INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
New York Hotel and Motel Trades
Council AFL-CIO Staff Pension Plan

Opinion

We have audited the financial statements of the New York Hotel and Motel Trades Council AFL-CIO Staff Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year referred to as “supplemental information,” is presented for the purpose of additional analysis and is not a required part of the financial statements. The supplemental Schedule of Assets Held at End of Year is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Supplemental information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AFL-CIO STAFF PENSION PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the New York Hotel and Motel Trades Council AFL-CIO Staff Pension Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General - The Plan was adopted pursuant to the authority of the Board of Trustees granted under the Agreement and Declaration of Trust entered into as of January 1, 1998. The Plan is a defined contribution plan covering eligible non-union employees of the Hotel & Gaming Trades Council, AFL-CIO (the Plan Sponsor). The Plan Sponsor and the Employer are required to make contributions to the Plan pursuant to those agreements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

An employee becomes eligible for employer contributions after being employed with the Plan sponsor and the Employer for 1 year from the date of hire.

Effective January 1, 2018, the Plan was converted into a 401k Plan and all investments will be participant directed.

Participant Accounts - Each participant's account is credited with the employer's contribution and allocation of Plan earnings. Allocations are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Earnings and losses, which pertain to investments, which are specifically held for a given participant's account, shall be allocated solely to that participant's account.

Vesting - Participants are immediately 100% vested in the value of all contributions and related earnings credited to their individual accounts.

Benefits - For terminated participants, Principal, once notified of their termination date, will send a communication to the former employees and the employees have a 60 day window to remove their assets from the plan. If no action is taken during that window, account balances under \$1,000 receive a check; \$1,000-\$5,000 their funds are moved to an IRA outside of the plan; and over \$5,000 stay with the plan but moves to a Vested Terminated status.

NOTE 1. DESCRIPTION OF THE PLAN (continued)

Participant Loans - Participants may borrow from their fund accounts a minimum of \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured up to 50% of the vested balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions. Failure to make a scheduled payment within the terms of the Plan will cause the loan to be deemed defaulted, resulting in a deemed distribution equal to the entire outstanding loan balance at the end of the calendar year.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements are prepared using the accrual basis of accounting.

Investments and Income Recognition - Investments in mutual funds are carried at fair value which generally represents quoted market prices or net asset value of the fund as of the last business day of the fiscal year as provided by the investment company, Principal. The common collective trust is valued at net asset value (NAV) of units held at estimated fair value as determined by the trusts and provided by the investment company.

Purchases and sales of securities are recorded on a trade date basis. Interest and dividend income are recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable - Contributions due and not paid prior to year end are recorded as contributions receivable. The Plan believes that the receivables are fully collectible; therefore, no allowance for credit losses is recorded.

Participant Loans Receivable - Loans to participants are measured at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefit payments to participants are recorded when paid.

Expenses - Expenses to maintain the Plan may be paid by the Plan Sponsor. Expenses of maintaining the Plan that are paid directly by the Plan Sponsor are excluded from these financial statements.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 3. FUNDING POLICY

The Plan is funded by 10% of eligible employee wages paid by the Plan Sponsor and Employer. Contributions are subject to certain Internal Revenue Service limitations. The participants may contribute 15% of pre-tax annual compensation, as defined in the Plan agreement. Contributions are subject to certain Internal Revenue Service limitations. Employee and employer contributions are accounted for as exchange transactions.

NOTE 4. PRIORITIES UPON TERMINATION

The Board of Trustees expects and intends to continue the Plan indefinitely, but reserves the right to amend or terminate it as provided for by the applicable Trust Agreement and Plan provisions. If the Plan is terminated, the rights of all affected participants and beneficiaries, to the value of the amounts credited to participants' accounts, shall be non-forfeitable, and the Plan assets will be allocated to pay all obligations of the Plan and to provide benefits to those eligible under the terms of the Plan and as otherwise required by law.

NOTE 5. TAX STATUS

The Plan obtained its latest determination letter on May 28, 2015 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan's administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, Plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, sector and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 7. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic condition or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the years ended December 31, 2023 and 2022, there were no transfers in or out of levels 1, 2 or 3.

The following tables set forth by level the fair value hierarchy, the major categories of investments measured at fair value at December 31, 2023 and 2022:

	Fair Value Measurements at December 31, 2023			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 1,694,987	\$ 1,694,987	\$ -	\$ -
Common collective trusts	6,407,154	6,407,154	-	-
	<u>\$ 8,102,141</u>	<u>\$ 8,102,141</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 7. FAIR VALUE MEASUREMENTS (continued)

	Fair Value Measurements at December 31, 2022			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 1,305,175	\$ 1,305,175	\$ -	\$ -
Common collective trusts	5,218,010	5,218,010	-	-
	<u>\$ 6,523,185</u>	<u>\$ 6,523,185</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 8. PARTY IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal Life Insurance Company, the Trustee of the Plan. These transactions qualify as party in interest transactions.

NOTE 9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 11, 2024, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
