INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
St. Anne's Credit Union 401(K) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of St. Anne's Credit Union 401(K) Retirement Plan (formerly St. Anne's Credit Union of Fall River 401(K) Retirement Plan) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Plan Benefits as of December 31, 2023, and the related Statement of Changes in Net Assets Available for Plan Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2023 financial statements stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section -

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2023 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2022 Financial Statements

The financial statements of the Plan as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated June 20, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

1. Description of the Plan

The following description of St. Anne's Credit Union 401(K) Retirement Plan (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established by St. Anne's Credit Union (the Plan Sponsor or the Credit Union) on January 1, 1997. The Plan covers all employees of the Credit Union upon attaining the age of 21 who have completed three months of service and can enroll into the Plan the first day of the month following the day they meet eligibility requirements. The Plan requires a participant to be employed as of year-end to be eligible to receive the employer discretionary contribution, if applicable. If a participant is not employed as of year-end, the participant must have a minimum of 501 service hours during the plan year to receive an allocation of the employer discretionary contribution. The service requirement is waived upon death, disability, or termination of employment on or after the normal retirement age. The Plan is a contributory defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Investments are participant directed.

The Plan Sponsor is also the Plan Administrator. As Plan Administrator, the Plan Sponsor has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. The custodians of the Plan are Matrix Trust Company (Matrix) and CMFG Life Insurance Company (CMFG). The Plan's recordkeeper is CMFG. The Plan's trustee is Credit Union Employees' Retirement Association (CUERA).

Effective January 4, 2023, the Plan was amended to change its name from St. Anne's Credit Union of Fall River 401(K) Retirement Plan to St. Anne's Credit Union 401(K) Retirement Plan.

Contributions

Participants may elect to contribute any dollar amount or percentage of their eligible compensation to the Plan, on a pre-tax basis, so long as those contributions do not exceed annual limitations set by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified retirement plans.

ST. ANNE'S CREDIT UNION 401(K) RETIREMENT PLAN
(formerly ST. ANNE'S CREDIT UNION OF FALL
RIVER 401(K) RETIREMENT PLAN)
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

The Credit Union matches participant contributions equal to 50% of each participant's contributions, up to a maximum of 6% of the participant's eligible compensation. The Credit Union also makes qualified nonelective contributions to the Plan in the amount of 3% of eligible compensation for the Plan year, to each eligible participant. Additionally, discretionary Employer contributions may be made by the Credit Union. There were no Employer discretionary contributions made to the Plan for the year ended December 31, 2023.

Participant Accounts

Each participant's account is credited with the participant's contribution, Employer matching contributions, and their allocations of (a) Plan earnings (losses) and (b) administrative expenses. Plan earnings (losses) and administrative expenses are allocated to participant accounts based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, plus the allocation of Plan earnings on those contributions, at the time of allocation. Participants becomes fully vested in the Credit Union's contributions and the allocation of Plan earnings on those contributions are as follows: 25% after 2 years, 50% after 3 years, 75% after 4 years, and 100% after 5 years. Participants are immediately vested in all accounts upon death, disability, or attainment of retirement age.

Participant Notes Receivable

Participants may borrow a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have up to two loans outstanding at a time. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions within five years, unless such loan is used to acquire a principal residence, in which case they may repay the loan over a reasonable period that may be longer than five years.

Payment of Benefits

Upon retirement or disability, a participant will be entitled to 100% of their account balance. Upon termination of service due to death, the participant's beneficiary will be entitled to 100% of the account balance, payable in accordance with the Plan documents. Upon termination of employment for any reason other than retirement, disability, or death, the participant shall be entitled to receive or rollover the vested amount of their account balance. Participant amounts of less than \$5,000 will be paid in a lump-sum distribution only.

(formerly ST. ANNE'S CREDIT UNION OF FALL
RIVER 401(K) RETIREMENT PLAN)
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

During 2023, the Plan adopted certain provisions of the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE) Act 2.0, which increased the age of the required distributions to begin from 72 to 73 (or, if later, termination of employment).

Effective January 1, 2024, the Plan adopted the provision of the SECURE Act 2.0 to increase the limit for involuntary automatic rollover for account balances from \$5,000 to \$7,000.

Hardship Withdrawals

Hardship withdrawals are permitted and subject to limitations imposed by the IRC.

Forfeitures

A participant forfeits the unvested portion of his or her account after the earlier of the following: incurring five one-year breaks in service or receiving a distribution of the entire vested portion of the participant's account. Upon a participant's termination, any non-vested portion of the Credit Union contributions is forfeited. These forfeitures will be used to reduce Plan expenses or to pay future Employer contributions to the Plan. As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$8,132 and \$2,697, respectively. During 2023, \$1,081 of forfeitures were used to offset Employer discretionary matching contributions.

