INDEPENDENT AUDITOR'S REPORT

To the Trustees
Leitner, Williams, Dooley & Napolitan, PLLC
Retirement Savings Plan
Chattanooga, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Leitner, Williams, Dooley & Napolitan, PLLC Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Leitner, Williams, Dooley & Napolitan, PLLC Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Leitner, Williams, Dooley & Napolitan, PLLC Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Leitner, Williams, Dooley & Napolitan, PLLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Leitner, Williams, Dooley & Napolitan, PLLC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held at End of Year, as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Note 1. Description of Plan

The following description of the Leitner, Williams, Dooley & Napolitan, PLLC Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan, established January 25, 1974, is a defined contribution employee benefit plan providing retirement benefits to eligible participants. All employees are eligible to participate in the Plan upon the completion of one year of service (1,000 hours) and attainment of age 21. The employer, as defined by the Plan, is Leitner, Williams, Dooley & Napolitan, PLLC. The Plan is to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

The Plan is a contributory plan whereby an employee who elects to participate can contribute up to 100% of his or her compensation subject to limitations as defined by the Internal Revenue Code. The employer will make a safe harbor nonelective contribution of 3% of compensation to the account of each participant which vests immediately. This excludes Highly Compensated Employees who are Members of the Plan sponsor. Further, the employer may make a discretionary profit-sharing contribution (none for 2023), which vests immediately. Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan.

The Plan records employer and employee contributions receivable when compensation is paid and deferrals are withheld. The Plan adopted ASC 326, Financial Instruments - Credit Losses, effective January 1, 2023, using the modified retrospective method. In accordance with ASC 326, no allowance for credit losses has been recorded at December 31, 2023, as employer and employee contributions receivable have never historically incurred losses and current conditions and supportable forecasts show zero risk of nonpayment.

Participant accounts:

Each participant's account is credited with the participant's contribution, the employer's contribution and an allocation of plan earnings and administrative expenses. Plan earnings are allocated based on average account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

LEITNER, WILLIAMS, DOOLEY & NAPOLITAN, PLLC
RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Note 1. Description of Plan (continued)

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan terms require that repayment be amortized in level payments, over a reasonable period of time. The loans are secured by the vested balance in the participant's account. Interest rates are based on the prime lending rate plus 2.00% and ranged from 5.25% to 10.50% for all notes receivable accounts at December 31, 2023.

Vesting:

The Plan is intended to be a "safe harbor" 401(k) plan, within the meaning of Section 401(k) (12) of the Internal Revenue Code of 1986, as amended (Code). To satisfy the "safe harbor" contribution requirement of Code Section 401(k) (12), Leitner, Williams, Dooley & Napolitan, PLLC has elected to make a contribution to the Plan equal to 3% of the participant's eligible compensation, excluding members of the Plan sponsor designated as Highly Compensated Employees (HCEs). Participants are eligible for this contribution on January 1 or July 1 following the date of completion of one year of service (as defined by the Plan) and having attained the age 21. Eligible compensation includes compensation for that portion of the Plan year in which the participant is eligible. The 3% contribution will always be 100% vested. The Employer may make a discretionary "ADP test safe contribution" to HCEs that does not exceed the amount provided to non-HCEs.

In addition, the Plan allows Leitner, Williams, Dooley & Napolitan, PLLC to determine the amount of profit-sharing contributions annually, at its discretion. Participants are immediately 100% vested in both matching and profit sharing contributions.

Payment of benefits:

The Plan provides that a participant may begin receiving normal retirement benefits upon attaining age 59-1/2. In-service distributions are available for participants who have attained age 30, assuming the amounts distributed have accumulated in the Plan for at least two full plan years.

Administration:

The Plan Administrator is the Plan sponsor, Leitner, Williams, Dooley & Napolitan, PLLC. The administrator supervises the operation of the Plan, interprets the meaning of provisions in the Plan, determines eligibility for participation and benefits, and decides when benefits are to be paid in accordance with the terms of the Plan.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Note 2. Summary of Significant Accounting Policies

The accounting and reporting policies of the Plan conform with United States generally accepted accounting principles (GAAP) and practices within the employee benefit plan industry.

The policies that materially affect net assets available for benefits and changes in net assets available for benefits are summarized as follows:

Basis of accounting:

Income is recorded as earned and expenses are recorded when incurred in accordance with the accrual basis of accounting.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the Plan's Custodians. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded at December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Note 2. Summary of Significant Accounting Policies (continued)

Benefit payments:

Benefits are expensed when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent events:

Management performed an evaluation of subsequent events through September 30, 2024, the date these financial statements were available to be issued.

Note 3. Tax Status of the Plan

The Company has adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA. The plan sponsor has received a favorable opinion letter from the Internal Revenue Service, dated November 30, 2020, stating that the pre-approved plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the favorable opinion letter, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, the Plan was qualified and the related trust was tax exempt as of the financial statement date.

The Plan Administrator has evaluated tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that could require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no tax audits in progress.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Note 4. Investments

All of the Plan's assets are held by John Hancock Life Insurance Company U.S.A. (John Hancock) and in various brokerage accounts, Custodians of the Plan. The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, except for the values reported for the self-directed accounts not held in John Hancock, totaling \$9,587,714 at December 31, 2023 and \$10,904,423 at December 31, 2022. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by John Hancock, except for comparing such amounts to information included in the Plan's financial statements and supplemental schedule. The Plan Administrator has obtained certifications from John Hancock that the following information is complete and accurate.

	<u>2023</u>	<u>2022</u>
Statement of net assets available for benefits:		
Pooled separate accounts	\$9,208,448	\$ 9,381,677
Collective investment trusts	1,476,544	1,721,068
Statement of changes in net assets available for benefits:		
Net appreciation in fair value investments	1,504,032	
Interest on notes receivable from participants	14,965	

Note 5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 6. Related-Party Transactions and Party-In-Interest Transactions

Certain plan investments, including shares of pooled separate accounts and collective investment trusts, are managed by John Hancock, Campbell Asset Management/Charles Schwab, Wiley Bros, and Raymond James. John Hancock, Campbell Asset Management/Charles Schwab, Wiley Bros, and Raymond James are Custodians of plan assets and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. Fees paid by the Plan for administrative services not covered by revenue sharing amounted to \$106,734 for the year ended December 31, 2023.

Note 7. Fair Value Measurements

Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements and Disclosures*, provides a hierarchy framework for measuring fair value that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Participant self-directed accounts: Quoted market prices are used to value investments in corporate stocks and real estate investment trusts. Mutual funds are valued at the daily closing price as reported by the fund at year-end. Mutual funds held by the Plan are open-ended funds that are registered with the U.S. Securities and Exchange Commission. Corporate stocks, real estate investment trusts and mutual funds are considered Level 1 in the fair value hierarchy. Corporate bonds and bank deposits are valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issues with similar credit ratings. These are Level 2 valued assets.

Note 7. Fair Value Measurements (continued)

Pooled separate accounts: Valued at the net asset value (NAV) of units of the pooled separate account. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The unit value of the funds is calculated daily and available to Plan Administrators and client investors on John Hancock's website. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the pooled separate accounts, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments at December 31, 2023 or 2022.

Collective investment trusts: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments at December 31, 2023 or 2022.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 7. Fair Value Measurements (continued)

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic condition or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the period. For the years ended December 31, 2023 and 2022, there were no transfers in or out of Levels 1, 2 or 3.

Note 8. Plan Termination Provisions

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.
