## Independent Auditor's Report

Chubb US Retirement Committee  
Chubb Puerto Rico Retirement Savings Plan  
Philadelphia, Pennsylvania

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements***

We have performed an audit of the accompanying financial statements of Chubb Puerto Rico Retirement Savings Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Chubb Puerto Rico Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2023 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the 2023 Financial Statements" section:

- the amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2023 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the “Auditor’s Responsibilities for the Audit of the 2023 Financial Statements” section of our report. We are required to be independent of Chubb Puerto Rico Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2023 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chubb Puerto Rico Retirement Savings Plan’s ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor’s Responsibilities for the Audit of the 2023 Financial Statements***

Except as described in the “Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements” section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting in error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chubb Puerto Rico Retirement Savings Plan’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chubb Puerto Rico Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2023 Supplemental Schedule Required by ERISA***

The Supplemental Schedule of Assets (Held at End of Year), Schedule H, Line 4(i) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditors' Report on the 2022 Financial Statements***

Predecessor auditors performed an audit of the 2022 financial statements of Chubb Puerto Rico Retirement Savings Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated August 9, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Employees are eligible to participate in the Plan beginning on their first day of work if they are employed by the Companies in Puerto Rico as a full-time or part-time salaried employee and are a resident of Puerto Rico. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Employees who are not eligible to participate are those covered under a collective bargaining agreement, a leased employee, and an employee classified as hourly.

#### Contributions

Participants are permitted to contribute from 1% to 25% of their eligible compensation, except for highly compensated employees as defined by the Puerto Rico Code (“PR Code”), who may only contribute up to 10% of compensation. Eligible compensation is generally comprised of base salary, any overtime pay, bonuses, and commissions subject to Puerto Rican authorities (“Hacienda”) limitations. Amounts paid to participants attributable to medical loss ratio refunds under *The Affordable Care Act* shall not be eligible compensation under the Plan. Participants aged fifty or older are eligible for catch-up contributions subject to PR Code limits. Participants may contribute amounts representing qualified rollover distributions from other qualified plans. The Plan includes a company matching contribution and certain participants receive a company contribution of 6% of eligible compensation. Effective September 3, 2019, the plan document was amended to include auto-enrollment.

The timing and amount of participant contributions, relative to Hacienda limitations, may result in a lower employer matching contribution for any given plan year. The contributions by the Companies to the Plan will be made once each year, in January following the end of the plan year, and only to those employees who were employed on December 31 of the plan year.

Participants, at their election, invest their contributions in one or more of several investment options. The Companies’ contributions are invested as elected by the participants. The Plan offers twenty-two mutual funds, one common collective trust fund, and a self-directed brokerage account as investment options.

Employees of certain related companies are eligible for discretionary performance-based employer contributions. No performance-based employer contributions were made for the years ending December 31, 2023 and 2022.

Effective January 1, 2009, each newly eligible participant hired on or after January 1, 2009, for ACE American Insurance Company (excluding ESIS, Chubb Conference Center, The ACE Club, and Private Risk Services employees), will receive matching contributions equal to 50% of the participant’s contributions up to 6% of the participant’s eligible compensation. This includes legacy Chubb participants hired on or after January 1, 2001. Further, the definition of eligible compensation for these participants includes regular salary, but not bonus payments.

## Chubb Puerto Rico Retirement Savings Plan

The Plan provides for qualified non-elective contributions to comply with the average deferral percentage test under the Puerto Rico Internal Revenue Code of 2011, as amended.

### Participant Accounts

Each participant's account is credited with the participant's contribution and its share of an allocation of the Companies' contribution and plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Administrative Expenses

Administrative expenses are paid by the Plan and the Companies.

### Vesting

Participants are immediately vested in their contributions and earnings, and most are 100% vested in employer contributions after two years of credited service. Upon acquisition, employees generally retain their credited services from the acquired companies.

### Forfeitures

Amounts that have been forfeited may be used to reduce the Companies' contributions. No forfeitures were used to reduce the Companies' contributions for the years ending December 31, 2023 and 2022. Available forfeitures were \$131,849 and \$124,985 as of December 31, 2023 and 2022, respectively.

### Participant Loans

Participants may borrow from their account a minimum of \$1,000 up to a maximum of the lesser of (1) \$50,000 reduced by the excess, if any, of: the highest outstanding balance of loans to the participant during the one-year period ending on the day immediately before the date on which the loan is made; over the outstanding balance of loans from the Plan to the participant on the date on which such loan is made; or (2) one-half of the total vested balance of the participant's accounts under the Plan as of the date of the loan is made. Loans have terms from one to five years (with certain exceptions, such as for the purchase of a primary residence as defined by the plan document) and generally bear interest at a rate of prime plus 1% (which represents a commercially reasonable rate). As of December 31, 2023 and 2022, interest rates on outstanding loans ranged from 4.25% to 9.50%, maturing 2024 through 2029, and 4.25% to 8.00%, maturing 2023 through 2029, respectively. Loans are repaid through automatic payroll deductions but may be repaid in full at any time without penalty. Upon termination of employment, participants may continue to make loan payments directly to the Trustee. Loans are secured by a participant's vested interest in the Plan.

### Payment of Benefits

On termination of service due to death, disability, termination or retirement, participants or beneficiaries may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a period of not more than the participant's or beneficiaries' assumed life expectancy.

