REPORT OF INDEPENDENT AUDITORS

To the Retirement Committee of
Mago Construction Company, LLC Profit Sharing Retirement Plan
Bardstown, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Mago Construction Company, LLC Profit Sharing Retirement Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial

statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MAGO CONSTRUCTION COMPANY, LLC PROFIT SHARING RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN

The following brief description of the Mago Construction Company, LLC Profit Sharing Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a safe harbor defined contribution profit sharing plan established by Mago Construction Company, LLC and its affiliates, Bardstown Asphalt Company, Inc. and TAPCO, Inc. (collectively referred to as the Company) and is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan covers all employees who are at least 21 years of age. To be eligible for elective deferrals and the safe harbor match, an employee must have at least six months of service. To be eligible for profit sharing and discretionary matches, an employee must have at least one year of service. An employee will receive credit for one year of service upon completing at least 1,000 hours of service in the first year of employment or in any subsequent plan year. A participant is enrolled into the plan on the first day of the month following the satisfaction of the eligibility requirements.

For the plan year an employee first becomes a participant, the allocation of the Company's discretionary contribution and profit sharing contribution will be determined by taking into account the employee's compensation only for the portion of the plan year in which the employee is deemed a participant. An employee must still complete 1,000 hours of service and be an active employee as of December 31st to receive the company contribution.

In addition, the Plan was established in accordance with the Davis-Bacon Act ("Act"), which requires certain levels of fringe benefits to be paid to employees working on federally funded projects covered by the Act. The Plan also was established in accordance with prevailing wage requirements for certain state funded projects. Employees who do not meet the above eligibility requirements become participants on the date on which work is begun on a project subject to the Act or similar state law, when such employees' level of pay does not already include certain fringe benefits. For any plan year an employee earns compensation for work subject to a prevailing wage, the employee is immediately eligible to receive a prevailing wage contribution to the Plan regardless of their general eligibility status.

Contributions

The Plan permits eligible employees through a salary reduction deferral election to make annual Roth and pre-tax contributions up to the current Internal Revenue Service deferral limits. Employee rollover contributions are also permitted.

MAGO CONSTRUCTION COMPANY, LLC PROFIT SHARING RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

The Company matched 100% of the first three percent and 50% of the next two percent of each participant's elective deferral for the year ended December 31, 2023. The Company may make an annual discretionary profit sharing contribution; however, the Company elected not to contribute a profit sharing contribution for 2023. Company contributions included on the statement of changes in net assets available for benefits for 2023 relate to safe harbor contributions and prevailing wage contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's safe harbor contribution, the Company's prevailing wage contribution, the Company's discretionary match, as well as allocations of the Company's discretionary profit sharing contribution, forfeitures and the Plan's earnings. Participant accounts are charged with an allocation of investment and other transaction expenses paid by the Plan. Allocations are based on participant account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in all employee, prevailing wage, and safe harbor contributions plus actual earnings thereon at all times.

The Company's discretionary match and profit sharing contributions are fully vested at the end of six years with partial vesting as follows:

<u>Years of Service</u>	<u>Percentage</u>
Fewer than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeited Accounts

Forfeited non-vested accounts can be used for plan expenses or to reduce future Company contributions. There was no balance in forfeited non-vested accounts at December 31, 2023. At December 31, 2022, forfeited non-vested accounts totaled \$412. During the year ended December 31, 2023, forfeitures of \$1,044 were used for administrative expenses.

MAGO CONSTRUCTION COMPANY, LLC PROFIT SHARING RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Benefit Payments

Upon termination of service due to death, disability, or retirement, participants are entitled to receive a lump-sum payment equal to the value of the participant's account or periodic installment payments. The Plan also permits hardship withdrawals and in-service withdrawals subject to certain restrictions as defined in the plan document.

Administrative and Investment Management Expenses

Administrative expenses could be paid by the Company or the Plan at the Company's discretion. Administrative expenses paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. The Company provided significant administrative services at no expense to the Plan. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment loss reported by the Plan. All other expenses are paid by the Company.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its discretionary and profit sharing contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in their Company contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on an accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

MAGO CONSTRUCTION COMPANY, LLC PROFIT SHARING RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value. The Plan invests in investment contracts through a common/collective trust. Fair value for this common/collective trust is based on the net asset value of the fund as reported by the investment advisor. The Plan also invests in pooled separate accounts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodian, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends and interest are recorded when received. Net depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Risks and Uncertainties

The Plan invests in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefit payments are recorded when paid.

Tax Status

The Plan is based on a Volume Submitter Profit Sharing Plan with Cash or Deferred Arrangement plan which has received a favorable opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, that the Plan and related trust is designed in accordance with applicable sections of the IRS. The plan administrator and the Plan's counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the financial statements.

MAGO CONSTRUCTION COMPANY, LLC PROFIT SHARING RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. Management has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Subsequent Events

The plan administrator has evaluated events or transactions occurring subsequent to the statements of net assets available for benefits date for recognition and disclosure in the accompanying financial statements through the date the financial statements are available to be issued, which is October 1, 2024.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company ("John Hancock"), the custodian, has certified to the completeness and accuracy of all investments reflected in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the schedule of assets (held at end of year) as of December 31, 2023, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

However, in accordance with Subtopic 821-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy.

MAGO CONSTRUCTION COMPANY, LLC PROFIT SHARING RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- *Pooled separate accounts:* Investments in pooled separate accounts are credited with earnings and gains or losses on the pooled investments. The separate accounts are stated at fair value as reported to the Plan by John Hancock, based on the quoted market prices of the underlying mutual funds. The unit value of the separate accounts is calculated by dividing the total value of the assets of the separate account by the number of units in the separate account. The investment strategies for the pooled separate accounts vary based on the degree of risk chosen by the participants.
- *Common/collective trust:* Valued at the net asset value ("NAV") of units of the John Hancock Stable Value Trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Investments Measured Using the Net Asset Value Per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022. There are no practical redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Pooled separate accounts	\$ 8,611,302	Not applicable	Daily	None
Common/collective trust	1,404,331	None	Daily	60 days
	<u>\$ 10,015,633</u>

MAGO CONSTRUCTION COMPANY, LLC PROFIT SHARING RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

5. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Company and certain others. Professional fees and the majority of other administration expenses of the Plan were paid by the Company.

John Hancock is the recordkeeper and custodian of the Plan and Merrill Lynch is the investment advisor; both receive payment from the Plan through a revenue-sharing arrangement rather than a direct payment. Blue & Co., LLC is the independent auditor of the Plan and receives payment from the Company. Retirement Plan Resources is the third party administrator and receives payment from either the Plan or the Company depending on the service provided.

6. RECONCILIATION TO FORM 5500

The Plan sponsor has elected to show the underlying investments of the pooled separate accounts on Schedule H of Form 5500. Therefore, instead of showing the pooled separate accounts on Schedule H, line 1c(10), the underlying investments of the pooled separate accounts, which are mutual funds, are shown on Schedule H, line 1c(13). Likewise the investment income is shown on Schedule H, line 2b(10) instead of line 2b(7).