Plan Termination

The Credit Union expects to continue the Plan indefinitely. However, the Credit Union reserves the right to amend the Plan at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting the Plan assets for purposes other than for the exclusive benefit of the Plan participants and any Plan termination would be subject to the provisions of ERISA. If the Plan is terminated, the participants would become fully vested and entitled to receive all amounts credited to their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

ST. ANNE'S CREDIT UNION 401(K) RETIREMENT PLAN
(formerly ST. ANNE'S CREDIT UNION OF FALL
RIVER 401(K) RETIREMENT PLAN)
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Valuation of Investments and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 3). The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's custodians and trustee.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fully Benefit-responsive Investment Contract

Authoritative guidance defines the circumstances in which an investment contract is considered fully benefit-responsive and provides certain reporting and disclosure requirements for fully benefit-responsive investment contracts held by defined contribution, health and welfare and pension plans.

The Plan has an investment in the CMFG Stable Value Fund, which is a group annuity contract issued by CMFG, which meets this requirement. The custodians maintain the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses, and is recorded at contract value. The guaranteed investment contracts issued are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balance plus accrued but unpaid interest and are secured by the balance in the respective participant's account. Related fees are paid by participants from their account balances and are expensed when they are incurred. Interest income on participant notes receivable is recorded on the accrual basis. A receivable is considered past due if payment has not been received within stated terms. Delinquent participant notes receivable are reclassified as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Contributions

Participant elective deferral contributions, Employer safe harbor matching contributions and Employer qualified nonelective contributions are recorded weekly when the Credit Union remits the payroll deductions for investment into Plan. Prior to April 1, 2023, Employer safe harbor matching contributions and Employer qualified nonelective contributions were remitted monthly.

(formerly ST. ANNE'S CREDIT UNION OF FALL
RIVER 401(K) RETIREMENT PLAN)
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Payment of Benefits

Benefits are recognized when paid to participants or their designated beneficiaries.

Administrative Expenses

Certain administrative expenses of the Plan are paid directly by the Plan Sponsor, unless the Plan Sponsor directs that the expenses be paid by the Plan. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Participant notes receivable set-up and maintenance fees are paid directly by the participants through a reduction in their account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation in fair value of investments.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest risk, market risk and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

The Plan invested in three mutual funds that accounted for approximately 35% and 33% of total Plan investments as of December 31, 2023 and 2022, respectively.

Financial Instruments with a Concentration of Credit Risk

The Plan's investments are held by two custodians. The Plan's exposure to credit risk is associated with the outside entity's non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

Subsequent Events

Management has evaluated subsequent events through September 23, 2024, which is the date these financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

As of December 31, 2023 and 2022, the Plan's investments in the mutual funds in the amount of \$11,662,089 and \$9,169,849, respectively, are reported at level 1 within the fair value hierarchy.

4. Fully Benefit-Responsive Investment Contract

The Plan has an investment in the CMFG Stable Value Fund, a group annuity contract, which is a traditional fully benefit-responsive investment contract. Participants may generally direct the withdrawal or transfer of all or a portion of their investment at contract value. Contributions to this fund are deposited into the CMFG Life Insurance Company's general account, which primarily invests in bonds. Certain events, such as amendments to the Plan documents, the Plan's provisions regarding transfers to or from a competing investment option, or Plan Sponsor events that cause a significant withdrawal from the Plan limit the Plan's ability to transact with the custodians.

The Plan believes the occurrence of such events that would limit the Plan's ability to transact at contract value with Plan participants is not probable.

The guarantee of values provided for investments made by the insurance company under the Plan's contracts is based on the financial strength and claims-paying ability of the insurance company.

The value of this contract as reported to the Plan by CMFG, is equal to the sum of contributions made, less withdrawals and administrative expenses, plus interest credited. CMFG is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The minimum crediting rate under this contract is 1.00%, and the crediting rate is reviewed quarterly. The crediting interest rate was 3.15% and 2.35% at December 31, 2023 and 2022, respectively. The contract value of the CMFG Stable Value Fund at December 31, 2023 and 2022 was \$2,024,263 and \$1,995,348, respectively.

5. Summary of Financial Data Certified by the Custodians

The following is a summary of financial information and data certified by the custodians:

Statements of Net Assets Available for Plan Benefits as of December 31, 2023 and 2022;

Investment income and interest income from participant notes receivable on the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2023; and

Investment information provided in the supplementary schedule, Schedule of Assets (Held at End of Year) at December 31, 2023.

6. Income Tax Status

The Plan has been designed using a non-standardized pre-approved profit sharing plan, in which the Internal Revenue Service (IRS) stated in a letter dated June 30, 2020, that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Differences from Form 5500

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of different classifications between line items. Total Plan assets are in agreement.

8. Related Party Transactions and Party-in-Interest Transactions

The Plan investments are held and managed by Matrix Trust Company and CMFG Life Insurance Company. CMFG Life Insurance Company is the Plan's recordkeeper. Therefore, transactions between the Plan and these parties qualify as party-in-interest transactions, as defined by ERISA. For the year ended December 31, 2023, fees paid directly to CMFG Life Insurance Company amounted to \$21,069. In addition, participant notes receivable also qualify as party-in-interest transactions.