### Special Disaster Distributions

Effective October 12, 2022, the Plan has been amended to allow for Special Disaster Distributions in connection with Hurricane Fiona and guidance outlined in Internal Revenue Circular Letter No. 22-13. Distributions must be made between October 6, 2022, and December 31, 2022 (the "Eligible Period") and will be subject to the following tax treatment and distribution limits:

- Participants can request one or more Special Disaster Distributions up to \$100,000 in connection with certain expenses, as defined, during the Eligible Period.
- Special Disaster Distributions up to \$10,000 will be exempt from the 10% withholding and income tax rate.
- Any Special Disaster Distributions received in excess of \$10,000 (but no more than \$100,000) will be subject to a 10% withholding and a 10% income tax rate.

## 2. Summary of Significant Accounting Policies

This summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America ("GAAP") and have been consistently applied in the preparation of the financial statements.

### **Basis of Accounting**

The Plan's financial statements have been prepared using the accrual method of accounting.

As described in the Financial Accounting Standards Board's ("FASB") guidance for accounting for defined contribution plans, investment contracts held by a defined contribution plan are required to be reported at fair value. This applies even when contracts are not held directly by the Plan but are underlying assets in common collective trust ("CCT") investments held by the Plan.

### **Investment Valuation and Income Recognition**

The Plan's investments, which are comprised of mutual funds, a CCT, and a self-directed brokerage account, are stated at fair value. Investments in CCTs are stated at the unit value of the portfolio which is based on the fair value of the underlying securities.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Capital gains distributions are included in dividend income.

Net appreciation (depreciation) in the fair value of investments presented in the Statements of Changes in Net Assets Available for Benefits consists of realized gains and losses and unrealized appreciation and depreciation on investments.

### **Benefits Paid**

Benefit payments to participants are recorded when paid.

### **Notes Receivable**

Loans to participants are reported as notes receivable from participants and valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

### **Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

## 3. Information Certified by the Plan's Custodian

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the Plan Administrator instructed the Plan's auditors not to perform auditing procedures with respect to information certified by Fidelity Management Trust Company, (the "Custodian"), as of December 31, 2023 and 2022, and the years then ended.

#### 4. Fair Value Measurements

The Plan values its investment assets in accordance with the FASB's fair value measurements guidance. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurement is based on assumptions that market participants would make in pricing an asset or liability. This statement prioritizes the inputs to valuation techniques used to measure fair value by establishing a three-level fair value hierarchy.

The fair value hierarchy gives the highest priority to quoted prices in active markets and the lowest priority to prices derived from unobservable inputs. An asset or liability's classification within the fair value hierarchy is based on the lowest level of significant input to its fair value measurement. The Plan has categorized its assets into the three-level fair values hierarchy based upon the priority of the inputs. The following summarizes the three levels of the fair value hierarchy:

Level 1: Fair value is based on unadjusted quoted market prices in active markets for identical assets or liabilities that are accessible at the measurement date. These generally provide the most reliable evidence and are used to measure fair value whenever available. Active markets are defined as having the following for the measured asset/liability: i) many transactions, ii) current prices, iii) price quotes not varying substantially among market makers, iv) narrow bid/ask spreads and v) most information publicly available. Prices are obtained from readily available sources for market transactions involving identical assets or liabilities.

Level 2: Fair value is based on significant inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability through corroboration with observable market data. In circumstances where prices from pricing services are reviewed for reasonability but cannot be validated to observable market data as noted above, these security values are recorded in Level 3 in our fair value hierarchy.

Level 3: Fair value is based on significant inputs that are unobservable for the asset or liability. These inputs reflect the plan management's expectations about the assumptions market participants would use in pricing the asset or liability. These are typically less liquid fixed maturity securities with very limited trading activity. Prices are determined using valuation methodologies such as option pricing models, discounted cash flow models and other similar techniques. Prices may also be based upon non-binding quotes from brokers or other market makers that are reviewed for reasonableness, based on the plan management's understanding of the market.

The following tables set forth by level within the fair value hierarchy the Plan's investment assets at fair value, as of December 31, 2023 and 2022. There were no assets included in Level 2 or Level 3 as of December 31, 2023 and 2022.

(a) In accordance with Accounting Standards Codification Subtopic 820-10, certain investments that were measured at net asset value ("NAV") per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in the above tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Level 1 assets consist of investments in mutual funds and a self-directed brokerage account. Mutual fund assets are valued at the daily closing price as reported by the fund and are deemed to be actively traded. The self-directed brokerage account primarily consists of common stock and money market funds that are valued on the basis of readily determinable market prices.

There were no significant gross transfers during the years ended December 31, 2023 and 2022. Transfers between levels are recorded at the end of the reporting period.

### Fair Value of Investments in Entities that Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022:

| December 31, 2023       | Fair Value   | Unfunded Commitments | Redemption Frequency (if currently eligible) | Redemption Notice Period |

### 5. Tax Status

The Plan is governed by the PR Code. The Plan received a determination letter from the Commonwealth of Puerto Rico's Department of Treasury, dated September 22, 2021, stating that the Plan is qualified under Section 1165(a) of the PR Code and has complied with the applicable provisions of the PR Code since the Plan's inception. The Plan has been amended since receiving this determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Hacienda. Therefore, the Plan's related trust is exempt from taxation, and no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the relevant taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for the years prior to 2020.

### 6. Related Party Transactions

Participants have the ability to select investment options managed by the Custodian through the self-directed brokerage investment account. Transactions with investment options managed by the Custodian qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

### 7. Risk and Uncertainties

The Plan provides various investment options to participants. The investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to the changes in the value of certain investments, it is at least reasonably possible that changes in the values of the investment options could occur. Such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

### 8. Termination of Plan

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of plan termination, each participant would become fully vested in their employer contributions.
