allocation of Plan losses and administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from a participant’s vested account.

Investments: Participants direct the investment of their contributions and/or account balances into various investment options offered by the Plan and may change investments and transfer amounts between funds daily. Company contributions are invested based on participant elections. As of December 31, 2023, the Plan offers 27 investment options for participants.

Vesting: Participants are always 100% vested in their contributions, rollover contributions, and earnings thereon. Company contributions vest over the first three years of service at a rate of one-third each year.

(Continued)

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Forfeited Accounts: When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. The Plan document permits the use of forfeitures to either reduce future employer contributions or to pay Plan administrative expenses for the Plan year. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$157,723 and \$241,827, respectively, which are included in "Investments—participant-directed investments—at fair value" in the statement of net assets available for benefits. During the year ended December 31, 2023, employer contributions were reduced by \$230,188 from forfeited nonvested accounts.

Notes Receivable from Participants (Loans): Participants have the right, subject to limitations specified in the Plan document, to obtain personal loans from the Plan. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the respective participant's account. The term of any loan may not exceed 5 years (except where the loan will be used to purchase a primary residence). Interest on loans is charged at an interest rate equal to the prime interest rate reported in the Wall Street Journal on the first day of the month during which the loan application is made. Generally, principal and interest are repaid ratably through biweekly payroll deductions. As of December 31, 2023, participant loans have maturities through 2033 at interest rates ranging from 3.25% to 9.50%.

Payment of Benefits (Withdrawals): Participants can withdraw money from the Plan upon termination of service, disability, death, attainment of age 59 and 6 months, financial hardship, or retirement, subject to limitations set forth in the Plan document. In the event a participant separates from service with the Company before their normal retirement date, other than by reason of disability or death, such participant shall be entitled to receive a benefit equal to the portion of the account balance, derived from the participant's salary deferral account, rollover account, and vested portion of the Company's contribution account as of the date of the termination. In the event of hardship, participants can withdraw participant contributions and/or the vested portion of Company contributions from the Plan, with the consent of the Plan Administrator.

Normal retirement is at age 65. Distributions from the Plan can be made in one lump-sum amount or rolled over into an individual retirement account or another employer's qualified plan. Participants must begin to make withdrawals from the Plan by April 1st of the calendar year following the attainment of age 72.

In accordance with the Plan document, terminated participants with vested balances of less than \$5,000 receive an automatic distribution as soon as administratively feasible following termination, with distributions of amounts between \$1,000 and \$5,000 required to be rolled over into an individual retirement account designated by the Company, unless otherwise directed by the participant. Vested balances of less than \$1,000 are paid directly to terminated participants, unless otherwise directed by the participant.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value, except for the Prudential Stable Value Fund, a synthetic guaranteed investment contract ("GIC"), which is a fully benefit-responsive contracts reported at contract value. Fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the amount Plan participants would normally receive if they were to initiate permitted transactions under the terms of the Plan (see Note 5). See Note 4 for discussion of fair value measurements.

(Continued)

A&E TELEVISION NETWORKS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their outstanding principal balance plus accrued but unpaid interest.

Plan Revenue (Expenses): Administrative expenses consisting of recordkeeping and advisory fees of the Plan are paid by the Company. Other expenses of the Plan are paid by the Company, and personnel and facilities of the Company have been used by the Plan at no charge. Participants pay administrative costs for loans, distributions, and qualified domestic relation orders.

The Plan has a revenue-sharing agreement whereby certain management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments. For the year ended December 31, 2023 approximately \$333,613 was used to offset Plan expenses. This amount is reflected on the statement of changes in net assets available for benefits as other income.

Benefit Payments: Benefit payments to participants are recorded upon distribution. At December 31, 2023 and 2022, there were no amounts allocable to accounts of participants who elected to withdraw from the Plan but have not been paid.

Excess Contributions Payable: The Plan is required to return contributions received during the Plan year in excess of IRC limits. As of December 31, 2023 and 2022, there were no such amounts payable by the Plan.

Use of Estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties: The Plan provides various investment options to its participants. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, Plan management believes it is reasonably possible that changes in the values of investment securities could occur in the near term and such changes could materially affect the value of the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events: The Plan has evaluated subsequent events through September 30, 2024, the date the financial statements were available to be issued and concluded that no subsequent events require adjustment to or disclosure in the financial statements.

NOTE 3 – CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022 and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Life & Annuity Insurance Company of New York and Empower Trust Company, LLC.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification 820, Fair Value Measurements, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows (from highest to lowest): Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Asset Valuation Techniques: Valuation methodologies used maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1).

The following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2023 and 2022:

	Fair Value of Asset Measurements at December 31, 2023

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Prudential Stable Value Fund (“PSVF”) is a combination of a group annuity contract issued by The Prudential Insurance Company of America (“PICA”) and an underlying investment, which is represented by a unitized investment in the Prudential Core Intermediate Bond Fund, which is a part of the Prudential Trust Company Collective Trust. The PSVF is designed to offer plan participants the long-term return of the broad investment grade bond market, with low volatility of returns, stability and safety of principal. The PSVF provides a fully guaranteed book value backed by PICA. The Prudential Core Intermediate Bond Fund is a well-diversified, high-quality fixed income portfolio. The synthetic GIC held by the Plan includes a wrapper contract that provides a guarantee that the credit rate will not fall below 0%. Cash flow volatility (for example, timing of benefit payments) as well as asset underperformance can be passed through to the Plan through adjustments to future contract crediting rates. Formulas are provided in each contract that adjusts renewal crediting rates to recognize the difference between the fair value and the book value of the underlying assets. Interest crediting rates are reviewed on a periodic basis for resetting.

The Plan’s ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

- a. The Plan’s failure to qualify under Section 401(a) of the IRC or the failure of the trust to be tax-exempt under Section 501(a) of the IRC
- b. Premature termination of the contracts
- c. Plan termination or merger
- d. Changes to the Plan’s prohibition on competing investment options
- e. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan’s normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- a. An uncured violation of the Plan’s investment guidelines
- b. A breach of material obligation under the contract
- c. A material misrepresentation
- d. A material amendment to the agreements without the consent of the issuer.

(Continued)

NOTE 6 – FEDERAL INCOME TAX STATUS

The Internal Revenue Service issued an opinion letter dated November 14, 2022 indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the IRC. Although the Plan has been amended from the original prototype document, Plan management believes that the Plan is currently being operated in accordance with the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Company reserves the right to amend, change, or terminate the Plan at any time. If the Plan is terminated, participants will be fully vested in their rights under the Plan and benefits will be distributed in accordance with ERISA regulations.

NOTE 8 – RELATED PARTY TRANSACTIONS AND EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Fees paid by the Plan for investment management services are included as a reduction of the return earned on each fund.

The Plan issues loans to participants, which are secured by the balance in the respective participant's account.

Additionally, certain employees and officers of the Company, who may also be participants in the Plan, perform administrative services for the Plan at no cost.

The Plan has a revenue-sharing agreement whereby certain investment managers return a portion of the investment fees to the recordkeeper to offset the Plan's administrative expenses. Future Plan expenses can be paid from any excess remaining revenue sharing amounts.
