Independent Auditors' Report

Plan Administrator
Stewart Home & School, LLC Retirement Plan
Frankfort, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Stewart Home & School, LLC Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Stewart Home & School, LLC Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Stewart Home & School, LLC Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Stewart Home & School, LLC Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Stewart Home & School, LLC Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Stewart Home & School, LLC Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

STEWART HOME & SCHOOL, LLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description

The following description of the Stewart Home & School, LLC Retirement Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering substantially all employees, except student-employees, of Stewart Home & School, LLC (Employer) who have completed two months of service, are age 19 or older, and are permanently employed. Entry dates for the deferral and matching contributions are the first day of each calendar month. Employees are eligible to receive profit sharing contributions following one year of service. Entry dates for the profit-sharing contribution are January 1 and July 1. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan administrator is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions:

Each year, participants may contribute up to 75% of pretax annual compensation, as defined in the Plan. Participants may also elect to defer a percentage of their after-tax compensation as a Roth contribution. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. All automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contributions are invested in a default fund until changed by the participant.

The Employer makes a safe harbor employer matching contribution annually. The safe harbor match formula is 100% of the first 3% of participant compensation contributed to the Plan, plus 50% of the next 2% of participant compensation contributed to the Plan. The Employer may make an additional discretionary matching contribution each year. No employer discretionary contributions were made during the years ended December 31, 2023 and 2022.

Additional employer profit-sharing contributions may be made each year at the option of the Employer. During the years ended December 31, 2023 and 2022, the Employer made profit sharing contributions to the Plan of \$101,005 and \$115,607, respectively. Contributions are subject to certain IRS limits.

NOTES TO FINANCIAL STATEMENTS

Participant accounts:

Each participant's account is credited with the participant's contributions and employer safe harbor and discretionary matching contributions, as well as allocations of the employer profit sharing contribution and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are vested immediately in their contributions and employer safe-harbor contributions, plus actual earnings thereon. Vesting in the employer discretionary matching contributions and discretionary profit-sharing contributions and earnings on those contributions is based on years of service. A participant is 100% vested in employer discretionary matching and profit-sharing contributions after three years of service, with no vesting prior to that time.

Payment of benefits:

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a 10-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. In the event of financial hardship, the Employer may allow a participant to withdraw all or any part of his or her account resulting from their contributions and the vested portion of employer matching and profit-sharing contributions.

Forfeited accounts:

Forfeited non-vested accounts will be used to either pay administrative fees or to reduce future employer contributions. Forfeited non-vested accounts totaled \$3,107 and \$47 at December 31, 2023 and 2022, respectively. Forfeited amounts of \$27 and \$7,124 were used to reduce employer contributions during the years ended December 31, 2023 and 2022, respectively.

Notes receivable from participants:

Effective May 1, 2023, the plan was amended to allow participants to borrow a minimum of \$1,000 up to a maximum of the lesser of \$25,000 or 50% of their vested balance, reduced by the highest outstanding loan balance in the preceding 12 months. Loan terms range from 1-5 years or up to 15 years for the purchase of a principal residence. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%. Interest rates on loans as of December 31, 2023 range from 9.25% to 9.50%. Principal and interest is paid ratably through payroll deductions.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies

This summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustee determines the valuation policies utilizing information provided by the investment advisers and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTES TO FINANCIAL STATEMENTS

Contributions:

Contributions from Plan participants and the contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent events:

The Plan has evaluated subsequent events through September 24, 2024, the date the financial statements were available to be issued.

Note 3. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab Trust Bank (the trustee) for the period from May 1, 2023 through December 31, 2023 and Fidelity Management Trust Company (the trustee) for period from January 1, 2023 through April 30, 2023 and the year ended December 31, 2022.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. That hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

NOTES TO FINANCIAL STATEMENTS

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

All assets have been valued using a market approach. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2023 and 2022.

Mutual funds – valued at the daily closing price as reported by the fund.

Common/collective trust fund – valued at the net asset value (NAV) of units held by the Plan at year end. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The NAV is used as a practical expedient to estimate fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	<u>December 31, 2023</u>	
	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$9,967,536</u>	\$ 9,967,536
Investments measured at net asset value:		
Common/collective trust fund		<u>849,018</u>
Total assets at fair value		<u>\$10,816,554</u>

NOTES TO FINANCIAL STATEMENTS

	December 31, 2022	
	Level 1	Total
Mutual funds	<u>\$8,733,359</u>	\$ 8,733,359
Investments measured at net asset value:		
Common/collective trust fund		<u>617,368</u>
Total assets at fair value		<u>\$ 9,350,727</u>

Investments Measured Using Net Asset Value per Share Practical Expedient:

The common/collective trust fund has no unfunded commitments and can be redeemed daily, with no redemption notice period, without specific terms or conditions at the underlying investments' net asset value. The NAV is updated daily.

