## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
S. Clyde Weaver, Inc.  
401(k) Plan  
East Petersburg, Pennsylvania

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the S. Clyde Weaver, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C)(ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of S. Clyde Weaver, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Principal Trust Company as of December 31, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the S. Clyde Weaver, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the S. Clyde Weaver, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the S. Clyde Weaver, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the S. Clyde Weaver, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedules Required by ERISA**

The supplemental schedule of the Schedule of the Assets Held for Investment Purposes as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment

information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **S. Clyde Weaver, Inc. 401(k) Plan**

### **Notes to Financial Statements**

#### **Note 1 – Plan Description**

The following description of the S. Clyde Weaver, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all employees of S. Clyde Weaver, Inc. (the “Company”) who have completed 1,000 or more hours of service in a 12-consecutive month period, who have attained the age of twenty-one, and who are not covered by a collective bargaining agreement. Effective October 1, 2023 the Plan was amended. Significant amendments include eliminating automatic enrollment, eliminating in-plan Roth rollovers, and permitting in-plan Roth transfers only from fully vested accounts.

Contributions – Each year, participants may contribute up to the maximum limits of the Internal Revenue Code, as defined in the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may, at its discretion, decide to match participant contributions to the Plan. A matching contribution equal to 50% of each participant's contribution up to a maximum of 3% of a participant's compensation can be made for which a 401(k) elective deferral has been made. Also, the employer may make a qualified non-elective contribution that is sufficient to satisfy certain required regulations. There were no qualified non-elective contributions for the years ended December 31, 2023 and 2022.

Participant Accounts – Each participant's account is credited with the participant's deferred compensation and an allocation of (a) the Company's contribution, (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are vested in discretionary employer contributions plus actual earnings thereon based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits – Upon termination of service, a participant may elect to receive a lump-sum amount equal to the vested value of his or her account. Automatic distributions will be made to terminated participants with vested balances less than \$1,000. If a participant's vested balance is in excess of \$1,000 but less than \$5,000, the third-party administrator will rollover the distribution into an individual retirement plan (IRA) absent a distribution direction from the participant. If a terminated participant's vested balance exceeds \$5,000, a written request from the participant is required before distribution. Hardship withdrawals are permitted from participants' pre-tax and Roth elective deferral accounts.

**Notes to Financial Statements**

**Note 1 – Plan Description – Continued**

Forfeitures – At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$5,405 and \$6,252, respectively. Forfeitures may be used by the Plan to pay any administrative expenses of the Plan or used to reduce employer contributions. There were no forfeitures used to pay Plan expenses for the years ended December 31, 2023 and 2022. For the years ended December 31, 2023 and 2022, forfeitures used to reduce employer contributions were \$7,121 and \$18,619, respectively.

**Note 2 – Significant Accounting Policies**

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates – The preparation of financial statements in conformity with accounting principles accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value as determined and certified by the Plan's Trustee. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. The money market fund is valued at the quoted redemption price at year end. The guaranteed option account is valued at contract value, which approximates fair value. The pooled separate accounts are valued at net asset value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well during the year.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – All administrative expenses will be paid by the Plan unless paid by the Company. Certain administrative expenses associated with the Plan were paid by the Plan.

Subsequent Events – Events that occurred subsequent to December 31, 2023 have been evaluated by the Plan's management through the date of the independent auditor's report, which is the date the financial statements were available to be issued.

**Note 3 – New Accounting Standards**

Pronouncements issued by the Financial Accounting Standards Board (FASB) with future effective dates are either not applicable or are not expected to be significant to the Plan's financial statements.

**Notes to Financial Statements**

**Note 4 – Investments**

The Plan's investments were held in a trust fund administered by Principal Trust Company.

During the years ended December 31, 2023 and 2022, the Plan's investments in mutual funds (including gains and losses on investments bought, sold, and held during the year) appreciated (depreciated) in value by \$619,583 and (\$751,741), respectively. The Plan's investments in pooled separate accounts appreciated (depreciated) in value by \$205,847 and (\$403,344) during the years ended December 31, 2023 and 2022, respectively. The Plan's fund in the guaranteed option appreciated in value by \$31,129 and \$34,275 during the years ended December 31, 2023 and 2022, respectively.

**Note 5 – Fair Value Measurements**

Generally accepted accounting principles have an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1     Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access.

Level 2     Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3     Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**Note 5 – Fair Value Measurements – Continued**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Mutual funds:* Valued at quoted market prices, which represent the net asset value (“NAV”) of shares held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2023 and 2022, respectively.

(1) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using net asset value per share (or its equivalent):

(a) This class invests primarily in fixed income securities. The class's objective is to provide current income. Investments in this class can be redeemed daily at the current net asset value per unit based on the fair value of the underlying investments. The fair value of the investments in this class has been estimated using the net asset value per unit of the underlying investments. There are no unfunded commitments and no redemption period notice required.

(b) This class invests in equity securities of large, medium and small market capitalizations whose potential for growth and earnings is expected to be above average. The class's objective is long-term capital appreciation. Investments in this class can be redeemed daily at the current net asset value per unit based on the fair value of the underlying investments. The fair value of the investments in this class has been estimated using the net asset value per unit of the underlying investments. There are no unfunded commitments and no redemption period notice required.

**Note 6 – Investment Contract with Insurance Company**

In March 2021, the Plan entered into a group annuity contract with an insurance carrier. The contract, which is included in the Guaranteed Option Account, is fully benefit-responsive and has no stated maturity date. A fully benefit-responsive contract provides for a stated return on principal invested over a specified period and permits withdrawals at contract value for benefit payments or transfers. Contract value represents contributions made under the contract, plus interest at the crediting rate, less plan withdrawals, and administrative expenses. The average crediting rate for the years ended December 31, 2023 and 2022 was 4.70% and 1.86%, respectively. Investment contracts held by a defined contribution plan are required to be reported at fair value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to a fully benefit-responsive investment contract. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Accordingly, the fully benefit-responsive group annuity contract is included in the financial statements at contract value, which approximates fair value.

### **Notes to Financial Statements**

#### **Note 7 – Plan Termination**

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination or partial Plan termination, affected participants will become 100 percent vested in their accounts.

#### **Note 8 – Party-In-Interest Transactions**

The Plan had certain investments managed by Principal Trust Company. The value of these investments totaled \$3,065,145 and \$3,369,517 at December 31, 2023 and 2022, respectively.

Principal Trust Company, the trustee of the Plan, provided record keeping services to the Plan. Fees paid by the Plan for these services amounted to \$20,683 and \$23,335 for the years ended December 31, 2023 and 2022, respectively.

#### **Note 9 – Tax Status**

The Company adopted a non-standardized volume submitter 401(k) Plan, which received a favorable opinion letter from the Internal Revenue Service on June 30, 2020. The opinion letter stated that the Prototype Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and the Department of Labor. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 10 – Information Prepared and Certified by Trustee**

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Trustee.

- Investments, at fair value
- Investments, at contract value
- Investments, at net asset value
- Investment income
- Schedule of Assets Held for Investment Purposes

**Notes to Financial Statements**

**Note 11 – Risk and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.
