City Line Distributors, LLC, 401(k) Plan
West Haven, Connecticut

We have completed our audit of the financial statements of City Line Distributors, LLC, 401(k) Plan as of and for the year ended December 31, 2023 and have issued our report dated August 22, 2024. We are required to communicate certain matters to you in accordance with auditing standards generally accepted in the United States of America that are related to internal control and the audit. The appendices to this letter set forth those communications as follows:

- I. Communication of Internal Control Matters Identified During the Audit
- II. Auditor's Communication of Significant Matters to Those Charged With Governance

We have discussed these matters with various personnel in the organization during the audit and would be pleased to meet with you to further discuss these matters at your convenience.

These communications are intended solely for the information and use of management and others within the Company, and are not intended to be and should not be used by anyone other than those specified parties.

Appendix I

Communication of Internal Control Matters Identified During the Audit:

In planning and performing our audit of the financial statements of City Line Distributors, LLC. 401(k) Plan as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered City Line Distributors, LLC. 401(k) Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Appendix II

Communication of Significant Matters to Those Charged With Governance:

Our Responsibility under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated May 15, 2024, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management, with your oversight, are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit does not relieve you of your responsibilities.

We planned and performed our audit to obtain reasonable, but not absolute, assurance that the financial statements are free of material misstatement and are fairly presented in accordance with U.S. generally accepted accounting principles. Because an audit is designed to provide reasonable, but not absolute, assurance and because we did not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us.

Significant Accounting Policies

Management is responsible for the selection and use of appropriate accounting policies. We will advise management about the appropriateness of accounting policies and their application. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2023. We noted no transactions entered into by the Plan during the year that were both significant and unusual, and of which, under professional standards, we are required to inform you, or transactions for which there is a lack of authoritative guidance or consensus.

Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We did not become aware of anything that would lead us to believe that the estimates are not reasonable.

Audit Adjustments

Professional standards require that the auditor accumulate all known and likely misstatements identified during the audit, other than those the auditor believes to be trivial. An audit adjustment is defined as a proposed correction of the financial statements that, in our judgment, may not have been detected except through our auditing procedures. An audit adjustment may or may not indicate matters that could have a significant effect on the Plan's financial reporting process (that is, cause future financial statements to be materially misstated). During our audit,

there was a material audit adjustment that we proposed and was recorded by the Plan that had a significant and material impact on the Plan's financial reporting process.

- Audit adjustment of \$2,568,943 to correct the net investment gain reported in Schedule H of the Form 5500

Disagreements with Management

For purposes of this letter, a disagreement with management is defined as a financial accounting, reporting or auditing matter, whether or not resolved to our satisfaction, which could be significant, individually or in the aggregate to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Management Comments and Suggestions for Improvements:

During our audit we noted matters that are opportunities for strengthening internal controls and operating efficiency.

We will review the status of these comments during our next audit engagement. We have already discussed many of these comments and suggestions with management, and we will be pleased to discuss these comments in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations. Our comments are summarized as follows:

Prior Year Recommendations:

Hardship Distribution Documentation

In our prior year audit, we noted that the Company did not have supporting documentation from participants that had taken a hardship distribution during the year in their personnel file. Even though hardship distributions are self-certified on the TPA's website, and a reason for the hardship is listed, if the Plan was ever audited by the IRS or DOL, it would be the employer's

responsibility to provide the proper documentation for any hardship distribution's that the auditor requested.

We recommended that a member from management run a distribution report on a quarterly basis throughout the year and reach out to all participants that have taken a hardship distribution and request a copy of the supporting documentation of the hardship for the employer's personnel files.

This recommendation *has not been implemented and we continue to recommend it.*

Monitoring and Review Documentation

In the process of performing our audit this year and in prior years, we noted that there was not clear documentation of review and monitoring of investment performance and overall plan activity. Establishing and documenting ongoing monitoring and review procedures of investment performance and plan transaction activity is a key component of the internal control process. Based on discussions with plan management it appears that monitoring and review of plan transactions is occurring in some instances, however, we strongly suggest the establishment of documentation procedures of the monitoring and review process.

This recommendation *has not been implemented and we continue to recommend it.*

This information is intended solely for the use of the management and members of City Line Distributors, LLC. 401(k) Plan and is not intended to be and should not be used by anyone other than these specified parties. This report does not affect our report on the financial statements of the Company.