Note 5. Income Tax Status

The Plan is a prototype plan offered by Schwab Retirement Plan Services. The prototype plan obtained its latest opinion letter dated September 21, 2020, in which the IRS stated that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer discretionary contributions.

NOTES TO FINANCIAL STATEMENTS

Note 7. Related Party and Party-In-Interest Transactions

For the period of May 1, 2023 through September 31, 2023, Schwab Retirement Plan Services performed investment services and administration of the Plan, therefore, transactions with Schwab qualify as party-in-interest transactions. Fees paid by the Plan for these services amounted to \$7,104 for the year ended December 31, 2023.

Fidelity Management Trust Company performed investment services and administration of the Plan in 2022 and through April 30, 2023 and therefore, transactions with Fidelity qualified as party-in-interest transactions. Fees paid by the Plan for these services amounted to \$11,754 and \$27,361 for the years ended December 31, 2023 and 2022, respectively.

MCF Advisors, LLC is an advisor of the Plan, and therefore, transactions with MCF Advisors, LLC qualify as party-in-interest transactions. Fees paid by the Plan for these services amounted to \$16,314 and \$20,574 for the years ended December 31, 2023 and 2022, respectively.

Strategic Advisors, Inc. is an advisor of the Plan, and therefore, transactions with Strategic Advisors, Inc. qualify as party-in-interest transactions. Fees paid by the Plan for these services amounted to \$327 and \$493 for the years ended December 31, 2023 and 2022, respectively.

Certain administrative functions are performed by officers or employees of the Employer. No officer or employee receives compensation from the Plan.

Note 8. Risks and Uncertainties

The Plan has significant investments in various securities held by Charles Schwab Trust Bank. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 9. Prohibited Transactions

During the plan year ended December 31, 2023, the Employer did not remit to the Plan certain employee contributions totaling \$600 within the period prescribed by the Department of Labor regulations. The Company computed the estimated lost income due to the delay and made the contribution, including the lost income, to the affected participants' accounts in April 2024.

*1 If EIN is provided, Address will not be provided. If EIN is not available and Address is available, the Address will be displayed. If neither EIN nor Address is available "See Note *2" will be displayed.

*2 Disclosures in this report are intended to satisfy the alternative reporting option. If complete information for non-Fidelity funds and/or other third party service providers related to compensation is not available, more information for the annual operating expenses of the fund may be found in the Fee Table of the Fund Summary section of each prospectus and/or statement of additional information. In addition, information about the services provided and the identity of the entities performing services with respect to each fund may be found in the Fund Services section of each prospectus. If the compensation being reported relates to a Fidelity fund, more information for the annual operating expenses of the fund may be found in the Fee section of one or more of the following sources: investment management agreement, trust agreement, collective trust participation agreement, commingled pool participation agreement, mutual fund prospectus, statement of additional information, the fund's investment manager or annuity provider.

*3 For Self-Directed Brokerage Investments, each fund family may offer an indirect support fee paid to Fidelity Investments. Each indirect support fee paid by a fund may differ depending on the form of investment. Please contact your Fidelity representative to receive information on indirect support fees for your Self-Directed Brokerage Investments.

*4 Net Expense Ratio is displayed.

*5 Gross Expense Ratio is displayed.

*6 Disclosures in this report are intended to satisfy the alternative reporting option. If complete information for this Fund is not available, the fee information for the annual operating expenses and/or information about the services provided and identity of the entities performing the services can be found in the Fee section of one or more of the following sources: investment management agreement, trust agreement, collective trust participation agreement, commingled pool participation agreement, mutual fund prospectus, the fund's investment manager or annuity provider.

Additional Information:

Fidelity may have provided non-monetary compensation, such as meals or business entertainment, to associates or service providers during the plan year for which this data is being reported. If you believe there are associates or plan service providers who have received total non-monetary compensation, from all sources of \$5,000 or more, that are not reflected on this report, you may contact your Fidelity representative and ask for a detailed summary of non-monetary compensation provided during the plan year. For additional information, please refer to the Auditor's Guide.

Fidelity utilizes omnibus accounts at unaffiliated banks to facilitate transactions for the defined contribution plans it services as set forth in your trust or service agreement or letter of authorization. If markets permit, omnibus account balances are invested in short-term investments that generally earn a rate approximating the Target Federal Funds Rate and/or money market rates. These earnings are called "float" and are considered eligible indirect compensation for purposes of Schedule C. Fidelity uses these earnings to pay bank fees and make other required adjustments and generally retains any float earnings that exceed such fees and adjustments. Fidelity is responsible for paying bank fees to the extent they exceed float earnings.

Since the amount of float generated depends on the length of time that assets are held in the omnibus accounts, Fidelity adheres to the following specific time frames within which cash pending investment or distribution is held:

Schedule H, line 4i - Schedule of Assets (Held at End of Year)
