INDEPENDENT AUDITOR'S REPORT

October 1, 2024

To the Plan Administrator and Participants of the
UBEO, LLC 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of UBEO, LLC 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of UBEO, LLC 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of UBEO, LLC 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about UBEO, LLC 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UBEO, LLC 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about UBEO, LLC 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UBEO, LLC 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the UBEO, LLC 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of UBEO, LLC (the Company or Plan Administrator) who meet certain eligibility criteria. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA). Effective January 1, 2022, the Company completed a merger that allowed for employees to roll over their account balance to the Plan which resulted in \$7,967,790 of rollovers in 2022 related to the merger.

Administration

The Company is the Plan Sponsor and Plan Administrator. Four members of management serve as trustees to the Plan.

Empower Retirement is the custodian of the Plan and Definiti, LLC is the third-party administrator of the Plan. Effective August 1, 2022, Great-West Life & Annuity Insurance Company and Great-West Trust Company rebranded and became Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, Empower Retirement).

Eligibility

Employees of the Company that are not nonresident aliens, represented by a collective bargaining agreement or leased employees are eligible to participate in the Plan. Employees are eligible to participate in the Plan upon attainment of eighteen years of age and are enrolled on a quarterly basis. Employees of the Company are eligible to receive discretionary matching contributions and discretionary profit-sharing contributions upon eighteen years of age and completion of one year of service.

Contributions

The Plan allows participants to contribute up to 100% of their annual compensation, subject to certain limitations of the Plan and the Internal Revenue Code (IRC). Participants may also rollover contributions from other qualified retirement plans, at the discretion of the Plan Administrator. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions of up to \$7,500 and \$6,500 during 2023 and 2022, respectively. Participants may direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan.

The Company may make a discretionary matching contribution in an amount to be determined each year. During 2023 and 2022, the Company made matching contributions equal to 50% of each participant's elective deferral up to a maximum of 3% of the participant's eligible compensation. In addition, the Company may make discretionary profit-sharing contributions on behalf of the participants at the election of the Plan sponsor's Board of Directors to employees who have completed one year of service. The Company made no discretionary profit-sharing contributions to the Plan for the year ended December 31, 2023 or 2022.

1. DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

The Plan provides an automatic enrollment provision in which all newly eligible employees are enrolled to contribute 3% of their annual salary, unless they affirmatively elect not to participate in the Plan within 30 days. Contributions are automatically invested in a fund designated by the Plan Administrator based on the age of the employee until changed by the employee.

The Plan also includes an automatic escalation provision in which participants are subject to an annual deferral rate increase of 1%, until their deferral rate reaches 10% of eligible compensation. Participants may elect to discontinue their participation in the automatic deferral rate increase at any time.

Participant Accounts

Each participant's account is allocated with the participant's contributions, the Company's matching contributions, the Company's discretionary profit-sharing contributions, Plan earnings (losses), forfeitures, and administrative expenses. Company discretionary contributions are allocated to participants equally. Allocations are based on participant earnings and losses and plan expenses on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and actual earnings and losses thereon. Company contributions are subject to five-year graded vesting schedule at a rate of 20% each year. Participants are also fully vested upon death, or total and permanent disability. Participants are considered to have completed one year of service for vesting purposes upon completion of 1,000 hours of service at any time during the plan year.

Forfeitures

Forfeitures of non-vested account balances may be used to offset Plan expenses or reduce employer-matching contributions. During 2023 and 2022, forfeitures of non-vested account balances and earnings on unused amounts totaled \$13,862 and \$20,703, respectively. During 2023 and 2022, \$17,365 and \$15,925 were utilized from forfeited non-vested accounts, respectively. As of December 31, 2023 and 2022, the Plan reported available forfeitures of \$5,308 and \$8,811, respectively.

Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance with a minimum loan amount of \$1,000. Principal and interest are paid ratably through payroll deductions for a period not to exceed five years, unless they are used to purchase a primary residence, in which case the Plan Administrator may permit longer terms. Notes receivable are secured by the participant's account and bear interest at a fixed rate of Prime plus 1% at the time the loan is originated. Notes receivable are measured at the unpaid principal balance plus any accrued but unpaid interest. The Plan allows for participants to have one active loan. Notes receivable in default must be paid before another loan may be issued.

Benefit Payments

The Plan provides for normal retirement benefits upon termination of service due to death, disability or attainment of retirement age. The normal retirement age is the date a participant reaches the age of 65. Participants may elect disbursement of their vested account balance in either a lump-sum amount or direct rollover into an individual retirement account or another qualified plan. Vested account balances of \$5,000 or less are paid as lump sum distributions or rollover distributions as soon as administratively possible. Distributions due to termination or disability may be deferred until the participant retires if the value of their account exceeds \$5,000.

