## Independent Auditor's Report

To the Plan Administrator  
Boston Partners Retirement Savings Plan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Boston Partners Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a significant likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

*Supplemental Schedule Required by ERISA*

The supplemental Schedule of Assets (Held at End of Year) (Schedule H, Line 4i) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# BOSTON PARTNERS RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

---

### 1. Description of Plan

The following description of Boston Partners ("BP" or "Employer") Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering all full-time employees of BP who have met certain requirements as to age. The assets of the Plan are maintained in a trust managed by Fidelity Management Trust Company ("Trustee"), the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and was established effective January 1, 1984. The Boston Partners 401k Pension Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

#### Eligibility

Employees are eligible to participate in the Plan if they have reached age 21 or older. Employees may contribute after one payroll cycle process.

#### Contributions and Funding Policy

Participants may elect to make contributions to the Plan ranging from 2% to 70% of their annual earnings, which include salary, bonus and ownership interest awards, up to \$22,500 for 2023 on a pre-tax or post-tax basis in accordance with Section 401(k) of the Internal Revenue Code (the "Code"). Individuals who will be at least age 50 by the end of the tax year may make an additional "catch-up" contribution. The maximum "catch-up" contribution for 2023 is \$7,500. Plan participants are 100% vested in their respective contributions in the Plan. Participants direct the investment of their account balances into various investment options offered by the Plan.

In accordance with the Plan document, the Employer may contribute a discretionary pre-tax matching contribution to each participant on an annual basis.

The Plan permits the Employer to make a discretionary profit-sharing contribution to all eligible employees. All eligible employees are entitled to receive such contributions, subject to certain Internal Revenue Service ("IRS") limitations. Participants also direct the investment of Employer contributions.

For 2023, the Employer made a discretionary pre-tax matching contribution of \$1,190,919 which was contributed on January 3, 2024 and recorded as a receivable on the statement of net assets available for benefits. There was no discretionary profit-sharing contribution for the year ended December 31, 2023.

#### Participant Accounts

Each participant's account is credited with the participant's contributions and Employer matching contributions, as well as allocations of the Employer's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

---

### 1. Description of plan (continued)

#### Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Each participant shall be 100% vested upon his or her completion of 3 years of service, the participant's death prior to termination of employment, the participant's disability while an employee, the termination or partial termination of the Plan, or the complete discontinuance of all employer contributions to the Plan.

#### Forfeited Accounts

The Plan administrator may elect to use forfeitures from the non-vested portion of a terminated participant's account balance to pay administrative expenses incurred by the Plan or to reduce future employer contributions. Forfeitures available to be used for administrative expenses or to reduce future employer contributions amounted to \$48,892 and \$53,041 at December 31, 2023 and 2022, respectively. During 2023, \$34 of forfeitures were used to pay administrative expenses.

#### Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. All loans bear a reasonable rate of interest as determined by the Plan administrator and must be repaid over a period not to exceed five years from the loan origination date; unless used for the purchase of the participant's principal residence (for which the repayment period is 20 years). The participant's vested account balance serves as collateral for the loan. Principal and interest is paid ratably through payroll deductions.

#### Payment of Benefits

On termination of service due to death, disability, retirement, or for other reasons a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments.

### 2. Summary of accounting policies

#### Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

#### Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein at the date of the financial statements and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

---

### 2. Summary of accounting policies (continued)

#### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Boston Partners 401k Pension Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance companies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date. Dividend income is recorded on the ex-dividend date and interest income is recorded on an accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Payment of Benefits

Benefit payments to participants are recorded when paid.

#### Administrative Expenses

The Employer is responsible for paying the Trustee fees of the Plan. All other administrative fees are paid by the Plan. Investment-related expenses are included in net appreciation in fair value of investments.

#### Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

#### Subsequent Events

The Plan has evaluated subsequent events through October 1, 2024, the date the financial statements were available to be issued.

### 3. Fair value measurements

#### Fair Value

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1" measurements) and the lowest priority to unobservable inputs ("Level 3" measurements). The three levels of the fair value hierarchy under ASC codifications are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

# BOSTON PARTNERS RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

---

### 3. Fair value measurements (continued)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs are unobservable and significant to the overall fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies and inputs used to measure fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- Mutual funds — are valued at the quoted prices in active markets of shares held by the Plan at the measurement date.
- Common collective trusts ("CCTs") — are valued at the net asset value ("NAV") of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities.

Participant directed brokerage accounts - Accounts primarily consist of mutual funds and common stocks that are valued on a basis of readily determinable market prices. Accounts also included money market funds, corporate bonds, government bonds and certificates of deposit. Money market funds are measured at the closing price reported on the major markets on which the funds trade. Corporate bonds are valued at the last reported sales price on the last business day of the year. Government bonds are valued using pricing models maximizing the use of observable inputs for similar securities. Certificates of deposit are valued at amortized cost, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022. Classification with the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

For the year ended December 31, 2023, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

### 3. Fair value measurements (continued)

#### Fair Value of Investments in Entities That Use NAV

The following tables summarize investments for which fair value is measured using NAV per share practical expedient as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

### 4. Plan termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### 5. Tax status

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The underlying nonstandard prototype plan has received an opinion letter from the IRS dated June 30, 2020, stating that the form of the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is tax-exempt. In accordance with Revenue Procedures 2006-6, the Plan sponsor has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

## **NOTES TO FINANCIAL STATEMENTS**

### **6. Information prepared and certified by the Trustee (unaudited)**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2023 and 2022 and investment incomes and interest income on notes receivable from participants for the year ended December 31, 2023 that is disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Trustee of the Plan.

### **7. Concentration of credit risk**

In the normal course of business, all of the Plan's assets are transacted with and held by the Trustee. The Plan is subject to credit risk to the extent the Trustee is unable to fulfill contractual obligations on its behalf. The Plan has not experienced and does not expect any losses from this arrangement.

The Plan invests in various investment types. These investments are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment types, it is at least reasonably possible that changes in risks in the near term could materially affect the participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

### **8. Related party transactions**
