Independent Auditors' Report

Plan Administrator and Participants
Corcoran Companies Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Corcoran Companies Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Corcoran Companies Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Corcoran Companies Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Corcoran Companies Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Corcoran Companies Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Corcoran Companies Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CORCORAN COMPANIES PROFIT SHARING PLAN

Notes to Financial Statements

Note 1 – Description of the Plan

The following brief description of the Corcoran Companies Profit Sharing Plan (the “Plan”) is provided for general information purposes only. More complete information is provided within the Plan documents.

General

The Plan is a contributory, defined contribution plan sponsored by Corcoran Management Company, Inc. (the “Sponsor”), and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was established effective January 1, 1981 and has been amended and restated to comply with regulatory requirements. The Sponsor is the Plan Administrator (“Administrator”). The Administrator has sole authority to control and manage the operation and administration of the Plan, subject to the terms and provisions of the Plan.

Participants may elect to invest contributions in any combination of registered investment companies and self-directed brokerage accounts offered by the Plan through Fidelity Management Trust Company (“Fidelity” or the “Trustee”).

Eligibility

The Plan covers all employees who have completed three months of service, as defined under the Plan, at the Sponsor or its affiliates, Corcoran Administration Company and John M. Corcoran and Co. Services, Inc. (“Affiliates”).

Contributions

Each participant may elect to contribute a percentage of his or her eligible compensation, as defined in the Plan, subject to certain limits and provisions of the Internal Revenue Service (“IRS”) regulations. Participants’ contributions are not subject to Federal or State income tax. Participants who are projected to be age 50 or older by the end of the calendar year may also make catch-up contributions. Rollover contributions from other qualified plans are permitted.

Employer contributions

The Plan provides for a safe harbor matching employer contribution equal to 100% of the first 3% of the employee’s contribution and 50% of the next 2% contributed by the employee to the Plan.

Discretionary contributions

The Sponsor may make discretionary contributions in an amount to be determined annually by the Board of Directors. There were no discretionary contributions in 2023. In addition, the Sponsor may make qualified nonelective contributions to satisfy certain IRS tests.

Participant accounts

Each participant’s account is credited with the employee’s contribution and an allocation of Sponsor contributions and Plan earnings. Allocations are based on employee earnings or account balances, as defined. The benefit to which an employee is entitled is the benefit that can be provided from the employee’s vested account.

Notes to Financial Statements

Distributions

Upon termination of employment for any reason, including retirement, a participant's vested account is generally distributed either in a single lump-sum payment or in installments over a period of time. Participants who are still employed may withdraw their vested accounts upon attaining age 59-1/2. If the termination is before the normal or early retirement dates and is for a reason other than death or disability and the vested balance is \$1,000 or less, the entire balance will be distributed. For retired participants, the latest commencement date for distributions is April 1 of the calendar year following the year in which the participant attains age 72. A participant may request withdrawal from their account in the case of hardship as defined in the Plan document.

On December 29, 2022, the Internal Revenue Code 401(a)(9) was amended to increase the age at which minimum distributions would be required to age 73 starting on January 1, 2023 and later to age 75 starting January 1, 2033.

Notes receivable from participants

A participant may borrow from the Plan a minimum amount of \$1,000 and a maximum amount equal to the lesser of 50% of the participant's vested account balance or \$50,000 reduced by the highest outstanding loan balance in the account during the prior twelve-month period. Participants who borrow are responsible for the administrative expense of processing the loan.

A participant may have only one loan outstanding at any time. The term of the loan may not exceed five years unless the loan is for the purchase of a principal residence in which case a 10-year term may be used. Repayment is made through regular payroll deductions of principal plus interest at the rate charged at the time of the loan by regional banks for similar loans. At December 31, 2023, the interest rate ranged from 4.25% to 9.50%. Outstanding loan balances are due and payable immediately upon termination of employment.

Vesting

All participants are 100% vested in their deferral contributions, amounts rolled over or transferred into the Plan, safe harbor matching employer contributions, and qualified nonelective employer contributions. The vesting percentage rates with respect to the employer nonelective contributions are as follows:

<u>Years of Credited Service (as defined)</u>	<u>Vested %</u>
Less than 2 years	0
2 years	20
3 years	40
4 years	60
5 years	100

The vesting percentage rates with respect to the employer matching contributions and earnings are as follows:

<u>Years of Credited Service (as defined)</u>	<u>Vested %</u>
Less than 2 years	0
2 years	20
3 years	40
4 years	60
5 years	80
6 years	100

CORCORAN COMPANIES PROFIT SHARING PLAN

Notes to Financial Statements

In addition, participants become fully vested upon normal retirement age, total or permanent disability or death while in the employ of the Sponsor or Affiliates.

Forfeitures of nonvested balances of terminated employees are used first to pay administrative expenses, any remaining amounts are used to reduce employer contributions payable under the Plan. At December 31, 2023, forfeited non-vested accounts totaled \$14,031. The Plan used \$12,823 of forfeited non-vested accounts to pay administrative expenses for the year ended December 31, 2023.

Plan expenses

Certain costs of plan administration are absorbed by the Sponsor.