1. DESCRIPTION OF PLAN (Continued)

In-Service Withdrawals

Participants may elect disbursement of all or part of their vested account balance upon attainment of age 59 ½.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's vested account balance, under certain circumstances. All hardship withdrawals are subject to the Company's approval and must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, each participant's account will become fully vested.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company. Participant accounts are charged fees for processing loans and benefit payments. Certain fees may be paid by the Plan through reduction of investment income and netted against net appreciation in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Interest-Bearing Cash

Interest-bearing cash may include bank demand deposits accounts, money market accounts and all highly liquid debt instruments purchased with a maturity of three months or less. The Plan's cash balances may at times exceed federally insured limits. The Plan has not experienced any losses in these accounts and believes it is not exposed to any significant risk with respect to cash and cash equivalents.

Investments and Income Recognition

The Plan's investments in mutual funds are reported at fair value as reported by the custodians. The Plan's investment in its guaranteed investment contract is a fully benefit-responsive investment contract reported at contract value as reported by the custodian. Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. The net appreciation (depreciation) in the fair value of investments consists of both realized and unrealized gains and losses on the Plan's investments. Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board *Accounting Standards Codification 820* (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available.

The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

Risks and Uncertainties

Investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with investment securities and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in values in the near term would materially affect participants' account balances and the amount reported in the accompanying financial statements.

Payment of Benefits

Benefit payments are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based in accordance with the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates and such differences may be significant.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Empower Retirement, the custodian of the Plan, as of and for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Investments, at fair value	<u>\$ 36,264,005</u>	<u>\$ 27,668,269</u>

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest-bearing cash	\$ 5,308	\$ -	\$ -	\$ 5,308

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest-bearing cash	\$ 8,811	\$ -	\$ -	\$ 8,811

Total investments, at fair value	<u>\$ 27,668,269</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 27,668,269</u>

4. FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Interest-bearing cash: fair value approximates the carrying amounts of such instruments due to their short maturity.

Mutual funds: valued at fair value based on quoted market prices.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

Plan investments during 2023 and 2022 include a traditional fully-benefit responsive investment contract with Empower Retirement that is reported at contract value. Contributions are maintained in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The average yields for the investment contract and actual average yields earned on the investment contract as reported by Empower Retirement were approximately 1.23% and 0.93% for the years ended December 31, 2023 and 2022, respectively. Such interest rates are reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the issuer's ability to meet its financial obligation, which may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the IRC or the failure of the trust to be tax exempt under section 501(a) of the IRC
- Premature termination of the contracts
- Plan termination or merger
- Changes to the Plan's prohibition on competing investment options
- Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestures or spin-offs of a subsidiary) that significantly affect the Plan's normal operations

The Plan Administrator does not believe any events which would limit the Plan's ability to transact at contract value with participants are probable.

6. PARTY-IN-INTEREST TRANSACTIONS

Empower Retirement is the custodian of the Plan's investment assets for the years ended December 31, 2023 and 2022. Consequently, transactions between the custodian, the Company and the Plan qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

7. TAX STATUS

The Internal Revenue Service has determined, by letter dated June 30, 2020, that the written form of the pre-approved plan document is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan has not applied for its own determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following tables provide a reconciliation of the net assets available for benefits and changes in net assets available for benefits per the financial statements to Form 5500 as of and for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 40,406,264	\$ 30,715,939
Participant contributions receivable	(148,212)	(104,793)

Net assets available for benefits per Form 5500	<u>\$ 40,137,200</u>	<u>\$ 30,503,496</u>

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (Continued)

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31:

	<u>2023</u>	<u>2022</u>
Change in net assets available for benefits per the financial statements	\$ 9,690,325	\$ 7,415,784
Contributions receivable in the current year, received in the following year	(240,331)	(193,548)
Contributions receivable in the prior year, received in the current year	193,548	121,551

Change in net assets available for benefits per Form 5500	<u>\$ 9,633,704</u>	<u>\$ 7,334,872</u>

While total net assets available for benefits and the total change in net assets available for benefits reconcile between the financial statements and Form 5500 for 2023 and 2022, as illustrated above, certain classifications differ between the financial statements and Form 5500.

9. SUBSEQUENT EVENTS

The Board of Directors of the Company approved a merger of the Plan and Ubeo West Region 401(k) Retirement Plan (Ubeo West Plan). The Company and Ray A. Morgan Company, LLC, the Plan Sponsor of the Ubeo West Plan, are both wholly-owned subsidiaries of UBEO Midco, LLC. Effective March 15, 2024, Ray A. Morgan Company became a participating employer of the Plan and substantially all of the Ubeo West Plan's assets were transferred to the Plan. As a result of the merger, various plan provisions will be changed and Fidelity Management Trust Company will assume all administrative roles of the Plan.

Subsequent events have been evaluated through October 1, 2024, which is the date the financial statements were available to be issued.