Note 2 – Summary of significant accounting policies

Method of accounting

The Plan maintains its accounting records and prepares its financial statements and supplemental schedule on the accrual basis.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See discussion under *Fair Value Measurements* for a description of valuation methodologies used.

The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Fair value measurements

The Plan uses a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs. The classification of a fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. These levels include:

Level 1 – observable inputs such as quoted prices in active markets for identical assets and liabilities;

Level 2 – observable inputs such as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, other inputs that are observable or can be corroborated by observable market data; and

Level 3 – unobservable inputs for which there are little or no market data, which require the reporting entity to develop its own assumptions.

The following is a description of the valuation methodologies used for the Plan's investments; there have been no changes in the methodologies used at December 31, 2023 and 2022:

CORCORAN COMPANIES PROFIT SHARING PLAN

Notes to Financial Statements

Registered investment companies

These investments are public investment vehicles valued using the Net Asset Value (NAV). The NAV is a quoted price in an active market.

Common/collective trust

The investment is a public investment vehicle valued using the NAV provided by the administrator of the fund as a practical expedient. The NAV is based on the fair value of the underlying investments held by the fund. Participant transactions (issuances and redemptions) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. The investment seeks to preserve principal while earning a level of interest income consistent with principal preservation by investing in a portfolio comprising primarily investment contracts issued by insurance companies and other financial institutions, fixed income securities, and money market funds.

Self-directed brokerage accounts

These investments are comprised of money market and mutual funds. Money market and mutual funds are valued at the NAV of shares held by the Plan at year-end.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the plan documents.

Allocations to participants' accounts

Individual accounts are maintained for each participant, which are separated into the various investment fund components and a participant loan component, if the participant has an outstanding loan. Separate accounts are also maintained for rollover, matching and discretionary profit-sharing contributions.

Income for each fund is allocated to each participant's account monthly in proportion to each participant's account balance. The income allocation is based on the actual monthly yield for the Plan.

Payment of benefits

Benefits are recorded when paid.

Accounting estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Accordingly, actual results may differ from these estimates.

Note 3 – Plan termination

Although the Sponsor and Affiliates have not expressed any intent to do so, they may terminate the Plan at any time, subject to the provisions of ERISA. If the Plan is terminated, all participants would become 100% vested in the matching and discretionary contributions.

CORCORAN COMPANIES PROFIT SHARING PLAN

Notes to Financial Statements

Note 4 – Information prepared and certified by the Plan’s trustee (unaudited)

The following information included in the Plan’s financial statements and supplemental schedule was derived from data that has been certified by Fidelity Management Trust Company, the trustee of the Plan, as being complete and accurate and has been furnished to the plan administrator.

	<u>2023</u>	<u>2022</u>
Investments		
Registered investment companies	\$ 41,385,744	\$ 34,687,698
Common/collective trust	359,884	376,036
Self-directed brokerage accounts	<u>202,580</u>	<u>163,608</u>
Total investments	<u>\$ 41,948,208</u>	<u>\$ 35,227,342</u>
Notes receivable from participants 4.25% – 9.50% for 2023 and 2022	\$ 511,880	\$ 670,132
Net appreciation (depreciation) in fair value of investments	\$ 6,401,176	\$ (9,710,735)
Interest and dividends	\$ 1,072,994	\$ 1,840,554
Interest income on notes receivable from participants	\$ 30,978	\$ 32,186

Note 5 – Tax status

The Plan received a determination letter from the Internal Revenue Service ("IRS") dated March 31, 2008, in which the IRS stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the IRS. The Plan operates under a prototype plan sponsored by Fidelity (FMR, LLC). The prototype plan sponsor has obtained an opinion letter dated June 30, 2020, in which the IRS stated that the prototype plan document was in compliance with applicable requirements of the IRS. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan’s tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Accordingly, no provision has been made for federal income taxes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan’s tax returns for tax years beginning 2020 through 2023 may be subject to examinations by the Department of Labor and the Internal Revenue Service.

Note 6 – Related parties

Affiliates of the trustee manage investments and provide recordkeeping services to the Plan. These investments and the administrative fees associated with the recordkeeping services qualify as party-in-interest transactions. Notes receivable from participants are also considered party-in-interest transactions. However, these transactions are exempt from the prohibited transaction rules under ERISA. Fees paid by the Plan for the investment management services are netted against net appreciation (depreciation) in fair value of investments.

Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

Note 9 – Subsequent events

The Plan has evaluated subsequent events and transactions through September 27, 2024, the date the financial statements were available to be issued. There were no events or transactions that occurred that would require recognition or disclosure in the financial statements.

Ladies and Gentlemen:

This representation letter is provided in connection with your audits of the financial statements of Corcoran Companies Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (collectively, the "financial statements").

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (US GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

35. We have obtained the SOC 1 report from our service organization Fidelity Workplace Services LLC and payroll administrator ADP. We have reviewed such report, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the year ended December 31, 2023.

36. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities are disclosed in Note 2 of the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
37. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
38. All required amendments to and filings of plan documents with the appropriate agencies have been made.
39. The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service ("IRS") stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan operates under a prototype plan sponsored by Fidelity (FMR, LLC). The prototype plan sponsor has obtained an opinion letter dated June 30, 2020, in which the IRS stated that the prototype plan document was in compliance with applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
40. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The Plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
